Hi All,

I understand the meeting with Catalyst and stakeholders went well.

This will be an evolving, complicated file that will require contributions from, and coordination amongst Finance, JTT, Forests, MAG, with also possible participation by Labour and Environment. I want to make sure we don't charge off in different directions, duplicate efforts and cross thread each other on this. Accordingly, I am going to ask Christine to lead this file. She will have my full authority on this file.

Lots of work for everybody to do, I just want to make sure it gets done as effectively and efficiently as possible.

Thanks.
