(Plus MAs, ACs, LAs)

Dear Ministers, Parliamentary Secretary and MLAs,

I am writing today to provide information about the Intergovernmental Relations Secretariat's (IGRS) role in coordinating B.C.'s participation at the upcoming Pacific Northwest Economic Region (PNWER) Summit, July 22-26. The PNWER Summit provides an excellent opportunity for B.C. officials to make important connections with neighbouring legislators and stakeholders, and to promote B.C.'s cross border priorities to an influential audience. It is our pleasure to work with and support Parliamentary Secretary Glumac in his role as B.C.'s PNWER lead.

IGRS is preparing a PNWER Summit Plan to help guide and support B.C. representatives' participation. The plan describes the sessions where B.C. officials are speaking, highlights key sessions at which B.C. can promote its priorities, and identifies participants that IGRS suggests B.C. officials connect with. Parliamentary Secretary Glumac and I will be hosting a teleconference with B.C. elected officials during the week of July 16, 2018 to review the plan and answer questions. Your office will receive the invitation.

In the coming days, your office will receive IGRS's recommendations about key officials to consider meeting with while at the Summit, along with rationale and contact information. If you wish to pursue a meeting with the recommended officials, we'd kindly ask that your office arrange the details. IGRS can support as required.

With regards to travel and administrative logistics, I understand your respective offices have this in hand and are working with PNWER. If your staff have any questions, they may contact Nicole Vinette at IGRS at Nicole.Vinette@gov.bc.ca. I also offer a friendly reminder that out of province travel for Ministers and MLAs must be approved by the Premier's Office.

Sincerely,

Okenge Yuma Morisho

Okenge:

On Friday, June 29th, PCO DM Christiane Fox held an IGR conference call on the upcoming meeting of FPT Ministers of Indigenous Relations on the Recognition and Implementation of Indigenous Rights Framework. s.16

s.16

Summary of the call:

s.16

PCO informed PTs that Hon. Carolyn Bennett, Minister of Crown-Indigenous Relations and Northern Affairs (CIRNA), will convene a meeting with provincial and territorial ministers responsible for Indigenous Affairs, Justice and Intergovernmental Affairs, to discuss the Recognition and Implementation of Indigenous Rights Framework. The

meeting will be on July 12-13 in Ottawa (exact venue is TBD). This meeting will not include representatives of Indigenous groups. The federal government will hold a separate meeting with them.

An informal dinner/ reception will take place on the evening of July 12th.
This will not be a working dinner.

The invitation is open to Premiers (in their role as Ministers of IGR or Indigenous Relations) and/or ministers responsible for Indigenous Affairs, Justice and/or intergovernmental affairs, and to ministerial substitutions. If Ministers are not available, officials can attend as designates.

In the past few months, consultation on the Indigenous rights framework has taken place on a bilateral or regional basis with PTs and Indigenous groups. This upcoming Ministerial meeting will be an opportunity for the federal government to share info with PT Ministers on what they heard during this consultation process.

s.16

There will be no public outcomes or communiqué from this meeting. No media avail at the end of the meeting.

The federal government is eager to have this meeting as work will be proceeding on the Framework during the summer. CIRNA will put pen to paper and PCO indicated that if any jurisdiction wants to have a role in shaping the document, PCO is interested in hearing from interested parties.^{s.16}

Good morning Okenge,

Following up on Jeremy's e-mail below, here are the current travel plans for the Ministers and MLAs participating in the PNWER summit in Spokane in July:

- MLP → arriving by car the afternoon of Sunday, July 22nd and departing Thursday, July 26th (exact timing dependent on whether she participates in the CRT tour - TBC)
- MKC → travel plans are still unconfirmed, but potentially arriving by plane the evening of Monday, July 23rd or the morning of Tuesday, July 24th and then hosting the CRT tour BBQ on the 26th at her farm
- MLA Bob D'Eith → arriving by plane on Sunday, July 22nd at 2:38pm and departing Wednesday, July 25th at 3:08pm
- MLA Ronna-Rae Leonard → arriving by plane on Sunday, July 22nd at 10pm and departing by plane Wednesday, July 25th at 1:30pm

MKC's office has agreed to keep me apprised of her travel plans once they've been confirmed, likely by the end of this week. I hope this is helpful, but if you have any questions or need any additional information, please let me know.

~Nicole

Okenge –

I have attached the climate panel description 1 pager.

The event is on the morning of Monday, July 23rd. Nicole is checking travel plans for all elected officials, but Minister Conroy is not scheduled to speak until July 25th, so it's probably unlikely that she will be there on the 23rd in the morning

PS Glumac is already speaking at another session that overlaps with the climate session, so he is not available.

Minister Popham is speaking in the afternoon of the 23rd, so it's reasonable to assume she will be there in the morning and available. Again, Nicole will confirm.

We are not aware of the travel schedules for MLAs Leonard and D'Eith but will confirm ASAP.

Finally, I have reviewed the PNWER agenda and don't see any critical events where we don't already have a speaker.

Thanks,

Jeremy

Subject: Invitation to an in-person meeting on July 13, 2018

Dear Premier Horgan:

As you are aware, the Government of Canada has been working in full partnership with First Nations, Inuit, and Métis towards the development of a Recognition and Implementation of Indigenous Rights Framework (the Framework). On February 14, the Prime Minister announced in the House of Commons that this Framework will be a combination of policy and legislation that will be introduced in 2018, to be implemented before October 2019.

I would like to extend an invitation to your government for an in-person meeting to discuss progress on the development of the framework on July 13, 2018 in Ottawa, at the Westin Hotel. I would ask that you invite the appropriate Minister(s) to attend the meeting.

This meeting follows a series of bilateral meetings that my Deputy Minister had with representatives from your government in the spring. The purpose of the meeting is to inform you on what we have heard from First Nations, Inuit and Métis leaders, women, youth and Elders on the framework, to answer any of your questions, and to discuss opportunities for continued collaboration.

Your input and cooperation is key to truly advancing reconciliation and transforming our relationship with First Nations, Inuit and Métis communities in Canada.

A draft agenda is attached for your consideration.

I look forward to our discussion on July 13, 2018. If you have questions please do not hesitate to contact me.

Sincerely,

Hon. Carolyn Bennett, M.D., P.C., M.P.

We have identified U.S. elected officials that we'd recommend B.C. Ministers, the Parliamentary Secretary and MLAs meet with while at PNWER. You may recall that in your email to our elected representatives, you wrote:

In the coming days, your office will receive IGRS recommendations about key officials to consider meeting with while at the Summit, along with rationale and contact information. If you wish to pursue a meeting with the recommended officials, we'd kindly ask that your office arrange the details. IGRS can support as required.

We have drafted this correspondence for your review. Please see attached. Happy to discuss at your convenience.

Hi, Manjit,

It's good to know that Deputy Minister Yuma Morisho will be available for a luncheon meeting this Friday. Do you have any suggestions about the restaurant that Deputy Minister would prefer so I can make appropriate arrangement?

Also, Consul General Tong has been trying to have an official meeting with Mr. Geoff Meggs since she took office but hasn't found a time good for both side. We think it might be great if Mr. Meggs would be available for a meeting sometime on Friday. Would you please kindly reach his office to find the possibility for such a meeting? Thank you very much for the coordination.

Dear Premier Horgan,

Firstly, on behalf of Action Canada for Sexual Health and Rights, and the individuals and health care workers we advocate for, I write to thank you for the exceptional leadership you've demonstrated in promoting and defending sexual and reproductive health and rights in British Columbia. Particularly for your government's work providing cost-coverage for medical abortion last January.

As you know, sexual and reproductive health touches the lives of all patients, particularly the most marginalized – from trans folks to those requiring STI testing, treatment and care. Your government has played a fundamental role advancing human rights for all – particularly sexual and reproductive rights – advocating for patient-centric, quality, and universal care. We intend to continue working with the governments of Canada and BC to advance the right to health.

To that end, we are looking forward to the Council of the Federation (CoF), which is fast approaching in July. Action Canada for Sexual Health and Rights will be present, lobbying for an inclusive and universal approach to pharmacare, access to abortion, comprehensive sexuality education and LGBTQ health and wellness among other things. If you have not already, I invite you to look at our policy brief on the intersections between Pharmacare and sexual and reproductive health (attached).

I'm writing to request a brief bi-lateral meeting between you and Action Canada while you are in St. Andrews, any time between the evening of July 18th and the afternoon of July 20th. If you are not available, we would be happy to have a sit down with a high-level staff from your office. Please let us know if this is possible.

Subject: Request for approval of COF letter re EPIWG / Demande d'approbation de la lettre du CDF concernant le GTIPE

The purpose of this email to request your jurisdiction's approval of the attached letter from the COF Chair to the Chair of the Economic Productivity and Innovation Working Group (EPIWG).

The COF letter responds to correspondence from NL's Minister responsible for Innovation, sent on behalf of EPIWG, which recommends that, given the high degree of alignment between the EPIWG Work Plan and the FPT Innovation and Economic Development Work Plan, the separate activities of EPIWG should cease.

Once the reply letter is sent, the work of EPIWG will cease in light of ongoing related FPT work.

As you recall, the COF Steering Committee discussed this matter on their June 8 conference call and agreed that a full discussion at the COF Summer Meeting was not required.

Please reply with your PT's approval by end of day Thursday, July 12.

Ce courriel vise à demander l’approbation, par votre gouvernement, de la lettre ci-jointe du président du Groupe de travail sur l’innovation et la productivité économique (GTIPE).

Cette lettre du CDF est une réponse à la correspondance du ministre responsable de l’innovation de Terre-Neuve-et-Labrador, qui sera envoyée au nom du GTIPE et dans laquelle le groupe recommande que, compte tenu du degré élevé de concordance entre le plan de travail du GTIPE et le plan de travail FPT pour l’innovation et le développement économique, les activités distinctes du GTIPE doivent être interrompues.

Une fois la lettre de réponse est envoyée, on mettra un terme aux travaux du GTIPE, compte tenu des travaux FPT en cours.

Vous vous rappelez sans doute que le Comité directeur du CDF avait discuté de cette éventualité lors de sa conférence téléphonique du 8 juin; ses membres avaient alors convenu qu’une discussion plus approfondie lors de la Rencontre estivale 2018 ne serait pas nécessaire.

Veillez donc répondre à ce message en fournissant l’approbation de votre province ou de votre territoire au plus tard le jeudi 12 juillet en fin de journée.

Island towns fearful over fishing closures

By Richard Watts

An invitation from Fisheries and Oceans Canada to discuss ocean areas that might be critical for killer whales has outraged community leaders from southwest Vancouver Island.

Prompted by Mike Hicks, Capital Regional District director for the Juan de Fuca Electoral Area, community politicians, ocean anglers and chambers of commerce from Sooke to Tofino are objecting to the possibility of closing two ocean zones to sport fishing: Swiftsure and La Perouse banks. Such a closure, they say, would devastate the small towns that rely on sport fishing to attract tourists.

"Their [Fisheries and Oceans Canada] track record is they will consult and they close," said Hicks. "And when it's closed, it's closed forever."

But the uproar has startled officials with the Department of Fisheries and Oceans, who say they just want to start talking about the areas recently identified by scientists as important feeding areas for southern resident killer whales.

"All we are doing is providing a kind of advanced 'heads up,'" said Neil Davis, director of resource management. "There are no additional measures like closure that are being proposed at this time."

Davis said his department is in the midst of a short discussion period. It is meant to let people know scientists have identified La Perouse and Swiftsure banks as important, even critical, feeding areas for the southern resident killer whales.

The next step will be for Fisheries and Oceans Canada to hold public consultations, at least 60 days worth, to gather opinions and information. Those discussions will be held some time between August and October. After that, extra moves might be taken.

Fisheries and Oceans Canada has already forbidden fishing from June 1 to Sept. 30 between Otter Point in Sooke and Port Renfrew, as well as areas in the southern Gulf Islands, to assist southern resident killer whales. Also, the overall catch of chinook has been reduced 25 to 35 per cent.

The southern resident killer whales have been listed under federal legislation as a "species at risk" and are down to just 75 individuals.

Those 75 forage and live mostly around the southern coast of B.C. and the U.S. Pacific Northwest.

They subsist almost entirely on chinook salmon, which are also a prize target for sport anglers because of their large size.

Davis said since the southern resident killer whales have been officially designated as a species at risk, some scientific investigations are mandated under regulations.

Also, government is required to consider what areas or conditions could be critical for the animals' long-term protection and survival.

But having seen what has already happened to Sooke since the closure there, officials of the southwest Vancouver Island coastal communities are already up in arms, even at the start of the consideration phase.

"It has devastated the sport fishing and tourism in Sooke," said Karl Ablack, vice-president of the Port Renfrew Chamber of Commerce.

"It [more closures] could devastate all the coastal communities, not just Port Renfrew but also Tofino, Bamfield, Ucluelet and Port Alberni," he said. rwatts@timescolonist.com

Helene: would you be ok if I canvass all PT re: officials' attendance at COF. This is quite problematic for us in many respect:

- 1 – justifying the cost of travel for officials;
- 2 – supporting the Premier during discussions with his peers; and
- 3 – ability to do effective follow-ups when officials did not witness the discussion first hand.

If you don't object I will send an email to all. Based on PTs' response, I would be grateful if you could submit a request to your Premier for consideration. Thanks for advising.

Dear colleagues:

I am writing to request your views regarding officials' attendance during Premiers' meetings at CoF.

I understand recent practice has been that no officials were allowed in the room.

We would like to respectfully submit that the CoF Steering Committee should recommend the following change to attendance rules:

- Premiers should be allowed to bring no more than two officials in the room (e.g. Chief of Staff and DM);
- Only Premiers should be allowed to speak during CoF proceedings
- Premiers reserve the right (through consensus decision) to hold part of their discussions *in camera* (without officials)

We would be very grateful for your support to bring this proposed change to the in-coming Chair of CoF for his consideration through our colleague H  l  ne.

The current attendance practice (i.e. no officials) does present a number of practical challenges, in addition to being inconsistent with most PT and FPT (including First Ministers Meetings):

- a) sub-optimal for providing advice/support to Premiers during discussions and communiqué editing/approval;
and
- b) ineffective for ensuring proper follow-up actions are taken by officials after the meeting.

Thanks in advance for your views on this.

Hi all,

Just a quick update on the intentions papers:

- The launch of the IPs /consultation is *not* going ahead on the 11th; we'll get back to you as soon as we can on the date.
- Stakeholder Calls – ADMs agreed to email their stakeholders day of the launch (likely at 11 a.m. TBC), and call key stakeholders 1-2 days in advance, pending final launch date. There is a master stakeholder list on the SharePoint that's organized by ministry.
- CAS is sending out a separate email to all First Nations and Bobbi will also send out to key groups, and we'll provide that list to ADMs once finalized.
- Supporting materials below are going through approvals and plan to send out this package to ADMs once finalized with possible discussion as necessary on this Friday's call.

Let me know if you need more info, or have any concerns,
Neil

Ministers and Parliamentary Secretary –

Don Wright has asked me to travel to New Brunswick next week to attend the annual FPT Clerks and Cabinet Secretaries meeting. Unfortunately, this means I will be on a flight during our scheduled PNWER briefing Monday at 9:00 AM.

I'd like to offer two options for how to proceed:

1. Proceed with the meeting as scheduled and have Jeremy Hewitt, Executive Director for U.S. Relations in my office, lead the briefing. Jeremy is the subject expert, is leading our PNWER strategy and will be on the ground in Spokane
2. Reschedule the briefing for Friday this week so that I can participate along with Jeremy

Of course feel free to call me directly if you'd like to discuss this directly in addition to the formal briefing.

I apologize for the inconvenience and hope one of the two options above will work for you.

Sincerely,

Okenge Yuma Morisho

Ministers and Parliamentary Secretary –

Don Wright has asked me to travel to New Brunswick next week to attend the annual FPT Clerks and Cabinet Secretaries meeting. Unfortunately, this means I will be on a flight during our scheduled PNWER briefing Monday at 9:00 AM.

I'd like to offer two options for how to proceed:

1. Proceed with the meeting as scheduled and have Jeremy Hewitt, Executive Director for U.S. Relations in my office, lead the briefing. Jeremy is the subject expert, is leading our PNWER strategy and will be on the ground in Spokane
2. Reschedule the briefing for Friday this week so that I can participate along with Jeremy

Of course feel free to call me directly if you'd like to discuss this directly in addition to the formal briefing.

I apologize for the inconvenience and hope one of the two options above will work for you.

Sincerely,

Okenge Yuma Morisho

Subject: CoF Request for Premier Horgan

Dear Premier Horgan,

Firstly, on behalf of Action Canada for Sexual Health and Rights, and the individuals and health care workers we advocate for, I write to thank you for the exceptional leadership you've demonstrated in promoting and defending sexual and reproductive health and rights in British Columbia. Particularly for your government's work providing cost-coverage for medical abortion last January.

As you know, sexual and reproductive health touches the lives of all patients, particularly the most marginalized – from trans folks to those requiring STI testing, treatment and care. Your government has played a fundamental role

advancing human rights for all – particularly sexual and reproductive rights – advocating for patient-centric, quality, and universal care. We intend to continue working with the governments of Canada and BC to advance the right to health.

To that end, we are looking forward to the Council of the Federation (CoF), which is fast approaching in July. Action Canada for Sexual Health and Rights will be present, lobbying for an inclusive and universal approach to pharmacare, access to abortion, comprehensive sexuality education and LGBTQ health and wellness among other things. If you have not already, I invite you to look at our policy brief on the intersections between Pharmacare and sexual and reproductive health (attached).

I'm writing to request a brief bi-lateral meeting between you and Action Canada while you are in St. Andrews, any time between the evening of July 18th and the afternoon of July 20th. If you are not available, we would be happy to have a sit down with a high-level staff from your office. Please let us know if this is possible.

I look forward to seeing you in New Brunswick and thank you again for your work. We couldn't do it without government champions!

Yours sincerely,

Darrah Teitel

Subject: Meeting on Recognition Framework / Réunion sur le Cadre de reconnaissance

Colleagues,

We wanted to make sure that you were aware that the Minister of Crown-Indigenous Relations and Northern Affairs (CIRNA) intends to convene a meeting with provincial and territorial ministers responsible for Indigenous affairs, justice and intergovernmental affairs, to discuss the Recognition and Implementation of Indigenous Rights Framework. We understand that CIRNA is planning to hold these meetings on either July 11, 12, or 13 in Ottawa; grateful if you could let us know by Wednesday if there are any specific preferences among these dates.

We recognize that this is just prior to the meeting of the Council of the Federation, and that this will be a particularly busy time for your governments. However, as we discussed in the spring, CIRNA is intensifying its work on the Framework, and we recognize that this will include the need for political discussions.

As we stressed during our discussions on the Framework a few weeks ago, collaboration with provinces and territories will be essential to make meaningful change that recognizes and implements Indigenous rights. And, while the Framework will ensure that the recognition and exercise of Indigenous rights will be consistent with the Canadian constitution, the Framework could have impacts on provinces and territories and your relationships with Indigenous peoples.

To that end, we hope you will encourage ministerial participation in these upcoming meetings. This will be an important opportunity to ensure that the views of provinces and territories are heard and considered.

Hélène Laurendeau
 Deputy Minister, Crown-Indigenous Relations and Northern Affairs

Nathalie Drouin
 Deputy Minister, Justice and Attorney-General of Canada

Christiane Fox
Deputy Minister, Intergovernmental Affairs and Youth

Collègues,

Nous voulions nous assurer que vous aviez pris connaissance de l'intention de la ministre des Relations Couronne-Autochtones et des Affaires du Nord (RCAAN) de coordonner une réunion avec les ministres provinciaux et territoriaux responsable pour les affaires Autochtones, la justice, et les affaires intergouvernementales, pour discuter du Cadre de reconnaissance et de mise en œuvre des droits des Autochtones. Nous comprenons que RCAAN prévoit tenir ces réunions le 11, 12 ou 13 juillet; svp indiquez d'ici mercredi, s'il y a des préférences de ses ministres parmi ces dates.

Nous reconnaissons que ces réunions précèderaient de très près la réunion du Conseil de la fédération, d'autant plus que ce sera une période particulièrement chargée pour vos gouvernements. Cependant, comme nous en avons discuté au printemps, RCAAN intensifie son travail sur le Cadre et nous reconnaissons que cela inclura le besoin de discussions politiques.

Comme nous l'avons souligné lors de nos discussions sur le Cadre il y a quelques semaines, la collaboration avec les provinces et territoires sera essentielle pour apporter des changements significatifs qui reconnaissent et mettent en œuvre les droits des Autochtones. De plus, même si le Cadre garantira que la reconnaissance et l'exercice des droits autochtones seront conformes à la constitution canadienne, il pourrait avoir des répercussions sur les provinces et territoires, ainsi que sur vos relations avec les peuples autochtones.

À cette fin, nous espérons que vous encouragerez la participation ministérielle à ces prochaines réunions. Ce sera une occasion importante de s'assurer que les points de vue des provinces et des territoires soient entendus et pris en considération.

Subject: Meeting on Recognition Framework / Réunion sur le Cadre de reconnaissance

Colleagues,

We wanted to make sure that you were aware that the Minister of Crown-Indigenous Relations and Northern Affairs (CIRNA) intends to convene a meeting with provincial and territorial ministers responsible for Indigenous affairs, justice and intergovernmental affairs, to discuss the Recognition and Implementation of Indigenous Rights Framework. We understand that CIRNA is planning to hold these meetings on either July 11, 12, or 13 in Ottawa; grateful if you could let us know by Wednesday if there are any specific preferences among these dates.

We recognize that this is just prior to the meeting of the Council of the Federation, and that this will be a particularly busy time for your governments. However, as we discussed in the spring, CIRNA is intensifying its work on the Framework, and we recognize that this will include the need for political discussions.

As we stressed during our discussions on the Framework a few weeks ago, collaboration with provinces and territories will be essential to make meaningful change that recognizes and implements Indigenous rights. And, while the Framework will ensure that the recognition and exercise of Indigenous rights will be consistent with the Canadian constitution, the Framework could have impacts on provinces and territories and your relationships with Indigenous peoples.

To that end, we hope you will encourage ministerial participation in these upcoming meetings. This will be an important opportunity to ensure that the views of provinces and territories are heard and considered.

I get in about 10:30 so won't be able to participate in a PT meeting Thursday night. If your sense is that this is critical I could try to change my flight.

Colleagues,

We wanted to make sure that you were aware that the Minister of Crown-Indigenous Relations and Northern Affairs (CIRNA) intends to convene a meeting with provincial and territorial ministers responsible for Indigenous affairs, justice and intergovernmental affairs, to discuss the Recognition and Implementation of Indigenous Rights Framework. We understand that CIRNA is planning to hold these meetings on either July 11, 12, or 13 in Ottawa; grateful if you could let us know by Wednesday if there are any specific preferences among these dates.

We recognize that this is just prior to the meeting of the Council of the Federation, and that this will be a particularly busy time for your governments. However, as we discussed in the spring, CIRNA is intensifying its work on the Framework, and we recognize that this will include the need for political discussions.

As we stressed during our discussions on the Framework a few weeks ago, collaboration with provinces and territories will be essential to make meaningful change that recognizes and implements Indigenous rights. And, while the Framework will ensure that the recognition and exercise of Indigenous rights will be consistent with the Canadian constitution, the Framework could have impacts on provinces and territories and your relationships with Indigenous peoples.

To that end, we hope you will encourage ministerial participation in these upcoming meetings. This will be an important opportunity to ensure that the views of provinces and territories are heard and considered.

Hélène Laurendeau
Deputy Minister, Crown-Indigenous Relations and Northern Affairs

Nathalie Drouin
Deputy Minister, Justice and Attorney-General of Canada

Christiane Fox
Deputy Minister, Intergovernmental Affairs and Youth

Collègues,

Nous voulions nous assurer que vous aviez pris connaissance de l'intention de la ministre des Relations Couronne-Autochtones et des Affaires du Nord (RCAAN) de coordonner une réunion avec les ministres provinciaux et territoriaux responsable pour les affaires Autochtones, la justice, et les affaires intergouvernementales, pour discuter du Cadre de reconnaissance et de mise en œuvre des droits des Autochtones. Nous comprenons que RCAAN prévoit tenir ces réunions le 11, 12 ou 13 juillet; svp indiquez d'ici mercredi, s'il y a des préférences de ses ministres parmi ces dates.

Nous reconnaissons que ces réunions précèderaient de très près la réunion du Conseil de la fédération, d'autant plus que ce sera une période particulièrement chargée pour vos gouvernements. Cependant, comme nous en avons discuté au printemps, RCAAN intensifie son travail sur le Cadre et nous reconnaissons que cela inclura le besoin de discussions politiques.

Comme nous l'avons souligné lors de nos discussions sur le Cadre il y a quelques semaines, la collaboration avec les provinces et territoires sera essentielle pour apporter des changements significatifs qui reconnaissent et mettent en œuvre les droits des Autochtones. De plus, même si le Cadre garantira que la reconnaissance et l'exercice des droits autochtones seront conformes à la constitution canadienne, il pourrait avoir des répercussions sur les provinces et territoires, ainsi que sur vos relations avec les peuples autochtones.

À cette fin, nous espérons que vous encouragerez la participation ministérielle à ces prochaines réunions. Ce sera une occasion importante de s'assurer que les points de vue des provinces et des territoires soient entendus et pris en considération.

série de réunions bilatérales qui ont eu lieu au printemps avec vous et d'autres sous-ministres provinciaux et territoriaux.

En prévision de la réunion du 13 juillet, je suis heureuse de partager deux documents: « Ce que nous avons entendu jusqu'ici » et le document pour la mobilisation.

Les documents ci-joints sont basés sur ce qui a été entendu lors de la mobilisation nationale suite à la déclaration du premier ministre Trudeau à la Chambre des communes le 14 février 2018 et ces documents nous aideront à structurer notre discussion. Ces documents seront bientôt affichés sur notre site Web.

Votre participation et votre collaboration sont essentielles afin de faire progresser la réconciliation et transformer notre relation avec les communautés des Premières Nations, des Inuits et des Métis au Canada.

Je serais heureuse de discuter de ces documents avec vous. Si vous avez des questions, n'hésitez pas à communiquer avec moi.

Hélène Laurendeau
Sous-ministre
Relations Couronne-Autochtones et Affaires du Nord Canada

Dear Colleagues:

As you know, Minister Bennett has invited Premiers and provincial and territorial Ministers to an in-person engagement meeting in Ottawa on July 13, 2018. The purpose of the session will be to discuss what we have heard from First Nations, Inuit and Métis leaders, women, youth and Elders on the Framework for the Recognition and Implementation of Indigenous rights and to look for opportunities for collaboration. The Minister's meeting follows a series of bilateral meetings that were held over the spring with you and other provincial and territorial Deputy.

In advance of the July 13th meeting, I am pleased to share two documents: *What We Heard So Far* and the *Engagement Document*.

The documents enclosed are based on what was heard during the national engagement following Prime Minister Trudeau's statement in the House of Commons on February 14, 2018 and will assist in framing our discussion. These documents will be posted on our website shortly also.

Your input and cooperation are key to truly advancing reconciliation and transforming our relationship with First Nations, Inuit and Métis communities in Canada.

I would be happy to discuss these documents with you further. Should you have questions please do not hesitate to contact me.

Sincerely,

Hélène Laurendeau

Vous séjournerez au Delta Beauséjour et les lieux de rencontres sont à déterminer. Pour les hébergements, veuillez contacter contact Laurin Branscombe, Laurin.Branscombe@gnb.ca.

Vous trouverez ci-joint un ordre du jour mis à jour de la rencontre provinciale-territoriale et fédérale-provinciale-territoriale. Des documents d'information, tels que des présentations, des ordres du jour à jour, etc., seront envoyés par voie électronique la semaine prochaine.

Le 17 juillet en soirée, une croisière sur le thème du homard est prévue dans la baie de Shediac. Une navette assurera le transport du Delta Beauséjour jusqu'à Shediac à partir de 18 h. La croisière aura lieu de 19 h à 21 h 30, et les choix au menu sont le homard, le poulet BBQ ou la lasagne végétarienne. Nous vous recommandons d'apporter une veste ou un chandail pour vous protéger de la fraîcheur, au besoin, puisque votre croisière se déroulera dans la baie de Shediac.

Prière de confirmer auprès de Laurin Branscombe, Laurin.Branscombe@gnb.ca :

1. Votre présence (si ce n'est pas déjà fait) aussitôt que possible pour que nous puissions mettre la touche finale à l'organisation.

2. Votre participation à la croisière dans la baie de Shediac ainsi que votre choix de repas : homard, poulet BBQ ou lasagne végétarienne (et toute restriction alimentaire).
3. Nous aviser de votre numéro de vol d'arrivée et de départ.

Merci

Colleagues: please find below a summary of the Ontario SFT. The full speech is available here:
<https://news.ontario.ca/opo/en/2018/07/a-government-for-the-people.html>

The new Ontario government has committed to end cap-and-trade, lower taxes, audit public spending and make alcohol available in corner stores:

Tax:

- Take action to reduce gas prices, lower hydro bills, and provide meaningful, necessary tax relief to parents, small businesses and the working poor
- Scrap the cap-and-trade carbon tax and oppose other carbon tax schemes in all of their forms

Trade:

- Work cooperatively with the federal government to stand up to tariffs and make sure Ontario's best interests are reflected in the NAFTA negotiations

Economy:

- Protect jobs at home—including the thousands of jobs across Ontario that depend on the continued operation of Pickering Nuclear Generating Station
- Let the world know that Ontario is open for business
- Ensure everyone gets a fair opportunity to compete for opportunities and build their careers here in Ontario

Government Accountability:

- Restore faith in Ontario's public institutions
- Call a Commission of Inquiry into the financial practices of government
- Conduct a line-by-line audit of all government spending that will identify and eliminate duplication and waste
- Restore public confidence in Ontario's electricity system, starting with Hydro One

Healthcare:

- Work collaboratively with doctors, nurses and other health care practitioners
- Create 15,000 new long term care beds over the next five years
- Invest \$3.8 billion in mental health and addictions, including supportive housing

Education/Children:

- Respect parents, teachers and students by getting back to basics and replacing ideological experiments in classrooms.
- Scrap the failed experimental 'Discovery Math' curriculum

- Replace current sex-education curriculum with a new age-appropriate one based on real consultation with parents
- Increase supports for the families of children with autism

Transportation:

- Partner with Toronto and other GTA municipalities to build a world-class transit system
- Address the transportation needs of other Ontario urban centres
- Put an end to unfair, unaffordable green energy contracts that have been imposed on rural municipalities over local objections

Military:

- Honour the Canadian heroes of the war in Afghanistan by building a new monument and creating a dedicated hotline to provide assistance to our military families here at home
- Expand the sale of beer and wine to convenience stores, grocery stores and big-box stores

As follow-up to today's presentation at DMC on Gender Equity and the roll-out of Gender-Based Analysis Plus (GBA+), please find attached the electronic versions of the material provided in your packages. Please feel free to share these with members of your executive.

Each Ministry is asked to identify a GBA+ Executive Lead who will act as a "Champion" for GBA+ in their Ministry, assisting staff to learn about this form of analysis and begin using it in their work. One hour orientation sessions for all GBA+ Executive Leads will be held in August and September. It is anticipated that in addition to the 1-hour orientation session, GBA+ Executive Leads (or alternates) will be the main point of contact for each Ministry and the Gender Equity Office, and may be called upon bi-annually to identify challenges and opportunities for the implementation of GBA+ across government. Please provide the names of one Executive Lead (likely a Policy ADM) and one alternate (Policy ED-level) to Jessica Knowles, A/EAA at the Gender Equity Office by **Monday, July 23rd** (Jessica.D.Knowles@gov.bc.ca).

Jessica will also be in touch with your Deputy Minister's Office to identify a convenient time over the coming weeks and through the Fall for Melanie Stewart, ADM Gender Equity, to provide a short 30-minute orientation session for your executive teams (perhaps as a part of your regular executive meeting). In addition, the Integrated Data Office will be in touch with your DMO separately regarding the process for pulling together the data inventory that will help support GBA+ across government.

A draft Deputy Minister email that can be shared with your Ministry staff will be circulated to all of you shortly.

Please do not hesitate to contact Melanie Stewart (Melanie.J.Stewart@gov.bc.ca) should you have any questions or concerns.

Thank you again for your support.

Hi Okenge,

I have added a series of COF meetings/meals in your calendar for next week.

Could you please print and replace these two documents under TAB 7 in your COF binder? The cover page for that tab and the market access communiqué which has changed.

Pierrette has an envelope with the edits from today for Premier Horgan, Geoff and Sheena's binders. They are all labelled and Pierrette and Grant will ensure they are added in New Brunswick.

Pierrette will pick up the keys for the B.C. delegation room in Saint Andrews. It will be equipped as usual with a meeting table, chairs and a desktop printer. Premier Horgan's meeting with Premier Silver will be in this room on July 19 at 8:15am. For this meeting, the COF Secretariat suggested ordering coffee/tea, etc. as a guest of the hotel (room service), rather than in advance as there is a large cost difference. The B.C. Delegation room is booked from 8am July 18 to 5pm July 20.

All the best with the Clerks meeting and COF. Safe travels and have a lovely weekend.

Ministry of Transportation and Infrastructure

STATEMENT

Minister's statement on Western Canadian Ministers' meeting on Greyhound Updated on July 14, 2018

VICTORIA - Claire Trevena, Minister of Transportation and Infrastructure, has issued the following statement following today's meeting with Western Canadian ministers on Greyhound's service withdrawal:

"Today's meeting with ministers from Western Canada was positive and productive. We recognize Greyhound's surprise withdrawal will leave people with limited options to get around. Greyhound's 90-day deadline for service withdrawal is

extremely short for alternatives to be developed. We have agreed to write to the federal minister of transport to advocate for all Canadians who need access to safe, reliable and affordable transportation.

"My staff have been in close contact with their federal counterparts to advocate for British Columbians who will lose bus service, and I have asked them to continue to work together.

"I hope local operators will see an opportunity to bring a badly needed service to the parts of the B.C. most affected by Greyhound's decision. The Passenger Transportation Board will be moving new inter-city bus applications to replace Greyhound to the front of the line.

"I am committed to sitting down with service providers, the private sector and local government, and will continue to be in close contact with my provincial counterparts, to explore what other options are available to keep communities connected."

Okenge and Pierrette –

Here's an update on the PNWER preparations:

- Okenge, a Pierrette-approved version of the binder will be in your office when you arrive in the morning
- Our briefing for elected officials is set for 9:00 AM on Monday, July 16. James Mack, ADM of Agriculture, will be joining in case there are any detailed Agriculture questions.
- Okenge, hoping you can please review and approve the short BN I sent you earlier today (attached again here) so it can be sent out tomorrow morning along with the meeting agenda

- Communications materials are in a good place. The NR has been approved by Pierrette and the offices of MKC and PSG (JTT MO). We have drafted a speech and Q&As for MLP's carbon pricing session—MoE GCPE is now reviewing. PSG's speeches are now finalized, too. EMPR is taking care of MKC's CRT speech.

Please let me know if you have any questions or concerns.

Thanks,

Jeremy

Subject: Afternoon distractions report

Hello

Here is the afternoon distractions report for you.

Hi Kim –

The US has launched a WTO challenge of Canada's retaliatory tariffs: <https://www.theglobeandmail.com/business/economy/article-us-slams-canada-others-in-wto-case-for-retaliating-against-trumps/>

An, of course, the Trump-Putin press conference today

Jeremy

Couple things of interest for Francophone Affairs, but no true distractions:

1. La candidature de Mélanie Joly est confirmée pour les élections de 2019
2. Mention d'immigration francophone dans le communiqué FPT des ministres responsable de l'immigration :

[...] Les ministres ont convenu d'explorer les possibilités de collaboration concernant les efforts de promotion, de recrutement et de maintien en poste. De plus, ils ont discuté de l'importance de veiller à ce que les régions rurales du Canada bénéficient de l'augmentation des niveaux d'immigration ainsi que de l'importance d'accroître l'immigration francophone à l'extérieur du Québec. [...]

Véronique Mercier

Good morning Kim

Major international news today is the Japan-EU free trade agreement which will open trade between two of the world's largest economies comprising 30% of global GDP and sends a strong message against protectionism:

Social Development Minister **Jean-Yves Duclos** heads to New York, where he'll be leading a UN delegation, including academics, Indigenous peoples, and other civil society organizations, tasked with delivering the Voluntary National Review report on Canada's efforts to meet the international body's 2030 agenda on sustainable development. The agenda is centred on a 15-year framework to tackle issues ranging from climate action to gender equality. In the last budget, the feds committed \$49.4-million over 13 years to establish a unit dedicated to meeting the UN Sustainable Development Goals and to help Statistics Canada collect data. Mr. Duclos' day also includes a series of bilateral meetings and a media teleconference at 1:30 p.m.

Subject: CoF Request for Premier Horgan

Dear Premier Horgan,

Firstly, on behalf of Action Canada for Sexual Health and Rights, and the individuals and health care workers we advocate for, I write to thank you for the exceptional leadership you've demonstrated in promoting and defending sexual and reproductive health and rights in British Columbia. Particularly for your government's work providing cost-coverage for medical abortion last January.

As you know, sexual and reproductive health touches the lives of all patients, particularly the most marginalized – from trans folks to those requiring STI testing, treatment and care. Your government has played a fundamental role advancing human rights for all – particularly sexual and reproductive rights – advocating for patient-centric, quality, and universal care. We intend to continue working with the governments of Canada and BC to advance the right to health.

To that end, we are looking forward to the Council of the Federation (CoF), which is fast approaching in July. Action Canada for Sexual Health and Rights will be present, lobbying for an inclusive and universal approach to pharmacare, access to abortion, comprehensive sexuality education and LGBTQ health and wellness among other things. If you have not already, I invite you to look at our policy brief on the intersections between Pharmacare and sexual and reproductive health (attached).

I'm writing to request a brief bi-lateral meeting between you and Action Canada while you are in St. Andrews, any time between the evening of July 18th and the afternoon of July 20th. If you are not available, we would be happy to have a sit down with a high-level staff from your office. Please let us know if this is possible.

I look forward to seeing you in New Brunswick and thank you again for your work. We couldn't do it without government champions!

Yours sincerely,

Darrah Teitel

Colleagues,

On July 18, the Prime Minister announced a series of changes to the Ministry (<https://pm.gc.ca/eng/news>). The Honourable Dominic LeBlanc becomes Minister of Intergovernmental and Northern Affairs and Internal Trade.

Given his distinguished career, including his most recent position as Minister of Fisheries, Oceans and the Canadian Coast Guard, Minister LeBlanc brings a wealth of experience and knowledge in dealing with intergovernmental issues. I look forward to working with him and his team as he assumes his new responsibilities.

Le 18 juillet, le premier ministre a annoncé un certain nombre de changements à la composition du Conseil des ministres (<https://pm.gc.ca/fra/nouvelles>). L'honorable Dominic LeBlanc, devient ministre des Affaires intergouvernementales et du Nord et du Commerce intérieur.

Étant donné sa carrière remarquable, notamment à titre de ministre des Pêches, des Océans et de la Garde côtière canadienne, le ministre LeBlanc apporte une vaste expérience et des connaissances dans la gestion d'enjeux intergouvernementaux. J'ai hâte de travailler avec lui et son équipe afin de l'appuyer dans ses nouvelles responsabilités.

Hi Kim,

Premiers Ford, Couillard and Pallister released a joint statement at COF this afternoon calling on the federal government to “fully compensate each of the provinces for impacts to services resulting from the increase in non-point of entry border crossings, and called on the federal government to make the necessary investments to ensure the timely adjudication of refugee claimant hearings.”

Quick Facts

- In 2017, federal, provincial, and territorial governments negotiated a historic Canadian Free Trade Agreement to improve the flow of goods, services and investments across provincial and territorial borders, giving consumers more choice and lower prices. It also committed all governments to work together to reduce the rules and regulations that hinder trade within Canada and stifle the growth of Canadian businesses.
- Internal trade accounts for just under one-fifth of Canada's annual gross domestic product, or \$370 billion. It also accounts for almost 40 per cent of all provincial and territorial exports.
- Estimates suggest that removing interprovincial trade barriers could result in an economic benefit roughly comparable to the projected benefit of the Canada-European Union Comprehensive Economic and Trade Agreement (CETA).
- For businesses to succeed internationally, it is important for them to first establish a stable and supportive market at home.
- Internal trade also helps protect Canada against the uncertainties of the global economy.

Okenge, that's a bit difficult because I would be away from UBCM for at least half a day. I'll check on flights. I think Crofton is a questionable choice although they could see the impact of tariffs firsthand.

Hello Okenge

I wonder if you could have a look at the information below and offer a suggestion to us. I have run this by several people at IGRS and each time the answer appears to be, that's not us.
Thank you for your consideration on this.

Hi Manjit and Kim,

We've been made aware of a federal initiative below.

Can you please advise on whether this is something the IGRS would amplify through social media or whether individual ministers can or what is preferred approach?

Dear Lori,

On August 14th to 17th, the Honourable François-Philippe Champagne, Minister of International Trade will lead the first LGBTQ2+ trade mission ever put together by a Canadian government, to the 2018 National LGBT Chamber of Commerce's (NGLCC) International Business and Leadership Conference, in Philadelphia.

The event is multi-sectoral. The trade mission will feature networking opportunities, B2B matchmaking, conferences and access to Minister Champagne and other senior government officials. For those that may not be aware, CGLCC is a national organization that certifies 51%+ owned LGTBQ2 companies as diverse suppliers, providing them with access to the growing number of corporations proactively seeking to diversify their supply chains.

We are reaching out to you as a valued partner to seek your collaboration in promoting this trade mission to your membership. Below we have provided pre-packaged tweets and links to the website that can be used to promote the event on social media and for upcoming event listings.

We ask that interested companies direct their enquiries to our trade missions team in Ottawa TradeMissions.BST@international.gc.ca to find out more about what to expect, the benefits of participating in the delegation, the conference program, registration, travel and hotel bookings.

Hi Okenge,

Attached is the draft letter that CoF officials worked from this morning. I discussed with MIRR before the call, and we agreed that overall the letter was acceptable, s.16

s.16

Below is the update from this morning's senior official call, which I just shared with MIRR officials:

A very animated discussion was had by COF officials this morning on the Rights Framework letter. There will be some edits forthcoming, which include articulating the need for substantive materials to be shared well in advance of the August meeting, and an emphasis on how the current engagement is just the beginning and that the conversations must continue going forward. Many PTs feel an urgency in getting this letter out before the conversation evolves.

s.16

The table will be submitting revisions today, and a new consolidated version will be circulated tomorrow.

Hello. I met with Jerymy at Government House this week on a number of items. This was one of them.

It turns out the Office of the LG issued a proclamation on April 18, 2018 stating that the following people shall be entitled to be styled "Honourable" for life:

- All persons who have been sworn into the Provincial Executive Council, upon retirement;
- Speakers of the Provincial Legislative Assembly, upon retirement.

The Great Seal has been affixed to the proclamation and it was signed by the LG at the time Judith Guichon.

Further, the Office of the LG issued a second proclamation on the same date stating that the Clerk and his successors shall be entitled to be styled "Honourable" for life while in office and upon retirement.

Jerymy also gave me a copy of a note to file from the Speaker stating that: "...legal opinions have been obtained that support the LG's prerogative to unilaterally issue a proclamation of this kind. As well, the Premier of the Province of BC has expressed to me his endorsement of this initiative."

I apologize for my response to you last week Pierrette but this was the first I learned of this activity from April. I will endeavour to seek legal opinion as to whether or not these proclamations are to be applied retroactively or only from April onward.

Happy to discuss further at your convenience. Thanks.

Hi Pierrette. According the Canadian Heritage web site, which governs styles of address, only members of the Queen's Privy Council for Canada retain the title "Honourable" for life, using the initials P.C. after their name. This list includes Federal Cabinet ministers, senators and members of the House of Commons. Others who retain the title Honourable for life include Lieutenant Governors. The Queen's Privy Council does include people who have been inducted as an honorary gesture.

For Premiers, provincial cabinet ministers and members of provincial legislative assemblies the title Honourable is used only while in office, unless he/she is a member of the Privy Council.

I checked the most up to date list of Queen's Privy Council members and the Speaker is not on it. I'm not sure what the past LG may have done but I'll check with Jerymy.

Good to meet you at PNWER, and hope you are still enjoying the conference.

Just a note to thank you for your support for my participation – I appreciated the background briefing notes, the coordination of the BC government attendees, and your team meetings.

I felt the BC presence was impressive, and I found the conference useful - and made several good contacts for the future.

Subject: Gender Based Analysis Plus (GBA+)

Colleagues,

In February of this year, Premier Horgan appointed Mitzi Dean as Parliamentary Secretary for Gender Equity, reporting to the Minister of Finance. A key part of this whole-of-government mandate is to ensure gender equity is reflected in government's budgets, policies and programs. To support this, the BC Public Service is implementing a new policy and budgeting tool– Gender-Based Analysis Plus (GBA+).

GBA+ is a well-established analytical tool that includes the examination of diverse identity factors, such as gender, race, Indigeneity, ethnicity, age, mental or physical (dis)ability, language, socio-economic status, sexual orientation, etc. For IGRS, this means we will be able to provide more comprehensive advice to the Premier and Ministers, and ensure that our outward facing engagement with other

governments and stakeholders better reflects the diverse needs and circumstances of British Columbians.

Tools like GBA+ are being used in over 160 governments and international/regional institutions around the world and this initiative will provide a practical way to strengthen the commitment the BC Public Service has made to diversity and inclusion, as well as our commitment to reconciliation with Indigenous peoples. I encourage you to consider how we can apply GBA+ in our work, for example through our engagement with the Pacific NorthWest Economic Region, Council of the Federation, international missions, Order of BC, or at the Conférence ministérielle sur la francophonie canadienne, among many other venues and projects where IGRS provides advice to decision makers and advances evidence based policy making.

The implementation of GBA+ in the BC Public Service will begin with the consideration of GBA+ in the Budget Instructions template that will be sent to all ministries in early Fall to inform Budget 2019, will then extend to all Treasury Board submissions and Cabinet submissions, and will inform future program reviews. GBA+ is not an “add-on” to the end of policy development; rather, it will support all stages of the policy cycle, from identification of the problem, to determination of options, through consultation, and during the implementation and evaluation.

I have asked Sukumar Periwal to serve as IGRS’s Lead responsible for GBA+ implementation. The IGRS Executive team will complete a GBA+ Orientation workshop in the coming months and information on GBA+ will be included in the mandatory diversity and inclusion training for all public servants that will begin to be delivered this year. To support the data requirements of GBA+, the Integrated Data Office will be working with all ministries across government to compile a corporate data inventory.

I understand that some of you have already taken an online tutorial offered by the Government of Canada. I welcome your initiative on this. For those of you who haven’t taken the tutorial and are interested in learning more, the tutorial is available here: <https://www.swc-cfc.gc.ca/gba-acsc/course-cours-en.html>. Please feel free to talk with Sukumar or Anika about this tutorial or if you have specific questions about GBA+.

If you have broader questions about GBA+ in the BC Public Service, please contact Melanie Stewart, ADM, Gender Equity (melanie.j.stewart@gov.bc.ca) or Miranda Mason, Director, Policy (miranda.mason@gov.bc.ca) in the Gender Equity Office at the Ministry of Finance.

Thank you for your ongoing support and commitment to public service excellence.

Feb. 14, 2018

Premier John Horgan has made the following statement about the federal government's announcement that it will create a recognition and implementation of Indigenous rights framework in partnership with Indigenous Peoples:

"I welcome today's announcement by Prime Minister Justin Trudeau that the federal government will create a new legislative and policy framework to guide their relationship with Indigenous Peoples.

"British Columbia shares Ottawa's commitment. Our government is taking steps in partnership with Indigenous Peoples in our jurisdiction to make true reconciliation possible.

"In yesterday's speech from the throne, we announced our intention to develop a cross-ministry framework in partnership with Indigenous Peoples to meet our commitments to the United Nations Declaration of the Rights of Indigenous Peoples, the Calls to Action of the Truth and Reconciliation Commission, and the Tsilhqot'in decision.

"Aboriginal title and rights are a matter of law and justice. We must move away from the ongoing cycle of court battles, embrace Section 35 of the Constitution and move toward meaningful reconciliation in partnership with Indigenous Peoples.

"This is a unique time in Canada's history, where all partners at the table are focused on transforming the Crown-Indigenous relationship. That process starts when we recognize the inherent rights of Indigenous Peoples.

"We look forward to working with First Nations, Métis, all Indigenous partners and Canada, as we build a new and better relationship."

Good morning Ms. Gooderham,

I am contacting you on behalf of Senator Yuen Pau Woo regarding a request to meet with Deputy Minister of Environment, Mark Zarcharias. Senator Woo is interested in discussing with provincial officials the topics of the federal Environmental Sustainability Act, and the oil tanker moratorium. Senator Woo recognizes that these two issues have a great impact on B.C. and the businesses and communities that exist in the province. Senator Woo and myself have met with several stakeholders throughout the year who have brought up challenges and opportunities with both topics, and being a representative of the province in Ottawa, Senator Woo is keen to explore further.

Senator Woo will be in Victoria for Monday, August 13th and I am wondering if the Deputy Minister would be available to meet that day, or perhaps by phone or in Vancouver on another day.

Should you have any questions, concerns or comments please do not hesitate to contact me.

Thank you and warmest regards,

Hi Okenge,

The original request from the ministry was to provide a “protocol briefing note” that includes cultural practices such as greetings, etc. While we don’t normally do this for visits, GAC was able to provide a very good etiquette document, and so we included it in the briefing package for the Minister’s information.

Subject: In-person meeting: Recognition and Implementation of Indigenous Rights Framework / rencontre en personne : prochaines étapes: Cadre de reconnaissance et de mise en œuvre des droits des Autochtones

At our meeting on July 13, 2018, on the Recognition and Implementation of Indigenous Rights Framework, there was consensus that another round of in-person engagement of federal-provincial-territorial (FPT) officials would be held over the coming weeks to discuss specific components of the Framework.

Further to our conference call held on July 25, 2018, we are proposing a two-day meeting of FPT officials for Indigenous Affairs, Justice and Intergovernmental Affairs be held in Ottawa on August 22 and 23, 2018 with the objective of holding further substantive discussions on the components of the Framework. Details on the exact location will follow. As discussed, this meeting will involve FPT officials at the level of Assistant Deputy Minister.

You will find enclosed a proposed agenda, on which we would welcome your feedback. We would be grateful to receive your comments by August 13, 2018, to ensure we have sufficient time to re-circulate the final agenda. In addition, as communicated during our conference call, we are committed to share with you policy papers which will support the discussion, no later than August 3, 2018.

Finally, in response to the inquiry made during the conference call about participation to the Indigenous Focus Groups organized with federal officials on July 30-August 1, 2018, you will find enclosed the invitations list. Please note that not all communities will send representation.

My colleagues and I are very much looking forward to the next face-to-face meeting on the Framework.

Sincerely,

*Nathalie Drouin

Collègues,

Lors de notre rencontre du 13 juillet 2018, au sujet du Cadre de reconnaissance et de mise en œuvre des droits des Autochtones, il y a eu un consensus sur la tenue d'une autre rencontre en personne des fonctionnaires fédéraux-provinciaux-territoriaux (FPT) au courant des prochaines semaines afin de discuter de volets spécifiques du Cadre.

Suite à notre appel conférence du 25 juillet 2018, nous sommes heureuses de vous inviter à une réunion de deux jours des fonctionnaires FPT des Affaires autochtones, de la Justice et des Affaires intergouvernementales les 22 et 23 août 2018, à Ottawa afin d'approfondir les discussions sur les différents volets du Cadre. Les détails sur le lieu exact de la rencontre suivront. Tel que discuté, cette réunion impliquera des fonctionnaires FPT au niveau des sous-ministres adjoints.

Vous trouverez ci-joint une proposition d'ordre-du-jour, sur lequel nous vous invitons à réagir. Nous vous serions reconnaissantes de nous envoyer vos commentaires d'ici le 13 août 2018, afin que nous accorder suffisamment de temps pour re-circuler la version finale. De plus, tel que communiqué lors de notre appel conférence, nous nous engageons à vous envoyer des documents de politique, qui soutiendront la discussion, au plus tard le 3 août 2018.

Finalement, en réponse à la question posée lors de l'appel conférence concernant la participation aux groupes de discussion autochtones organisés avec les représentants fédéraux du 30 juillet au 1^{er} août 2018, vous trouverez ci-joint la liste des invitations. Notez cependant que la participation de toutes les communautés n'est pas assurée.

Mes collègues et moi sommes très impatientes de participer à la prochaine réunion en personne pour discuter du Cadre.

Sincèrement,

Hi Okenge

Sorry to disturb on the weekend. GAC just passed on this invitation for Minister Farnworth to speak at a global conference on LGBTI rights which Minister Freeland will be chairing in Vancouver on August 5-7. Would it be possible to check with PO if they would prefer him or PS Mitzi Dean to participate (if GAC is okay with that) if they are available? Looks like a good opportunity to promote BC as a progressive jurisdiction with strong human rights credentials.

Thanks

Sukumar,

I hope your summer is going well. I have been contacted by my HQ in respect of an invitation from Minister Freeland (Foreign Affairs) for Minister Farnworth. Might you be able to assist in forwarding it along as appropriate? You will find the text of the invitation below.

My apologies for intruding on your weekend.

With best regards,

I am attaching a copy of the conference program. As you can see, there are a number of opportunities where Minister Farnworth could have a prominent speaking role relevant to his portfolio, including high-level sessions on “Laws, Policies and Practices” related to LGBTI human rights as well as on “Hate-Crimes and Violence” targeting these communities.

I am at your disposal to provide more detail and can be reached on my mobile over the weekend^{s.22}
s.22 or at the office on Monday.

Many thanks in advance for your consideration.

Okenge will not be attending the party but would like to set up a phone call with the CG prior to August 10th to say goodbye. Mark: We received a last minute invitation from federal colleagues to participate in the August 5-7 conference called "Leaving No One Behind: The Equal Rights Coalition Global Conference on LGBTI Human Rights and Inclusive Development."

The conference is being held in Vancouver (see attached program).

Federal colleagues have indicated that the ideal speaking opportunity for a BC elected official would be on Tuesday, August 7 between 10:45 and 12:15 during a session entitled "Multi-sector Responses to Hate Crime and Violence Targeting LGBTI Persons."

Do you think Minister Farnworth or a replacement (e.g. MLA Spencer Chandra Herbert) would be willing and able to participate.

B.C.'s highest honour recognizes 14 outstanding citizens

VICTORIA - Fourteen exceptional civic leaders will be appointed to the Order of British Columbia, the Province's highest form of recognition.

"I am so pleased to share congratulations with the inspiring individuals joining the Order of British Columbia this year," announced Lt. Gov. Janet Austin, chancellor of the order. "These exceptional recipients are pillars of our communities who have demonstrated excellence and distinction in their fields. I wish to extend my thanks to all new members for their commitment to meaningful work that leaves a lasting legacy, which benefits and elevates our province for future generations."

This year, 203 British Columbians were nominated for the order. More than half of the nominations came from the Lower Mainland, with the remaining coming from other regions throughout the province. Since its inception, 432 British Columbians have been appointed to the order from all regions of the province, and in numbers generally proportionate to a region's population.

"British Columbia is strong because of our people. This year's recipients represent the diversity and strength of our province," said Premier John Horgan. "They have all dedicated their lives to making B.C. a better place, and I commend them for their tremendous achievements and service."

This year's recipients:

Deborah Abbey, New Westminster

Deborah Abbey is an author, media spokesperson and champion for responsible and sustainable investing. Through her leadership of the Responsible Investment Association, she has inspired some of the largest financial institutions in Canada to integrate environmental, social and corporate governance factors into the selection and management of their investments, providing superior risk-adjusted returns and positive societal impact.

The Honourable David Anderson, P.C., O.C., Victoria

David Anderson is a federal and provincial politician, who has worked to safeguard coastal waters and wetland areas from environmental pollution in his capacity as an elected official and in many roles on special committees and panels.

Domenic Cuccione, Port Moody

Brian Fehr, Vancouver (Prince George)

Brian Fehr is the founder of a billion-dollar group of companies - BID Group - that provides innovative technical systems and construction services for wood products industries in B.C., across Canada and into the United States. His work supports many of B.C.'s rural economies.

Anne Giardini, O.C., Q.C., Vancouver

Anne Giardini is chancellor of Simon Fraser University and a celebrated B.C. business leader, board director, lawyer, community advocate and internationally published writer. She had a distinguished career with the Canadian subsidiary of one of the world's largest international forest products companies, Weyerhaeuser.

Tracey Herbert, Victoria (Brentwood Bay)

Originally of the St'uxwtews First Nation (Bonaparte Band) in the Thompson Okanagan, Tracey Herbert has served in the public service for more than 30 years in the areas of health education, employment, community development and strategic planning. For the past 16 years, she has been instrumental in First Nations language preservation and revitalization in B.C., and led the development of an award-winning exhibit on Indigenous languages of B.C., showing the critical level of endangerment of B.C.'s First Nations' languages.

Andrew Way Yin Joe, Vancouver

Andrew Joe is Canada's first Chinese-Canadian lawyer, who has played pivotal roles in fighting against injustice and racism, especially toward Chinese Canadians, and helped save cultural traditions and the community.

Grand Chief Percy Joe, Merritt

Grand Chief Percy Joe is a hereditary and elected chief of the Scw'xmx, serving his nation for 47 years until his recent retirement. He is one of the founders of the Nicola Valley Institute of Technology - one of only two schools of its kind in the country governed by Indigenous peoples. A champion of rights and title, he created unique reconciliation partnerships and approaches grounded in traditional knowledge and Indigenous wisdom and governance.

Mary Kitagawa, Delta

Mary Kitagawa is an educator and human rights crusader who facilitated a shift in public consciousness by bringing the realities of the Japanese Canadian internment experience to the public through her media interviews and tireless educating, speaking and lobbying of government organizations.

Given that the meeting is intended to be very informal, would you still recommend that we defer to the policy re Parliamentary Committees? Subject: Visit of the Standing Committee on Official Languages to Vancouver/Visite du Comité permanent des langues officielles à Vancouver - Adrian Dix

Importance: High

Hello Kassandra,

It was a pleasure speaking with you on Friday about the House of Commons Standing Committee on Official Languages upcoming visit to Vancouver on Wednesday, September 26th.

As discussed, on May 8, 2018, the Standing Committee on Official Languages tabled a report in the House of Commons entitled *Growing Up in French in Western Canada: A Review of Federal Support for Early Childhood Education*. You may access the Report at the following link: <http://www.ourcommons.ca/DocumentViewer/en/42-1/LANG/report-10/>

This Report, the result of public meetings and site visits in Vancouver, Edmonton and Winnipeg, shows that the early childhood education needs of French language minority communities are dire.

Recognizing that education, particularly early childhood education, is a provincial/territorial responsibility and that the support of provincial and territorial ministers is crucial to promoting the cause of francophone families and educators, the Members would be delighted if Minister Dix could join them for a collaborative discussion about key issues for francophone communities in British Columbia, especially those related to early childhood, on **Wednesday, September 26th during a working breakfast**. The exact location and time can be determined in collaboration with your office.

It would be much appreciated if you could confirm Minister Dix's attendance as soon as possible. Please feel free to contact me anytime should you have any questions about this invitation.

Best regards,
Christine

Bonjour Kassandra,

Ce fut un plaisir de vous parler vendredi au sujet de la visite du Comité permanent des langues officielles de la Chambre des communes à Vancouver, le mercredi 26 septembre prochain.

Tel que discuté, le 8 mai dernier, le Comité permanent des langues officielles a déposé à la Chambre des communes un rapport intitulé *Grandir en français dans l'Ouest canadien : critique des programmes d'appui fédéraux pour l'éducation à*

la petite enfance. Vous pouvez accéder au rapport au lien suivant :

<http://www.noscommunes.ca/DocumentViewer/fr/42-1/LANG/rapport-10/>

Ce rapport, le résultat de réunions publiques et de visites de sites menées à Vancouver, Edmonton et à Winnipeg, démontre que les communautés francophones en situation minoritaire ont des besoins criants en matière d'éducation à la petite enfance. Reconnaissant que le dossier de l'éducation, notamment de l'éducation à la petite enfance est de compétence provinciale et territoriale et que l'apport des ministres provinciaux et territoriaux est crucial pour faire valoir la cause des familles et des éducateurs francophones, les membres seraient ravis si le ministre Dix pouvait se joindre à eux afin de discuter dans un esprit de collaboration, des dossiers importants pour les communautés francophones de la Colombie-Britannique, notamment celui de la petite enfance, **le mercredi 26 septembre dans le cadre d'un petit-déjeuner de travail**. Le lieu et l'heure de cette rencontre peuvent être déterminés en collaboration avec votre bureau.

Il serait grandement apprécié si vous pouviez confirmer la présence du ministre Dix le plus tôt possible. N'hésitez surtout pas à communiquer avec moi pour toute question concernant cette invitation.

Sincèrement,
Christine

The Global Climate Action Summit will be held on Sep 12-14th in San Francisco, California. Governor Jerry Brown will be hosting.

The Premier could attend a portion of the event (one day) to promote BC's climate leadership and strengthen relationships with Governors.

The biggest logistical challenge is that UBCM is on Sep 10-14th with the Premier's address scheduled on Sep 14th.

Thanks for advising if there is any interest. oym

Okenge:

I'm following-up on the request for the Premier to attend the Global Climate Action Summit—I understand from Kelly that the request hasn't made its way to you.

Here are the details. If you have a moment, it would likely be worth discussing over the phone too.

Event: Global Climate Action Summit, San Francisco

Date: September 12-14 (recommending 1 day, September 12th or 13th – PJH addressing UBCM on September 14th)

Recommendation: Recommended – NOTE: speaking opportunities may now be limited due to short timeline between now and the Summit.

Details:

- Will be the world's preeminent climate action summit in 2018.
- Invited by Governor Jerry Brown.
- Opportunity to promote B.C.'s climate leadership to an international audience.
- Further strengthen working relationship with key US Governors (Governor Jerry Brown is co-chair of the summit).
- Could combine with Technology-related mission to Silicon Valley.

Many thanks,

Jeremy

I can confirm, Okenge, that our MO's office isn't recommending MMF for this speaking opportunity. Okay from their view that it go to another whether than is mla Herbert or someone else in cabinet or caucus.

Also, I apologize for not spell checking my note back to you earlier today. I see that somehow mag's became 'goat's'. I have a new phone and that's a bad autospellcheck which I'll fix.

Mark: We received a last minute invitation from federal colleagues to participate in the August 5-7 conference called "Leaving No One Behind: The Equal Rights Coalition Global Conference on LGBTI Human Rights and Inclusive Development."

The conference is being held in Vancouver (see attached program).

Federal colleagues have indicated that the ideal speaking opportunity for a BC elected official would be on Tuesday, August 7 between 10:45 and 12:15 during a session entitled "Multi-sector Responses to Hate Crime and Violence Targeting LGBTI Persons."

Do you think Minister Farnworth or a replacement (e.g. MLA Spencer Chandra Herbert) would be willing and able to participate.

Thanks, oym

Hi all,

Just met with Kim Emerson. We have a plan that will involve an embargo process that we are very comfortable with, and that will hopefully deliver good coverage on the weekend, post-official release.

It will start via a media advisory to determine interest tomorrow.

Any concerns, just let me know.

Subject: Order of BC OICs

Hello Robb and Karen: as Cabinet Operations will be closed for three weeks, Doris Dardengo and Byron Plant will process the OBC OICs. The most recent instructions, I believe from Karen, are to request the LG to sign these OICs for Friday August 3rd, in preparation for an announcement before BC Day. Could you please let Doris and Byron know if these instructions change? Also Robb, could you please advise Doris and Byron whether you will be involved in approving the timing for public release of the OICs, or whether Karen will lead? And lastly, Karen, could you please keep Don Wright (or whoever may be acting for Don) informed of any changes to the orders, such as those made today. Excuse me if all of this is stating the obvious, am just trying to keep everyone connected, and thanks.

Hello Okenge. We are planning a briefing on MGC for Minister Beare for early August, possibly Aug. 7. We have prepared the attached memo in advance of that meeting. Could you please have a look and let us know what you think?

Thanks very much.

Okenge -

Sukumar, being closer to the file, added some more detail. Pls see below.

Don:

Anika Sparling is an exemplary member of the IGRS team and she played a major role in the B.C. Public Service adopting the GBA+ Framework. Anika researched the GBA+ approach used by the federal Privy Council Office and worked together with colleagues at the Public Service Agency and other ministries to promote the use of this approach in our government. Following the Premier's appointment of Mitzi Dean MLA as Parliamentary Secretary for Gender Equity, a whole of government approach is being put into place to ensure gender equity is reflected in budgets, policies and programs, including the implementation of GBA+.

I'd like to ask that you consider sending her a letter of thanks and congratulation (draft attached) to recognize her excellent work. If there is room in your calendar, I'm also hoping that I could bring her to meet you briefly so you could offer a personal congratulations.

Thank you for considering this meaningful recognition opportunity for a true rising star in the public service.
