Hi – I had a briefing with the IT folks who manage the website for UBCM attendees to book meetings with the Premier and Cabinet. There are a lot of pieces to this – do you know who managed this out of the PO last year? Maybe it was Judy or???

Just don't want to be recreating any wheels ... thanks V

Hi Kate, have you noticed if this is to both PC and phone.. or just one device?  
Do you know if this just start recently?  
We can have your account checked as well to see if there are any issues.  
Also will check the server to see if others are having issues.

### **Do a restart on iPhone device.**

#### **On new iPhone X or iPhone 8:**

1. **Press and hold the side button and either volume button.** Make sure you press down long enough; pressing too short could result in a screen shot if you're using the Volume Up Button.
2. **Swipe the power icon from the left to the right on your screen to turn off your iPhone X. Wait 5 seconds**
3. **Power device back on**

#### **iPhone 7 or iPhone 6/7+:**

4. Hold power and Home button down until you see the silver apple – RELEASE all buttons will restart.

Hi Mira,

Final follow up note : )

I did want to share with you a recently approved number we are able to share with the external market, our \$ investment in Canada and in BC.

- \$551 Million annual investment in Canada
- **\$225 Million in British Columbia** – Personnel , Cap Ex ( renovations, community sponsorship etc. )

I wanted to share these with you, as hopefully it does highlight the significant investment SAP has made ( especially in comparison to our peers in the industry ), and will continue to make in the Province of BC. Yesterday's announcements signifies the importance for us to tell our SAP Canada, and SAP in BC story, louder, and more often than we have been in the past.

Thank you Mira, have a great morning.

I hope you had a great day. Glad we could connect earlier. As per our discussion, we would very much welcome the opportunity to provide a tour of the SAP Vancouver facility, for the Premier and his staff, following the Rick Hansen announcements on Friday May 11<sup>th</sup>, 2018. Below is a high level agenda for your review.

SAP Attendees:

- Kirsten Sutton, VP and Managing Director, SAP Labs Canada
- Ryan Pageau – Industry Account Executive, BC Public Services
- \*\*\* May be a third, awaiting confirmation.

11:00am – Premier and staff is escorted on a tour of the SAP Vancouver facility. ( by Kirsten and Ryan )

\*Included in tour will be a brief demonstration of the SAP Digital Boardroom, leveraging our SAP Analytics platform ( 1500+ software developers based here in BC working on our SAP Analytics solutions ) for our both local and global customers.

11:25am – make our way to SAP Executive Briefing meeting room for further discussion on the SAP presence in Vancouver, the province of BC, and Globally. Discuss current and future BC investment by SAP, and how that aligns to the Premier's objectives, and the Government of BC

11:45am – Tour / briefing concludes, Premier and staff depart.

Hi Mira,

I hope the day is going well. It is my understanding the Premier will be coming to the SAP Vancouver office on Friday May 11<sup>th</sup>, related to the Rick Hansen Foundation announcements.

This would be a great opportunity to spend an additional 30-45 minutes with the Premier, to have him tour the SAP Vancouver space, meet a few SAP executives, and develop a greater understanding of what SAP is up to, here in Vancouver.

Are we able to arrange this ? I would propose a tour / meet and greet beginning at **9:15am on Friday May 11<sup>th</sup>**, followed by the Rick Hansen Foundation related activities. Please let me know if this is possible, and we will begin to plan accordingly.

Thank you in advance Mira, I look forward to your reply.

Hi Geoff,

Thank you so much for taking the time few weeks ago to meet with Doron Grosman and myself. As discussed in the meeting we have now moved forward with launching the normalized gate fee pilot program.

Below is a copy of the notice that went out today to the industry. We are also arranging for it to be posted on the UTA facebook site.

We are now working on pulling together a press release over the next couple of weeks that would include quotes from provincial, federal, and industry officials that would go out June 1 as the full pilot launches.

Goals of the pilot program are:

- **Fairness across the industry.** We have heard that some companies do not have the opportunity to use night gates because of operational realities, customer needs and ability to access off-dock sites.
- **Increase operational autonomy to companies.** We heard that the day gate / night gate disparity forced companies to operate in certain ways, and that this has removed their ability to operate in the most efficient manner for their specific company, clients and drivers. We believe that normalizing the fee will improve working conditions for drivers as companies can more effectively forward plan their operations.
- **Incent double-ended moves.** We take the efficiency of the gateway seriously and have heard from stakeholders that the disparity gate fees between night and day gates is adversely

impacting the ability of companies to arrange double-ended moves involving imports and exports.

- The pilot program should eliminate the current disincentive and increasing the number of double-ended moves.
- Over the coming months during the pilot, the Port Authority and GCT will actively monitor the double-ended move performance and will also be working with our federal and provincial governments to introduce additional incentives for companies who show best practices and can deliver double-ended moves.

Please do not hesitate to contact me should you receive any feedback on this topic or anything related to our operations.

I look forward to our next meeting and when convenient for you we'll facilitate a tour of GCT Deltaport.

Cheers,

**GCT Canada: Truck Reservation System Pilot Program**

ਟਰੱਕ ਰੀਜ਼ਰਵੇਸ਼ਨ ਸਿਸਟਮ ਪਾਇਲਟ ਪ੍ਰੋਗਰਾਮ

**01 May 2018**

Following consultation with our supply chain partners, the Vancouver Fraser Port Authority, Transport Canada, the BC Ministry of Transportation and Infrastructure, and OBCCTC[1], we are introducing a pilot program to improve gateway efficiency through the normalization of truck gate fees. Commencing June 1, 2018, the program will be implemented at GCT Vanterm and GCT Deltaport for a trial period ending December 31, 2018.

The intended outcomes of the program are to smooth transactions for truck drivers, with a goal to increase productivity within a driver's operating hours. The pilot program also seeks to provide operational autonomy to trucking companies and drivers, to improve capacity utilization, and to mitigate barriers identified by some stakeholders for increased double-ended container moves.

Effective June 1, 2018 all truck appointments at GCT Canada will be \$35, regardless of shift. The weekly appointment availability remains the same. Since the Terminal Gate Efficiency Program was introduced in 2014, the fee has remained fixed despite increasing operating costs at the terminals[2]. Results from this program will be actively monitored with updates provided as the program progresses.

We look forward to ongoing engagement with you as we continue to collaborate on increasing efficiency and cargo velocity through the Vancouver Gateway.

Dear Geoff,

Thanks a lot for your time today, the meeting has been very interesting and I guess we could work out something in terms of cooperation of British Columbia with Emilia Romagna .

I am sending you an electronic copy of the presentation of Emilia Romagna, along with the Bio of the President of the Region, Stefano Bonaccini.

I will ask more information to the Regional government of Emilia Romagna about their environment and climate change policy.

Finally, I would be very honoured to have the Premier, Hon. John Horgan, and yourself, to join us at the *Italian National Day Reception & Celebration*, to be

held on Thursday 7<sup>th</sup> of June 2018, at 5.00 pm at the *Italian Cultural Centre* of Vancouver (I attach a copy of the letter, that I handed over to you for the Premier).

Thanks again and best regards!

Massimiliano

Hello,

As we near the launch of the climate change strategy in the fall, we are going to be looking for opportunities to talk about climate and or work with the PCC. Please keep an eye out for any opportunities and let me know.

I've also asked Tasha in JTT to keep her eye out for tech sector opportunities. It would be great to scope out some opportunities to visit Inslee over the summer.

Maybe an event and tour of Microsoft? With a policy announcement about cooperation to boost the tech sector in some way?

If it's in the summer, it would be great to fly down there on the nerd bird, have an announcement with Inslee at Microsoft, and go to a Mariners game with the governor.

Kim also mentioned that the new hockey team could be announced sometime over the summer.

Let me know what you think.

Thank you,

Danielle

Tim,

Comment on PJH tour. Airport is already part way to Hazelton. As is, PJH will be doing a lot of backtracking.

If they turned the day around:

9:45-10:45: drive to Hazelton.  
10:45 -1:00: Hazelton – lunch.  
1:00-2:00: drive to Smithers  
2:15-3:15: School announcement in Smithers  
3:30-4:30: meet with Mayor  
4:30- 6:30: drive to Burns lake

Any kind of meet and greet event for Smithers?

Not sure if 2:15 is too late for school announcement and media?

Just suggestions.....

Tristan

Dear Premier Horgan,

Further to your conversation with Bruce Gibson from our senior management team, I am writing to formally request a near term meeting to discuss timber access issues in the Merritt, BC area. Because of an unfair policy decision of the Ministry of Forests, our operations remain partially curtailed due to a lack of log supply in an already challenging environment. We wish to brief you on these challenges, the impacts on our USW workforce, and to discuss a way forward that will allow us to operate our mill at increased capacity and create 50 - 75 direct and indirect jobs.

Please have your office contact Hardip Kaur in my office at s.22 and [hardipkaur@apgroup.ca](mailto:hardipkaur@apgroup.ca) to arrange a meeting at your earliest convenience. We would be pleased to meet with you in Victoria if that is more convenient.

Kind regards,  
Surinder Ghog

Hi Amber,

Probably the best thing is to suggest that they set up a phone call with me, and I can explain where things are at. It will probably be more productive of their time to let me get things lined up first. If things go how I would like them, it may not even be necessary to have a meeting with PJH, but we can keep that in reserve.

Keira,

Could you get the contact info from Amber and set up a call.

Thanks.

Hi Folks,

Because of the Western Premier's conference we have had to move a lot of things around. The following is still a draft and will be signed off by PJH tomorrow if the stars align. You will notice that we have had to flip the Smithers and Burns Lake days with Smithers happening on the 24<sup>th</sup> and Burns Lake happening on the 25<sup>th</sup>. I will send another note tomorrow when this has been all agreed to.

May 22 <sup>nd</sup> -Yellowknife	May 23 <sup>rd</sup> -Yellowknife	May 24 <sup>th</sup> -Smithers	May 25 <sup>th</sup> - Burns Lake/Victoria
Western Premier's Conference	Western Premier's Conference	Walnut Park Elementary Replacement (10am)	Mill workers Announcement (Burns Lake) 9:30-10:30 am
		Meeting with Mayor of Smithers (11-12)	Drive to PG (3 hours)

We received two similar incomings at the same time and it looks like <sup>s.22</sup> got lost in the shuffle. I forwarded the suggestion onto the exec (Layne and Kate) and they thought it was a good idea. 'Youth Councils' are created at the leisure of the Premier so no ministry is really responsible. I could send an acknowledgement now but it might be a bit awkward? He could have followed up<sup>s.22</sup> ... I could send him something like this if you'd like:

Dear s.22

On November 7th, 2017, I wrote the message below to Premier Horgan. I understand that the premier receives many emails, but I feel as though six months is awhile to wait to hear back from anyone.

In my email, I encourage the premier to consider implementing a youth council at the provincial level.

As my MLA, I encourage you to go through my letter and if you agree with what I'm advocating for, to have a conversation with the premier about my email and help explore potential options.

Thank you for your time and all that you do.

Sincerely,

Hon. John Horgan

Member of the Legislative Assembly and Premier of British Columbia

Langford – Juan de Fuca Community Office

122 – 2806 Jacklin Road

Victoria, BC V9B 5A4

Dear Premier John Horgan,

I am writing to you today to encourage you to implement a provincial youth council for the province of British Columbia.

Why? You may ask, because youth councils not only give youth a voice in their communities, but they also help strengthen communities. The youth voice is one which is usually missing from all forms of government, especially the current BC government.

Youth Councils give young adults the opportunity to develop important skills such as community advocacy, public engagement, good citizenship, public speaking, social skills, leadership and policy development skills.

The BC government offers many services, such as public transportation, which so many young people rely and depend on to get to and from their jobs and school. Every time I go out into the community in s.22 and engage with youth, issues linked to the provincial government such as transit, affordable housing, and the expressed fears from university students saying that when they graduate they'll likely have to leave the province because of a lack of jobs are all common things that come up in conversation.

s.22 along with other areas of British Columbia, has a high child poverty rate, which means that many of the youth in the province feel as though they have no voice in this government or in politics.

The federal government has a Prime Minister's Youth Council, I encourage you to look into that model and consider copying some of it to form a Premier's Youth Council. The federal Liberals also have a variation of youth councils. Every Liberal MP has a youth council in their constituency, where every Liberal MP meets with the youth once a month to discuss issues related to youth in their community at a federal level.

The cost of implementing a youth council is often very low because they do not require much of a budget. investing in youth councils does not just benefit the people on that

council or board or just the youth of the community, youth councils benefit everyone and that is the main reason why I am proposing this to you today.

If the provincial government of British Columbia decides to form a youth council, they would be benefitting all of their communities and the province as a whole and be giving the youth of this beautiful province an opportunity to be heard and represented, an opportunity to learn and an opportunity to make a positive and meaningful impact in all of BC's communities.

Today, the province of British Columbia is given an opportunity to lead and take initiative on involving youth in their decision making processes. You and your government have made a promise to work for "everyone" in BC, I believe the consideration of implementing a youth council builds upon the "working for you" slogan, because it's a form of inclusiveness.

Youth councils have the potential to make a positive impact in their communities, provinces and even countries, but it is all up to the elected officials to allow that impact.

I sincerely thank you all for your time and hopefully your consideration and I look forward to our future conversations. Thank You.

Sincerely yours,

s.22

**Subject:** Premier arriving May 16th -

Hi Todd and Sarah,

I understand Premier is scheduled to land at 8:25am via Helijet on May 16<sup>th</sup>. Given there is a bit of commute in getting to VCC from the Helijet terminal – even if he comes directly to the Exhibit Level entrance underground which is closer to Helijet - I'm struggling to complete the briefs prepared for Todd as I don't actually know what time he can arrive at VCC. All this depends on if his plan arrives. We also don't want it to be a stressful situation.

CURRENT SPEAKING TIME IS 8:50 AM.

So my questions are:

- Will we be forced to wait until his plane lands at 8:25 to even kick off the plenary? FYI Sarah, last year Premier Clark was working on her presentation all night and arrived at least 20 minutes late so we were not permitted to start until she arrived. A speaker ran late and then we had the entire day at least 45 minutes late – all sessions, lunches, etc and received a LOT of complaints from delegates and people who had meetings scheduled, all sessions ran late.
- With 2,000 students and such a tight program, we would very much like to start on time this year.

OR

- Can we switch up the order of speakers somehow to give him a buffer to get to VCC and be briefed? Option – give John Morris with Rideau Hall Foundation the opportunity to speak first vs last... just a thought.

OR

- Any options for him to take an earlier flight? Just providing some options 😊

Helijet has a 7am flight, arrives 7:35 am

Harbour Air has a 7:30 am flight, arriving at 8:05am

Thanks

Lindsay

Hello Danielle;

I've had a look at the Hansards for that day.

The focal point of my query is the April 12 funeral. Anything on that?

Thanks

See below an invite for the Premier to meet with Young Workers on May 16.  
Thanks in advance,  
Jaime

May 3, 2016

Dear Premier,

As you may be aware, the BC Federation of Labour has a very active Young Workers Committee that helps raise awareness and push for changes on issues facing young people in the workforce.

Members of our committee will be in Victoria on Wednesday, May 16. It would be most appreciated if you could put aside 15 to 30 minutes in your day to meet with us.

The topics the group want to discuss include the reinstatement of Grant's Law, reforms to the *Employment Standards Act*, and ensuring the Labour Code protects workers rights to organize so young people can have the security of a union as they build their careers.

Please confirm your availability with Jaime Matten – [jmatten@bcfed.ca](mailto:jmatten@bcfed.ca).

I appreciate how busy your schedule is, so I thank you in advance for considering this request.

Sincerely,

**CAITLIN DAVIDSON KING**  
Chair, BCFED Young Workers Committee

Hi Mira,

I have just received an email from Gina Wong to schedule a meeting with Chris Dawkins, Jill Sinkwich and Tiffany Norman to talk about the Benefit Company legislation proposal. They are with the Financial and Corporate Sector Policy Branch, Ministry of Finance. Gina gave me a bunch of dates for June. If there is a possibility to meet with Minister James, Minister Ralston or Premier Horgan while I am in Victoria, I would be ecstatic to have the opportunity. There are many options (see below).

All the best.

Dear Mr. Geiss:

Thank you for your email of March 9, 2018, addressed to the Honourable George Heyman, Minister of Environment and Climate Change Strategy, regarding Public Benefit Companies. As the Executive Director of the branch responsible for the *Business Corporations Act*, I have been asked to respond. Please accept my apology for the delay in responding.

We are always interested in hearing about ways to improve legislation. I am interested in learning more about Public Benefit Companies and the ways they can be used to promote social and environmental change. Although we are presently occupied with the current legislative session, I would invite you to contact Jill Sinkwich, Director of Corporate and Real Estate to set up a meeting to discuss your proposal after the current session has concluded. Jill can be reached at 778 698-5270 or [Jill.Sinkwich@gov.bc.ca](mailto:Jill.Sinkwich@gov.bc.ca).

I would like to thank you again for taking the time to write.

**To:** Xia, Eveline ENV:EX  
**Subject:** Public Benefit Corporation Legislation Proposal

Hi Eveline,

Thank you for helping move this forward. Let me know if there is anything else that you think I should do.

Dear Honorable Minister Heyman,

I am writing to request a meeting with you or your staff about an initiative that I have been working on with other business, legal and non profit partners. The initiative is aimed at working with government to make changes to the BC Companies Act to allow for companies to registered as a Public Benefit Company. The BC Companies Act would need to be amended to allow companies to be registered as a Public Benefit Company.

A Public Benefit Company (PBC) is a for profit company that is legally allowed to use their business as a force for good without concern of a shareholder challenge which could take place under the registration of a corporation under the existing BC Companies Act. Registering a corporation as a PBC protects corporations by allow a corporation to expand its purpose, from being solely profit and shareholder value driven, to one of profit and public benefit. Without this legal protection an activist shareholder could challenge the corporation's board with respect to any activities undertaken by the corporation that are not directly related to increasing profits and shareholder value. A PBC is profit driven but must give equal consideration to the impact it is having on the environment, its workers, the community, suppliers and customers and can direct profits to the public benefit versus solely to shareholders.

PBC registration is currently available in 35 US States, including California and Delaware, the adoption by the remaining US states continues. Currently it is not possible to register as a PBC in any of the provinces or federally, in Canada. There are efforts being made on the federal level by my colleagues but my hope is for BC to be the first jurisdiction to allow for PBC registration in Canada. This would make BC a recognized leader in this movement of business being a driver of positive social and environmental change.

Please not that this form of registration does not replace or resemble the BC Community Contribution Corporation (CCC) registration. The CCC is non profit oriented and is not workable as a substitute for Public Benefit Company registration.

We have taken the liberty of preparing a draft amendment to the BC Companies Act for your reference. It is based on California and Delaware precedents and is relatively simple in nature, approximately four pages of text. Owen Bird, a

prominent Vancouver law firm, drafted the amendment to align with the BC Companies Act on a pro bono basis. Owen Bird and the legal council for B Lab, a non profit, are available to provide any support the government requires to move this forward, on a pro bono basis.

I have attached information pieces to provide context and rationale for the implementation of this legislation in Canada on a federal basis. The same principles apply to provincial registration. Given that most companies in Canada are provincially registered the importance of provincial adoption is significant. Our company is a certified B Corp and can provide first hand knowledge as to the positive impact of this model on an otherwise traditional business.

I would make my self available at the earliest convenient opportunity to meet with you or your staff to discuss the value of this initiative and next steps. I thank you in advance for your consideration of this proposal.

Sincerely,

**NEWS RELEASE**

Huu-ay-aht power plant will create green cash flow

ANACLA - The Huu-ay-aht First Nations are taking advantage of green technology to generate a new source of revenue for the community with the construction of a clean-energy power plant on the west coast of Vancouver Island.

The Huu-ay-aht community received \$500,000 in equity funding from the B.C. government's First Nations Clean Energy Business Fund, to support construction of a five-megawatt, run-of-river hydroelectric project on the Sarita River. The project will be 100% community-owned.

"The Huu-ay-aht First Nations have seized on an opportunity to lead the way in clean, renewable energy that also provides financial diversification for the community," said Scott Fraser, Minister of Indigenous Relations and Reconciliation and MLA Mid Island-Pacific Rim. "The First Nations Clean Energy Business Fund is a tool that can be used to foster ingenuity and imagination, and I can't think of a better example of seeing that put into practice than this project."

The project is within the Huu-ay-aht First Nations' private lands, and could generate 14.8 gigawatt hours of electricity, on average, per year, which is enough to power more than 1,300 homes. The construction phase of the project will create as many as 10 jobs in the community, while its maintenance and operation will create permanent jobs for a plant operator and manager.

The First Nation is negotiating an electricity purchase agreement with BC Hydro to sell the power to the utility company. That agreement is expected to generate average annual gross revenue of more than \$2 million, once the power plant is fully operational.

Once all Huu-ay-aht approvals are received, the full civil construction work on the power plant is expected to begin in the spring of 2019, with commercial operation expected in 2020.

"The First Nations Clean Energy Business Fund has been an invaluable tool for our community. It first provided assistance to study the concept, and now provides equity investment in a project that will allow us to be more energy self-sufficient, while creating revenue that we can invest back into our community," said Huu-ay-aht First Nations Chief Robert J. Dennis Sr.

The Huu-ay-aht received \$40,000 capacity funding from the First Nations Clean Energy Business Fund in 2012 for project feasibility studies, and \$10,000 in 2016 to support the completion of a ground survey for this project.

Applications for the next First Nations Clean Energy Business Fund intake will be accepted until the end of May 2018.

#### Quick Facts:

- \* Revenue into the First Nations Clean Energy Business Fund (FNCEBF) has increased from \$6.7 million in 2017, to \$7.2 million for 2018.
- \* The FNCEBF provides up to \$500,000 in equity funding, and \$50,000 for capacity funding that aids First Nations in pursuing clean-energy projects.
- \* Since 2011, more than 140 First Nations communities have benefited from more than \$10.5 million in capacity and equity funding.
- \* The fund also provides revenue-sharing agreements with First Nations for a portion of water and land rents charged by the Province for new clean-energy projects. If an eligible clean-energy project site is on a traditional territory, First Nations may be eligible for a revenue-sharing agreement.
- \* 40 B.C. First Nations communities benefit from clean-energy revenue-sharing agreements under the First Nations Clean Energy Business Fund.

Hi Kate,

*Please see the next round of the below request (**please note the different date range**), and please provide responsive records by April 25<sup>th</sup> :*

**For email records:**

- Go to Sent Items folder and scroll down to date range
- **Option 1:** Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts
- **Option 2:** Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections
- **Option3:** Drag all responsive emails onto a USB stick and provide the stick to me

**For text message records:**

- Take screenshots of all conversations containing responsive records. Please see attached instructions for this

*If you have any issues with compiling these records, please let me know and I will be happy to help!*

---

*Records of any and all emails, text messages, BBMs, slack messages, and WhatsApp messages - excluding attachments - sent from Kate Van Meer Mass.*

*(Date Range for Record Search: From **11/01/2017 To 11/30/2017**) Date Format is MM/DD/YYYY*

---

---

*If you think that the search for records will take you over 3 hours and/or the total volume of records will exceed 200 pages, please let me know as soon as possible.*

*Thank you for your assistance with this request!*

Hi Ken,

Just wanted to pass along my thanks to you and your team for getting this visit set up so quickly. The Premier really enjoyed his tour of the Port and will be sending a thank you next week. In the meantime, I thought you might be interested in the photos, which can be found here: <https://www.flickr.com/photos/tags/portrupertportauthority>

My colleague Elena has had a chance to thank Irene personally for going above and beyond on her weekend. Thanks so much to you, Irene, Charlene and your team!

Charlotte,

Thanks for your call earlier today. As a draft agenda for a visit/tour with the Port on Monday, March 26 I would suggest the following as a draft itinerary.

1 PM—Meeting in DP World boardroom at Fairview Container Terminal

Attendees:

Joe Rektor, Interim President & CEO, Port of Prince Rupert

Shaun Stevenson, VP, Trade Development & Public Affairs, Port of Prince Rupert

DP World representatives (TBC)

ILWU 505 representatives (TBC)

1 PM to 130 PM—Port of Prince Rupert Briefing (led by Port of Prince Rupert)

130 PM to 200 PM—Fairview Terminal on-dock tour (led by DP World)

200 PM to 215 PM—Media availability/photo opportunity in front of Fairview Terminal (this would also give us some flex time to eat into if briefing/tour runs long)

If this works, we can sort out the logistical details accordingly.

I will be out of the office for the next two weeks, but Irene Mills (c.c.'d above, Phone 250.627.2604) will be your Port contact. If needed, I will be available by email and mobile as per below, but will also be connecting with Irene consistently.

Thanks,

Hi All,

As part of the tour package I am hoping that we can add a section with the names and contact details of the DM responsible for the area/topic we are exploring. Example would be having the DM for FLNRO listed for the Kamloops TLA event this last weekend. As Sage flagged this will allow PJH to give the DM a call with more technical questions that we are simply unable to answer on the road. Cell phones for these individuals would be ideal.

Hi Charlotte, thank you for the response.

Please find attached a briefing note with regards to the Fairview-Ridley Connector Corridor Project that was discussed at the meeting with the Premier, in the context of potential provincial contribution to this infrastructure project.

I would look forward to the opportunity to discuss further with the recipient if you could let me know who that is.

We would like to follow up on a couple of topics that were raised during the briefing with the Premier, most notably the Fairview Connector Corridor infrastructure project.

Would you be the most effective way to direct that followup correspondence into the Premier's office for attention, or should we be including others?

With thanks for the assistance,

o/s.13;s.16

In terms of the logistics of the event, my understanding is that it will involve the Premier, Minister (as MC) and Rick Hansen. It will be a “kick off” to National AccessAbility Week which starts on May 27 and be an opportunity for the Province to highlight the importance of this issues. But the focus will be on the \$10Million grant to the Foundation to scale their certification program nationally - this is key for the RHF. The details of the exact message need to be worked out and I will recommend Rob's suggestion, that the DM of SDPR be involved, to Geoff.

Does this all sound ok?

Thanks Vanessa

Hi Mira,

I hope you are well.

Thanks again for your leadership on making the recent \$7.1-billion transit infrastructure deal for Metro Vancouver a reality! DSF has a thank you letter going out this week to the Premier and Ministers Robison and Trevena.

DSF is bringing the world's leading scientists and policy experts on how to address methane emissions from the oil and gas sector to B.C. to brief the government. We are currently setting up meetings on the political side with Minister Heyman and Minister Mungall and would like to extend the invitation the Premier including senior staff (yourself, Geoff Meggs, etc.).

Given that B.C. has positioned itself as a climate leader by committing to extended the carbon tax to fugitive and vented methane emissions in the 2017 Confidence and Supply Agreement and Minister Heyman's mandate letter, I thought it would be of interest to the Premier's office and staff.

We are setting up the briefings for June 12<sup>th</sup>, 13<sup>th</sup>, or 14<sup>th</sup> in Vancouver or Victoria. My colleague, Patricia Lightburn, copied here, would be pleased to schedule a briefing at your convenience.

For more information, I've attached the bios of the experts we are bringing from the U.S.

Let us know if we have set up a briefing for you and the Premier.

All the best,  
Ian

Good afternoon Mira,

Hope this finds you well.

I have been meaning to reach out to connect - which I hope you and I can do in the next few weeks. I'd really appreciate connecting on the recent transit announcement, for example.

I am reaching out about a request from our Board Chair to meet with the Premier. The Chair is keen to meet with the Premier to discuss the university strategic plan and particularly how the university can ensure it aligns with the Premier's priorities.

We used to help coordinate these meetings in the past. Any advice on how to proceed would be a great help.

And if you do have some time in the coming weeks for you and I to connect, do let me know.

Best,

Adriaan

Hi Kate!

I have a form here for re-up on a loan agreement for some paintings in the West Annex. One is in John's office and the other is in the hallway near your officeish. Would you please be able to sign and scan this when you get a chance? I can send it out for you if you'd like or you can send it directly! Thank you! Alternatively, I could print out and have Gary bring it over for a quick signature as well.

Hello,

My name is Lesley Golding, and I am the Registrar at the Art Gallery of Greater Victoria. I am trying to get in contact with the individual responsible for the management of artwork at the Premier's office, as the Art Gallery of Greater Victoria currently has two paintings on loan to the Premier's office.

I have attached to this email a copy of the Art Gallery of Greater Victoria's standard loan agreement, which lists the two works of art currently on loan. If you could kindly forward this email and the attached document to the appropriate person for completion and signature, a copy can be returned to me via email at [lgolding@aggv.ca](mailto:lgolding@aggv.ca) or at 1040 Moss Street, Victoria, BC, V8V4P1.

Many thanks in advance for your assistance.

All the best,

And given we have the extra day, then things are not so rushed and can we include a visit to Vanderhoof and Saikuz FN, sorry I just feel it might not be great to drive through the community of Vanderhoof twice and not stop in for a quick visit ? but let me know what you think

Hi there.

We need to organize four caucus calls for June – August – all of which the Premier should be on.

I need one call the week of June 4 – this is to discuss some issues that I will talk to you about once I have a little more information. We will likely need up to 45 minutes for this.

Then we want to schedule 3 caucus calls from Mid July to the end of August. The caucus executive suggested we do Mondays at 9 am for the calls if that is possible. Suggesting Monday July 16, Monday August 6 and Monday August 27. Thinking that we should schedule about 45 – 1 hour for these. So let's see if we can sort out something and get calls booked so that people can schedule around them and get them into their calendars. Talk on Wednesday. Thanks.

Hello some suggested amendments

I gave us 2 hrs to get from PG to FSJ – we had only one event set when we arrived, but upon discussion with community they would like to have a meeting with PJH that morning, I think we could be in FSJ by 10:30 meet with Nak'azdli Chief and Council

And then at 11:30 go to the local School for a tour and possibly Lunch? Have not confirmed that with school and that would end before 1:30pm and then we off to the airport which is not far

so if we are on the road by 8:30 ish ?? we should be able to comfortably fit in the two events : ) but if we have to keep it at 9am we still should be able to fit in the two events before we fly off to Takla

and another consideration, is the Mayor and Council of the community of Vanderhoof and Chief and Council in Saikuz, the evening reception may not be the best event to invite them to, is it possible to schedule a joint meeting with the elected officials in Vanderhoof the evening of May 23? Just 40 minutes to say hello and connect and then be off to Burns Lake

be in Burns Lake by 8 pm ?

Hello Kate,  
Interior helicopters out of Fort St James has come highly recommended they are locally owned and operated with lots of experience : )  
Most likely you can have 4 passengers and one pilot s.15  
Hoping MSF can go to Takla also ?  
And then the chief from Takla has offered to ride up with them to talk about the territory they are flying over

NEWS RELEASE  
Programs that enhance student well-being receiving \$300,000

VICTORIA - Two organizations that help at-risk students improve their physical and mental well-being will each receive grants of \$150,000 from the Government of British Columbia.

The funding will help Take a Hike Foundation and Right To Play expand their programs in B.C., so that more students who may be at risk can benefit from the supports provided by these specialized programs.

"I am proud to support innovative programs in our schools that help prevent students from falling through the cracks, and provide them with the skills and confidence needed to succeed in school and beyond," said Rob Fleming, Minister of Education. "Both of these programs help students achieve higher levels of physical and mental well-being, as well as academic success."

"Creating social relationships is crucial to the overall well-being, mental health, and development of children and youth," said Judy Darcy, Minister of Mental Health and Addictions. "Programs like Take a Hike support at-risk students by providing them with an important sense of belonging and connection - to their peers, to the natural environment and to their community."

Take a Hike is a full-time, alternative education program for youth in grades 10 to 12 that uses a combination of outdoor adventure-based learning, academics, therapy and community involvement to engage students. The program currently serves 80 students, with 20 students per class in four classes. Two classes are in Vancouver, one in Burnaby and one in Trail. It is expanding into Surrey for the next school year, benefiting 20 more students.

The program helps students attain real results. Last year, 92% of Grade 12 students in the program graduated with a high school diploma. There is also a significant increase in school attendance amongst participants - from an average of 2.25 days per week to four days per week (a 77% increase).

"Take a Hike is thrilled to be working with the Ministry of Education to offer this proven and successful program to youth in B.C.," said Gordon Matchett, CEO, Take a Hike Youth at Risk Foundation. "Over the past 18 years, we have seen hundreds of Take a Hike youth graduate from high school and become resilient young adults. We are confident Surrey youth will see the same benefits."

The funds for Right To Play will be used for the organization to enhance programming that is focused on mental well-being and physical health for Indigenous students, new immigrants and children in care. Right To Play currently operates in 19 communities in B.C., with their presence mainly in Indigenous communities. These funds will be used to develop partnerships with more school districts.

"Right To Play is thrilled to be working with the Ministry of Education to continue our work with children and youth around B.C.," said Rose Lipton, director of Canadian programs at Right To Play. "We have seen incredible results in terms of child and youth engagement, and with our programs also supported by Microsoft, we know that working together with the ministry will lead to even greater results and long-term impact."

Since launching in 2015, Right To Play in B.C. has worked with over 1,500 children and youth. The program uses the power of play to educate and empower children facing adversity. The funding will also help Right To Play work with interested school districts on creating programming that aligns with B.C.'s new curriculum.

#### Quick Facts:

- \* The Take a Hike program is designed primarily for students who are between the ages of 15 and 19, in grades 10 to 12 and who are at risk of dropping out of school, or who have already dropped out.
- \* Between one-third to one-half of Take a Hike participants identify as Indigenous, and approximately one-quarter of participants are from new immigrant families.
- \* 92% of Right To Play program participants said they were excited about school, and developed a more positive attitude toward school.
- \* Since 2010, Right To Play programming in Canada has expanded from two to more than 85 Indigenous communities and organizations across Canada, engaging approximately 5,000 children and youth.

Hey you two,

We have an upcoming announcement at Goldstream Park that PJH may want to attend.

Here's the issue...It's been incredibly difficult to get a classroom of kids there for event. We've finally nailed down the morning of June 19<sup>th</sup> at the park.

We're announcing funding for teachers to bring kids on tours of parks across BC.

I can send you more event details if you're interested.

I also wanted to touch base again about the BC Parks licence plate event (flexible timing) to see if you're interested.

Thanks,  
Caelie

If in fact he is to make some sort of funding announcement can someone let me know as I don't think such a thing is currently in the Tournament event plan.

Hi Amber,

I received an email from Ann Marie advising that PJH would like to have a briefing from MSF re: Huu-ay-aht and that you are looking at 3:30 pm for that briefing on Monday? We can totally make that time work on Monday, can you please confirm? Are there any specific topics that will be discussed?

Please see below regarding a request for the Premier to do a video for the Canada Gas and LNG conference. Given the challenges this week, I understand it probably won't be possible, but would like to let Tom know, if you haven't already.  
Thanks Vanessa

Good morning Vanessa

I am downtown next door attending the Canada Gas and LNG conference. Michelle M is opening the conference this morning.

I tried earlier to get JH to provide a video message for the conference but didn't follow up. At the moment the organizers have not anything from the Premier's Office. Might there be any chance of getting something pulled together for Wednesday morning (last day of the conference)?

If you require speaking notes I can suggest a few.

Hi Kate –

Pertaining to FOI request for:

*Scanned images of all pages in all notebooks used by Kate Van Meer-Mass. (Date Range for Record Search: From 07/18/2017 To 07/31/2017) Date Format is MM/DD/YYYY*

Can you take a look at this “redline” attached to make sure all the personal information has been captured?

If you could do this as soon as possible as I’m meeting with Don at 3:00 and would like him to sign off on this request then.

Thanks –  
Jackie

Hi Mira,

I would like to extend a special invitation to you for an event which will be hosted by Danone Canada and B Lab Canada to publicly announce Danone's certification as the largest public facing B Corp in the World. I would like to extend this invitation further to Premium Horgan, Minister James and Minister Ralston. The event will be attended by B Corp members at the end of the Western Canada B Corp Development Day conference and 75 special invitees. I would be honoured if you could attend, as our guests. Sarah and Denise will be there and many other likeminded folks. I would appreciate it if you did not share this event information with anyone outside of your office as we have not made the availability of these tickets public in fear we will be overrun with demand.

The event will be held at the Vancouver Public Library and will run from 4:30PM until 7:30PM.

There will be a discussion lead by Craig Ryan of the BDC with Isabelle Rayle-Doiron, Vice President Public Affairs & General Council of Danone, Kristina Cole, President of Vega and Pascal Lachance, Senior Manager Sustainability & Environment, Danone Canada. It will cover Danone's journey to become a B Corp followed by a reception.

I hope you can make it. Please let me at your earliest convenience.

Sincerely,

**Subject:** MEETING REQUEST - BID Group Tech Venture in the Kootenays

Hello Amber,

At Don Wright's request (he has spoken to the Premier about this), we would like to arrange a 45-minute meeting with Brian Fehr of the BID Group of Companies to discuss a confidential technology venture that his organization is preparing to announce in the Kootenays.

Brian Fehr is currently holding his calendar open to come to Victoria for a meeting on any of May 25, May 28 – 31, June 4 – 8. Once we have a date secured for this, he will book the rest of his business travel for the period. I will coordinate with him.

The project is commercially sensitive, so the meeting would involve PJH, Don and Geoff. The project involves repurposing a former sawmill site for a technology enterprise, and will revitalize a small community that had lost its economic base when the mill closed. By the end of the year, they expect to have 90-100 well-paying jobs on the site – more than were formerly employed in the mill. They are not looking for government funding or approvals, but would welcome government use of their capacity in the future. This will be a pretty exceptional community economic revitalization story, and is a model that may hold promise for regionally distributed technology operations and related enterprise across other locations in the future. I will provide a briefing note in advance of the meeting.

They hope to announce the venture within a few weeks of this meeting (on site in the Kootenays) and would welcome government involvement should we wish to participate.

Hi – to confirm, the logistics did not work for the Premier to skype into the BCFL Exec Council meeting in June in Comox/Courtenay (Mt Washington). As alternative, the BCFL has provided 2 dates below for the Premier to meet with the Exec Council in Vancouver. The October date coincides with session, but as noted below, both of these dates could be moved to the Friday.

In addition, the BCFL convention is November 26 – 30 in Vancouver. The BCFL is recommending that the Premier speak on Tuesday Nov 2, the first full day of proceedings – the House is also in session that day, so it may need to be pushed to the Friday, Nov 30.

I would like to confirm these two events as soon as possible, especially the convention as the BCFL is starting to build out the agenda.

Please let me know what is possible on your end timing wise.

Thanks a lot  
Vanessa

Hi Vanessa,

Thanks for working so hard to make something work for the June 21 exec council meeting – sorry we couldn't make it happen.

Looking forward, can we secure a date for the Premier to attend an upcoming Exec Council meeting. The two meetings that we have set are September 20 and October 4. These are both Thursdays – but we could move one of these to a Friday (re: Sept 21 or Oct. 5) to accommodate the Premier. Both meetings will be in Vancouver.

Please confirm if one of these dates works.

On convention, we should confirm the date/time that the Premier is available to address our convention. Convention dates are November 26 to 30. I would suggest he come on Tuesday, Nov. 27 for the first full day of convention proceedings. That

said, we will build our convention agenda around his availability. It would be helpful to have this date/time confirmed as soon as possible.

Thanks again for all your help  
Jaime

Good morning Geoff and Sage,

Spoke with Chief Clem Seymour and Tyrone McNeil of Seabird Island Band. They would welcome the Premier to Seabird Island this Wednesday.

Tyrone says Seabird Island's protection on the river side is the berm for the rail line and it is in fact the slough the community is built beside that will be the source of the flood. He also suggests not going out on a boat as he believes the Premier would not be able to see much and it would take up a fair bit of time.

Please contact Fern Angus at 604-796-2177 for further details and planning for a visit.

Hi all,

Here is a quick draft – let me know your thoughts

**VIP Tour Draft:**

- Depart Langley or YVR Airport (Whatever is easiest for PJH)
- Aerial overview (Port Mann Bridge to Hope) (EMBC Senior Regional Manager Ian Cunnings, FLNROD flood accessor and PJH/staff)
- Seabird Island Visit (looks like we can land at seabird right behind their band council, just need to coordinate Landing Zone safety with Haig Fire Base and Seabird Island Fire Dept)
- For media availability we are looking into two potential sites, one in the Bridgeview area of Surrey and one at the EMBC warehouse in Chilliwack.
  - There is no active work being done in Surrey; however, we could get PJH to speak to the work that was done there and along the Lower Fraser.
  - Chilliwack location would give the opportunity to have a backdrop of sandbags, tiger dams, etc, and speak about the large volumes of flood mitigation equipment running in and out of the location.
- Return to Langley Airport (or YVR)

**Please advise on the following:**

- Whether Chilliwack or Surrey would be a preferred media availability site
- What time PJH and staff would be able to get to either YVR or Langley Airport, and
- How many people will be travelling
  - The helicopters we're looking at hold 7 people. That would mean we could accommodate PJH and 4 additional staff on the tour. If more is needed we can book two helicopters.

Hi All,

Here is the revised itinerary for tomorrow. The destination to catch the departing flight just came in from EMBC and it is not at all clear, but I have asked for clarification. I have pasted in exactly what they sent.

Wilkinson, Throness, John Martin and Sonia Furstenau are all confirmed. Amber, the Charter companies are confirmed in the itin as well. Jarrett will be on site at the EMBC warehouse, to help with the tour and the meeting and avail, but not at Seabird Island.

The Premier, Sheena, Furstenau and John Martin will take one helicopter back to Victoria, and everyone else will take the other helicopter back to Vancouver.

I've yet to hear who will join from the City of Chilliwack, but I will let you know when I hear.

Let me know if you have any questions.

Thanks

Rick

**Subject:** Announcement

Hi Vanessa,

Rick would be honoured to attend an event in Victoria on May 28th to hear the Proclamation of Rick Hansen Day as well as the announcement of the generous contribution from the BC government. We are in agreement that the focus of this announcement should be forward looking and give the Premier the opportunity to recognize Rick's inspiring leadership and the ongoing mission of the Foundation as well as an opportunity for Rick to express his gratitude for the tremendous support from the Government of BC over the last 30 years.

For May 25th, we know the Premier is no longer available, but we want to push ahead with the scheduled event to celebrate SAP's Gold certified building (providing they are still ok). It will focus, as I mentioned, on the important milestone achievements of the RHF Accessibility Certification program and our objectives there.

We will work with the comms folks between SDPR and the Premier's Office to sort out messaging between the two events (assuming that if we do the May 25th event, the SDPR folks will probably want to submit a quote or something) and we will work as collaboratively as we possibly can considering the timelines.

As you mentioned, the May 28th event will be in the Legislature. Can I assume it will primarily/exclusively involve MLAs? Is there room to invite any special guests? If so, how many?

Did I miss anything?

I look forward to getting a more precise timeline/agenda from your office for the 28th.

Regards,

Brad

Geoff –

I have two recommendations that I'd like considered for the Premier. Kate and I have discussed both with respect to the calendar.

The first is a brief appearance/greetings at the B Corp conference on May 24<sup>th</sup>. Details can be seen here: <https://www.bldwesterncanada.eco/conference-schedule/>. This is a great audience (partly organized through Denise Taschereau's company<sup>s.13</sup>). My sense is timing would be flexible accordingly to the Premier's schedule.

The second idea follows a tour I had yesterday through the new Rapid Response Unit at St Paul's and the BC Centre for Substance Use. I know the Premier was briefed by their director, Evan Wood during the campaign but they have not connected since.<sup>s.13</sup>

s.13 . Timing  
on this, in my view, is flexible.

I welcome your thinking.

**As requested at the last meeting – here are some events for consideration for PJH's summer calendar**

### Health

- Funding for community health networks in the Comox Valley (June tbd)
- Seniors' strategy – end of June (June 25?)
- Changing gender on identity documents (allowing X for gender) – I suggest doing this one in the lead up to pride – late July.
- Urgent Primary Care Centre opens in Surrey (June 4?)
- 600 new beds in residential care facilities in Fraser Health (end of June, tbd)

### Housing

- Indigenous Housing program launch – June 21
- Tour of Courtney Modular Plant (EP coming from housing – they expect this event to be avail from mid-June on) It is also going full out because of our program.
- Wrap up of modular housing program (all 2000 homes announced) and announcement of next program for 2500 more homes with supports for people in need – (June tbd)
- s.13
- 

*Housing is also providing me with a list of smaller/individual projects etc that are breaking ground etc, so if PJH is in an area and has time we can promote work we are doing on housing.*

Good Afternoon, I am the Manager of AV services with the Privy Council Office. We are responsible for Secure calls for the Prime Minister, Cabinet Ministers as well as our Clerk. Each summer we prepare a briefing book for the Ministers. Would you be able to have a look at last year's document and confirm that the contact numbers etc. are still current/correct? For the Secure lines I have blanked out the dialing prefix.

Thanks very much

Tristan

The format of tomorrow's directors meeting will be slightly different than usual. Geoff would like to have a discussion with us and we will be using the Rose Room telepresence to skype into VCO with you in Vancouver. I've also attached the updated tour plans that go all the way until October. Don't get too excited as it is not amazingly populated just yet. Chat tomorrow.

Hi!

I've made some changes to the itinerary based on the discussion we had today, and a I have few questions below:

- Usually we wouldn't send Premier or Minister without staff, will there be room for staff to attend to Takla? (Yes, Anne-Marie will be staffing the minister and the Premier will have staff as well)
- Will staff attend the rest of the trip? (yes)
- Is so, will they ride together or will they be expected to take a separate vehicle? (depends on the final number count of people)
- Do we know agenda items for each of the visits? (No but Anne-Marie, Kate, Rick and Amber will determine this in the coming weeks)
- If staff aren't attending, who is the contact to be going back and forth on logistics?  
• s.12;s.16
- Do we need to fit in a meeting with the District of Fort St James? (possibly but not a lot of time so would be better to fold into another event)
- Can you please provide me with the contacts you've been working with?
- Confirming that GCPE HQ is reaching out to the other Ministries? (Correct, Rick is reaching out)
- MIRR DMO to follow up on the Tla'tz'en blockade

Thanks,

Hi! Stephanie Papik here! September 29 will be "reclaiming our spirit" a healing gathering for residential school survivors in Port Alberni. Hosted by Nuuchahnulth Tribal Council. This will support the language initiative and funding. Survivors are the language holders and many are blocked in trauma. Something more formal will come in the future. If PJH could consider coming and hold in calendar for now that would be amazing.

Thanks Kate! Please inform the attendees to go to Chambers in Victoria side and Cabinet Boardroom in VCO side. I will be at Chambers at 8:45 AM to help you loading the PowerPoint.

I cc Keira and Maria here to block the rooms for 2 hours?

Thanks,  
Robin

Hi Amber:

I checked with Maria and VCO Cabinet Boardroom is available all morning. Please confirm if this is the option so that I can book both Chambers and VCO Cabinet Boardroom?

All it needs is to bring the PowerPoint in a memory key and I can help to load it on the laptop in there. I can be there around 8:45 AM.

Thanks,

Hi Amber:

In this case, the system between Chambers & VCO Cabinet Boardroom is way quicker and easier. I checked the Victoria side and is available. I just have to check with Maria the VCO side.

But if you want to use Rose Room and VCO #4 Boardroom, I can help setting it up too.

Please let me know.

The buy and design are fine.

However, there's only one person of colour in all 6 of the ads. PO would like to see more diversity. Can we get that done?

Hi again! Sorry for all of these requests today! I know you're just wrapping an event.

More approvals are required from your office as well as the Premier's regarding the Excellence in Education Digital Ad Plan attached here as well as the proposed social media posts.

I'll take care of the Ministry expense authority sign off.

Again, as the campaign kicks off next week (and the main point person has a month-long vacation starting then too), GCPE Digital is hoping for sign off on this today.

I told them we'd do our best.

Thanks for all,  
Erin

Hi Erin,

Attached is the detailed **digital ad plan for review and approval**. This includes the tentative schedule and a few different versions of post copy. I've also included some mock-ups below that show what the ads will look like in-market. The other photos that I plan to use are attached. As discussed, the schedule might change depending on when we get the video and all of the ads approved.

The total budget for this campaign is **\$25K** which will be spent on both Facebook and Instagram. Can you have your Ministry's expense authority **sign off on the attached media buy and CPA?**

Please let me know if you have any questions.

Thank you,  
Kyla

Dear Premier Horgan,

I am writing to you to request an opportunity to meet and discuss TransCanada Corporation and our investments and operations in British Columbia. As you know, TransCanada transports - through our NGTL System and other assets - more than seventy-five per cent of the Western Canadian Sedimentary Basin natural gas produced in British Columbia and Alberta. We are investing substantially in the expansion of the NGTL System and large components of the expansion are either underway or complete. In this way, we are helping bolster British Columbia's important role in meeting North American energy needs.

In addition to our existing assets and investments, TransCanada is a key participant in British Columbia's ambition to diversify its markets through the development of Liquefied Natural Gas (LNG) facilities and other infrastructure. TransCanada's proposed Coastal GasLink project will deliver gas from Dawson Creek to Kitimat where it will be converted to liquid form for export by LNG Canada.

Judith Robson in my office is available to assist in the coordination of a meeting at your convenience. She can be reached at (403)920-7889 and [judith\\_robson@transcanada.com](mailto:judith_robson@transcanada.com).

I look forward to meeting you and discussing further TransCanada's operations and plans in British Columbia.

Yours sincerely,

Russ Girling  
President & CEO  
TransCanada Corporation

Hi all,

Just wanted to confirm the plan for touring the new facility at UBC (Indian Residential School History and Dialogue Centre).

3:15-4:00pm  
20min tour followed by 20 min sit down meeting

Tour led by:  
Santa Ono, President of UBC  
Mary Ellen Turpel-Lafond, Director of the Centre.

### Questions:

1. Do we want this open to media to cover the tour? The UBC folks are open to it but don't feel strongly either way. Or we can just have photo/video from Karl's team.
2. Do we want to invite Minister Fraser and Minister Mark?  
I will also let David Eby's office know we'll be in the constit.

Thanks,

Hi, Premier -

I understand Kate spoke to you yesterday about a B Corp conference and that you were seeking more information about it. I just got off the phone with the one of the organizers who works for the Business Development Bank of Canada (a B Corp themselves).

This is the third annual B Corp Leadership Day conference. There will be approximately 125 people in attendance all representing either workers or owners of B Corps in BC. The theme of the conference is on diversity and collective impact of their businesses. They will also be discussing the BC legislation on benefit corps.

s.13

s.13 i. They would of course, be thrilled to have you.

Please let me know if you'd like any additional information.

Hey!

Looks like the only possibility for a tour of the elk maternity pens is Tuesday morning – thinking 8 a.m. The tour, with the flight there and back, would be two and a half hours and would deliver them back to Revelstoke around 10:30. Let me know if you want in on this opportunity.

Hi Anne Marie,

I've adjusted the schedule below based on your feedback. As for the helicopter we will have to figure out how much an extra one will cost and who's budget it will come out of. Rick and his team are supposed to be looking into it. For now we will have to have just the one until we can get a handle on it.

### June 18<sup>th</sup>

- Arrive in PG 10:30am
- Drive to Fort Saint James 10:30-12:30
- Take helicopter to Takla 12:30-1:30
- Meeting with Chief, Council and community members 1:30-4:30 –
- Helicopter return to Fort St James 4:30-5:30
- Sit Down dinner with Nak'azdli Chief and Council & local community members 6:30-8:30
- O/N Fort Saint James

### June 19<sup>th</sup>

- Tour Fort St James Hospital 9-10am – PO staff reaching out
- School Visit (Nak'albun Elementary School) 10:30-11:30 – PO staff reaching out
- Drive to Tla'zt'en 11:30-12:30
- Lunch with Chief, Council and Community Members 12:30-2:00 (GC Ed John will be there & possibly Terry Teegee)
- Other events 2-4:00??
- Drive to Fort St James 4:00-5:00
- Reception 7-9 – hosted by district of Fort St James & Nak'azdli

### June 20<sup>th</sup>

Hello all-

The first question about sending staff, that questions was directly for Takla trip, since the Helicopter would fit only 4 passengers- that would be PJH, MSF, <sup>s.15</sup> and Chief John French requested to fly up with them to show them the territory. So cost wise is it possible to have a second helicopter for staff or the other option is to have regional staff to drive the three hours to Takla to be there to meet them when they arrive, ?? so just need to figure out that question : ) who is going on the helicopter is the question we need to figure out ??

Hi!

I've made some changes to the itinerary based on the discussion we had today, and a I have few questions below:

- Usually we wouldn't send Premier or Minister without staff, will there be room for staff to attend to Takla?
- Will staff attend the rest of the trip?
- Is so, will they ride together or will they be expected to take a separate vehicle?
- Do we know agenda items for each of the visits?
- If staff aren't attending, who is the contact to be going back and forth on logistics?
- s.12
- Do we need to fit in a meeting with the District of Fort St James?
- Can you please provide me with the contacts you've been working with?
- Confirming that GCPE HQ is reaching out to the other Ministries?
- MIRR DMO to follow up on the Tla'tz'en blockade

Thanks,

Apologies for going back to this one – but got a call from Jaime in regards - we are currently holding Thursday October 4<sup>th</sup> 9-10am for this in Vancouver. If we are in session and it needs to be moved to the 5<sup>th</sup> to accommodate, it's not ideal (Premier is here for teacher awards and then heading over to van later that eve).

Wanted to suggest locking in for Friday September 21<sup>st</sup> 9-10am in Vancouver instead.

MO would like HSA and NPA to speak as well – is that possible?  
I would also need to reach out to them to see if they are interested.

Sounds good. One other thing, sorry just talking to Marlene now  
She also is saying the access to the room requires going through a bunch of secure doors (require fob access). Just another fun logistical thing we'd have to figure out.

FYI – Marlene said the only space for a technical briefing would be a boardroom (that we've used as a green room in the past).  
It would only fit maybe 8-10 people.

Hello,

I'd like to provide a quick update on the status of the request from Lax Kw'alaams and Metlakatla re Pembina's proposed Prince Rupert Terminal project.

On March 21, I wrote to Pembina notifying them of your section 6 request and requesting information about the project from them. Pembina has provided the attached information.

We are currently drafting a short report, we will let you know if we have any questions of clarification that require your response or discussion. We may also seek input from other parties (e.g. regulators) to inform the development of our report. We anticipate having a draft that is ready to share for your review and comment before the end of May. Once you have the draft, we'd be happy to meet to discuss the draft and any questions.

Feel free to contact me or Edwin in the interim if you have any questions.

Best regards,  
Nathan

Wondering if we are pulling PJH from Qp on Monday. He will be over in Van in the morning and QP prep will happen right before QP. He also has the Rick Hansen event right after QP so media will know he is here. Thoughts?

**Subject:** Layne Clark to pursue new opportunities, recruitment process under way

Dear friends,

I'm writing to share the sad news that Layne Clark has decided to return to Vancouver to pursue new opportunities. Layne's done outstanding work for our government and our party in the run-up to last year's campaign, through the election, into transition and now in government. I know everyone will join me in wishing her well and every success in wherever her interests and talents take her.

Layne has agreed to remain in her current position until July 17 and I've now embarked on the difficult job of recruiting a replacement. The role may be redefined and the responsibilities varied. We have begun reaching out to prospective candidates and hope to complete a short list by June 7, the deadline for applications or expressions of interest. Vanessa Geary and Layne will be assisting me in the recruiting process. Please don't hesitate to contact any of us with any questions, suggestions or concerns as we work through this process.

Geoff

**Subject:** Premier Horgan's Travel to Takla

Hi Tim,

Sorry to bother you.

Three weeks ago Chief French said that the Premier intends on visiting Takla in June. I hadn't heard any developments on this so I tried Ann Sam and emailing the Premier directly. I thought perhaps I would ask you.

I have been delegated to coordinate the event so that Premier Horgan receives a warm welcome. However the day we were told is coming quite quickly. Could you pass this on to whomever would be coordinating this travel on Premier Horgan's end or if you know anything provide me with some details?

Below is what I sent to the Premier:

Good afternoon Premier John Horgan,

I wanted to get in contact with your staff in order to make arrangements for your visit.

If I may, I wanted to request the following information so we can prepare and properly accommodate your needs:

- Can we confirm the date?
- How are you travelling up to Takla (Helicopter -- this way we can prepare your entrance)?
- How long do you anticipate staying in Takla (an hour, 4 hours?)
- We will most likely have traditional food prepared, are you intending to stay for a meal?
- Do you have any dietary preferences or allergies?
- What is your main goal while traveling to Takla (communications, images, a speech etc.)

I will be the main contact for this event, so please do not hesitate to contact me by email or on my direct line s.17 . I would like to work with some of your staff rather quickly to secure some details and make this a fantastic day for both parties!

Thank you for your time,

Kindly,

Krystal Devauld
