Subject: Gasoline Prices

Dear Premier Horgan,

I noted your public statement yesterday that your government will review “whether there are incidents of gouging or collusion” in the British Columbia gasoline market. You were quoted in today’s Globe and Mail as asking “Why is it that the commodity is at 70 bucks a barrel, and the finished product is at \$1.60 [a litre]”?

I hope you find the information found at the following links instructive in understanding how gasoline markets work and specifically in answering your question.

<http://www.canadianfuels.ca/Issue-Statements/Factors-Impacting-Vancouver-Gasoline-Prices/>

https://www.kentgroupltd.com/wp-content/uploads/2018/04/March_2018_Eng-1.pdf

<http://www.canadianfuels.ca/Fuels-and-Transportation/What%E2%80%99s-up-with-the-price-of-gasoline/>

<http://www.canadianfuels.ca/Blog/September-2016/Who-controls-gas-stations-%E2%80%93-and-gas-prices-The-answer-may-surprise-you/>

<http://www.canadianfuels.ca/Blog/March-2017/Do-Canadians-really-pay-more-for-gasoline-Yes-and-no/>

You were also quoted as wanting more transparency in gasoline pricing. Contrary to popular belief, retail gasoline is one of the most transparently priced consumer products. Indeed, transparency is a hallmark of gasoline pricing. At every level of the value chain, price components are available and accessible for public consideration. They are critical in understanding the value added by those involved in the refining, distribution and marketing of petroleum products.

Crude oil and wholesale gasoline are commodities that trade on commodity markets. Their respective market prices at any time are a function of commodity traders' assessments of supply and demand conditions, both current and future. Daily trading prices are quoted in newspapers and available on line – although most often the media focus is on crude prices. Tax components and amounts are a matter of public record. Finally, pump prices are prominently displayed at retail outlets enabling consumers to make purchase decisions while driving – from the largest price signs of any retail business.

You are not alone in having concerns about gasoline prices and unfounded suspicions of “gouging or collusion”. In late 2016 Ontario Minister of Energy, Glenn Thibeault directed the Ontario Energy Board “to examine Ontario's retail transportation fuels market and report to me on the extent and causes of price variations over time and between regions in Ontario, how transportation fuels pricing and the retail transportation fuels market in Ontario compares with pricing and markets in other jurisdictions and the nature and extent of information available to consumers in relation to retail transportation fuels pricing and price variations”.

Unsurprisingly, the examination came to the following conclusion: “Our analysis of 65 Canadian markets showed that 2016 pump prices in Ontario’s 18 markets reasonably reflected each market’s individual characteristics. We demonstrated that several factors – crude prices, wholesale fuel prices, retail site volume efficiencies, and competition within a given market – had unique effects on each Ontario market we reviewed. When considering these factors, we concluded that in each of the markets we reviewed, that fuel price levels, their volatility, and the inter-market differences that exist, are reasonable and representative of competitive market behavior.” I commend the full report to your attention:

I hope this information is helpful. I would be pleased to meet with you to help you further understand how the gasoline market in British Columbia works.

Sincerely,

Peter Boag

Hi Mira,

Thanks for this. I've talked to Alim from AI Industries today and they can do it - a tour and if we choose, a roundtable too. It sounds like the go-ahead is just on a tour visit? Their boardroom can accommodate a maximum of 10 people.

They are flexible on time but the later we go, the fewer people will be working and the optics may not be as great or as people-centric as we'd like.

I'll wait for an exact time from Kate and any other details from Charlotte before confirming with Alim.

Kate, a note that Minister Ralston has TB at 1pm so would really like to do this before or after (4pm) if possible. I think it would be helpful if he could be there even for the first 30 minutes or so (if not for the entire visit).

Hi Mira,

Thanks for the meeting and the stakeholder session today. I had to leave a little early to catch the flight I'm now about to board!

Regarding AI Industries, the company Minister Ralston recommended today for the light industrial tour, you mentioned you wanted to confirm with the Premier's office first before we reach out to the company contact. Let me know and then I can call them to get a sense of whether they're willing to host a tour visit from the Premier on June 7 (time TBD) and if they would also be willing to host a roundtable of other manufacturers.

I just connected with Haroon Khan who would, of course, love to have the Premier join at Al-Jamia Masjid Fairview Mosque. I've spoken to the Premier about it a couple of times and he has expressed a willingness and openness to attend.

The details are as follows:

9pm arrival (meet and greet)

Very short remarks

Opening of the fast (juice, fruits)

Prayer

Dinner served

The entire evening is one hour long; Haroon thinks he can be in and out within 45 minutes.

It makes for a late evening, but it would be the first time a sitting Premier would be attending an iftar (according to Haroon). I think it would be very meaningful.

Kate, please let me know if it's possible in the schedule.

Geoff, please let me know if you comfortable to proceed.

Susan asked that I run this meeting follow up by you for approval before we send it out. Jen had asked our office to send an acknowledgement to the attached emails regarding a recent meeting the Premier had with them. However, we didn't have any further information on the meeting other than what was said in these emails. So, I just wanted to check with you if you are fine with what I have written and whether it seems reflective of what happened in the meeting. I kept it fairly vague and didn't specify whether there would be further follow up as I wasn't sure where that had been left. Let me know if there is anything you think needs to be added/changed!

I thank you very much for your prompt reply to my most recent email and look forward to receiving whatever info you will be able to provide regarding Proportional Representation. The previous emails I referred to were in regard to a couple of other matters and the NDP, primarily the Premier's office, told me to question my local MLA. I have still never received any answers but would still like some sort of explanation to my inquiries.

Firstly: why is our premier going to spend some \$ 300,000.00 on a feasibility study for a high speed rail line between Vancouver and Seattle.? This would be a rail service that would only serve the wealthy and a small portion of our provincial population. The money could be well spent on other matters.

Secondly: Our premier is spending a fortune and hundreds of man hours fighting the pipeline but has not yet once mentioned a viable alternative. Like it or not, the product has either got to be moved or the industry should shut down all together. My question was why can't he at least offer some other alternative ?

Hi Kate,

Please see the below request and please provide responsive records by June 4th :

For email records:

- *Go to Sent Items folder and scroll down to date range*
- **Option 1:** *Drag and drop emails into a separate email to send to me. Depending on how many emails you have within this date range, you may need to break them up and send them in multiple parts*
- **Option 2:** *Highlight all emails, click on File – Save as Adobe PDF. The conversion can take a few minutes. I would recommend doing this in 2 or 3 sections*
- **Option3:** *Drag all responsive emails onto a USB stick and provide the stick to me*

For text message records:

- *Take screenshots of all conversations containing responsive records. Please see attached instructions for this*

If you have any issues with compiling these records, please let me know and I will be happy to help!

Records of any and all emails (excluding attachments), text messages, BBMs, slack messages, and WhatsApp messages sent from Kate van Meer-Mass.

*(Date Range for Record Search: **From 12/01/2017 To 12/31/2017**) Date Format is MM/DD/YYYY*

Hi Cara,

Thanks for following up! I also just heard from CASA secretariat that June 26 is the only date that will work for MLA Weaver, so if the 25th is already looking busy from your perspective, I'll nix that and tell the team to start planning for the morning of June 26th. If that's no good, just let me know!

Hi Jen and Sage,

Attached you'll find my pitch for announcing the Emerging Economy Task Force on June 25 for 26 (depending on what you think is best).

We would like to do the announcement in Vancouver, at the WeWork co-working space. As this is part of the CASA, we expect MLA Weaver will want to attend, and are hoping to get a date to him soon.

Let me know if you think either of those dates will work from your perspective.

Hi Premier,

I'm writing to follow up with you about our conversations regarding you attending an Iftar (fast-breaking for Ramadan). You had previously expressed interest, but we had not yet confirmed.

I have been in touch with Haroon Khan, a Muslim community leader from the Al-Jamia Masjid Fairview Mosque who of course would be delighted for you to attend.

The details are as follows:
9pm arrival (meet and greet)
Very short remarks
Opening of the fast (juice, fruits)
Prayer
Dinner served

The entire evening would be one hour maximum. I have spoken at the mosque in the past myself and would be happy to attend with you.

According to Haroon, you would be the first sitting Premier to attend an iftar. I think it would be great community relations for an important cultural holiday.

Please let me know if you are interested in attending.

Thank you,
Mira

Hi Kate, apologies for the delay in sending this over!

The usual itinerary for the day of June 21st is as follows:

9am-10am – breakfast at the Vancouver Aboriginal Friendship Centre

Confirmed speakers at 9:30 so far, Minister Mark, Minister Simpson, MP Jenny Kwan, Mayor Gregor Robertson
Contact for this is Leoni Rivers: 604 251 4844 ext. 300

10-12 – march to trout lake

Minister Mark only seldom does this part, will likely not this year due to scheduling

12pm onwards – event at Trout Lake

There is a huge marketplace of booths from non-profits to artisans, to the city etc (Minister Mark's constituency office will have a table), live music and dance performances, a huge powwow out in the back field, lots of food vendors, typically the vpd and Canadian forces have displays, there are canoe demonstrations on the lake by Takaya Tours and lots of open greenspace for people to relax in.

I think it would be fantastic if the Premier could attend around 12 or 12:30 and speak on the main stage and/or visit with folks, tour the marketplace, or even paddle a canoe.

Here is a summary of what you, Layne and I just discussed as recommendations for Geoff:

- Hold 2 planning sessions in June
 - o June 15th is a half day (afternoon) session for Directors and held at VCO - Lead organizer is Vanessa
 - Focus is largely internal team building within the PO – agenda to include following up on take aways from Oct and Feb planning session, feedback on the check-ins, a political scan and a social at the end. We will “self” facilitate.
 - o June 29th is a full day session in Victoria and will include Comms, Scheduling and Issues Mgt staff - Lead Organizer is Kate.
 - Focus external with goal to create a strategic plan that comes out of Cabinet and Caucus planning sessions. Will be facilitated and Suzanne Hawkes has been contacted to provide a proposal.

Attached are agenda and notes from the October session. I haven't had chance to review yet, but we can do so later and start to build an agenda.

For now, I suggest we send Geoff the above recommendations so he is up to speed on what we are doing and who is lead.

Sound ok?

Kate, Layne and I met this morning to re-clarify the planning activities for PO staff this month.

We recommend the following:

- Hold 2 planning sessions in June
 - o June 15th is a half day (afternoon) session for Directors and held at VCO - Lead organizer is Vanessa
 - Focus is largely internal team building within the PO – agenda to include following up on take aways from Oct and Feb planning session, feedback on the check-ins, a political scan and a social at the end. We will “self” facilitate.
 - o June 29th is a full day session in Victoria (location TBC) and will include Comms, Scheduling and Issues Mgt staff - Lead Organizer is Kate.
 - Focus external with goal to create a strategic plan that comes out of Cabinet and Caucus planning sessions. Will be facilitated and Suzanne Hawkes has been contacted to provide a proposal.

Unless you suggest, otherwise, Kate and I will go ahead and get things moving, and including drafting agendas for the two meetings for you review asap.

No issues to note.

The municipality is taking over/dissolving Big Eddy Improvement District but this is positive news.

The city of Revelstoke was awarded a Small Communities Fund Grant in July of 2015 to take over and upgrade the Big Eddy Water System.

Total Eligible Project Costs:	\$5,678,031
Provincial Share:	\$1,892,667
Federal Share:	\$1,892,667
Combined Funding:	\$3,785,354

The work included storage and distribution infrastructure including: - Establish dedicated feed to reservoir; - Construct third well; - Install SCADA System; - Construct second reservoir; - Replace Highway 23 watermain crossing; - Replace watermain in the NE Commercial/Industrial area; - Replace/reline 200mm feed to reservoir; and - Replace watermain in the SW Commercial/Industrial area.

South Revelstoke

- Revelstoke and the adjacent electoral area have experienced some urban-rural tension in the South Revelstoke area below Revelstoke Mountain Resort near the airport.
- Access to City water and sewer services have prompted a series of small boundary extension requests, and the City and Columbia-Shuswap Regional District have struggled to reach a long-term agreement on rural fire service.
- A joint study of governance and service delivery in the South Revelstoke area in 2017 showed that there was little appetite amongst Area B residents to join the City of Revelstoke via a large boundary extension or municipal restructure; there have been no further boundary extension requests from the City of Revelstoke since the study was completed.
- Fire services have been extended to September 1 for Area B residents under the existing contract; mediation is scheduled for July and an agreement is expected to be finalized by August.

Thanks Allegra. One change I'm suggesting for the last paragraph –

These ministries have assured me that they are open to continued discussion on these issues, and I encourage you to maintain your dialogue with the relevant ministry officials. Ministers and their staff are in the best position to work with you directly on these specific matters and I am confident they will continue to provide ongoing assistance with any concerns the City of Delta may have.

Also want to confirm the letter would be cc'd to Ravi Kahlon as the local MLA and the Ministers mentioned in the letter.

Hi Liam,

Draft tour itinerary is attached. We can adjust based on feedback from the PO.

Local government officials have been contacted and are on board, as well as the Red Cross who will have a high ranking official at the Resilience Centre (do not yet know who).

There's an opportunity for a media availability in the itinerary. I've attached a draft NR that could be announced at the avail if there is interest. Alternatively, we could announce the initiatives at a later date.

Also attaching an IN with details around the recovery and DFA. Still waiting on bullets from Recovery on the BC Housing/Temp Housing question, but will forward when I have them.

Hey all,

Premier's office have asked that we set up a tour of flood affected areas of Grand Forks for the Premier on Wednesday June 13th between 11am and 3pm. The night before they will likely be staying in Cranbrook and then driving in for around 11am, they will then likely be flying out of Castlegar at 5pm or 7pm. Can we organize a modified version of the tour MMF did?

It will likely be Premier, PS Rice and a few staff attending at this point. Kate van Meer-Mass is the point person in the premier's office and has said she would also give FLNRO a heads up to help as needed.

Here is the proposal from the Mayor of Revelstoke. Can you take a look and let me know which of these stops are ok? Any concerns with any?

The Pipe mountain coaster is exciting and cool, but not sure something he'd be into.

Let us know!

Hi Joleen,

Here is the proposed itinerary for Mayor Mark McKee and Premier Horgan's tour of Revelstoke from 2:00 – 3:00 pm on Monday, June 11, 2018:

- 2:00 pm - Meet at [City Hall](#) – 216 Mackenzie Avenue
- 2:10 – 2:15 pm - Drive to [Revelstoke Golf Course](#) – 171 Columbia Park Drive
- Drive through downtown core (could squeeze in a [Revelstoke Railway Museum](#) – 719 Track Street West from 2:20 – 2:30 pm)
- 2:30 – 2:40 pm – Drive to [Revelstoke Community Energy Corporation](#) Plant at Downie Timber – 1621 Mill Street
- Drive to Revelstoke Mountain Resort – 2950 Camozzi Road for short tour and [Pipe Mountain Coaster](#) ride
- Back to City Hall

The Mayor would prefer to drive in one vehicle so that he can explain the highlights along the way.

Stops not included in itinerary but could be added:

- [Revelstoke Dam Visitor Centre](#) – 5km north of Revelstoke on Highway 23 North (need at least 45 minutes)
- [Mt. Begbie Brewery](#) voted Canadian Craft Brewery of the year 2017 (need 2 hours and a driver 😊)

I have included some links to the websites for your information. Please let us know what you think or if you have any suggestions.

Thank you

Hi,

I met with the mayor today about the Premier's tour of Revelstoke tomorrow, and he said that Loni Parker, the CSRD Director for the region, had asked to join.

There isn't really room to put her in the vehicle- they're going in the Premier's vehicle so she would have to squish in the back with Sheena and Evan- but I was thinking we could invite her to join for the first portion of the trip, which is a quick tour of the Railway Museum (15 minutes). This would give her the opportunity to connect directly with PJH.

Is this ok with you guys? Also, I have updated the calendar with a slightly revised plan for the tour, just based on travel time and weather (no more coaster ride- it's closed in the rain)

Hi Kate, apologies for the delay in sending this over!

The usual itinerary for the day of June 21st is as follows:

9am-10am – breakfast at the Vancouver Aboriginal Friendship Centre

Confirmed speakers at 9:30 so far, Minister Mark, Minister Simpson, MP Jenny Kwan, Mayor Gregor Robertson
Contact for this is Leoni Rivers: 604 251 4844 ext. 300

10-12 – march to trout lake

Minister Mark only seldom does this part, will likely not this year due to scheduling

12pm onwards – event at Trout Lake

There is a huge marketplace of booths from non-profits to artisans, to the city etc (Minister Mark's constituency office will have a table), live music and dance performances, a huge powwow out in the back field, lots of food vendors, typically the vpd and Canadian forces have displays, there are canoe demonstrations on the lake by Takaya Tours and lots of open greenspace for people to relax in.

I think it would be fantastic if the Premier could attend around 12 or 12:30 and speak on the main stage and/or visit with folks, tour the marketplace, or even paddle a canoe.

Cheers,

Hi Kate:

I've put together a proposed agenda for tomorrow, if you could let me know if this is acceptable.

First, I understand that Premier Horgan is planning on doing a fly over with Dan Derby tomorrow on his way in?

If the plan is still from 11:00 am to 3:00 pm, I'm suggesting the following:

11:00 am arrival to City Hall - meet and greet with City and Regional District Elected officials, key senior staff from the City and Area D, and an economic development representative;
11:30 am - Lunch at City Hall - traditional borscht/sandwiches (please let me know if there are any food allergies and requirements)
12:15 approx - the group departs by bus to visit the EOC Centre, Resiliency Centre, Downtown core, and through to South Ruckle;
1:30 approx until departure - the group is back to City Hall - Opening statement from the Premier; opening statements from the Mayor and the Area D Chair, and the continuation of a conversation with regard to the City/Regional requests

If you would kindly advise if this works for the Premier, would be greatly appreciated.

Best regards,
Diane

Hi Kate:

I received your contact information from Colleen Ross with regard to Premier Horgan's visit this coming Wednesday and wanted to touch bases with you on a couple of things:

1. Staff is currently putting together a few briefing notes for Premier Horgan's reference and we should have these to you by this Monday;
2. We understand that Premier Horgan plans to be in Grand Forks from 11:00 am to 3:00 pm; we additionally wanted to extend an invitation for the Premier to attend the Boundary Flood Community Update at the Grand Forks High School gymnasium that is being held that same evening from 6:30 pm to 8:30 pm. This public update is hosted by the EOC group, and includes Provincial agencies involved in the disaster, as well as the elected officials from the City and surrounding Area D; and I know the community would be thrilled if he were able to attend;
3. If you have a particular agenda for the day in mind – including tours of the affected areas; and
4. The City is more than willing to host a lunch at City Hall during this time, and if this acceptable we would need the total count of attendees accompanying Premier Horgan as well as any food allergies or requirements. This lunch would include our elected officials and a couple or so members of Senior Staff from the City and the Regional District of Kootenay Boundary (RDKB).

I look forward to your suggestions and response to these points and will send out the briefing notes as soon as possible.

The City is extremely appreciative and honoured that Premier Horgan is coming to our municipality!

11:30 am - Lunch at City Hall - traditional borscht/sandwiches (please let me know if there are any food allergies and requirements)
12:15 approx - the group departs by bus to visit the EOC Centre, Resiliency Centre, Downtown core, and through to South Ruckle;
1:30 approx until departure - the group is back to City Hall - Opening statement from the Premier; opening statements from the Mayor and the Area D Chair, and the continuation of a conversation with regard to the City/Regional requests

If you would kindly advise if this works for the Premier, would be greatly appreciated.

Best regards,
Diane

Thank you Diane. We look forward to receiving the briefing notes on Monday. As for the evening meeting unfortunately we are unable to attend. My understanding is embc is reaching out to discuss the tour and if they have not been in touch they should be shortly.

Hi Kate:

I received your contact information from Colleen Ross with regard to Premier Horgan's visit this coming Wednesday and wanted to touch bases with you on a couple of things:

1. Staff is currently putting together a few briefing notes for Premier Horgan's reference and we should have these to you by this Monday;
2. We understand that Premier Horgan plans to be in Grand Forks from 11:00 am to 3:00 pm; we additionally wanted to extend an invitation for the Premier to attend the Boundary Flood Community Update at the Grand Forks High School gymnasium that is being held that same evening from 6:30 pm to 8:30 pm. This public update is hosted by the EOC group, and includes Provincial agencies involved in the disaster, as well as the elected officials from the City and surrounding Area D; and I know the community would be thrilled if he were able to attend;
3. If you have a particular agenda for the day in mind – including tours of the affected areas; and
4. The City is more than willing to host a lunch at City Hall during this time, and if this acceptable we would need the total count of attendees accompanying Premier Horgan as well as any food allergies or requirements. This lunch would include our elected officials and a couple or so members of Senior Staff from the City and the Regional District of Kootenay Boundary (RDKB).

I look forward to your suggestions and response to these points and will send out the briefing notes as soon as possible. The City is extremely appreciative and honoured that Premier Horgan is coming to our municipality!

Info regarding gifts for the communities we are visiting next week.

Subject: FW: Gifts -follow up

Hi Amber. We reached out to our contact at MIRR GCPE, who had this advice. Her contact info is in the attached if you would like to reach her directly.

GCPE IRR keeps a registry of gifts given over the years as to avoid giving the same gift to the same group – which has happened. The list is not exhaustive. See attached.

GCPE IRR still recommends the practice of reaching out to the contact(s) and ask informally for some suggestions. As perhaps their band office has an empty wall and they would like a new print or the community would appreciate a few new hockey sticks.

Info below comes from the “Working respectfully with Indigenous Peoples” document.

Gifting

- Gifts are given as a symbol of our recognition and appreciation. Gift giving is a culturally appropriate way to acknowledge and demonstrate our respect for Indigenous knowledge and authority on their traditional land. A considered and well-timed gift may be another important step to support a good working relationship.
- There are many possible situations where a gift may be considered. A thoughtful question or touch base with your Indigenous contact may help to narrow down the “what” and “when”. Typically these conversations would be indirect. You might say: “We would like to offer a gift, is there anything you would suggest?” as a way to start the conversation.

- **Table 1: Suggested gifts and when to give them.**

Recipient and Occasion	Suggested Gifts
Elders for welcoming Working Group members to their territory at the start of a working group process	A smaller gift or gift card and card of thanks, presented in a gift bag. Avoid only presenting cash, and be aware of the complications monetary honorarium may present (see Table 2).
Collaboration leadership at the signing ceremony to mark and celebrate the end or a significant milestone in a collaboration process	Ceremonial signing pen for the purpose of signing final agreements.
Collaborative partners (staff level) Workshop coordinator / Staff member - The point person who coordinates meetings Facilitator - of cultural awareness training / tour guide	Card of thanks; BC-branded pen, mug or notebook.
First Nation post-collaboration acknowledgement of thanks Special cultural event such as a feast, pole raising or funeral	Consider items that could be a legacy for the community. Explore appropriate items with your First Nations project contact. Some examples include needed books for a school, a framed painting or image of the natural environment, or a framed nation-specific photo from the archives. <i>Consider asking what would have meaning for the nation or how government could support their goals through the gift. MIRR GCPE keeps a list of examples of past gifts and can assist with brain storming.</i>

Table 2: Gift items to carefully consider or avoid

Gift Item	Consideration
Tobacco	An offering of culturally-prepared loose leaf tobacco may be appropriate to acknowledge a place of significance or ancestors, for example on a territory tour. Where appropriate this may go far with leadership, but should be offered only in following the lead of your First Nations contacts. This offering is not reimbursed by the Province.
Alcohol	The effect of alcohol use and abuse has touched many parts of Indigenous society, has been used as a weapon of colonialism, and is never appropriate as a gift on behalf of government.
Food	Personal gifts such as preserves or baking you made are often warmly received. Food items may be appreciated. If attending a small meeting, consider prepared fresh fruit or veggie trays which may not be readily available in remote communities. An assortment of smoked salmon and Rogers chocolates are available

	through the Distribution Centre .
Money	Giving cash as an honorarium must be discussed with the Project team, the amount agreed to (with the First Nations contact) and approved by the your Assistant Deputy Minister's office in advance. However, government policy requires that monetary honoraria are claimed for tax purposes by obtaining SIN numbers. Gift cards are a preferred approach in lieu of honoraria. If given, money should always be accompanied by a small gift or card.
Indigenous themed items / artwork	Be aware of who the artist is and where the product was made, to make an assessment of whether the item is appropriate. Ideally Indigenous artwork should be from an artist of that same community to appropriately honor the First Nation or individual to whom it is being given. If you are unsure, it is best to avoid giving Indigenous artwork themed gifts. Avoid "Made in China" items. Additionally, Indigenous artwork should be authentically produced and provide direct benefit to the community it comes from.
Vessels or containers	Decorated boxes, mugs, etc., should not be given empty. They should have content such as chocolates for a box or a gift card for a mug. The content would depend on the type of gift (substantial or not) and the type of relationship you have.

****Both tables are included in the EAO FN Cultural Protocol Guidance document, Dec. 2017***

Hello Vanessa, please accept my apologies for this delay. I was in California all week co-facilitating a leadership training retreat with a new co-trainer. Some significant issues connected to race and gender emerged - common in this current moment in the US - and required every moment of time to get the training back on track. In the end it was a transformational experience for the cohort! However, it did mean I was significantly delayed in submitting this estimate to you. I'm very sorry, and hope I have not in turn derailed your own planning process. I am flexible on fees and happy to discuss all any any elements of this proposal further; please do not hesitate to reach out. Hello Kate, it was great speaking with you today. To confirm, our planning day will be here in Vancouver, from 9:00 - 5:00. The major outcome will be a 12-month calendar of shared and departmental priorities. Other outcomes will be determined through interviews.

As we discussed, interviews can be booked with me directly through this link: <https://suzannehawkes.youcanbook.me/index.jsp>

I will look forward to interviews with the following:

1. Vanessa Geary
2. Geoff Meggs
3. Sage Aaron

4. Mira Oreck
5. Don Baines
6. Kate Van Meer-Mass

Interview Questions: As a team in the Premier's Office...

1. What is working well, overall and specifically?
2. What is not working as well, overall and specifically?
3. What might be the most important 1-2 opportunities for deeper dialogue that would benefit us in terms of alignment and performance? Examples might include 1-2 major strategic choice-points we face, or exploring an ongoing tension or potential opportunity that cuts across departments
4. What are the most important 1-3 outcomes you hope to see from this retreat? I.e., what would success look like for you?
5. What might you hope to avoid at this retreat, if anything?

Hi all – I just wanted to touch base about materials prep for the Premier and Minister Fraser’s tour next week, to make sure we’re all on the same page as far as who is doing what.

For the housing announcement on Monday morning, GCPE-Housing is leading with materials, which will be a full package of event materials (speaking notes, Q&A, news release, etc).

For the remainder of the tour, I understand MIRR program folks are putting together background info for the Indigenous-related components of the tour, e.g. community profiles and such.

I understand Joleen from GCPE-Events and the PO are coordinating background materials for other elements of the tour not in MIRR’s wheel-house (school and hospital visits, meetings with municipal officials).

We (GCPE-MIRR) may have one or two issues notes on external media issues that have come up in the past in our portfolio.

We have also done draft speaking notes for the Premier and Minister for the Takla visit, where they are each expected to talk for five minute to gathered community members. GCPE Cabinet Priorities is assisting with finalizing the Premier’s speaking notes.

Takla folks have decided not to invite media or issue a press release, so other than the event on Monday, there is no media component planned, so at this point the only media QA will be for the Housing event.

Are we missing anything?

Also wanted to check in about gifts. Takla are giving gifts, so we likely will want to as well – is anyone working on that? And has anyone given any consideration to gifts for other nations hosting a visit? I just want to make someone has thought of that as well.

Thanks,
Sarah

Hello Kate,

Wanted to let you know that the 9th works for a trip to Port Alberni. MSF's CA, Andrea, is copied here. The Minister has a host of ideas for municipal, First Nations and other stakeholder meetings that could take place for this historic visit to the city. MSF will then travel to Duncan for the Elders gathering on the 10th.

I've copied Tim Renneberg here too, as the Minister thought some good news around a new Mill (?) in Port Alberni might line up well with this visit.

Hi Don,

I wanted you to take a quick look at the attached before it was sent on behalf of the Premier. Below is a bit of information about the event. Please let me know if you are fine with it going as is.

Kate

Here is some info:

Rising State Legislators, including two State Senators (MI, NE) and four State Representatives (2x AK, CO, MI)
June 25-26 in Vancouver

The Rising State Leaders visit is an initiative of the Canadian Embassy in Washington, D.C. IGRS is supporting it by suggesting program elements and providing logistical support. Embassy staff, together with Consuls General across the U.S., hand-picked this group of legislators based on their leadership qualities (ex. Assistant Majority Caucus Chair, Assistant Minority Leader, etc.), strong potential for future national leadership, and because they are receptive to Canada's advocacy messages.

These legislators have nothing to do with the U.S. federal government's trade policy decisions and are receptive to United Team Canada's advocacy messages. The goal of this visit is to gain American allies who, in the short and medium term, can share B.C.'s messages in their home states and, in the long term, see B.C. and Canada as allies and friends on trade and other key priority areas.

- Visit organized by Canadian Embassy in Washington D.C.
- B.C. Government-led program and site visits to showcase priorities: Free and Fair Trade; Overdose Crisis; Climate Action; Recreational Cannabis; Columbia River Treaty.

- U.S. participants are selected based on their level of influence in their home jurisdictions and potential for future leadership positions. An informal meeting presents an excellent opportunity for the Premier to present B.C.'s U.S. priorities and develop relationships that could be useful in future.
- Will be developing opportunities for Minister interactions, presentations, roundtables
- Delegation will visit Alberta and Northwest Territories after B.C.

Thank you,

Kelly

Hi Kate and Amber,

Bailey Helicopters would be bringing in their helicopters from Prince George. Their estimate (below) includes extra flying time due to this.

Aircraft flying time	\$3050 x 4.5 hrs	= \$13,725
Fuel	410 L/hr@ 4.5 hrs	= <u>\$1,845</u>
	Total	\$15,570 + taxes

Interior Helicopters have 2 helicopters available in Fort St. James. One is a 4 passenger and one is a 6 passenger. Their estimate is below. I misread the initial fee to add fees while they were on the ground in Takla. This isn't the case.

Bell L4 (6 passengers)

Aircraft flying time	\$1650/hr @ 2 hours	= \$3,300
Fuel	160L/hr @ \$1.70	= 272
	160L/hr @ \$2.20	= <u>352</u>
		\$3,924 + taxes

Bell 206 (4 passengers)		
Aircraft flying time	\$1235/hr @ 2 hours	= \$2470
Fuel	114 L/hr @ \$1.70	= 193.80
	114 L/hr @ \$2.20	= 250.80
		<u>\$2914.60 + taxes</u>
Total		\$6838.60 + taxes

Yellowhead Helicopters have 2 Jet Rangers which would only accommodate 6 people total.

Highland Helicopters would be bringing in aircraft from Smithers and would only accommodate 6-8 people total.

Please let me know which you would prefer and I will confirm with the company and arrange payment details.

Thanks,

Elizabeth

Subject: Helicopter to Takla

Hi Kate,

Of the four helicopter companies I contacted only three have responded with quotes. One is unable to quote due to their location.

Yellowhead Helicopters: 2 Jet Ranger Helicopters, 3 passengers per helicopter = \$ 6,150.00 plus tax

Your Jetranger rate would be \$925.00/hr + fuel. This trip would take about 3 hours of flying for the machine out of Prince George and 2 hours for the machine out of Ft St James. There will be a small fee for the machines to sit in Takla for the 3 hours. I would just charge you 2 hour crew mins for the Ft St James Machine and 1 hour for the PG machine. This is just to bump the pilot to 4 hours for the day. An estimate for this would be:

Prince George: 3 hours = \$2775.00

Fuel= \$665.00

Landing Fee(PG)= \$30.00

1 hour crew min= 150.00

Total= \$3620.00 + Tax

Ft St James: 2 hours= \$1850.00

Fuel= \$380.00

2 hours crew mins= \$300

Total= \$2530.00 +Tax

These are estimates as times could vary depending on the weather.

Interior Helicopters Ltd. – 6 passenger helicopter = \$8,874.00 plus taxes

With our Bell L4 we can take 6 passengers and 30lbs of gear to Takla Landing. The cost is \$1650 per hour plus fuel. The L4 burns 160 liter per hour at &1.70 per liter from our Ft St James base and \$2.20 per liter for drum fuel that we have located at Takla Landing. The trip is approximately one hour each way. With the Bell 206 we can take 4 passengers with 30lbs of gear and the price is \$1235 per hour with a fuel rate of 114 liter per hour.

Both machines are available for that date.

Let us know what option you would like.

Thank You

Interior Helicopters Ltd

Bailey Helicopters – 5 passenger helicopter = \$5,390.00 plus taxes – or 14 passenger for \$13,725 + taxes and fuel

We are pleased to offer the above pricing for your flight.

Based on passenger numbers we can offer the Bell 212 to accommodate all passengers. Quoted rate is \$3050 per hour plus fuel at \$1.75/L.

Alternative option is 2 Astar helicopters splitting the passengers into 2 groups.

We can offer the BA at \$1450/hr each plus \$1.75/L for fuel or the B2 at \$1600/hr each plus \$1.75/L for fuel, depending on availability.

Plus applicable taxes and landing fees.

Flights will be billed by flight time to the nearest 0.1hrs. Standby will not be billed.

Estimated Flight time including Ferry to Ft St James for the 212 is 4.5 hrs as the machine is stationed in Fort St John

Estimated Flight time including Ferry to Ft St James for each Astar is 3.5hrs. Machines are available in Prince George.

Interview Questions: As a team in the Premier's Office...

1. What is working well, overall and specifically?
2. What is not working as well, overall and specifically?
3. What might be the most important 1-2 opportunities for deeper dialogue that would benefit us in terms of alignment and performance? Examples might include 1-2 major strategic choice-points we face, or exploring an ongoing tension or potential opportunity that cuts across departments
4. What are the most important 1-3 outcomes you hope to see from this retreat? I.e., what would success look like for you?
5. What might you hope to avoid at this retreat, if anything?

Re: Invitation to 2018 Chinese Culture Heritage Festival & The 10th Vancouver Water-Splashing Festival on July 29, 2018

Dear Honourable Katrina Chen Honourable Katrina Chen,

CCSA (Canadian Community Service Association) will host its 2018 Chinese Culture Heritage Festival & The 10th Vancouver Water-Splashing Festival on **July 29, 2018 at 10:00AM**. The event will take place at **the Swangard Stadium of Burnaby Central Park** on 3883 Imperial Street, Burnaby, BC. We are pleased to invite you to attend this special event as the VIP guest. We also look forward to your honorary greeting letter for our event.

The Chinese Culture Heritage Festival is a great opportunity for community gathering in celebration of Chinese culture and history, and sharing that pride with all ethnic groups which made us Canadians. The 2017 Chinese Culture Heritage Festival successfully showed the splendid Chinese culture and presented the significant contribution of the Chinese community to the Canadian multiculturalism. As the significant annual celebration of the Canadian Chinese Community, it is the 10th year for the CCSA to organize this event. We would like to take this great opportunity to commemorate the contribution of Chinese Community to the prosperity of Canada.

Vancouver Water-Splashing Festival has been successfully held for eight years. It is no longer limited to a minority festival of Chinese community, but also a multi-cultural event with new activities every year. The Water-Splashing Festival symbolizes the New Year of the Dai, Blang, Achang ethnic minorities in China. It is one of the liveliest ceremonious traditional festivals to bring joy, happiness and good luck to our community.

We would like to thank you for your support in the past events. We are anticipating 20,000 and more visitors this year for the event. Your participation will make this event a greater one.

We are looking forward to seeing you in the event. Please confirm with us for your attendance. If you have any questions please let us know by return.

Sincerely yours,

Re: Invitation to 2018 Chinese Culture Heritage Festival & The 10th Vancouver Water-Splashing Festival on July 29, 2018

Dear Honourable Katrina Chen Honourable Katrina Chen,

CCSA (Canadian Community Service Association) will host its 2018 Chinese Culture Heritage Festival & The 10th Vancouver Water-Splashing Festival on **July 29, 2018 at 10:00AM**. The event will take place at **the Swangard Stadium of Burnaby Central Park** on 3883 Imperial Street, Burnaby, BC. We are pleased to invite you to attend this special event as the VIP guest. We also look forward to your honorary greeting letter for our event.

The Chinese Culture Heritage Festival is a great opportunity for community gathering in celebration of Chinese culture and history, and sharing that pride with all ethnic groups which made us Canadians. The 2017 Chinese Culture Heritage Festival successfully showed the splendid Chinese culture and presented the significant contribution of the Chinese community to the Canadian multiculturalism. As the significant annual celebration of the Canadian Chinese Community, it is the 10th year for the CCSA to organize this event. We would like to take this great opportunity to commemorate the contribution of Chinese Community to the prosperity of Canada.

Vancouver Water-Splashing Festival has been successfully held for eight years. It is no longer limited to a minority festival of Chinese community, but also a multi-cultural event with new activities every year. The Water-Splashing Festival symbolizes the New Year of the Dai, Blang, Achang ethnic minorities in China. It is one of the liveliest ceremonious traditional festivals to bring joy, happiness and good luck to our community.

We would like to thank you for your support in the past events. We are anticipating 20,000 and more visitors this year for the event. Your participation will make this event a greater one.

We are looking forward to seeing you in the event. Please confirm with us for your attendance. If you have any questions please let us know by return.

Sincerely yours,

Geoff –

As discussed last week, attached is a memo on stakeholder roundtables for discussion. I have only prioritized three for the summer recognizing the limitations on the Premiers time. Note that I added clean tech as a possible sector knowing that the co-chairs of the Climate Leadership Team are going to propose that he tour clean-tech companies in their meeting with him tomorrow. I thought a short roundtable discussion in July may be a good place to begin.

I look forward to your thoughts.

Thanks, Geoff.

Hi Kate, apologies for the delay in sending this over!

The usual itinerary for the day of June 21st is as follows:

9am-10am – breakfast at the Vancouver Aboriginal Friendship Centre

Confirmed speakers at 9:30 so far, Minister Mark, Minister Simpson, MP Jenny Kwan, Mayor Gregor Robertson

Contact for this is Leoni Rivers: 604 251 4844 ext. 300

10-12 – march to trout lake

Minister Mark only seldom does this part, will likely not this year due to scheduling

12pm onwards – event at Trout Lake

There is a huge marketplace of booths from non-profits to artisans, to the city etc (Minister Mark's constituency office will have a table), live music and dance performances, a huge powwow out in the back field, lots of food vendors, typically the vpd and Canadian forces have displays, there are canoe demonstrations on the lake by Takaya Tours and lots of open greenspace for people to relax in.

I think it would be fantastic if the Premier could attend around 12 or 12:30 and speak on the main stage and/or visit with folks, tour the marketplace, or even paddle a canoe.

Good morning,

My apology for short notice,

The exterior outline lighting needs a number of light bulbs replaced, we had tuff time to get crane in this busy summer, finally we are getting crane on short notice.

The work on the building face is scheduled to happen on Tuesday June 19th . A Crane will be coming around 10.00 am. Positioned along the front driveway they will be moving down the length of it during the day. Expect disruptions for the tours especially from the noise that is generated by the engine. In turn, offices along the front will also be temporarily disrupted by the noise as the crane is moved about and the bucket hoisted up and down. We apologize in advance for any inconvenience this may create. Please pass this message to any offices you feel may be affected by the activity.

As always if there are any concerns please feel free to contact myself or LFS office.

Thank you for your cooperation while we complete this work.

- 3) On Friday morning in Kamloops there will be a student housing announcement at TRU. I've attached the longer event proposal but the short of it is: Event to announce a new student housing project that will result in 533 on-campus beds for students at Thompson Rivers University in Kamloops. The student housing project will include units for students with families. The beds will improve access to post-secondary studies, while relaxing pressure on the already tight rental market in the region. The \$37 million student housing project located adjacent to TRU's includes the purchase of a six-building private rental complex that has 391 beds and will expand capacity with an additional 142 beds through a series of renovations. The project secures 8.4 acres for future expansion.

I was hoping Jonathan would chime in as he is the more informed of the two of us, but my understanding is the Royal Roads event is a celebration of Indigenous staff in government in addition to being a general National Indigenous Day celebration.

I have asked Sarah Plank to forward me further info and will pass it along once it comes my way.

Hello Kate, it was great speaking with you today. To confirm, our planning day will be here in Vancouver, from 9:00 - 5:00. The major outcome will be a 12-month calendar of shared and departmental priorities. Other outcomes will be determined through interviews.

As we discussed, interviews can be booked with me directly through this link: <https://suzannehawkes.youcanbook.me/index.jsp>

I will look forward to interviews with the following:

1. Vanessa Geary
2. Geoff Meggs
3. Sage Aaron
4. Mira Oreck
5. Don Baines
6. Kate Van Meer-Mass

Interview Questions: As a team in the Premier's Office...

1. What is working well, overall and specifically?
2. What is not working as well, overall and specifically?
3. What might be the most important 1-2 opportunities for deeper dialogue that would benefit us in terms of alignment and performance? Examples might include 1-2 major strategic choice-points we face, or exploring an ongoing tension or potential opportunity that cuts across departments
4. What are the most important 1-3 outcomes you hope to see from this retreat? I.e., what would success look like for you?
5. What might you hope to avoid at this retreat, if anything?

Great news! Thanks Kate.

Attached is the full agenda for the day, which with perfect timing just came in a short time ago. Also below is a bit of background information that we put together for the Minister (Jonathan, this will be officially coming up to you today!), including more details on the private luncheon feast that MIRR is hosting to honour Indigenous staff across the public service.

From a protocol perspective, I think it would be ideal if the Premier could be there by 10:30 for the opening prayer, and participate in the 11:00 canoe landing protocol event. At noon is when the private luncheon to honour Indigenous staff will be happening, when Minister Fraser will be giving remarks. If the Premier can stay for that, it would be wonderful.

Please let us know what portions the Premier would like to participate in. And also please let me know when we can advise the organizers that he will be attending.

Event: Every year, the Ministry of Indigenous Relations and Reconciliation holds a celebration to celebrate Indigenous cultures and to honour Indigenous employees in the Provincial Government.

This year the event is co-hosted with Royal Roads University, University of Victoria, Camosun College and is being held at Royal Roads University with participation from Songhees and Esquimalt First Nations.

There is a private luncheon to honor and celebrate the Indigenous employee's in the public service; this is when minister will speak.

Audience:

- Indigenous public servants and guests
- MIRR employees and some family members
- Deputy Ministers

Media:

Media have been invited to the community celebration but will not be present during the private luncheon with Indigenous staff from the public service.

Speakers:

Emcee: Deputy Minister Doug Caul

Attendees from MIRR:

Approximately 100

Details and format:

- Banquet with round tables for lunch and a podium with mic.

Speech theme:

- Honouring contributions of Indigenous employees in the provincial government

Agenda:

Note: Staff in canoes will need to arrive by 9:15AM.

Arrive no later than 9:45 AM, please leave time for parking and walk to opening

10:00	Protocol canoe briefing at Blue Heron House with Asma Antoine (RRU)
10:15	Join with canoe family – (#1 MIRR, #2 RRU, #3 UVIC/Camosun)
10:30	Traditional welcome and opening remarks Prayer
10:35	Lkwungen & Esquimalt Drummers and Singers
11:05	Canoe landing protocol teaching and practice
11:10	Canoe landing protocol event
12:15	Guests arriving for private luncheon at the Quarterdeck
12:30	Territorial acknowledgement MC Introduces Minister Fraser - Minister Fraser speaks (3-5 minutes)
12:40	Feast and recognition of Indigenous employees - MC request for blessing of food (Karen White) - MC invite to feast (by table)
1:10	Recognition of Indigenous employees (DM & MSF to present gifts)
1:30	Closing comments and invite to the rest of the day
1:30 – 3:00	Activities – cultural walk, bannock station, canoe races, canoe rides, artisans, bone and stick games, kids' field games.

Key messages:

- Today we are honouring and celebrating the Indigenous staff in the public service.
- National Indigenous Peoples Day is a day for British Columbians to celebrate the diversity of Indigenous cultures and the unique contributions Indigenous peoples make throughout our province.
- The Province is grateful for the contributions of Indigenous employees. Our work is enriched with your knowledge, expertise and unique perspectives.
- Our government is moving forward on reconciliation in partnership with Indigenous peoples to make life better for everyone in B.C.

Hi again Kate – you might also find this document helpful, as there are a number of events in the Victoria area on the first page, in case you are wanting to consider other potential options. We would of course be thrilled for the Premier to attend the one co-hosted by MIRR!

Thanks,
Sarah.

Hey Kate,

The event starts at 10:00 AM, with a ceremony at 10:30 AM including Canoe challenges involving local FN's, Colleges and Universities, field games, Indigenous crafts, field games and traditional foods. The event ends at 3:00 PM. It's a festival atmosphere. It will also double as an event that honours Indigenous members of the Public Service. MLA Dean and the Minister are attending.

I've copied our CD Sarah here to provide and comms materials you might need related to the event,

Is PJH considering coming?

Hi – please see the attached letter drafted by Protocol to be sent to the US CG for their upcoming Independence Day. (Note: the National Day letters are all drafted with the date of the letter being that of their day of celebration.)

There is a standard template that's been used (see attached pdf), but since this one varies from that, I thought extra eyes would be good. Personally, I feel that the "and on my own behalf" in the first sentence seems rather clumsy & should just be removed.

Please let me know what you think.

Hello Kate, it was great speaking with you today. To confirm, our planning day will be here in Vancouver, from 9:00 - 5:00. The major outcome will be a 12-month calendar of shared and departmental priorities. Other outcomes will be determined through interviews.

As we discussed, interviews can be booked with me directly through this link: <https://suzannehawkes.youcanbook.me/index.jsp>

I will look forward to interviews with the following:

1. Vanessa Geary
2. Geoff Meggs
3. Sage Aaron
4. Mira Oreck
5. Don Baines
6. Kate Van Meer-Mass

Interview Questions: As a team in the Premier's Office...

1. What is working well, overall and specifically?

2. What is not working as well, overall and specifically?
3. What might be the most important 1-2 opportunities for deeper dialogue that would benefit us in terms of alignment and performance? Examples might include 1-2 major strategic choice-points we face, or exploring an ongoing tension or potential opportunity that cuts across departments
4. What are the most important 1-3 outcomes you hope to see from this retreat? I.e., what would success look like for you?
5. What might you hope to avoid at this retreat, if anything?

Warm regards,

I'm thinking no, wait until Sept.

Any news on whether PJH wants to/can attend the tripartite signing on indigenous child welfare with Shuswap Tribal Council and Ottawa on July 23rd?
FYI the Wet'suwet'en may now also be doing their signing with us the same day, as all at AFN then. The more exciting events will be the recognition events in the communities after, in September probably

Kate

I'd suggest a circle of chairs (somewhat "Open U" so a flipchart can be at one end), with 3 tables along each wall that we can move around if need be in case people need to write on a flat surface; we will need one large long wall for posting the calendar. Can you ask if we can take the pictures down if need be just for the day?

Hi Layne,
Could you pass the following attachment to the right person in the Premier's office?

Briefly, every Feb 1700 young filmmakers come together for the crazy 8s contest (about short local films) This is a key audience of future voters. Remember, this group of millennial elected Trudeau in 2015. They could do the same for John next election. Attached is the official letter to the Premier inviting him to the Crazy 8s Gala. He will be a star if he appears. Hope you are well, and please let me know if you have received this and if were able to pass it on.

Best, Ian

Just a reminder the Vancouver to Victoria is booked as a separate ticket so it will require 2 separate check -ins. Also if they are travelling with checked bags by chance they will have to ask the agent in Kamloops to check there bag right through to Victoria as they will not see the separate ticket, if they don't the bag will be in Vancouver

Who are you talking to federally? If this request is for PMO should probably go through Amanda Campbell. Kate VMM, is that connection in your office?

If not, James or I could reach out to the federal MO, but it's likely faster to go straight to PMO than wait for word to make it's way through to them.

Hello,

Following up on this one. Here are the possible dates we have received from the PO that could work: **July 3, 5, 6, morning of July 10.**

My initial thought is that next week is too soon, but what works best corporately? And are the MOs reaching out to fed counterparts? The fed comms folks at my level have said they are still out of the loop on their side RE: this announcement.

Thank you,

Kate

Hi Kate,

This event is still being shaped but since PJH's schedule is filling up quickly I wanted to flag this for your consideration for scheduling. I think this would be a good opportunity to spend some time with BC's Korean Canadian population.

The event is September 27. It will mark an important art opening for the Korean Canadian community AND the Korean National Day reception. It is expected to have about 400 people, and to be held at the Museum of Vancouver in the evening. If this is a possibility for the schedule please let me know and I can work with the Consul to shape PJH's participation in the event (speaking/special reception, etc)—or I can request that an official invitation be routed through Amber if that is more appropriate.

Thanks,
C

Hi Charlotte,

It was my great pleasure and I really appreciate your time in the previous meeting.

Also, we're excited to receive your email on our Sep 27th event!

Please find the attached file,

which is a preliminary draft of poster and event description document.

We'll combine the Opening Ceremony of the Art event with the annual Korean National Day reception.

For the Art event, we will present three prominent Korean artists' work in Vancouver,

2 from traditional(Ceramic Art and Calligraphy), 1 from contemporary.

We expect around 400 people will attend based on our previous experience.

Once again, thank you so much for your interest on our event.

Looking forward to working on with you further.

Best regards,

Kangjun

Hello,

The PREM Integrated UC/Workstation Refresh project is in the process of refreshing your workstations and replacing your phone lines with UC. In order to accomplish this we will need to be on site to conduct an inventory.

Below is what you can expect from our on-site visit, with some communication back and forth for clarification throughout the process.

We will need:

- A window of time to conduct the inventory (preferably over the span of a week)
- As many workstations on site as possible
- Help from our contact to identify active phone lines, people and positions

NOTE: We will not need staff to be at their desk while we conduct the inventory

The inventory will take an average of 30 minutes per office and consist of a team on site verifying the following:

- PCs (W#)
- Printers (both network and personal)
- Peripheral devices (model types)
- Monitors (size and model)
- Active phone lines
- People and positions associated with the active phone lines

Charlynn Gustafson's team will be in touch to make arrangements with each of your offices. Her contact is below.

2. Have you heard anything back from the AAs in regards to an inventory date? Is there a week in Mid-July or August that would work best for the tech teams to conduct a phone line and workstation inventory?

Please let me know if you have any questions.

And to expedite lunch, for which I've only given 45 minutes, perhaps you could ask the hotel to bring menus to the meeting room so we can pre-order in the morning??

Thank you!

Hello Kate and Vanessa,

Here is a draft agenda for your consideration. The first document contains a summary and the much more detailed facilitator's agenda. I don't recommend you share that as it can be overwhelming. The second document is just the one-pager, suitable for circulating.

I look forward to your feedback. One issue I struggled with is the two very different requests that emerged through the interviews - several people hoped for a chance for a more substantive discussion on the bigger picture; several also wanted to ensure the foundations of roles and process are strengthened. So this begins with more of an internal team functioning process, then leads into bigger picture dialogues. We could reverse the order - but the risk is sacrificing the calendar or other clear next steps. Please don't hesitate to reach out and talk it through.

Hi Kate and Sage,

Elena mentioned that we need a different topic for the community conversation in Nanaimo on July 9. I'm wondering if rather than doing two totally separate events, we could have the announcement as planned and choose a venue with an adjacent or nearby space that would allow a roundtable with seniors immediately following the announcement.

This would allow us to invite people to attend and be concrete who is attending, and also possibly give us some different and much better/more engaging visuals for the media than just the handful of people standing at a podium, of the Premier chatting with seniors.

Could that work?

Thanks

Rick

Hello Geoff,

I hope you don't mind this cold email. I work for Darryl White, CEO of BMO Financial Group, and lead BMO's government relations group.

Darryl will be travelling to Vancouver for July 26 to connect with employees and meet with customers in the region. We thought we'd reach out to your office to see if the Premier would be in the city and interested in meeting that day. We'd be happy to share our perspectives on the BC economy with the Premier, and notes on what we're seeing in the financial markets and from our customers.

Please let me know if there's interest on your side.

Cheers,

Hi Kate,

Elena and I just spoke with Chantille, Charlotte and Karl. It turns out we all had roughly the same idea, that the conversation be about seniors' issues. The only slight logistical change is that we thought it would be good to make the announcement and this conversation either one continuous event or have them vary easily flow from one to the other.

Let us know if that is ok.

And secondly, let us know if you have notified Krog's office or if we should do that.

Thanks

Hi Kate,

Please see the attached event plan from HLTH communications regarding the announcement of an urgent primary care centre on the Westshore.

I note that the construction start date is July 20; their target date for an announcement is July 12-13. I raise it with you as a potential announcement for early to mid-July.

Hi all,

At the end of the day yesterday many requests came in. I want to provide some clarity on what is on the go as well as ask people to gather some more information on pieces of the puzzle that are outstanding. Below is the list.

- 1) Media Scrum, July 5th. **Sage**, are we doing this?
- 2) Primary Care in Langford, July 6th. **Cara** can you see if this date works with health. **Sage**, can you check with PJH that he wants to do this.
- 3) Cowichan Hospital, July 10th. **Cara**, can you confirm that this date is a go.
- 4) Pattullo and Highway 1, July 16th: we need an event plan, **Rick** please follow up with the ministry. We would prefer this event happens in Surrey but of course invite Minister Darcy.
- 5) I've heard rumours there is a Whitecaps announcement. Does anyone know anything about this?
- 6) Am I missing anything?

Okay. We'll get back in touch with you later today as we are in a new dialogue with BC Housing about the event this morning – their board has new concerns about doing the event on this date so we are talking to their people right now to see if we can sort our way through it. Funding is not 100% approved for the project until July 27. Not their comms team's fault: they had earlier been informed that the project was good to go and announce on the 9th. Hopefully it will still be okay – will circle back as soon as possible.

Hi Lisa,

We wanted to get in touch about the announcement slated for July 9 in Nanaimo about Seniors' Housing. In particular I'm curious how concrete (if you'll pardon the pun) plans are for location. I understand it is a ground breaking, so there may be a specific location near to the future site that is being considered.

We were hoping to have a subsequent event immediately following it at which the Premier would have a discussion of some sort with key senior groups stakeholders immediately after the announcement (about broader seniors' issues, not just housing), and thought it would be ideal if these two things could flow very easily from one to the other, allowing them to essentially be one event, and allowing the media to cover both.

Let me know if there is a location in mind.

Thanks

Subject: Dinner with Amber Hockin

Hi folks,

I'm writing to suggest that those of us who are available in Victoria Thursday evening get together for dinner with Amber Hockin, who's coming to join us Friday at our planning session. Entirely voluntary but a chance to get to know each other. I've asked Debbie to find us space at the James Bay Inn around 7.

Please let know Debbie know if you can attend.

Geoff

Hi Suzanne,

Cabinet ended a bit early so we are bumping up the dinner to 6pm. Hope that still works!

Hi there,

Sounds like he is not doing a slide show. I am in Victoria on Thursday. There are a few of us from this side getting together for dinner about 7 if you would like to join!

All sounds good - Geoff had mentioned a slide but just talking through highlights would be better anyways

The participant agenda is good to go!

And great idea re: sending the menu ahead.

Are you going to be in Victoria the night before?

Wonderful, thank you! I do have a portable projector, and can bring it if the hotel charges an arm and a leg. But it's really just for Geoff; perhaps you can ask if he wants to use it for his short report out on the cabinet retreat? Then let me know if I should pack it on the helijet.

And to expedite lunch, for which I've only given 45 minutes, perhaps you could ask the hotel to bring menus to the meeting room so we can pre-order in the morning??

Thank you!

Cheers, Suzanne

Thanks for this Suzanne. I think the combination of internal review and internal/external planning is

great. I see you notes re lunch, it will not be catered but there is a cafe in the hotel. We do not have a projector as of yet but happy to reach out to the venue of needed. I'll also double check on the stand.

Hello Kate and Vanessa,

Here is a draft agenda for your consideration. The first document contains a summary and the much more detailed facilitator's agenda. I don't recommend you share that as it can be overwhelming. The second document is just the one-pager, suitable for circulating.

I look forward to your feedback. One issue I struggled with is the two very different requests that emerged through the interviews - several people hoped for a chance for a more substantive discussion on the bigger picture; several also wanted to ensure the foundations of roles and process are strengthened. So this begins with more of an internal team functioning process, then leads into bigger picture dialogues. We could reverse the order - but the risk is sacrificing the calendar or other clear next steps. Please don't hesitate to reach out and talk it through.

Warmly,

Suzanne

Hello to you both,

Just wanted to check in – Elena will be our lead on the 9th and 10th, but she is off tomorrow so I will do whatever possible to move things forward. For now, as I understand we are holding/awaiting more info on both the seniors housing on the 9th and the Cowichan hospital on the 10th. Let me know if I am incorrect there, or if that changes in the morning, or if there is anything I can do to help with either.

Thanks
Rick

Yes they should avoid the exact time as pjh's event. But maybe if they are in Nanaimo later in the day we can join them at a childcare centre?

FYI. Should we tell them no media in just Nanaimo or the whole area? From memory the Corp cal said Nanaimo and I think maybe Duncan, parksville and somewhere else. We could also ask them to avoid the time of the premier's media event.

Hey Rick,

No worries. We typically reach out to media beforehand so we can set something up accordingly. Let me know if we should be changing our approach.

Talk soon,
Jasleen

Sorry I missed your call.

We can talk Tuesday, but I'm curious if there are any media components to your plans for the 9th, particularly in or near Nanaimo. The premier is likely to be there that day.

Let me know.
Thanks

Hi Jasleen

Sorry to bug you so late on the friday of a long weekend. When you have a moment, can you let me know the details of MoS Chen's plans for the Island on July 9? Tuesday is fine if you're gone for the weekend already.

Thanks
