Subject: Homework for your Ministries

Hello all,

As mentioned in the pitch session last week, I have homework for you.

From now to the Budget in February will be a very busy time. We want to look ahead what MOs may be planning to figure how if it fits our frame and focus for the lead-in to Throne and Budget.

With the help of your DMs and CDs as appropriate, I want you to prepare a list of the **three to five** “big” items your Ministers/Ministries might be planning between now and the **Budget in February**.

Your list should include a SHORT summary of the:

- The idea (include ideal headline and how it benefits people)
- Key messages in a connect/contrast/solution format
- The priority area (affordability, services, economy)
- Validators
- Risks

Ideally this should be a short one pager – bullet points totally fine.

I will need to submit your responses in writing by Monday, Nov. 20.

These lists will be used to inform the Cabinet Priorities/Priorities and Accountability work to develop a more fulsome calendar/look-ahead over the next three months.

Thank you,

Sage Aaron, Communications Director
