Subject: Proposed Meeting Schedule

Hello Ned and Board Members,

Ned, I do not have an e-mail address for Todd Dillabough, so if you could forward this it would be appreciated.

As discussed when we met in Vancouver, a proposed schedule for conference calls and / or meetings is listed below. We tried to keep the majority of these in the morning to accommodate those of you in other time zones, but there are a couple of occasions when we were already committed for other events in the morning. Times are booked through to the end of October, but if your current process concludes before then we may not need all of them. The schedule assumes a weekly one-hour call, and a 90-minute in-person meeting once every three to four weeks. Given other bookings, there would not be a call this week.

- Conference call (60 minutes) August 24: 1:30 p.m. – 2:30 p.m.
- Conference call (60 minutes) August 31: 10:30 a.m. – 11:30 a.m.
- Conference call (60 minutes) September 7: 10:30 a.m. – 11:30 a.m.
- In-person meeting (90 minutes) September 14: 10:30 a.m. – 12:00 p.m., Vancouver Cabinet Office
- Conference call (60 minutes) September 21 1:30 p.m. – 2:30 p.m.
- Conference call (60 minutes) September 28 10:30 a.m. – 11:30 a.m.
- In-person meeting (90 minutes) October 5 10:30 a.m. – 12:00 p.m., Vancouver Cabinet Office
- Conference call (60 minutes) October 12 1:30 p.m. – 2:30 p.m.
- Conference call (60 minutes) October 19 10:30 a.m. – 11:30 a.m.
- In-person meeting (90 minutes) October 26 10:30 a.m. – 12:00 p.m., Vancouver Cabinet Office

Please advise if there are dates here that conflict with any major engagements for any of you. We would be pleased to look at shifting the date where necessary to accommodate.

My office will send meeting invitations and a conference call number for these tomorrow, and will circulate an agenda a few days in advance of the calls / meetings.

I did discuss your suggestion of producing minutes of these calls with my colleagues. Although we appreciate the idea, the review and sign-off process of formal minutes would consume significant additional time. Given a weekly meeting schedule, our view is that it will be sufficient to maintain a list of action items from each call, and to review this the week following for status.

Thanks again. We look forward to continuing the discussion.
