Hi all,

As discussed with Kate, the attached is a (very draft) release that the CRD is wanting to put out late this week, which identifies the next four buildings to be built through the \$90M CRD Regional Housing First Partnership funding (funding = 30 Fed / 30 Prov / 30 CRD). They tend to lead these ones, but I wanted to put this particular NR on your radar as all four of these buildings are in PJH's riding in Langford and Sooke (the first two were in Victoria and Salt Spring).

The release is currently structured with a single quote from each partner – Duclos on behalf of Feds/CMHC, Robinson on behalf of Prov/BCH, and Plant on behalf of CRD, plus the two local mayors. Can you let me know if you would like us to go back and ask for the addition of quotes from the local MLA and MP?

Happy to discuss further if you'd like,

Craig

Craig, as discussed, please see the attached draft NR from the CRD regarding the announcement of four new affordable housing projects in Langford and Sooke.

Hello Premier,  
Suggesting this tweet in memory of Angelo Iacobucci.  
Deeply saddened to learn of Angelo Iacobucci's passing. He was a fixture on Kamloops radio and a big part of the team that made NL such an important player in BC news. I will miss his sense of humour and our conversations. Rest in peace.
