Hi Grant and Sukumar,

Okenge has asked me to pass this invitation on to you to see if one of you, or both of you (whatever you believe is needed) are able to participate in this meeting via phone?

If you would be able to let me know who will be participating on the call that would be great, and I will pass that on to them.

Thank you so much,

Alison

All the Ministers' individual government email addresses have been added to the list, except for Minister Sims and Minister Darcy, as they are not in the GAL. I am working to see if I can get their email addresses added, but in the meantime, their generic Minister's Office email addresses have been added for them.

Hi Okenge,

I hope you enjoyed your summer. I am reaching out as I'll be in Victoria on October 15 and it would be great to catch up.

Since our last meeting, you may know that STEMCELL received \$45 million in joint funding from the Governments of Canada and British Columbia to build a new advanced biotech manufacturing facility in Burnaby. We already have shovels in the ground and are well on our way to creating and repatriating thousands of new jobs in Burnaby. Exciting times!

Let me know if you might have time to get together on October 15.

appreciated, or I'm happy to come pick it up if it means we can have a phone ready for her Monday morning. I'm so sorry for the last minute notice on this one!

She is also wanting to keep her old number, but I'm still waiting for someone to get back to me on what that phone number is. Is it possible to order the phone for now and then hopefully later today when I get the number I can let you know? Or do we need to wait until we have the phone number before we can order the phone?

Hi Alison,

In s.22 , sending to you.

Keira had enquired whether or not the picture can be a selfie. I have confirmed that yes it can be taken that way.

If you would kindly let Christine know that a selfie is fine and then have her or you send that to me, that would be great.

Many thanks for your assistance 😊
