Geoff:

We would welcome the opportunity to provide a short construction tour update during UBCM for the Premier and Ministers who would be interested in reviewing progress on our \$66 million investment in on-mountain improvements. I look forward to hearing whether this is of interest and whether there may be a preferred date and time that would be suitable.

Hi Geoff,

To follow up on our conversation yesterday about tracking Ministerial Tours I have drafted a short email that could be sent out to MA's either by you or Amber. As the tour plans start to come in from Ministries I propose that I track them in a calendar similar to how we track PO vacation time. We can then see any overlap in locations or regions that may need to be coordinated. Please let me know how you would like to proceed.

Kate

In an effort to amplify and coordinate Minister tours we are asking that you submit all tour plans to Kate Van Meer-Mass (is this timeframe possible?) one month ahead of the event, or as soon as possible prior to the event. This is not for tour sign off but so the Premier's Office it is simply to have a better sense of where Ministers are travelling to and coordinating announcements. If you have any questions please do not hesitate to contact myself or Kate Van Meer-Mass. Thank you for your assistance and cooperation.

Hi A2,

We have booked the Firefighter Banquet hall for a sit down dinner. All 4 Burnaby MLA's are co-hosting the event at this point and a few Surrey MLA's may join in.

My agenda so far is:

Date: September 21st
Time: 5pm-8pm
Place: Firefighters Banquet & Conference Centre, 6515 Bonsor Ave, Burnaby, BC V5H 3E8

Guests start to arrive at 5pm
Speeches 6pm- Raj Chouhan, The Premier
Dinner 6:30
Possibility letting each community leader say a sentence or two at their table with a cordless mic 7:15
End 8ish

We are hoping for 100 guests from around 18 different cultural communities. I will be picking people from the attached list that I received from former MLA Jane Shin (Please disregard the MLA section as it is dated). Feel free to let me know if there is any concern with any one on the list by August 22nd when a save the date will go out. I can provide you with confirmed guests closer to event.

We will have goody bags with MLA's "swag" in it- perhaps a greeting from the Premier could go inside?

Sorry it is pretty rough right now as I've been focused on our big BBQ that is coming up this weekend.

I have also attached our first draft of the "save the date" invite –it might change though if we get more MLA's hosting with us.

Please let me know if you have any concerns.

Thanks Kate – I found the calendar but it looks like I don't have permission to view or add anything, maybe I got missed when permissions were being set up?

Also if you can think of any other important emails that went out over the past few months that I wouldn't have received please send them along as I'm worried I was never added to the list so wouldn't have received anything since starting in April.

Thanks,

Hi Christian,

This could be a great visit for Minister - good news story. May even be a good media event? Ministry staff in the Workforce Innovation Division have worked with them over the last 2 years planning for the training of the new, largely Indigenous new staff hires. They have created a learning lab that is mobile and staff have really enjoyed working with them.

If Minister does go to PR we could look at other opportunities as well.

Thanks,
Ashley

Hi Christian,

Thanks very much for your call today.

We would be pleased to host Minister Mark for a tour of AltaGas' Ridley Island Propane Export Terminal and introduce her to our students who are enrolled in our Operator Training Program for which we've received \$140,000 from the B.C. Employer Training Grant.

We will do our very best to accommodate the Minister's busy schedule should an opportunity open up for her to visit Prince Rupert.

Let me know if I can provide any further information or answer any questions you may have.

Thanks again for your call.

Hello Christian,

I was provided your contact information by Dave Cyr who hosted the end of session event in Victoria a couple weeks ago.

I'm writing to follow up on a discussion regarding Minister Mark's interest in potentially visiting AltaGas' Ridley Island Propane Export Terminal at Prince Rupert.

We've recently received approval on a Canada-BC Job Grant application through your Ministry for the RIPET Operator Training Program we just launched on June 11.

Please let me know if I can be of any assistance should the Minister be interested in a potential visit to Prince Rupert to tour our construction site and visit our training program classroom.

Kind Regards,

Hi Kate,

The Vancouver Chinese Family Association's annual dinner will be on Saturday, Sept 22nd from 6:30-9pm at Shaun's Garden Restaurant (4540 No. 3 Road, Richmond). Premier is welcome to drop by anytime or join them for dinner if he has time. There will be around 200 attendees celebrating the Autumn Festival together - and it's also the organization's 25th anniversary.

The organization started 25 years ago with local families getting together for social and community gatherings, mostly Taiwanese Canadians but also some families from Hong Kong and China. The current president is Theresa Chiu

Hi Peter,

I am writing to confirm receipt of the following invitation. We are working on confirming the 31st of August for this visit. The outstanding question is if the meeting will be in Smithers or in the Unistotden territory. If you can provide the number of people travelling with the Wet'suwet'en and Unistoten groups that will be helpful to determine if we can get transportation to the territory for all.

I can advise that this is the message I received from the Unistot'en and the other Wet'suwet'en chiefs regarding a private meeting with the Premier:

the Wet'suwet'en Hereditary Chiefs, including the Unistot'en wish to have a private meeting with the Premier, possibly August 31, 2018 if he is available. The other Wet'suwet'en Hereditary Chiefs' support the decision of Unistoten House Group from the Gilseyu Clan to protect their territories from resource development, namely LNG development. It is important that the Premier gains and understanding of our authorities and jurisdiction.

Ideally, the PREMIER should see first hand the territories and the Wet'suwet'en suggest that a chopper to be hired to fly the premier, his staff and the Wet'suwet'en Hereditary Chiefs' to the Unistoten territory. Out of respect for the Premier's time, the Wet'suwet'en suggest a chopper, unless he has the time to travel approximately 3 to 4 hrs into the back country from Smithers. Neither the Wet'suwet'en nor the Unistoten have the resources to cover the costs of the flight.

I can advise that I recommended and the Unistoten and Wet'suwet'en agree that this will be a private off the record meeting with a smaller group of chiefs and representatives. They asked for me to determine as soon as possible if this invitation is accepted as they will need to take time off from their annual leave to prepare to meet with the Premier. I advised and they agreed that there were no preconditions to this meeting and I also advised them that this was not intended as some form of 'transactional' negotiations.

The Unistoten told me directly that they are not negotiating regarding the LNG development. I advised them that I would confirm that with you. If the Premier cannot fly to the Unistot'en territory for the meeting, both the Unistoten and the Wet'suwet'en are open to other venues in Wet'suwet'en territory, including Smithers.

I have been asked to pass this invitation to the Premier and trust that you will ensure he receives it.

Here are the broad themes – (titles and ministers not finalized) for UBCM Cabinet Town Halls, that we agreed to move forward with today.

We went with 4 town halls instead of three because the rooms are smaller and in order to fit a public safety themed town hall in.

MO and Marlene confirmed these buckets fit the kind of requests that are coming in from communities, and the group as a whole agreed that the goal here is primarily to offer communities an opportunity to discuss items that are top of mind for them.

I understand Robb Gibbs didn't want to finalize the approach to these without considering a strategic communications plan for the event as a whole.

I'm working on that right now, and expect to have something for folks to discuss on Monday.

Overall, the group as a whole agreed that we need to firm up the names of the town halls and their composition by end of next week.

- **Investing in People.** *Suggested ministers: Health, Advanced Education, Children and Families.*

- **Safe communities.** *Suggested ministers: Attorney General, Public Safety and Solicitor General, Parliamentary Secretary for Emergency Preparedness.*

Hi Kate and Amber,

For the cabinet retreat this month, we would like to invite the Premier to give welcoming remarks to the entire cabinet on the first formal day of meeting on Wednesday August 22.

In addition, if the premier can be available the evening prior on Tuesday the 21st we would like to invite him for a social event with cabinet, and look to setting time for he and the PM to have some time to speak.

Please let me know if this may be possible, and we can let you know the hotel we are booked into. Our retreat location will be going public to the media next week.

Secondly, I know Geoff is away but I wanted to confirm that the Premier can be available for And first Ministers meeting October 17-18 in Ottawa?

Thank you,

Good morning, wanted to touch base about the proposed event with PJH on Sept. 7th.

Unfortunately, one of the two Richmond projects we wanted to bundle together will ***not*** be ready on the 7th. So, it would just be the \$7.2m seismic upgrade to Robert J. Tait Elementary School.

s.13 ?

There are options. We could instead announce the General Wolfe Elementary seismic upgrade in Vancouver, a \$20m project.

Or, we could do the South Side event in Chilliwack – a new \$50.61m elementary school, keeping in mind we also have MRF going to Chilliwack on the 17th for the grand opening of Promontory Heights.

I can put together an EP with these 3 options if you like.

And thinking maybe we could have a comms meeting to further discuss next week?

Hi Folks,

Below is how I see the day rolling out on the 22nd of September.

- Morning: meeting with SUCCESS in Chinatown and visit Society Heritage Buildings (George Chow suggestion)
- Morning: Possible media event with George Chow and Order of BC recipient in Yaletown (George Chow suggestion)
- Mid day: Roundtable lunch with Seniors in Richmond (?) would need budget approval. Mira, I think this would fulfill your team's goals. (Mira's team suggestion)
- Afternoon: Meeting with Canadian Alliance of Chinese Associations, Richmond (George Chow suggestion)
- Late Afternoon: hold for other events
- Evening: Taiwanese/Chinese Family Association Dinner and/or Sing Tao Dinner. I can find no information on the Sing Tao dinner so this will need to be researched. (Katrina Chen suggestion)

The things I see missing are a big public event. If we can keep our eyes open for any community event that PJH could step into that would be great.

Mira and Rick, can I ask that the two of you explore how this will work? I will send a note to Katrina Chen, George Chow and Anne Kang to explain that you may be in touch for more details.

Rob Gillezeau has also asked to attend. **Geoff and Amber H I leave that decision to you.**

Briefings: we have preserved the day of August 21st for briefings ahead of the Federal Cabinet meeting. We have also held the 28 and 29th for a series of briefings. **Geoff and Amber, please direct Amber N as to the content of the briefing ahead of the federal cabinet meeting.**

Lower Post: With the fires in the North the event is postponed indefinitely. Anne-Marie Sam will keep me updated if anything changes.

Hi folks

Flagging this resolution that just came our way; please update the Minister's UBCM notes accordingly—looks like they are asking for a meeting with MLB or the Premier.

As govt we can't officially support a UBCM resolution but this does speak to what we, and our partners, have been raising on our emergency response calls (this year and last)

As discussed on the phone today...SILGA is asking for a minister or premier meeting at UBCM regarding changing the wording for state of emergency. Below is my original email to staff and below that staffs neutering of it.

Any briefing notes or position statements from TOTA would be beneficial to our request and briefing note to the Province.

After last night's presentation I thought it timely to attempt to raise this at SILGA this week during our resolutions debates. Below is a sample resolution that I'd like to submit...can you please review it and modify (within reason) to reflect what we discussed last night. I don't think we want to get rid of State of Emergency as when a major forces evacuations of 1000's that should be an emergency, but when we have high water or minor disruption perhaps it can be called/classified as something else.

Whereas: People associate "State of Emergency" with major disasters such as a Tsunami, Earthquake, and Fire that devastates or displaces a community or large portion of it

Whereas: "State of Emergency" provides local government with extra power, authority and funding to address mitigation, repair and other proactive measures to deal with an impending threat to property

Whereas: "State of Emergency" is often declared for isolated neighborhoods or pockets of a community/region but is often viewed by others as the entire region or community is under siege.

Whereas: "State of Emergency" for small and medium affected areas negatively detract from tourism related businesses and initiatives as media and others elevate the perception of impact causing people to cancel or change their holidays or travel plans.

Therefore now be it Resolved: that the province change the wording in relation to "State of Emergency" for small and medium sized events to better reflect and enable some type of "Local Powers and Authority Act" to address emerging issues affecting life and property without sounding off alarms bells that an entire community is closed for tourists and locals to enjoy the area.

Andrew Jakubeit
Mayor - City of Penticton
c/o City Hall 171 Main St
Penticton, BC V2A 5A9
250-809-2397

FROM city of Penticton staff..

Title change request for small to medium size emergencies

WHEREAS Declaring a State of Local Emergency enables local authorities to exercise emergency powers to evacuate residents from their homes, prohibit travel and enter private property when an emergency threatens lives, property or the environment;

AND WHEREAS Declarations of State of Local Emergency used for small and medium scale incidents that affect very few people can cause unnecessary fear, panic and avoidance of areas;

NOW THEREFORE be it Resolved that the Province of British Columbia change the wording in relation to "State of Local Emergency" for small and medium sized events to better reflect emerging issues without causing concerns and ensure residents and tourists know that the community continues to be safe to enjoy.

Charlotte is working on the MOU and needs to get some details nailed down. We have it held in the calendar from 9-10:30am. Charlotte will send over the event plan through TAC. There will be a short speaking role for the Premier . Ministers Chow, Ralston, Beare and Mark will all be invited. A note that the MOU is now only between the City of Van and us. For a variety of reasons UBC is not signing at this time (Charlotte can explain more).

We want to confirm the time is 100% held. The event should not take any longer than an hour.

Thank you,

Hi,

I have updated the list of meetings for which we are sending regrets. The last column is a list of meetings they will have with other Ministers. I have highlighted the ones that might raise a concern:

- Yellow highlighted meetings did not request another meeting, or did but didn't receive it. I suggest we redirect these to the appropriate Ministry (I've asked MAH to help with that)
- Pink highlighted meetings do have other meetings booked, but they requested a joint meeting with the Premier and other Ministers. They didn't submit a request to meet with those Ministers alone though. My recommendation is that we redirect those meetings also.

Thanks, I have incorporated this into the database, and will get these scheduled within the times you have below.

With regards to the others, we'll be sending a standard response that the meeting was declined because of the premier's limited availability at convention (or something to that effect). Are there any cases where you would like something else noted in the reply? Last year I included a message encouraging them to reach out to the Premier's office directly for a meeting during non-UBCM times.

I am also able to redirect meetings to Ministers, based on topics; would you like to do that, or just decline the meetings? This would mean someone would need to go through the topics list and recommend Ministries.

And finally, these meetings are all 15-minute meetings, correct? We traditionally schedule them back-to-back, with 5 minute breaks in between, and I'm not sure that would be enough time.

Thanks,

Marlene

I'm sorting things out for autumn festival. I know there is a 9:30-2:30 availability in PJH's schedule that day. However, the original objective is to make courtesy call to the board of SUCCESS and tour its seniors care facility. I think you should discuss with Queenie Choo on this.

Hi Minister,

Thank you so much for this amended itinerary.

Just one question—for item #4, the PO Stakeholder Relations team was planning to host a roundtable discussion on seniors health and housing issues with the Asian Canadian Seniors Health Network (in response to the letter they sent PJH earlier in the year; attached). The network is composed of SUCCESS, the National Association of Japanese Canadians, Nikkei Seniors Healthcare and Housing, and Progressive Intercultural Community Services (PICS).

Roundtables typically take between 60-90 minutes, so we could potentially extend the visit to SUCCESS to include the roundtable with the network members and the tour of the facility. I'd like to reach out to SUCCESS to begin planning the roundtable before the end of this week. However, if you prefer to keep the visit to SUCCESS strictly to the tour and meeting the board members for any reason please just let me know.

Thanks very much,
Charlotte

Hi Kate,
1) The SingTao dinner is to celebrate the newspaper's 35th anniversary at a downtown hotel (Westin Bayshore?).
2) There might be too many events for the premier in a day. To maximize media exposure, I can reschedule the Order of BC event to another day.
3) The SUCCESS tour in Chinatown will take some time as it includes a tour of its seniors care facility. [reason for #2 above] This is good for Autumn festival as it celebrates family get together and respect to the elders.

Hope your summer is going well.

An invitation was sent to the Premier's office for the annual award-winning TaiwanFest on September 1st, 6pm at Vancouver Art Gallery. It's a major three-day festival in downtown Vancouver.

The organizer of the event, Charlie Wu (s.22 / cwu@acsea.ca), has asked me if the Premier may be available to join the event. It would be great if the Premier can make it if he happens to be in Vancouver.

Don Swerdan – Local 115 Financial Secretary

And I will bring Catherine Pope as our comms person to shoot a quick welcome video from the Premier. I think she has everything required to do that - so all should be good.

If it is helpful , s.22 I can ask her to highlight some things that would be good for the Premier to address in the short video , although I know he has a good handle on what will resonate with our membership.

Hi Amber – thanks for the response.

That is unfortunate – it would be good to get the Premier in front of one of our General Membership Meetings –now **Saturday, March 16th 2019** is the next one – so I might as well put in that request now!

Next year is an election year for our Local Union – so the timing would be good!

Anyway, if it is possible to confirm a meeting with myself and a few of our Local Union officers with the Premier on the available September 11th - 11 am time slot – we would like to confirm that. (Vancouver or Victoria?)

Also, if the Premier is agreeable - maybe we could do a brief video welcoming message at that time, which we could play for our members at our September 15th Meeting?

There are a number of good announcements recently that I would like to have directly relayed to our members .

Let me know what works best.

Many thanks

Hi folks,
Spoke with Jaime Matten this weekend about the event. She'll be sending us a more detailed itin mid-week.
Some things to know:
They will be issuing a media advisory with the list of speakers on Friday. I said we will send out our own at the same time, noting that the Premier is speaking but not scrumming.
They'll save space for PJH in the front row in front of the stage (with other speakers & dignitaries)
MHB will speak then Irene Lanzinger will introduce PJH.
He'll come up from the front row – they need intro music.
He will also be pulling the name for the grand prize.

They're also extending an invitation to go to the private BCFED area in the Italian Gardens after the speeches end.
It's blocked off for the 4,000 union members who've received wrist bands. There will be drinks, a playground for kids, shade.

They will make sure Irene & other leaders will go if we want to stop there.
However, most people will leave the rally and go straight to the fair.

FYI also Work BC has had a booth in the fair and apparently (no source) usually the premier visits the team at the booth.
No idea where in the fair it is.

Hello Sir, my name is Charlie Rensby and I am a Councillor from the Village of Burns Lake. As you are aware we have been devastated by fires this year and they have taken their toll. As I'm sure you were briefed, you made mention that the locals who refuse to leave were hindering wildfire efforts. Unfortunately this couldn't be further from the truth, and many professional wildfire experts agree with me. Remember, there are two sides to every story.

My community is going through hell right now, but we are resilient and will make it until fall. There is a lot of injustices and human rights infractions taking place against my community and I would really appreciate the opportunity to speak to you about these to prevent these things from happening again in the future. I am available to meet at the UBCM's or you are more than welcome to come visit my community when the smoke allows you to land safely. Thank you for standing up sir, I look forward to hearing from you.

1) Any decision on this September 22 day of events for PJH? How about the roundtable with PJH on seniors health?
2) Re the SingTao dinner, I don't think they are inviting politicians as it is a gala fundraiser for VGH, as well as announcing the 2018 Outstanding Young Leaders Awards. However, you may like to contact the SingTao organizer Lelia s.22 if the premier were to attend.

Hi Minister,

Thank you so much for this amended itinerary.

Just one question—for item #4, the PO Stakeholder Relations team was planning to host a roundtable discussion on seniors health and housing issues with the Asian Canadian Seniors Health Network (in response to the letter they sent PJH earlier in the year; attached). The network is composed of SUCCESS, the National Association of Japanese Canadians, Nikkei Seniors Healthcare and Housing, and Progressive Intercultural Community Services (PICS).

Roundtables typically take between 60-90 minutes, so we could potentially extend the visit to SUCCESS to include the roundtable with the network members and the tour of the facility. I'd like to reach out to SUCCESS to begin planning the roundtable before the end of this week. However, if you prefer to keep

the visit to SUCCESS strictly to the tour and meeting the board members for any reason please just let me know.

Thanks very much,
Charlotte

Here is a plan for PJH for September 22 for consideration:

1. 10:30am- visit Canadian Alliance of Chinese Association in Richmond and meet with its Board (45 minutes);
2. 12:00pm- visit RCCS mid-autumn festival at Landsdowne shopping ctr in Rmd, mingle and give out something (60 minutes);
3. Travel to Vancouver Chinatown
4. 2:00pm- visit SUCCESS office and meet its Board, tour seniors care facility of SUCCESS (60-75 minutes);
5. 3:15pm- visit 2-3 society heritage buildings (60-90 minutes);
6. Go home or-
7. 6:30pm- attend SingTao News Anniversary dinner;

Hi Kate,
1) The SingTao dinner is to celebrate the newspaper's 35th anniversary at a downtown hotel (Westin Bayshore?).

2) There might be too many events for the premier in a day. To maximize media exposure, I can reschedule the Order of BC event to another day.

3) The SUCCESS tour in Chinatown will take some time as it includes a tour of its seniors care facility. [reason for #2 above] This is good for Autumn festival as it celebrates family get together and respect to the elders.

Two things I feel we are missing are any large community events that the Premier can attend and information on the Sing Tao dinner.

Kate

- Morning: meeting with SUCCESS in Chinatown and visit Society Heritage Buildings (George Chow suggestion)
- Morning: Possible media event with George Chow and Order of BC recipient in Yaletown (George Chow suggestion)
- Mid day: Roundtable lunch with Seniors in Richmond (?) would need budget approval.
- Afternoon: Meeting with Canadian Alliance of Chinese Associations, Richmond (George Chow suggestion)
- Late Afternoon: hold for other events
- Evening: Taiwanese/Chinese Family Association Dinner and/or Sing Tao Dinner. I can find no information on

the Sing Tao dinner so this will need to be researched. (Katrina Chen suggestion)

Our Ministry has some contacts that we had a call with today who haven't heard from anyone federally. They said that they felt the departure station needed to be Waterfront, so I wanted to connect all of us – they were hoping to chat as well. Is it ok if I invite the people from Translink and Minister Robinson's office to the call at 10 tomorrow? Don Bain will be flying domestic. Minister Fraser and Staff will also be flying domestic
Questions: Will detail be on the chartered flight? If so how many? Do we have transport on the ground in Smithers for all listed?

8am: Media advisory sent to local Burns Lake and PG media as per Sage's direction for media avail in Burns Lake

8am-9:15am: Arrive in Smithers proceed to S.15 Hotel for pre-brief for Smithers meeting (room is reserved in Evan's name and ready to serve breakfast)

Questions: Do we have space on the charter for Wildfire Staff? How many staff are expected?
Do we have back up ground transportation in case it is too smoky to fly?
- 2:15-3:45: Tour impacted areas as per Tim Renneberg's direction
Jen Rice joining this portion?
Questions: Do we have ground transport in Burns Lake?
Have we informed Jen Rice?
- 3:45-4pm: Media briefing ahead of avail
Question: We will need a briefing room (Tim?)
- 4-4:30pm: Media avail.
Question: Location needed
- 5-6pm: Meet with local officials
Question: Do we need to meet with local officials before the media avail? This will make the media avail quite late.
- 6:30-8pm: Charter returns to Victoria

Other points to note:

Chantille Viaud is working on putting together a stakeholder contact list for calls to be made on Thursday to people who should know we are coming up.

PJH was hoping to get a count on the number of mayors, councillors & RD directors he's met with since becoming premier.
How possible is it to scan his calendar for that info?

Just making sure you're aware that there is some grumbling in the region about the use of a mass-water delivery system that Wildfire chose not to use at Francois Lake. The business owner whose equipment it is – they have been selling us on this hard for a couple of years – took a fairly large swipe at Wildfire in media in Vanderhoof this week. We are responding but it's reasonable to assume there will still be some grumbling about firefighting tactics at the end of the week.

For the 4 p.m. Aug. 30 briefing, do you need someone from Wildfire to lead that?

For the pre-media avail briefing, we can have a room set aside at the district office, which is presumably where the media avail will be.

Hi Sarah,

The piece I would like to add is a notification from the floor if there is a hot issue coming up. IE: resolution 5 is expected in 15 mins, etc. This notification should be sent to Sage, Jen, Sheena, Amber.

As for the question re townhalls I think I recall Jen and Sage taking the lead on the prep work for this so I leave it to them to sort out how they want to manage that this year.

Subject: UBCM Reporting Process

Hey Kate,

I spoke with Lisa today about the process for reporting at UBCM and wanted to make sure you thought this was enough. We are happy to modify if needed.

AM media scan:

The MAH GCPE shop will send a morning media scan

Resolution monitoring:

Between MAH and GCPE staff, all resolution debates are monitored and reported on in the EOD report. For all important or hot resolutions, we will report out after the vote

Daily noon briefing:

MSR gets a daily noon hour verbal briefing on all important resolutions and issues. I will participate and provide a summary report to the PO on any hot issues if required.

Daily EOD reporting:

A full summary - all resolutions, all ministries covered – it will be circulated at the end of each day by MAH staff.

Wherever there are existing applicable or associated INs, we will include those with the EOD summary and/or flag for the relevant GCPE shops to ask for messaging updates as required. Also note that UBCM staff do some live reporting and also do an end of day summary on their convention app.

Questions:

1. Who would you like included on the distribution list from the PO? My initial suggestion was you, Sage, Jen, Sheena, Amber. Others?
2. Do we want to have on site briefings for Ministers before the Town Halls like last year? If so who should run them?

Hey Tim –

BCWS has provided a draft itinerary for PJH's Burns Lake tour on Friday - attached.

They have already chartered a 9 passenger plane for the tour. The plane will take PJH & co from Victoria to Smithers in the morning, then from Smithers to Burns Lake in the afternoon. Ian Meier will join the tour in Smithers.

The same plane will be able to pick up PSJR from Terrace or Prince Rupert (TBC) in the morning, after dropping PJH in Smithers (TBC – Ian working with PSJR on this).

BCWS has asked that we confirm as soon as possible that this plane is needed.

If the PO has already chartered a plane as well, BCWS will have to cancel this one and charter a smaller plane to pick up PSJR and take her and Ian from Smithers to Burns Lake.

Hi there,

From my notes Rick was going to put together an invite list for us. Rick, is that in the works? Regardless I think we should send out a save the morning to Surrey folks. Chantille and Charlotte once that invite list is done can you cast your eyes over it and see if there are any major gaps?

Hey you two,

Just wanted to check in on the plan for inviting Surrey MLAs/Ministers to the event on Tuesday. Do you want me to send out a "save the morning" so they have a heads up or has someone already let them know?

Thanks,

2. How does PS Rice get home?

And questions from BCWS:

Hey Tim –

BCWS has provided a draft itinerary for PJH's Burns Lake tour on Friday - attached.

They have already chartered a 9 passenger plane for the tour. The plane will take PJH & co from Victoria to Smithers in the morning, then from Smithers to Burns Lake in the afternoon. Ian Meier will join the tour in Smithers.

The same plane will be able to pick up PSJR from Terrace or Prince Rupert (TBC) in the morning, after dropping PJH in Smithers (TBC – Ian working with PSJR on this).

BCWS has asked that we confirm as soon as possible that this plane is needed.

If the PO has already chartered a plane as well, BCWS will have to cancel this one and charter a smaller plane to pick up PSJR and take her and Ian from Smithers to Burns Lake.

Give me a call if you need! 250 213 8447

FYI, Jen Rice will not need a pickup in Terrace or PR now. She will be driving to Smithers. So she just needs a pickup and drop off in Smithers.
Let me know if I am good to send this draft itin to Jen Rice for the call and add to the schedule.

Roger. My understanding is Eric put together the call list for the last visit as I was away. I have asked that stakeholders maintain a master list with all these details with up to date contact information so we can easily pull these details anytime we go into an area. Hopefully this will help. For the burns lake trip Cullen and rustad have been notified and will be present. Local First Nations have been notified and mayor and council will be on site. For a full list of people attending on Friday please see page 2 of the itin.

Hi – Wondering if one of you can find out if PJH is going to the Cowichan Valley on Sept 8th to make this announcement? Also, would it be a Premier event or something being handled by his constit office? We apparently have the pen on the news release – but I don't really have any other info about this event. Need to know who is steering the boat.

Good Afternoon Roseanne.

I hope this email finds you well. I am writing you today to inquire about how our organization receives invitations from government in the future to budget lockdown and speech from the Throne events. The Trial Lawyers Association of BC has more than 1515 legal professionals from across the province

Our members include:

- Criminal Lawyers
- Commercial-Corporate Lawyers
- Family Law Lawyers
- Estate Litigation Lawyers
- Medical Malpractice Lawyers
- Personal Injury Lawyers
- Retired & Non Practicing Lawyers
- Articling Students
- Law Students
- Paralegals & Legal Assistants

We represent individuals rather than corporations or governments and are united with the goals of protecting rights, ensuring access to the courts, preserving the jury system and maintaining the highest of standards in legal education. I think it would be appropriate for an organization like ours to receive an invitation to the budget lockdown and Speech from the Throne related events in the future. I am happy to chat further with you about this. If you are not the right person to speak to about this, please let me know who it would be.

Subject: PJH UBCM Binder

Sage,

Here is what I suggest should be in the final UBCM binder - most of these materials are being put together by MAH for MSR's binder. The highlighted items would be unique to PJH's binder – but other materials are being produced by MAH and/or the issues managers. Issues Managers are working to get issues notes finalized and updated for Friday afternoon – MAH is planning to have their materials together for Monday. And Lisa's plan is to do binder assembly on Monday as well.

1. A UBCM two pager on key happenings (speeches, town halls, key workshops and plenaries).
2. Full UBCM agenda
3. PJH's Agenda
4. Copy of Resolutions Book
5. Ministry by Ministry Issues Notes (including top issues and resolution INs)
6. Media Scan - cross ministry focus
7. Media rollout - cross ministry focus
8. PJH Speaking notes
9. Background materials for PJH's speech components

Would this work?

If it looks good let me know how many copies you need and I will work with folks to coordinate it being put together. I expect Monday end of day is a realistic deadline for gathering the initial materials, printing them, and collating them, given all the moving pieces at play. That way I can also work with MAH on assembling the binders as a team, which will likely improve consistency and make the work a bit easier.

Of course, there will be items that won't be final at this date, but we should be able to get most of this together, so it is only a matter of swapping out specific pieces as we get closer to the date.

Best,

JJ

Okay. Well there is not much I can do if people don't let me know they are not registered so I am going to leave it.

Hi,

Attached, please find a list of government staff registered for the reception.

Paula Gunn reached out to me directly, so I'll let her know she's confirmed. Everyone else on the list you gave me is also, but there are a lot of people who aren't. Ministers are allowed in automatically, they don't need to register.

Thanks,

Hi, we have a few extra seats for the PAEE, wondering if you have any ideas or thoughts on others to include. We were thinking MLAs from each riding but that may be an issue... any other thoughts?

Draft list attached.

Hey Kate,

Here's the draft itin. I have updated my calendar, so Chris – you can pull info over to PJHs if you like.

I'll see him on Monday at the Labour Day event so I can make sure I have printed copies if that's helpful. The updates will likely come Sunday after my advance with the PMO.

Subject: Final Plan and Details for Tuesday

Hi everyone,

We now have a full plan locked in for Tuesday! Thank you all for your patience on this.

In summary, the PM will take the Sky Train from *China Town Stadium to King George station*, joined by the delegation of speakers (Premier, Mayor of Vancouver, Mayor of Surrey, CEO of Translink) during which time they will have a discussion about the present and future of transit and infrastructure investment in the region. *There will be no media on or present for the train*. Upon arriving at the station in Surrey, the delegation and staff will be transported to SFU at the location on the south side of the parking area for the announcement. Stakeholders, including caucus and municipal representatives, will already be seated. The delegation will take their seats in the front row. Speaking and announcement will proceed (Translink CEO as moderator, PM, Premier, Mayor of Vancouver, Mayor of Surrey). Following this, the PM will retake the podium, and he will avail to media and the delegation may stand with him in position just behind. At the end of the avail, the PM will depart via motorcade.

Train Delegation Run of Show:

11:15AM- Premier, Mayors of Vancouver and Surrey, and Translink CEO to arrive at **Chinatown Stadium**
-Delegation is escorted, upon arrival to the Beatty street entrance into the station and is immediately ushered down the stairs, following to the right through a secure entrance to a platform that is adjacent to the main platform.
-Delegation will be staged on the platform for arrival of PM and entry to the secure train.
-PM arrives, delegation and PM board train. Seated near the front of the train.
-Staff to be seated away from delegation, back from their position.
11:40 AM- Train departs.
12:20 PM- Train arrives at King George Station.

12:30 PM- Delegation is escorted off the train, through the station downstairs to the awaiting motorcade including a delegation transportation vehicle.
12:35 PM – Delegation arrives at the site of the announcement, on the top south section of the SFU parking area overlooking the Skytrain and King George station.
12:37 PM- Delegation to be seated in the front row (nearest to the stage ramp) in order from centre (CEO translink, PM, Premier, Mayor of Vancouver, Mayor of Surrey) with stakeholders and caucus to their back.
12:40- Speaking order commences (**4 minutes per speaker**)
1:05- PM Avail commences
1:20- PM Avail concludes
1:21- PM Departs

Note: PM Photographer will be providing full set of photos from this ride to all parties.

Train discussion: Kate, I will speak with Amber and Geoff regarding the content. Kevin and Donna, we will each also speak regarding this discussion prior to Tuesday for more background and intended outcomes.

Stakeholder Run of Show: *applies only to stakeholders who are on guest list.*

11:20 AM: Stakeholders to arrive at SFU Surrey at main entrance
-Staff from GOC regional offices, SFU and translink receive guests as they arrive at table set up in the main hall entrance
-Guests provide name (for all caucus, ministers, mayors, and other stakeholders)
-Names are checked against list, guest is provided a wristband. Invite non-transferable.
-Guests escorted in groups from the main entrance hall, out the back doors, across the parking area to the announcement location
-**Caucus** is seated (*federal* on right facing stage, *provincial* on left facing stage) with direction from staff onsite
-Additional guests directed to standing area
11:45 Guests await commencement of announcement

Note: staff of elected officials will NOT be permitted into the announcement location area. Only the staffers from your teams whose names you have provided (Premier's office, Mayors' offices, and translink will be wrist banded and allowed access). Staff may wait in the SFU building.

Please give me a call or text if you have further questions. I have emailed some of this group regarding the stakeholder list- once those questions have been adjusted for, stakeholder/caucus invites may be issued.

Thank you everyone!

Amanda Campbell
