Subject: Explanations re 2018-87350 Don Wright Sent Emails June 2018

Amanda/Alison,

With apologies, I should explain the rather messy responses to this request.

I was having trouble getting the emails with all of the attachments to forward – even when I sent some of them one at a time.

So, I underestimated how many forwards it would take – based on previous experience, I thought it would only take 5. In actual fact, it took far more, as you will have seen. I ended up deleting some of the attachments – after all, the FOI request was for all emails excluding attachments. I also, lost track, and sent the “9th” one twice – when I realized this, I skipped over “10th” and went directly to “11th”.

I hope you can make sense of all of this. Let me know if you can’t, and I will do it over when I am back in the office.

Thanks.

Don
