Hi Greg,  
Interesting find; a comprehensive staff list, but doesn't list direct numbers—perhaps further searching once you have full name/title is the next step.

Hi Greg,  
We are wondering how staff phone numbers can be obtained through openinfo.gov, it doesn't seem to be self evident. Some staff members numbers are available to the public through their media roles, but that doesn't explain the existence of other phone numbers. The PO staff direct numbers are not listed in the BC public directory, btw.

If you could shed any light on this.

Thx

Hi Randy,

For the past week or so, most intensely this afternoon, we have been receiving calls from <sup>s.22</sup> (from the number attributed to him below) to the PO main line as well as the direct numbers of several of the PO staff: Chris McLaren, Elizabeth Parkinson, Evan Brown, Amber Nash and Sage Aaron.

Staff have asked him not to call staff numbers, some have directed him to the main number.

I am following the directions below in not engaging with him.

There is some confusion/debate around how he is getting access to staff UC and cell numbers; some claim they are getting direct calls to there confidential cell numbers, some believe the calls are redirected from other sources.

We have elected to bring this to your attention; any advice you can supply on this matter appreciated.

I've just been requested by Amber Nash to ask you to speak with him and ask him to desist these calls to the PO office and staff members.

If he wishes to correspondence with the PO, it can be in the form of written email, [premier@gov.bc.ca](mailto:premier@gov.bc.ca)

Thanks,

Don

**Subject:** RE: Invitation to Judy Darcy - Minister of Mental Health and Addictions

Sarah,

Happy New Year! I hope this finds you well and that you had a wonderful holiday season.

Thank you so much for your message! I'm thrilled to hear that Minister Darcy is interested in attending this year's **Coast Mental Health Courage to Come Back Awards**. I'll reserve a place for her at the head table along with myself and my wife, Melita, pending your final confirmation. We are anticipating another record attendance of at least 1500 (We had 1800 last year and it is consistently the largest event in the city). As Chair of "Courage" for the past 14 years, I would look forward to introducing Minister Darcy to the audience.

As well, please let me know if you will be able to attend yourself and if there would be others from the government who might like to be there. I had invited the Premier and discussed this with Geoff Meggs last year and both had expressed an interest in experiencing the event. I reminded the Premier of our family's lead gift to the new eponymous Segal family Health Centre at VGH – an 84-room facility dedicated to mental health, and he confirmed the importance of this subject in his agenda when we first met in the past.

Could you let me know who might be the best point of contact at this point so we can try to confirm the Premier for this year as well? (the House was sitting last year which prevented him from attending). I thought that it would make a powerful statement for both Minister Darcy and the Premier to be present and heard by such a large audience at this prestigious event.

I've copied Isabela Zabava, Executive Director and Alyssa Goad, Director of Fund Development from Coast Mental Health who will prepare an agenda for the evening to assist your communications staff. As well, we will be preparing some background information on last year's event which was the beginning of our 20<sup>th</sup> anniversary year of celebration for the "Courage" awards. Thank you for your attention to this, and for sharing this invitation with Minister Darcy.

Sarah, we look forward to having Minister Darcy there on April 24<sup>th</sup> and, hopefully, yourself as well as the Premier.

Thank you, again!

Warmest regards,

Lorne

All the "gifts" (left over from the previous occupants) in the cupboard upstairs bear First Nations symbols—ties, scarves, coasters, brooches.

What size/value of a gift are you looking for?

Hello Premier Horgan,

I know you are very busy and most likely get a lot of these invitations...

I'm wondering if you might be interested in attending a fundraising event that I am organizing next month for the BC Children's Hospital?

It's a skating fundraiser at Juan de Fuca Rec Centre on February 23rd to help kids with food allergies. My son, Isaiah, is allergic to peanuts and the folks at BCCH are helping him overcome his allergy so now we would like to help them do the same for more Westshore and island kids.

I have attached the event poster, the Victoria Grizzlies are coming out as 4 of their players are managing food allergies, also local allergist Dr. Victoria Cook and the Paramedics union (CUPE 873). As well, I am working on getting some media coverage for the event.

I thought there might be a couple of reasons why you would like to get involved:

- 1.) If kids with allergies had less or zero anaphylactic reactions it would ease the burden on the medical system, no more 911 calls, ambulance rides or emergency room visits, leaving paramedics and hospital staff with more time to help others.
- 2.) Also, if teachers and admin staff at schools didn't have to worry about anaphylaxis it would free up a lot of their precious time of which they have so little.
- 3.) Lastly, the allergists know what to do to help kids the barrier is access to facilities and nursing support, that's why we're trying to raise funds and awareness.

Please let me know your thoughts, I'm happy to provide more information if you would like and thank you!

Jake,  
Well, I couldn't see a direct connection between him and the WSAC, but he did contribute in some capacity; Amber says if you dig around you might have an address on an mandate letter or such (?).  
Don't worry if you don't find anything, she says she may have another source.  
I could try the salmon secretariat if you think that might work...

**Subject:** World Lymphedema Awareness Day

Dear Premier Horgan,

March is Lymphedema Awareness Month. World Lymphedema Day is on March 6th. This event is now celebrated worldwide after initially being established in 2016, by the US Senate. I now ask that the Province of BC pass a resolution recognizing World Lymphedema Day.

Lymphedema is the most underdiagnosed conditions in the world. More people have it than MS, Parkinson's, ALS, Aids and muscular dystrophy combined. Worldwide, historical data estimates that 180-250 million people suffer from lymphedema, however, prevalence is often underestimated due to inconsistent clinical detection and definition, as well as inadequate disease tracking (ALNET). In 2017, it was estimated that upwards of 1 million people have lymphedema or chronic edema in Canada (CLN).

Lymphedema can be hereditary or acquired as a result of cancer treatment or physical trauma. Up to 30% of women who survive breast cancer will get this debilitating disease that results in the accumulation of lymph fluid in the limbs when the lymphatic system is damaged. Similarly, survivors of cervical, prostate, testicular, bladder, colon, and head and neck cancers and melanoma are all susceptible.

Our veterans suffer from this as a result of battle injury or trauma from surgery and our children are born with this disease. Currently, there is no cure and little help with essential daily compression garments or medical interventions from health insurance. The effects are lifelong, drastically affect quality of life and can lead to loss of limb function and even a shorten lifespan.

The Lymphatic Education & Research Network (LE&RN) is an International Organization that fights lymphedema and lymphatic diseases through education, research and advocacy. In Canada, the Canadian Lymphedema Network, a collaboration among health professionals, patients, researchers, and industries is working to raise awareness and promote improved treatment and diagnosis across Canada.

We need to bring attention to lymphatic diseases and lymphedema in our cities and province in hopes that new treatments will be discovered and so that we will one day have a cure. This all starts with public awareness.

**I ask that you consider passing a city resolution and that the Mayor signs a proclamation recognizing March 6th as World Lymphedema Day.**

If you have any questions or would like to speak further about this matter, please feel free to contact me.

Sincerely,

Gail Reichert,

BC Lymphedema Association

Dear Premier Horgan,

Please find attached a letter, from Seaspan Shipyards CEO Mark Lamarre, updating you on the National Shipbuilding Strategy and requesting your active engagement in supporting Seaspan's role in the NSS and the thousands of jobs and hundreds of millions in annual economic activity that come to BC with it.

In addition, we wish to invite you, at your earliest convenience, to tour the near complete Offshore Fisheries Science Vessel, docked at Ogden Point near the BC Legislature. This is the first vessel built in BC under the NSS. Per the content of the attached letter, we view this as a strong opportunity to demonstrate and communicate the commitment of the Province of BC to the role of BC's marine industry in delivering the NSS.

As you are likely aware, other Canadian jurisdictions have been agitating for more work under the program, which would likely have the consequences of depriving BC of work and jobs we have earned and invested in. It is our hope that you will be able to find time between now and the next sitting of the Canadian parliament, in late January, to participate in a tour and to deliver a message of support for BC shipbuilding.

I would be pleased to act as Seaspan's contact point for meeting coordination and logistics.

Kind personal regards,

Tim

Hi Geoff,

Here is a copy of a letter to Premier Horgan from National Chief. We are asking to meet to discuss Council of the Federation and a few other smaller topics. There is a copy being mailed shortly.

This is a priority not just to First Nations across Canada, but all Chiefs in British Columbia.

Let me know if it's possible.

Thanks!

Dear Mr. Premier,

As the BOABC CEO & Provincial Registrar, and on behalf of the Board of Directors & membership of the Building Officials Association of British Columbia, (BOABC), it is my pleasure to invite you to join us at our Reception & Gala Dinner to be held Thursday, May 30<sup>th</sup>, 2019. The Gala Reception 6pm & Dinner 7pm takes place during our full Trade Show, Conference & AGM running May 28<sup>th</sup> through 31<sup>st</sup> @ the Hyatt Regency in beautiful downtown Vancouver. Your friend & mine, former CDN Ambassador to the United States & former Premier of Manitoba, Gary Doer, who is our Keynote speaker the afternoon of Thursday, May 30<sup>th</sup>, will be in attendance at the Gala Reception & Dinner ready to introduce you if you can make it.

Our hope & request is that you speak to our audience of approximately 400 - 500 attendees (from the BC building industry, general business and legal & political communities) regarding the issues of your choice. An option if you so choose & time only permits, is to attend to give greetings on behalf of your Government & the Province. The Dinner evening will also see award winning entertainment – so it will be fun!

The BOABC represents just over 1,000 Building Officials in the Province, and is now an integral player nationally.

Mr. Premier – We met at the Insurance Brokers Vickerstaff Dinner last March – please see my follow up email to you below.

Thank you for your consideration & we are extremely hopeful that you can join us. Please let us know - your interest & attendance will be highly beneficial to our Association & its membership moving forward.

Sincerely,

Mr. Premier (John),

It was great to meet you at the Vickerstaff Insurance Brokers Dinner this past Wednesday. Thank you for coming over to our table to say hi to everyone – they were thrilled at the opportunity - as you know those kinds of things are important. It was also very good to have Minister Selina Robinson join us at our table.

By way of further introduction & so that you can put name to face, I have attached a short bio. In follow up to our chat about my good friend Gary Doer, I will check with him to see when he might be out this way. Once I know I will let you know & if your schedule allows at that time we can possibly get out for dinner.

Cheers for now & thanks again re Wednesday evening.

Good morning.

I am wondering if the honourable premier and his minister mark and minister Donaldson would like to take time to celebrate Hobiye with the Nisga'a Nation on February 22 and 23 2019 in Gingolx. There is a special agenda item at this years Hobiye with our neighbours to the north joining the Nisga'a contingent to celebrate our arrival of the oilichans. We would be excited to have all of you present to ring in our new year and celebrate in the success of our continued relationship.

Chief Councillor George Moore has asked me to connect with each of you to see if you can make one of the two days at this years event. If so, please confirm me ASAP. If the premier or ministers would like time to speak or be afforded the opportunity please do inform us. If they would prefer to be just guests of our Nation at this annual event stretching back thousands of years, we would be grateful to have all of you.

Dear Premier,

It is our great honor to invite you to the 2019 Chinese Students Spring Festival Celebration.

Our company's name is VPEA (Vancouver Public Education Alliance), founded in 2001 in Vancouver. We opened Victoria branch since 2012, and in 2013, we opened Toronto office. VPEA has served more than 20,000 international students. On Vancouver Island, our students mainly are attending high schools here, such as Mt Douglas, Reynolds, and Oak Bay secondary school in SD61, Claremont, Parkland, Stelly's in SD63 and Belmont, Royal Bay secondary schools in SD 62. Currently, we provide support for about 300 students in Victoria Area. Many of them have been in Canada less than one year, they are already appreciating the community and environment. We are committed to serve all the students and make their studies successful in Canada.

Each year, we will host a spring festival event with our student, the 2019 Lunar New Year, the year of Pig is coming soon, we are holding a celebration event on Saturday Feb 2, 2019 and about 100 Chinese students will be joining us. Spring Festival is the most important traditional holiday in China and we usually celebrate it with our families. However, the Chinese students in Canada are not able to gather with their own family at this time of the year. We hope this event will reduce their loneliness and homesick during this special day.

We are inviting you to join us at 11:00am on Saturday Feb 2, 2019. If possible, a small speech to encourage their life and education would be much appreciated. We will write spring festival couplets using paintbrushes, make dumplings, taste traditional Chinese food and hot pot. Your attendance will make the students very honored.

Here attached is the invitation letter and please let me know if you could attend. Thank you so much for your time reading this email and I look forward to your reply.

Okay,

I'll make up the sheet and send things around, if you don't mind coordinating the money collecting, that'll be the big lifting.

What if we start it today with a reminder Monday/Tuesday morning, people commit to bring the order and money in person or mail, and I'd suggest a cut off of Tuesday end of day, but I'll leave that to you to police the stragglers and money owers.

I'll draft up the announcement for you to okay, and the sheet is easy we take that from the PO List in MS Word.

Have I got this straight...We are going to coordinate an a la carte order for 35+ people? The menu is simple, but that's a lot of coordinating, money collecting, etc.---we've run into big trouble ordering separate orders for our group alone of 9-11 folks.

Might work if we have enough lead time and a strict cut off for bringing money in...but to track 35 separate orders...

Can it be simplified?

Hi Amber and Don,

How do you feel about samosas and or butter chicken or tandoori chicken for lunch next week?<sup>s.22</sup>  
s.22 They can also bring in orders for home and say the samosas also freeze very well. None of these 6 flavours are spicy hot, just very tasty.

Neither one has regular band-aids (small or large); I got a few from the First Aid office off the Rotunda.

There may be other items lacking in the kits, I'm not certain the contents.

How does one go about updating the contents of the kits?

Yes he did.

And to answer some of the questions below – there is a computer already at the desk downstairs, 2 monitors and keyboard.

Needs a mouse, smartphone printer hookup

Also – there is a surface in the office downstairs that belonged to Chantille – she is now MA in MCFD so this can go back to IT as it is not being used by a staffer here.

Hi David,

Chris McLaren will be moving downstairs in PO and we have a new hire coming in on Monday March 4<sup>th</sup>.

Hoping the team can assist to:

1. Move Chris's computer and phone downstairs on Friday
2. Ensure Jennifer Drummet is good to go (she is also downstairs set up beside Chris's new station) .

Happy to discuss further if needed.

Dear Amber,

On February 4<sup>th</sup> we sent an invitation for Premier Horgan to join us in the celebration of the Norwegian Joy's Inaugural U.S. sailing – however it may have gotten caught in the SPAM filter as we didn't see you open the note.

I have attached the original invitation as well as the FAQs however if you have any other questions please feel free to contact me. Since the Norwegian Joy will sail into Victoria each weekend during the season we would like to have the Premier experience the ship over a 3-day sailing, although we do realize he has a very busy schedule!

I would appreciate if you could formerly RSVP through the link below:

Amber,

May I suggest we amalgamate the 3 separate sets (shown below) into one MAIN document WITH a date field to indicate when the cards were scanned, and/or the event associated with the cards—(but NOT the Asia trip cards, keep those ones separate). This way, as we add new cards to the MAIN document we can complete the date field.

I'll have a go at it and find a proper shared folder, H:\ DRIVE, to store the files once I get the Regrets pile down a bit.

**Subject:** RE: Business Cards: Update

Amber/Evan,

Update on the biz card work to date:

I have scanned and converted all the cards to Microsoft Excel documents with common fields and a field for notes/comments (to come from Evan)—the most recent attached as a sample.

Last week I composed four Excel documents from the 'batches' of cards.

1. Asia Trip Feb 2018, 195 cards
2. General July 2018, 20 cards
3. General Nov 2018, 54 cards
4. General Feb 2018, 30 cards

At this point I'd appreciate some direction on whether and how to group or amalgamate these files into one or more groupings or any additional requirements.

I propose these completed files be placed on a server accessible to pertinent staff, so they can be processed further, Evan's edits or other.

I have stored all the original paper cards in groups related to the Excel documents and I've retained the original Dymo card label format for each grouping (in case they need to be exported into an alternate format, such as Outlook—Dean has offered to advise on this conversion or any other file formatting or use of the data we've scanned).

Good Morning,

I hope you are doing well, my name is Parmida Bakhshi and I'm both a member of the British Columbia Youth Parliament as well as the Vancouver Centre Constituency youth council.

During the 90th BCYP session, I had the honour of proposing two resolutions on issues which I believe must urgently be addressed throughout the province. One was in relation to the high school curriculum and the other regarding the widespread epidemic of e-cigarette use amongst the Youth of the province.

After debating and passing the resolution proposing amendments to the current high school curriculum, it had been aired on global news and is currently underway development.

Unfortunately, we were not able to debate the second resolution due to the constrained time period of the parliamentary session, and thus I have decided to take action independently.

Last Monday, I had the honour of a telephone call with senior policy analyst, Maria Janicker, from the Ministry of Health Government Communications and Public Engagement office, who both commended the resolution and proposed contacting yourself as well as other individuals in order to look into advancing this resolution.

I have also reached out to Member of Parliament, the honourable Dr Hedy Fry, as I have extensive experience working alongside and under her leadership as a member of the Vancouver Centre youth council.

If possible, I'd love to be given a chance to discuss this further with you and hopefully be able to implement some change as this issue is one which is only going to advance. If not seen to now, it will have detrimental health effects on both the present and future state of BC's youth.

Thank you for your time,

Parmida Bakhshi

Hi Moe,

Ahh, office chairs. We've found the best deals at **Staples**, good price, delivery, return.

Most decent chairs run between \$300 and \$500, of course you can pay much more. The more you pay the heavier the construction and more adjustments.

The Government recommended furniture suppliers' chairs, like Steelcase, are expensive (\$600+) and quite high tech.

What I usually do is sort the Staples list by price and see what deals are currently available in that price range. **Global** brand chairs are good value, made in Canada.

### **Bruce's chair, Global Supra-X, \$302**

Here's the chair we've ordered for staff over the past year, now \$475

And here's another model that has ample ergonomic features, \$349

A new line looking interesting, \$433

That should get you started.

We could also check with Danny, to see if he's learned anything new on chairs.

Hi Don,

Happy Monday! Our office is looking at purchasing two new desk chairs for CO staff. We are all going to test Bruce Fogg's new chair.

We currently have 5 broken ones, and they are becoming dangerous to use. We will recycle them.

Would you please let me know where it came from and how much?

Thanks, Moe

Hello Sonja,

I hope you are well.

I'm excited to inform you that I'm organizing the 5th annual "Anti-Bullying Flash Mob" event on March 13 involving more than 1,300 youth from 6 different Surrey schools. Please find the official Poster of this event attached to this email.

The 6 participating Surrey schools are:

- Kwantlen Polytechnic University
- Beaver Creek Elementary
- Martha Jane Norris Elementary
- J.T. Brown Elementary
- Boundary Park Elementary
- Cougar Creek Elementary

Similar to last year, I am kindly requesting for the following:

- 1.) I would like to invite Premier Horgan to attend this event and to witness the youth supporting the Anti-Bullying message through dance. Premier Horgan is also welcome to speak a few words to the youth and community members in attendance. The media will also be invited to attend and provide media coverage.
2. ) I would like to request a short video clip (30 to 60 seconds long) of Premier Horgan speaking about this "Anti-Bullying Flash Mob" initiative and why it is important. This video clip would be shared online to help create awareness. I could also include this short video clip in the official video for this "Anti-Bullying Flash Mob". Please note this official video will be shown in the Dance Festival that the Surrey School District is organizing from April 1 to 14. This means that thousands and thousands of school kids from all over Surrey will be watching this official video of the "Anti-Bullying Flash Mob".
- 3.) I would like to kindly request a "Letter of Support" from Premier Horgan for organizing this "Anti-Bullying Flash Mob" event. It would be greatly appreciated if Premier Horgan could acknowledge me as the Event Director in this Letter and to also mention the names of the participating schools.

\*Please note that this is a free non-profit community initiative I organize each year on a volunteer basis. I began this community initiative in 2014 and more than 5,000 youth from Surrey and Delta have now participated in this event, which is aimed at raising awareness for the Anti-Bullying message through dance. There is no monetary or financial gain for me in organizing this event, and it is completely self-funded by me.

Kindly let me know at your earliest convenience if the abovementioned requests are possible.

I look forward to hearing from you.

February 4th, 2019

The Honourable John Horgan  
Premier of British Columbia

Dear Premier,

I am writing to request written or verbal greetings from you for the 1<sup>st</sup> Richmond Delta Youth Parliament.

Richmond Delta Youth Parliament (RDYP) is a non-profit, non-partisan parliamentary education and community service organization for youth aged 14 to 18 years. In association with British Columbia Youth Parliament (BCYP), this organization functions on the simple yet powerful motto: "Youth serving youth." While Richmond and Delta have previously been part of the Vancouver Youth Parliament (VYP), for the first time ever they will form their own regional youth parliament. The Richmond Delta Youth Parliament (RDYP) will function in the same way as the Vancouver Youth Parliament, however will allow more of Richmond and Delta's keen and involved youth to participate in their regional youth parliament. As of this year, our first Richmond Delta Youth Parliament, 40 actively involved youths from Richmond and Delta will gather together

to debate and discuss local issues and legislation that outlines projects that will be run throughout the year. Over three days (March 1<sup>st</sup> to 3<sup>rd</sup>) the youth participate in sittings that follow the traditional Westminster parliamentary system, learning more about the parliamentary and democratic process. All topics debated at session are non-partisan and take the form of legislation and private member's resolutions. Unlike other youth government groups, RDYP is not a mock parliament – the legislation debated governs the organization's service activities for the remainder of the year, fulfilling the motto by impacting the members' communities.

It is part of regional youth parliament tradition that the Speaker of the House reads written greetings from prominent members of the community, particularly those who hold office and serve the public. We would greatly appreciate receiving a letter of greetings from you.

I understand that your Honour is very busy so I thank you for your time. I do hope you will be able to grace us with a letter for our first ever RDYP session. If you are able to write a letter of greetings, there is no requirement that it be long or complex. Any few words of greetings that you see fit to write would be greatly appreciated. These letters often evoke feelings of inspiration, motivation, pride, and excitement in our members, myself included. Your letter will be especially meaningful, being read at the first Richmond Delta Youth Parliament with many more to follow in the legacy which this one creates. You will find my contact information as a postscript to this letter.

While I would be most grateful for any written greetings, it is also possible and greatly appreciated for you to give verbal greetings in person. These greetings would be to the members of RDYP at R.A. McMath Secondary School in Richmond. If you are interested and are available anytime on March 1<sup>st</sup> from 4:30pm to 9:00pm, March 2<sup>nd</sup> from 8:00am to 9:00pm or March 3<sup>rd</sup> from 8:00am to 2:30pm please do not hesitate to contact me by email at s.22  
Thank you for your consideration, and I look forward to hearing from you soon.

Yours sincerely,

Good day Chris,

I hope February is treating you well so far. Congratulations on the recent by-election results in Nanaimo. It was so exciting to see Sheila Malcolmson, another Trent alum, perform so well for the NDP.

I am writing to follow up on the visit between John Horgan and our president, Leo Groarke, which took place in November. During the visit, they discussed John coming to Trent University to speak with students, faculty and alumni. I wanted to reach out to ask if this would be something that John is interested in doing and if there would be a suitable date we could work towards? The university classes end the first week of April, so if we are unable to find a date before then perhaps there would be something in the Fall?

Thank you for following up with John about this and if you have any questions at all please don't hesitate to ask.
