Subject: Executive leadership changes - GCPE

Dear friends,

I'm writing to advise you of important upcoming changes in the senior leadership team at GCPE. As many of you know, our team had a very short time after the Lieutenant Governor invited Premier Horgan to form government to bring together a new executive for GCPE. Two who answered that call and arrived here in Victoria within days, were Evan Lloyd and Robb Gibbs.

Evan, as deputy minister responsible for GCPE, not only managed the organization through a quick and challenging transition, he supported the Premier's Office and the Finance Minister as the government delivered a budget just a few short weeks after being sworn in. Robb Gibbs, who joined Evan at GCPE, provided his own indispensable direction to a host of other government communications initiatives during that period. Our government's success in delivering two budgets in seven months, as well as CleanBC and many other initiatives, owes a great deal to the leadership we had from Evan, Robb and their team.

s.22

s.22 With that in mind we conducted a very wide-ranging and comprehensive search for new leadership. During this process, we were able to find two outstanding candidates with the potential to make major contributions to government communications during the second half of this government's mandate. As such Robb will be moving on from his current role, allowing us to hire both these candidates.

I am pleased to announce that Donna Evans, currently Vice President Corporate Communications the BC Housing Commission, will be moving to GCPE as deputy minister in Evan Lloyd's place. Donna has had a long and distinguished career as a senior communications professional, in the private sector and public service, with experience in journalism, public policy development, media and government relations, and issues management with multiple stakeholders in complex environments including BC Housing and

WorkSafeBC. Donna will take up her duties May 1 and work with Evan during a one month transition period, after which Evan will work on special projects until the end of June.

I am also delighted to announce that Nammi Poorooshasb has agreed to take up the position of assistant deputy minister now held by Robb Gibbs, effective April 22. Nammi also has senior communications experience in a wide range of private and public sector settings, including as director of communications in the Premier's office in the Manitoba government of Premier Greg Selinger. Again, Nammi will have the benefit of a transition period working with Robb as he takes up his duties.

I'm sure you will join me in welcoming Donna and Nammi, as well as thanking Evan and Robb for their service.

Hi George,
The email address issue is caused by Outlook's Auto Complete function. To resolve this, people will have to delete the saved address by clicking on the X then type in your name again.

For your title, the quickest resolution would be to do it yourself. Go to <https://77000.gov.bc.ca/index?page=home> and click on "Update GAL Info" The change will be applied within a couple of hours.

Hi Brett,
Some people who try to email me have to re-enter the email address because the office has changed and someone mentioned to me that my title isn't in the address book.
Who can I ask for that to be updated?

Thanks!

Hi Scott,
As you may know, George Smith has joined us in the PO. Would you please set up George's TNO subscription to mirror mine? You will have to repopulate his email address as it has moved over from the AGs office to PREM.

Thanks,
Sage

Yes, Cadieux claims it will be 2020 – Travena and Horgan have stated it will be 2019 but the committee (as a whole) didn't speak to the date.

Hm – will have to check the story. In my stories - including this one for City TV, I quoted Cadieux, member of the committee who thinks it will be delayed until 2020 because of regulations and red tape.
The issue is how they've worded this. Will send a note to Kyle at City.

Hey Liza,

Just noticed the tweet below from News1130 – the twitter person there used your video and claimed that the committee report states that ride-hailing will be delayed until 2020 but the report (and your piece) doesn't say that.

Should I reach out to them to ask to correct it?

WATCH: A new report on ridesharing released in Victoria suggests there is no way the #BC government will be able to implement this service in 2019. @NEWS1130's @LizaYuzda reports.
