I think the 2, the WPC and the MCCF, overlap re dates (if the WPC is confirmed).

Hello Pierrette,
Further to my email below, we were looking for more information for the Premier on the Portland event.
I see that is added as \$13.
Please advise on the request with some background for the Premier and I will take the newest document forward for consideration.
Thank you,
Chris

Hello Pierrette,
We would like to confirm the May 2 meeting with CG of Canada in China and can provide a 2 pm meeting and a 1:45 pm briefing in our office.
In regards to the Northwest Climate Conference, the Premier would like to have more information on this event before providing a response. How do we get that in place?
I understand that the EU date has been cancelled at this time.
Cheers,
Chris

Kassandra: FYI

On April 15, there will be the launch in Victoria of a coast-to-coast initiative called ***Bonjour my friend !*** to celebrate the 50th anniversary of the Official Languages Act. A press conference (nation-wide coverage is expected) will take place from 10:30 am to 11:30 am at Société francophone de Victoria.

The organization responsible for the event, the “Canadian Foundation of Cross-Cultural Dialogues” is also planning a short reception from 5 pm – 7 pm – possibly at the Legislature. This is really a communications event and we have referred the matter to GCPE. Rick Devereux, who is copied here, is the main GCPE contact. Kim is also in the loop s.22). The Canadian Foundation of Cross-Cultural Dialogues will be looking for BC Govt representatives. Rick will contact you regarding Minister Dix. The sponsoring organization wants a big (media) splash for the kick-off of this national initiative. We expect that federal representatives will be in attendance. Have a look at the link at the end of this email.

Please note that on April 16, they will be in Vancouver meeting schools, and various groups.

The primary target audience of the initiative is the Anglophone community as the objective is to increase understanding/dialogue re. linguistic duality.

Attached, FYI, is an ad re upcoming press conference, and a copy of the letter the sponsoring organization plans to send out to various groups/people.
