Hi, Don

Hope you had a good break over the holidays!

As you may know, I agreed to do another year as BC's Innovation Commissioner – and I thought it might be a good idea to get together for a coffee and chat!

Can be at the beginning or end of a day, if that's easier!

All the best,

Alan

Hello and happy Friday!

Attached is the list of attendees for the EETF meeting next Wednesday (9am to 1pm). Catering is being managed by [Potluck Catering](#) (604.609.7368) and they will arrive shortly after 8:30am to deliver coffee/tea/refreshments including some food. They will return again before noon to deliver lunch including sandwiches/salads/beverages. I understand their policy is next day pick up for items.

Confirming a few other things for the room set up:

- we have presentation materials and I understand we will be able to link our laptop to the system in the room (HDMI hook up)
- there will be 2 easels and flip charts set up in the room (or do we bring flip charts?)
- we expect 15 around the table

- we need a small table for staff to the side (for note taking/laptops will be set up) – 2 staff will be seated here

Questions:

1. Is there a polycom in the room? We have one member that would like to dial in.
2. And confirming, catering will be delivered and we need to have a table set up in the room (not outside the room) to accommodate?

My contact info on the day is by email or cell, 250 896-7507

Thank you so much for all of your assistance in organising our meeting!

Hi Dianna!

As I mentioned on the phone, on Wednesday, November 28th the Emerging Economy Task Force will be meeting in the Executive Boardroom from 8:30AM – 1PM. The meeting starts at 9AM, so guests will start arriving at JTT around 8:30AM. Debbie Smollett (cc'd) will be the point of contact for this meeting. We will provide her with an access card so she is able to go back and forth at her convenience. Catering will also be delivered to JTT, to be set-up in the Executive Boardroom.

Debbie – Can you please cc Dianna and Dianne to your email when you send us the confirmed list of attendees as well as any information they will need regarding the catering delivery (ex. Company, order, time of delivery, etc.)

If you have any questions or concerns, please do not hesitate to contact me

Thank you!
