Don Wright

Hi Carolyn,

Don Wright here. Re your request for a meeting, I am going to be in Vancouver today, but the timing will be a little tight. I have a meeting at UBC from 3-4 today and then I have a Helijet back to Victoria at 5:45.

So, some possibilities:

1. We could meet down at VCO around 4:30, but I would have to leave for Helijet around 5:15;
2. We could arrange a meeting for sometime next week;

3. We could do a phone call

3. We could do a phone call meeting sometime today or tomorrow.

Let me know what your preference would be.

Thanks.

Best wishes,

DW Don
