Hi Selena and Amy, I was wondering if more direction was coming to Labour relating to the TB sub being removed from the agenda? Do you have any details?

Hey Danine. We understand that it is with/awaiting further direction from political staff. If we hear anything, we will be sure to pass it along.

Perfect- a bit conscious that Monday in the House will be one month from Program launch. Appreciated!

Hi, happy Friday! Revised TB sub with DM, won't go to TBS until CK has reviewed. Let me know if questions.

Thanks Danine. Are you able to share a copy/cc me on the email to CK?

Danine Leduc

Yes I think TH will send to her and copy you two.

Brilliant, thanks.
