before FN ~~to~~ $\Rightarrow$ frustrating

- haven't been includ. in safety
planning w any of
industry around comm.
let alone compen. for
alienation of land/
resources

- but don't have capacity to dev. need
3. Capacity Funding } assessments/
plans etc

- gaming funds modest but does
help

- funding based on membership
doesn't work b/c terr.
is huge

Forestry GtOG

- mtg w MDD today
- would like higher level ^{people} at table so direct contact / trust bly.

Major Project Coalition

- TC has been tough - move goalposts
- wet 'su' weten are part of coal.
- goal is to create formula that will benefit all nation even those who aren't involved

→ need practical init on grd to
move UNDRIP fwd - in
add. to treaty + other
actions

West Coast

- talks not going well - take it
or leave it approach

→ CEO stated they don't need
FN

⊗ review notes from mtg w PJH
→ diff. story → said they
were working w FN + others

- Chief Pootney mtg w Mayor Hall
next week - will update
on this

Joe Gosnell Jr ED mtg last week

- WC response / mtg very insulting
+ surprising

- feels like Nation has been misled
by co. on intent / plans

(*) Mayor of Terrace - RBA started in Terrace - Cllr Bujtas att.
gave PJH letter - not part of mtg but
Impact but no ben. firming Date Jan 29

RBA

- massive infrastructure deficits
in communities → need funds
now as mega project
gets going

ie/PR
≈ \$350m

- 2 asks - pt person in Po follow up mtg
specific to process w MoF
+ MAH

→ concerned staff don't feel they
have mandate x min that
govt/electeds want to see
this done → concern could
get lost if Δ govt

PJH will take pt person request
back - alth. L Wamankaker
underst. directions
→ will look @ NCLG mtg
timing

(*) Follow
up to GH

(AN)

but RBA could come to Vic

→ note was asked (Bujtas) about
timing - PJH said until March
report doesn't know

Takla

Chief French | Cllr Chris | Brandy, EA
Cllr Willy | Cllr Wilma

- MDD visited - proud to show init.
+ John Allen

- PJH talked about chall / concern
w broader context of Wet'siten
situation - really bel. upto FN to
determine gov. structure

Chief French same kind of chall - can't take 150yrs
+ turn it around overnight

- as a nation focusing on nation
building + closing gap w hereditary
→ some people happy w Pathways
others not

- also working on healing, educ.

- forestry remains big question
for Takla

→ have to help CSFN table
for tenure

→ needs attn from PJH
to get to
where it needs

(X)
Follow
up

- has talked to John Allen -
explained don't have
repl. volume to make
nation whole despite
being prime forestry
nation

→ 100 000 000 metres
- yesterday signed side agreement
(w/ MDN) → took over a yr.
(transition in ADMs)

follow
up
w/ Allen

CSTC table is dynamic
→ have pipeline

- Takla has forestry - need
sus. big plan, tenure

s.13; s.17

s.13; s.17

→ have sent letter - disapp.
} at lost opp to deal w/ tenure
+ other issues

McKenzie

- → sent in Coalition yesterday
concern about taking green
timber

→ what to do w/ dead timber

Corey Waters, MIRR

Date

PJA committed to it dec. making apol ~~to~~
about Hampton lack of process
→ will deal w tenure issues
(would be easier if maj)
