Hi all, we may have protesters at the buildings again tomorrow. A note will be going out to all staff shortly urging everyone to come in before 8 if they can. If you aren't able to get there before 8. Let me know. Just want to ensure safe entry to the buildings for you all.

AN

I don't have Don P cell number - if one of you have it can you please forward my note above?

Hey Mitzi Dean asked me to let you know that Elder Shirley Alphonse is in the Finance Ministry in case PJH wants to pop in on his way to caucus.

Thank you

Tue, Feb 18, 2:35 PM

Mitzi would like to know if PJH would like a smudging from Shirley after this? Thanks again

I'll ask when he comes out

Is Shirley still here?

I texted Mitzi right away to ask, but haven't heard back sorry. I think she has left.

No worries

PJH tagged in photo from the Reynolds group today. Do either of you know if anything came up that would be witty to reference to share it? Trying to do more than "Thanks for coming by"

10 students were taken on a tour of the legislature today by @keithbaldrey. Bonus - a personal Q&A with Reynolds alumni Premier John Horgan. Thanks @jjhorgan for making the time. I know our students appreciated it. #OnceARoadrunnerAlwaysARoadrunner

Premier always says "Go Roadrunners!" every time he sees Reynolds students

I wasn't in there so I can't really help you

Hey bud, do you know if PJH schedule is on time? Minister's Fraser has a 3:30 with him but we might try to squeeze in a call before the 3:30 briefing especially if PJH was going to be delayed

I'd try to be here for 330
