

Date April 1, 2020

Consider

- ① Translation of info-19 info in multiple languages
- ② Canadian Food Service, ports
- ③ Vulnerable Communities
- ④ municipal, provinces
- ⑤ Year End Funding
- ⑥ Faith leaders - 1:1 connect

Areas of concern:

- ① Businesses need support
- ② Mental supports
- ③ PPE supplies - concern for organizations + individuals
- ④ Social distancing
- ⑤ Endurance
- ⑥ Internet bandwidth/power

Sound reports:

- international standards are planned + relevant
- direct violence + a gender based analysis

Grateful: → videos thanking people who are stepping up
→ janitors, grocery stores, health care professionals, teachers
→ note: eg. Mrs. Nancy, 142 + reassurance message

Food security issues

① CN + SES

② Role of VCC

> equivalent food program instead

Agenda:

> correct existing conditions & programs they'll need

> community based intervention?

> report at Yr?

> intervention based on?

> necessity of self-management & highest level?

> interviews?

> housing, place to guarantee

Community concerns

> feeling grief

> 1st week for 24/7 for now

> hard to progress

> inundated w/ information

What does recovery look like?

> hard to provide memory of research service

> wants to heal & grow

> sense security

: possibilities not limited but ...

the hope for the future is what does the future hold
& how to engender greater collaboration?

Upcoming & past leaders phone calls

Note: Hold before redundancy at home to ensure greater participation in passage.

Showcase BC's prime work content

- display BC's policy announcement
- > attending parties: public, private, & upstate.
