Trying to log on. Technical difficulties!!

10:13 AM

Alright! I'm in!

10:24 AM

Yeah - there have been issues, but it looks like those impacting us have been sorted

10:26 AM

Great!

...my life were blank
between 2-3 and then I
couldn't exit the IM which
is why I tried restarting
the Remote Desktop as
it would just freeze the
whole screen

3:11 PM

I wonder if it started doing
the updates I had been
avoiding this week

3:13 PM

Maybe - seems like it can
get to a point where it just
forces you to update
