### PART 2 – RATIONALE FOR DIRECT AWARD CONTRACT (*Continued*)

CONDITION (See <a href="#">Direct Rewards, CPPM 6.3.3.a</a> )	JUSTIFICATION / EXPLANATION (Provide supporting documentation identifying rationale and evidence for the Direct Award condition used)
<input type="checkbox"/> <b>Maintain security, order or protect life or health</b> A competitive process would interfere with a ministry's ability to maintain security or order or to protect human, animal or plant life or health.	<p><i>Explain why the competitive process would cause this interference.</i>  <b>Delete these instructions before completing this form.</b></p>
<input checked="" type="checkbox"/> <b>Confidential</b> The acquisition is of a confidential or privileged nature and disclosure through an open bidding process could reasonably be expected to compromise government confidentiality, cause economic disruption or be contrary to the public interest.	<p><b>The contractor provides advice to the Premier and Chief of Staff. As such, all information is confidential.</b></p>

### PART 3 – DESCRIPTION OF SERVICES / PURPOSE REQUIRED

ATTACH RELEVANT BACKGROUND MATERIAL IF NECESSARY

- Describe the services and provide an explanation of why these services are needed and how this request aligns with the Ministry's Service Plan.  
Mr. White has been appointed as Special Counsel for Premier David Eby on Indigenous reconciliation. Mr. White will be advising the Premier and Chief of Staff, will work with Ministers and the Deputy Minister to the Premier to ensure results in communities for Indigenous peoples.
- Why could staff resources not fill the need?  
Mr. White is a King's Counsel lawyer with demonstrated superior legal ability who is a former chief and councillor of the Snuneymuxw First Nation in Nanaimo as well as being a chief negotiator at the Lake Babine Nation and co-chair of our government's Advisory Committee for Indigenous and Specialized Courts.
- What are the implications, both financial and non-financial, if this contract were not to be approved?  
If this contract were not approved the Premier of British Columbia would not be able to complete his own mandate for his term.
- Has your program used these services in the past? If yes, who was the vendor and was the opportunity competitively bid or direct awarded? Provide the most recent date and contract value.  
Premier John Horgan had Special Advisors, such as Bob Dewar, who was also a Direct Award. The DA was for \$50,000 from April 2021 to June 30, 2021.
- Will this purchase obligate government to this vendor for future purchases (e.g., maintenance, licensing or continuing need)? If yes, provide details.  
No.
- If over \$100,000 a [Cost Benefit Justification](#) (CBJ) is mandatory before approval will be given.

**PART 3 – DESCRIPTION OF SERVICES / PURPOSE REQUIRED (Continued)**

**FOR IM/IT AGREEMENTS**

7. Prior to renewing or extending long term contracts, there is an expectation for ministries to complete an evaluation of the current environment and products being used to assess efficacy.

Today technology changes significantly and rapidly. An evolving IT environment demands that current approaches be periodically reviewed and evaluated to ensure that the Ministry/program area takes advantage of the advanced technology available to achieve the best value for money.

When was the last time the program area reviewed and evaluated its long-term and ongoing licensing agreements?

8. All solicitations, including direct awards, for IM/IT projects valued between \$100,000 and \$500,000 must be reviewed by Procurement Services Branch, Shared Services BC (SSBC) prior to proceeding with the acquisition. (OPPM 6.3.5.8.5)

Has this been undertaken?

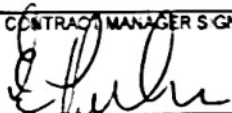

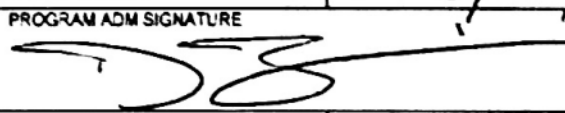

- ☐ Yes  
☐ No – explain why  
☒ Not applicable

9. All IM/IT projects valued over \$500,000 and all procurements utilizing the Joint Solutions Procurement (JSP) acquisition method, must be planned in conjunction with Procurement Services Branch, SSBC and the procurement process managed by Procurement Services Branch, SSBC. (OPPM 6.3.5.9.1)

Has this been undertaken?

- ☐ Yes  
☐ No – explain why  
☒ Not applicable

## PRE-APPROVAL TO CONTRACT – DIRECT AWARD

### POLICY

The Corporate Policy and Procedures Manual (CPPM) [Chapter 6: Procurement](#) covers every phase of the procurement lifecycle. Ministries are expected to use a competitive procurement process to acquire goods, services and construction, which are based on the principles of fair and open public sector procurement.

A [Direct Award](#) is **not** a competitive process. Contracts may be directly awarded without a competitive process if an exceptional condition applies.

The intent of this pre-approval is to ensure that the Ministry of Finance and its program areas have appropriate authority and funding to complete a procurement project **prior** to soliciting proposals, awarding a contract, or contracting for any goods, services, or construction. ([CPPM 6.3.1.4](#))

### PROCEDURES

This form is **mandatory** and must be completed by the contract manager to clearly document the justification for procuring for services and to ensure compliance with Government Contract Policy and [Ministry Spending Directives](#). Unless the contract is an [emergency](#), this form must be completed and pre-approved *prior* to any discussions with or commitment to a vendor. In the true case of an emergency the form can be completed after, but verbal pre-approval is necessary.

All Direct Award contracts and amendments require **pre-approval by the Program Assistant Deputy Minister** and if \$25,000 or over the **pre-approval of the Executive Financial Officer**.

All IM/IT contracts and amendments require pre-approval by the **Ministry Chief Information Officer** ([MCIO](#)). ([CPPM 6.3.5.a 3](#))

**If additional funds are required above and beyond what was estimated in this form, an updated pre-approval form must be completed.**

As an integral part of the [Contract Documentation Checklist](#), the completed and signed form must be retained in the program contract file and must accompany other related documents required such as the Service Contract Checklist, GSA etc. when formulating final package to accounts [CFFSHELP@gov.bc.ca](mailto:CFFSHELP@gov.bc.ca). (Electronic signatures are approved)

**Note: Where a program area is considering a [Direct Award](#), they are accountable to ensure that their decision is defensible. All Direct Award contracts are disclosed on the B.C. government's [Open Information Website](#) under the [Proactive Disclosure Directive 03-2016](#).**

3. I agree that I will securely store the Information, including by making reasonable security arrangements to protect against such risks as unauthorized access, collection, use or disclosure of the Information.
4. Subject to any requirements by law, I further agree that I will securely return or destroy the Information in my possession at the request of the Cabinet Secretary and Deputy Minister to the Premier or Deputy Cabinet Secretary.
5. I also agree that I will immediately notify the Cabinet Secretary and Deputy Minister to the Premier or Deputy Cabinet Secretary if I receive a summons, subpoena, order or similar instrument or otherwise become subject to a legal obligation requiring disclosure of any information I am required to keep confidential under this Agreement.

## CONFLICT OF INTEREST

Political staff are required under the [Standards of Conduct for Political Staff](#) to avoid conflicts of interest.

Political staff must arrange their private affairs in a manner that will prevent real, perceived or potential conflicts of interest from arising. Your decisions and actions must not be influenced by an interest that would benefit you, a family member, or someone with whom you have a close personal relationship. If you engage in an activity or have a personal or financial interest that would cause a reasonable person to question your neutrality at work, you might be in a real, perceived or potential conflict of interest. It's not possible to list everything that might be a possible conflict of interest but when in doubt, ask.

Political staff also have an obligation to proactively disclose information regarding circumstances that may give rise to a real, perceived or potential conflict of interest so that any such conflict may be assessed and appropriately addressed. Effectively managing conflicts of interest is one of the primary ways that public confidence in the integrity of government is fostered and maintained.

### Three Types of Conflict of Interest

#### Real Conflict of Interest

A conflict of interest exists where an employee's actions or conduct could undermine or compromise the public's confidence in the staff member's ability to discharge work responsibilities or the trust that the public places in the Province of British Columbia.

#### Potential Conflict of Interest

A potential conflict of interest arises where an employee has private interests such that, while no conflict of interest has yet arisen, a conflict of interest would exist were the employee to become involved in discharging workplace responsibilities in the future that could be influenced by the private interest.

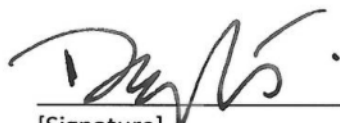

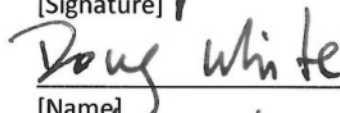

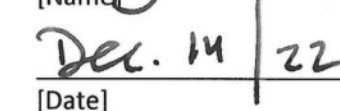

#### Perceived Conflict of Interest

A perceived conflict of interest can be said to exist where an employee's private interests would appear to a reasonable person to conflict with their job duties **even though there may not be an actual conflict of interest.**

### Disclosure

If you find yourself in a situation where you may be in a conflict of interest, or if someone suggests that you are in a conflict, you should seek advice from [Matt Smith, Office of the Premier](#). Seeking advice helps identify and resolve any possible conflicts of interest. Disclosing possible conflicts of interest protects the interests of the Province of British Columbia and protects you by ensuring you are meeting your obligations under the Standards of Conduct.

By signing this document, I acknowledge I have read and understood the contents of this document.

BETWEEN:

**Douglas Stephen White (the "Contractor")** with the following specified addresses:

Residence:

s.22

Business:

630 Shoreline Drive

Nanaimo, British Columbia V9R 5A1

AND:

**HIS MAJESTY THE KING IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA, as represented by the Premier (the "Province")** with the following specified address:

PO Box 9041, STN PROV GOV

Victoria, British Columbia V8W 9E1

The Province wishes to retain the Contractor to provide the services specified in Schedule A and, in consideration for the remuneration set out in Schedule B, the Contractor has agreed to provide those services, on the terms and conditions set out in this Agreement.

As a result, the Province and the Contractor agree as follows:

## **1 DEFINITIONS**

### **General**

1.1 In this Agreement, unless the context otherwise requires:

- (a) "Business Day" means a day, other than a Saturday or Sunday, on which Provincial government offices are open for normal business in British Columbia;
- (b) "Incorporated Material" means any material in existence prior to the start of the Term or developed independently of this Agreement, and that is incorporated or embedded in the Produced Material by the Contractor or a Subcontractor;
- (c) "Material" means the Produced Material and the Received Material;
- (d) "Produced Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are produced or provided by the Contractor or a Subcontractor and includes the Incorporated Material;
- (e) "Received Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are received by the Contractor or a Subcontractor from the Province or any other person;
- (f) "Services" means the services described in Part 2 of Schedule A;
- (g) "Subcontractor" means a person described in paragraph (a) or (b) of section 13.4; and
- (h) "Term" means the term of the Agreement described in Part 1 of Schedule A subject to that term ending earlier in accordance with this Agreement.

#### Meaning of “record”

- 1.2 The definition of “record” in the *Interpretation Act* is incorporated into this Agreement and “records” will bear a corresponding meaning.

## **2 SERVICES**

#### Provision of services

- 2.1 The Contractor must provide the Services in accordance with this Agreement.

#### Term

- 2.2 Regardless of the date of execution or delivery of this Agreement, the Contractor must provide the Services during the Term.

#### Supply of various items

- 2.3 Unless the parties otherwise agree in writing, the Contractor must supply and pay for all labour, materials, equipment, tools, facilities, approvals and licenses necessary or advisable to perform the Contractor’s obligations under this Agreement, including the license under section 6.4.

#### Standard of care

- 2.4 Unless otherwise specified in this Agreement, the Contractor must perform the Services to a standard of care, skill and diligence maintained by persons providing, on a commercial basis, services similar to the Services.

#### Standards in relation to persons performing Services

- 2.5 The Contractor must ensure that all persons employed or retained to perform the Services are qualified and competent to perform them and are properly trained, instructed and supervised.

#### Instructions by Province

- 2.6 The Province may from time to time give the Contractor reasonable instructions (in writing or otherwise) as to the performance of the Services. The Contractor must comply with those instructions but, unless otherwise specified in this Agreement, the Contractor may determine the manner in which the instructions are carried out.

#### Confirmation of non-written instructions

- 2.7 If the Province provides an instruction under section 2.6 other than in writing, the Contractor may request that the instruction be confirmed by the Province in writing, which request the Province must comply with as soon as it is reasonably practicable to do so.

#### Effectiveness of non-written instructions

- 2.8 Requesting written confirmation of an instruction under section 2.7 does not relieve the Contractor from complying with the instruction at the time the instruction was given.

#### Applicable laws and policies

- 2.9 In the performance of the Contractor's obligations under this Agreement, the Contractor must comply with all applicable laws, and any policies communicated by the Province regarding access to and/or attendance at facilities owned, controlled or occupied by the Province. For greater certainty and without in any way limiting section 13.4, the Contractor must ensure that all of its employees, agents and Subcontractors comply with all such laws and policies in their performance of any obligations under this Agreement.

### 3 PAYMENT

#### Fees and expenses

- 3.1 If the Contractor complies with this Agreement, then the Province must pay to the Contractor at the times and on the conditions set out in Schedule B:
- (a) the fees described in that Schedule;
  - (b) the expenses, if any, described in that Schedule if they are supported, where applicable, by proper receipts and, in the Province's opinion, are necessarily incurred by the Contractor in providing the Services; and
  - (c) any applicable taxes payable by the Province under law or agreement with the relevant taxation authorities on the fees and expenses described in paragraphs (a) and (b).

The Province is not obliged to pay to the Contractor more than the "Maximum Amount" specified in Schedule B on account of fees and expenses.

#### Statements of accounts

- 3.2 In order to obtain payment of any fees and expenses under this Agreement, the Contractor must submit to the Province a written statement of account in a form satisfactory to the Province upon completion of the Services or at other times described in Schedule B.

#### Withholding of amounts

- 3.3 Without limiting section 9.1, the Province may withhold from any payment due to the Contractor an amount sufficient to indemnify, in whole or in part, the Province and its employees and agents against any liens or other third-party claims that have arisen or could arise in connection with the provision of the Services. An amount withheld under this section must be promptly paid by the Province to the Contractor upon the basis for withholding the amount having been fully resolved to the satisfaction of the Province.

#### Appropriation

- 3.4 The Province's obligation to pay money to the Contractor is subject to the *Financial Administration Act*, which makes that obligation subject to an appropriation being available in the fiscal year of the Province during which payment becomes due.

#### Currency

- 3.5 Unless otherwise specified in this Agreement, all references to money are to Canadian dollars.

#### Non-resident income tax

- 3.6 If the Contractor is not a resident in Canada, the Contractor acknowledges that the Province may be required by law to withhold income tax from the fees described in Schedule B and then to remit that tax to the Receiver General of Canada on the Contractor's behalf.

#### Prohibition against committing money

- 3.7 Without limiting section 13.10(a), the Contractor must not in relation to performing the Contractor's obligations under this Agreement commit or purport to commit the Province to pay any money except as may be expressly provided for in this Agreement.

#### Refunds of taxes

- 3.8 The Contractor must:

- (a) apply for, and use reasonable efforts to obtain, any available refund, credit, rebate or remission of federal, provincial or other tax or duty imposed on the Contractor as a result of this Agreement that the Province has paid or reimbursed to the Contractor or agreed to pay or reimburse to the Contractor under this Agreement; and
- (b) immediately on receiving, or being credited with, any amount applied for under paragraph (a), remit that amount to the Province.

### 4 REPRESENTATIONS AND WARRANTIES

- 4.1 As at the date this Agreement is executed and delivered by, or on behalf of, the parties, the Contractor represents and warrants to the Province as follows:

- (a) except to the extent the Contractor has previously disclosed otherwise in writing to the Province,
  - (i) all information, statements, documents and reports furnished or submitted by the Contractor to the Province in connection with this Agreement (including as part of any competitive process resulting in this Agreement being entered into) are in all material respects true and correct,
  - (ii) the Contractor has sufficient trained staff, facilities, materials, appropriate equipment and approved subcontractual or other agreements in place and available to enable the Contractor to fully perform the Services and to grant any licenses under this Agreement, and
  - (iii) the Contractor holds all permits, licenses, approvals and statutory authorities issued by any government or government agency that are necessary for the performance of the Contractor's obligations under this Agreement; and
- (b) if the Contractor is not an individual,
  - (i) the Contractor has the power and capacity to enter into this Agreement and to observe, perform and comply with the terms of this Agreement and all necessary corporate or other proceedings have been taken and done to authorize the execution and delivery of this Agreement by, or on behalf of, the Contractor, and
  - (ii) this Agreement has been legally and properly executed by, or on behalf of, the Contractor and is legally binding upon and enforceable against the Contractor in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.

### 5 PRIVACY, SECURITY AND CONFIDENTIALITY

#### Privacy

- 5.1 The Contractor must comply with the Privacy Protection Schedule attached as Schedule E.

#### Security

- 5.2 The Contractor must:

- (a) make reasonable security arrangements to protect the Material from unauthorized access, collection, use, disclosure, alteration or disposal; and
- (b) comply with the Security Schedule attached as Schedule G.

#### Confidentiality

- 5.3 The Contractor must treat as confidential all information in the Material and all other information accessed or obtained by the Contractor or a Subcontractor (whether verbally, electronically or otherwise) as a result of this Agreement, and not permit its disclosure or use without the Province's prior written consent except:

## SELECTION PROCESS - Complete Part 2 for new contracts only. Do not complete for renewals or amendments. Select only one box.

## Open Process

- ☐ Request for Proposal (RFP) (100) RFP # \_\_\_\_\_  
Suppliers submit proposals on how, and at what price, they would provide a service.
- ☐ Invitation to Quote (ITQ) (100) ITQ # \_\_\_\_\_  
For priced based services only - you know exactly what you want done and are looking for the best price.
- ☐ Other Open Competitive Process (100)  
Identify process used: \_\_\_\_\_  
An open competitive process other than Request for Proposal or Invitation to Quote is used (e.g., Joint Solution Procurement, Invitation to Tender), normally by advertising the opportunity on BC Bid.

## Direct Process:

- ☐ Three Verbal or Written Bids (300)  
Only used for contracts less than \$25,000. A RFP or ITQ is required for contracts valued at \$25,000 or more. Documentation of bids must be kept on the contract file. Note: Obtaining verbal bids is not recommended unless if used, the process must be documented in writing and included in the contract file (e.g., communication between ministry and vendors).
- ☐ Direct Invitation to Selected Vendors (300)  
A competitive solicitation, for contracts \$25,000 or more, that is issued to a limited list of vendors and not advertised on BC Bid. If vendors are on a pre-qualification list, use category 401 below.  
Note: A RFP or ITQ is required by ministry policy for contracts valued at \$25,000 or more.

## Direct Award:

- ☐ Public Sector Organization (200)  
The contract is negotiated and directly awarded without competitive process because the contract is with another government organization.
- ☐ Sole Source (201)  
The contract is negotiated and directly awarded without competitive process because the ministry can strictly prove that only one contractor is qualified. A NOI is not required. Note: Evidence of how the ministry "proved" sole source must be documented in the contract file.
- ☐ Sole Source - Notice of Intent (205)  
The contract is negotiated and directly awarded without competitive process (a NOI is not a competitive process) because the ministry believes but cannot strictly prove that only one contractor is qualified and a Notice of Intent is posted. A NOI must be posted on BC Bid when a contract for services or construction valued at more than \$50,000, is to be directly awarded on this basis. Note: It is recommended that a NOI be posted for opportunities valued at \$25,000 or more that are being awarded on this basis.
- ☐ Security, Order, etc. (203)  
The contract is negotiated and directly awarded without competitive process because a competitive process would interfere with the ministry's ability to maintain security or order or to protect human, animal or plant life or health.

- ☐ Emergency (202)  
The contract is negotiated and directly awarded without competitive process because an unforeseeable emergency exists and the services could not be obtained in time by means of a competitive process.
- ☒ Confidentiality (204)  
The contract is negotiated and directly awarded without competitive process where the acquisition is of a confidential or privileged nature and disclosure through an open bidding process could reasonably be expected to compromise government confidentiality, cause economic disruption or be contrary to the public interest.
- ☐ No Justification (206)  
Where a direct award has been made which is not justified under one of the exceptional conditions specified in the Core Policy and Procedures Manual section 6.3.3 a (1) (i.e., 200 - 204), or a Notice of Intent was required but has not been issued, or it is provided for under another policy.
- ☐ Direct Award - Under \$25,000 (207)  
A direct award has been made for a contract less than \$25,000 and categories 200, 201, 202, 203 and 204 do not apply.

## Pre-qualification:

- ☐ Selected Vendor From Pre-qualification List (400)  
A contract that is issued to a vendor on a pre-qualification list without undertaking a competitive process. The process must be consistent with the rules publicized when the list was established.
- ☐ Purchase from a Corporate Supply Arrangement (600)  
A purchase from a pre-established corporate supply arrangement as identified in the Core Policy Manual section 6.3.2 a (1).

- ☐ Competition Among Vendors on a Pre-qualification List (401)  
A competitive solicitation that is issued to a limited list of vendors selected from a pre-qualification list. The process must be consistent with the rules publicized when the list was established.  
Check appropriate box to indicate which competitive process was used:  
☐ RFP ☐ ITQ ☐ 3 Verbal or Written Bids  
☐ Other (please identify): \_\_\_\_\_

The purchase is for services \$75K or less

- ☐ Excluded - Emergency (400)  
A purchase where an unforeseeable situation of urgency exists and the services cannot be obtained in time by means of an open procurement.
- ☐ Excluded - Security, Order, etc. (500)
