Lawmakers Urged to Take Meaningful Action Against Rise in Extremist Hate

House of Commons, Committee venue, Wikipedia
May 9, 2022

OTTAWA – A Member of Parliament from Manitoba has expressed shock with the growth of antisemitic incidents in Canada, as outlined in the 2021 Audit of Antisemitic Incidents, produced by B’nai Brith Canada’s League for Human Rights.(s.22 Fine but followers of Islam are being outright killed or left crippled. In Edmonton and Calgary in 2021 <https://groups.google.com/g/edm.general/c/ArNK5dKUw8A/m/qNVJRQujAQAJ> there were violent unprovoked attacks on Moslem women. <https://groups.google.com/g/van.general/c/5s9zgoW9mq0/m/hnH1wSuzAwAJ> Anti-Islam graffiti in Newton in 2021 made the CTV News. I have seen anti-Jewish graffiti but this was way worse in quantity and tone.)

Raquel Dancho’s remarks came last Thursday, while a pair of B’nai Brith officials testified as part of an expert panel invited at the House of Commons committee studying ideologically motivated violent extremism in Canada. The two were Michael Mostyn, Chief Executive Officer of B’nai Brith Canada, and Marvin Rotrand, National Director of the League for Human Rights.

B’nai Brith called on the Government to stress “hate” as much as “racism” in the drafting of its 2023-2026 Anti-Racism Strategy, and to fulfill its election promise to hold social-media platforms accountable for the content they host.

Much of the discussion focused on the rise in online hate in 2021, as people were largely confined indoors because of the COVID-19 outbreak. Many panelists, including those representing B’nai Brith, told Dancho and the MPs that online content creators are profiting from hate and misinformation. The panelists agreed that social-media companies are doing little to enforce their own platform rules and hate circulates freely online.

(s.22 Agreed but ironically I was kicked off Twitter the other day.

Mostyn also highlighted the case of Khaled Barakat, a Popular Front for the Liberation of Palestine (PFLP) terrorist leader who has been living in Canada, and urged the Committee to ensure existing Canadian laws are fully enforced against listed terrorist groups and their members. (s.22 Inclusive BC has noble aims but this taxpayer funded group employs the foreigner Katherine Bates married to terrorist Khaled Barakat it lists 29 employees but only 27 are shown on their website and she travels out of province a lot. She is not mentioned on their website. Is this organization deliberately using donations to it and taxpayer funds to fund terrorism? https://groups.google.com/g/van_general/c/EEPBAwRXlp4/m/6-v1nHgZBAAJ <https://www.linkedin.com/in/charlottekates/?originalSubdomain=ca> Communications Coordinator at Inclusion BC

Vancouver, British Columbia, Canada the wife of the terrorist leader says she has worked there for 11 years.

https://inclusionbc.org/wp-content/uploads/2021/06/2020-21_AnnualReport_Website_HighRes.pdf their fiscal disclosure is a joke 68% of its funding comes from advocacy does that mean soliciting the B.C. and federal govt municipal and city govts and every taxpayer funded org they can think of? Of course no actual dollar amounts are listed though they do admit spending 23% of what they get on administration. Charlotte Kates the wife of the terrorist leader who claims to work there 11 years appears nowhere on their website. 27 other ppl do. Someone is lying is there criminal activity?

Mostyn and Rotrand also urged the Committee to:

Improve high school curricula across the provinces, to ensure students are better educated on the Holocaust; (§.22 And what things will be removed from the curriculum to enable this? The Diary Of Anne Frank was mandatory reading in high school we were taught about the Holocaust in Grade 4. There were all sorts of books on WW2 in the school library not everyone likes to read or can effectively.)

Ensure the Islamic Revolutionary Guard Corps is immediately listed as a terrorist entity in its entirety; (§.22 Do this pronto.)

Have the International Holocaust Remembrance Alliance apply to Canadian funding rules for foreign or domestic NGOs. (§.22 Yes.)

In addition to testimony, B'nai Brith also provided a submission to The House of Commons Standing Committee on Public Safety and National Security

I note the Hell's Angels and the Mafia don't allow women or Blacks to be members and that they have killed more ppl on CDN soil than any foreign terrorist group by bombings. They have also extorted, sold child porn, illegal drug dealing, rape, b and e, arson, fraud, illegal gambling, bribed law enforcement, auto theft rings, pimping, contract murder so let us ban them as well. In parts of Australia it is illegal to show H.A.M.C. symbols in public.

Premier Horgan, I include a video from B'nai Brith Canada, in which it explicitly shows who is happily living in BC, a known terrorist against who nothing has been done.

Jews and non Jews in general would greatly benefit if this fellow were arrested and deported from this country.
