Hi Aileen!

I hope this finds you well. I had a visit with Bonnie on Friday in Vancouver and she told me of your new position in the premieres office. CONGRATULATIONS

That's so exciting and well deserved. I hope you are enjoying the gig so far. I am sure it's full of challenges but probably very rewarding.

We are picture locking the film right now and are submitting to Hot Docs, a premiere documentary festival in Toronto that runs in the spring.

We didn't end up using any of your interview for the film, but you make a brief appearance in the MOH office.

Here's a link!

Hi Aileen!  
I hope this email finds you well!  
The film is really coming together... Like every time I make a film there's a final hold out for appearance releases!  
Right now I am waiting on Demi Moore for one and Adrian Dix for this :) !  
I know his life has been a whirlwind, but for me to do my due diligence, I do need a signature.  
Dr. Henry suggested I reach out to you as someone who may be able to get this in front of him!  
Below is my correspondence with Theresa, we got close recently but not signed. Here's a list of signed participants  
I am happy to show Minister Dix clips of the film if that would help the process.

This is the release that all the subjects have signed, including former premier John Horgan, Reka Gustafson, Dr. Daniele Behn Smith, Dr. Bonnie Henry, Dr. Perry Kendall among others...

Happy to talk more or discuss anytime!

Hi Adrian,

I've moved over to the Attorney General's comms shop. I'm wondering if you can send a description of the documentary so I can send it to my supervisor?

Or let me know if you have a minute to chat about it. Thanks!
