Good morning Mr.Davison :

With all due respect, on behalf of a majority of employees working at Burnaby Youth Custody Services I, s.22

s.22 I am asking Public Service Agency, Ministry of Children and Family Development and BCGEU to use all of the available resources in achieving a fair and dutiful Temporary Market Adjustment for all Burnaby Youth Custody Services and Prince George Youth Custody Services Youth Correctional officers. A large portion of the BYCS and PGYCS employees have felt excluded and unfairly represented in the bargaining process by one of the parties, a TMA adjustment can be a fair resolution. Since a new data has been presented at rate of 15% retention, I believe that all 3 parties should immediately meet and renegotiate to give the Youth Correction Officers the same TMA raise as of for Adult Correction and Sheriff. This goal could possibly be met through close collaborations with all the representatives from the following agencies; PSA, MCFD, and the BCGEU union.

RESPECTFULLY ,
