Message Body:

Welcome to Information Access Operations (IAO) one stop shop for FOI reporting

The FOI Dashboards have been updated with the latest data.

FOI Reporting – Self-Serve

The Self-Serve Reporting Tool is available here.

· It allows clients to run their own file reports with data that is updated regularly and the option to produce in either Excel or PDF Format.
· You may need to login with your IDIR credentials to access the site.

FOI Data

Excel dashboards are available here.

· Analyst Workload Dashboard – data on open FOI requests by FOI Analyst
· Performance Dashboard – data on closed FOI requests
· Received Dashboard – data on open FOI requests

Additional Reports

Additional reports are available here.

· IAO Active Reviews Report – data on open OIPC Reviews
· Performance Report – data on Fiscal Year and Previous Year stats by file type, applicant type and public body

If you have any questions, concerns or comments about FOI Reporting, if you require access to the FOI Intel Site or wish to be included in this weekly email, please contact: FOI.Operations@gov.bc.ca.
