Please find a SOLE extension request for the Electoral Area "H" North of Princeton in the Regional District of Okanagan-Similkameen attached.

I have reviewed the extension request, and given the continued threat to life and property due to the current flooding event in the region, I am recommending that the extension be approved.

Thank you for your assistance.

Subject: DMC Meetings

Don would like to have a DMC meeting every Friday up to the end of August (8:30 – 10:00) with the exception of August 4 when s.22 . Many of you may be on vacation during this time and he does not want anyone changing their plans. With this in mind, the person acting on your behalf can attend DMC for these meetings.

The standing agenda will be:

- Cabinet direction report out (Don)
- Colleague sharing (only items that DMC members should be made aware of, it won't be a round table of all members)
- PSA Update (Lori)

Starting in September DMC will return to the first Friday of every month schedule and the no substitutions policy will be applied. Keira will send out the meeting requests shortly.

Thank you

Craig is hosting the Legislative Assemblies Business Continuity Network conference this year, and has Becky on the agenda from 9:30am to 10:30am on Monday, August 14 to discuss emergency preparedness in BC. Would you be able to confirm whether or not this is already in her calendar?

As requested, here is a formatted version of the draft response to s.22 based on the draft wording provided.

The draft isn't in eApprovals. I've updated the draft to have the standard opening sentence that is generally used, otherwise the draft has only been proofed.

Please advise if Becky has approved, and we can send as an email response from her DM mailbox (or send as a finalized letter if that is her preference).

Apologies Danielle

This request is a bit of a paper chase in that the request came to the PECC in time but was inadvertently missed in getting it to the DMO as per normal practice.

Today as we are reconciling our records this omission was caught.

Recommendation would have been to approve as the situation on that date was still relevant to maintaining the SOLE in place for the OSRD

For PJH I think fire centre and evac would work well. Looks like Minister Donaldson, Minister Farnworth and Parliamentary Secreatary Jennifer Rice will be in attendance as well.

I will note that for the PM's team.

Still learning who coordinates what so please let me know which peices of PG and flight scheduling I need to get on top of.

The charter company is Island Express and seats 7 (8 if we need to but not preferred). I will be in attendance.

Please note in the itinerary for feds that aerial tour will be pending suppression activity required in the area and will need BCWS approval (also we would provide an Incident Commander for their flight to provide expert commentary on situation and upcoming tactics.

Does PJH want to go to Fire center in PG and then evac? I can also have a few BCWS people at evac center if needed. Of course, they would love to have him at the fire center...

Hi Mary Sue,

I have recieved an update from the PMO this morning. Looks like the portion with the PM will only be in Williams Lake on Monday. Which means we have time to make it to Prince George. Below is timing for flights, please let me know what else you need from me to confirm the charter.

I also have two questions that the RCMP needs to know. They want to know the name of the Charter Company and where the Plane is starting its day. Thank you so much!

9:00 AM wheels down in Williams Lake
9:30 AM - PM Wheels Down
Travel to Command Centre
10:00 AM - Briefing with Officials
11:00 AM - Possible Meeting
12:00 PM - Aerial Tour
1:00 PM - PM briefing
2:00 PM - Media availbilty at airport.
3:00PM - PM Wheels up.

We would then want to head to Prince George as soon as we can. Spend a couple hours up there meeting wildfire officials and evacuee centree workers/volunteers. Then we would fly back to Victoria.

Sincerely,

Jarrett Hagglund

Thanks, Danielle.

There are a total of eight delegates, including Craig and Gary, who are part of this year's Legislative Assemblies Business Continuity Network conference. They are in Victoria for a couple of days, and their program then continues in Washington State. It appears that Craig and Gary have already mentioned this to Becky, so she will likely have an awareness of the group's purpose and goals.

We currently have Becky scheduled to present from 9:30am to 10:30am on Monday, August 14 in the Douglas Fir Committee Room at the Parliament Buildings. If this time is not convenient for Becky, please let us know. My colleague Jennifer Horvath will likely be able to rearrange the agenda slightly to accommodate Becky's schedule.

Let me know if you need any more information. Thanks again for your assistance.

Kind regards,

Artour

Hi Danielle,

Hope you are well. I'm sorry to be a bother while your office is in a very busy period, but I wanted to inquire whether or not an activity is in Becky's calendar. Craig is hosting the Legislative Assemblies Business Continuity Network conference this year, and has Becky on the agenda from 9:30am to 10:30am on Monday, August 14 to discuss emergency preparedness in BC. Would you be able to confirm whether or not this is already in her calendar?

Many thanks and best wishes.

Folks....I am attaching a list of Ministerial Assistants and Admn Coordinators and Support staff, along with Room numbers for your Ministers' offices. Contact information is not yet confirmed.

As discussed yesterday, there are a number of vacancies to be filled. Recognizing this, the Transition Team has asked us to look at deploying individual admn support staff to the Ministers office from your ADMs or Deputy Offices for the next few days or so, to help with the transition. This is a merely a temporary coverage issue and means no change in status for the employees. They will return back to your ministries. I will have a better sense of the numbers needed immediately by noon today.

Please identify those individuals who would be willing to myself and Chrissy Oliver as soon as possible.

Colleagues

Don has asked me to let you know that Ministers may have time Thursday afternoon after all so you may want to schedule introductory briefing time with your Ministers then. A gentle reminder from our conversation yesterday at DMC, "two ears and one mouth" – and striking an appropriate balance between telling and asking, and listening. I think it's great advice and it resonated with the

experience some of us had with new Ministers (although briefly) with the last Cabinet.

Subject: First Nations Leaders Gathering Info

Colleagues,

We are quickly approaching the 4th annual BC Cabinet and First Nations Leaders' Gathering (the Gathering), scheduled for Wednesday, September 6th & Thursday, September 7th at the Vancouver Convention Centre. There will be a networking session and reception on September 5th. It is strongly recommended that Deputies attend the reception.

Planning is well underway. Below you will find information to aid your preparation.

Overview of the Gathering

The Gathering is an opportunity for First Nations Leaders and Cabinet Ministers to directly discuss key issues and opportunities at the community level. The primary focus of the gathering will be meetings between Ministers and First Nations Leaders. Cabinet Ministers, and in some cases Deputy Ministers, will host one-on-one meetings over the two days of the Gathering. The Gathering will also include a series of speakers along with remarks from the Premier, the MIRR Minister, and leadership of the First Nations Leadership Council.

Agenda discussions are underway with the First Nations Leadership Council. More information will be provided to your office later this summer. The Gathering will be discussed at a Cabinet meeting. We will provide materials to Deputies and Ministers for that meeting.

One-on-one Meetings

A "save-the-date" was sent to First Nations leaders in April with the opportunity to respond early with requests for one-on-one meetings. MIRR will schedule the one-on-one meetings based on requests from First Nations, and will frequently be in contact with your Ministry. We will provide you a schedule of meetings and topics as information becomes available. The completed list of meetings will be available prior to the gathering, but we anticipate that many meetings will be scheduled at the Gathering itself.

In situations where Ministers are oversubscribed, one-on-one meetings may be scheduled with the responsible Deputy Minister or Parliamentary Secretary. Similar to the UBCM convention, meetings will be 15- or 30-minute increments (depending on whether the topic needs to take up two time slots).

As in previous years, in preparation for these meetings, it will be the responsibility of your Ministry to prepare any briefing materials for your Minister (no template will be provided) and to identify a scribe from your Ministry to take detailed notes during the one-on-one meetings. It is important that each Ministry accurately capture any commitments made in these meetings, as they will form the basis of follow-up letters that your Ministry will be required to send out to each First Nation. These commitments will be tracked over the next year.

If you have questions regarding your meetings with a First Nation, staff from your Ministry are encouraged to call the First Nation directly. MIRR will prepare community background details for all First Nations, but any other materials for meetings are the responsibility of your Ministry. Please feel free to touch base with Shawna French in my office if you require further information. Shawna can be reached at Shawna.french@gov.bc.ca or 250-356-6330.

Follow up to 2016 meetings:

At regular intervals since last year's Gathering, MIRR has reached out to your ministries to update the status of commitments that were made during one-on-one meetings in 2016. We have received status updates from all ministries and we will continue to work with your offices to ensure any gaps are filled. The last status update has already been requested of your staff and is due to MIRR by August 1st.

Actions for you:

Please identify a lead contact from your Ministry and provide that name to Shawna French by August 3rd. Shawna will provide that person with information leading up to the Gathering as well as your Ministry's requested meetings to date. Before your office sends the updated commitments from last year, I ask that you review and approve your updates and ensure the outcomes are clearly articulated where possible.

Please also assign a staff member to take clear notes in the one-on-one meetings. Please provide Shawna with that person's name, title, and phone number so that they can be contacted and briefed on their responsibilities. Please also provide Shawna with the names of any other staff from your Ministry attending to support and your Ministers office staff attending. None of these people will need to register online, we will take care of that for you.

Please book your accommodation for the gathering, as September is a busy month for hotels in Vancouver. There is a hotel room block being held at the Pan Pacific (across the street from

the Convention Centre) held until August 23rd on a first-come-first-serve basis. The reservation code and info are below:

The charter company is Island Express and seats 7 (8 if we need to but not preferred). I will be in attendance.

Please note in the itinerary for feds that aerial tour will be pending suppression activity required in the area and will need BCWS approval (also we would provide an Incident Commander for their flight to provide expert commentary on situation and upcoming tactics.

Does PJH want to go to Fire center in PG and then evac? I can also have a few BCWS people at evac center if needed. Of course, they would love to have him at the fire center...

I have recieved an update from the PMO this morning. Looks like the portion with the PM will only be in Williams Lake on Monday. Which means we have time to make it to Prince George. Below is timing for flights, please let me know what else you need from me to confirm the charter.

I also have two questions that the RCMP needs to know. They want to know the name of the Charter Company and where the Plane is starting its day. Thank you so much!

9:00 AM wheels down in Williams Lake
9:30 AM - PM Wheels Down
Travel to Command Centre
10:00 AM - Briefing with Officials
11:00 AM - Possible Meeting

12:00 PM - Aerial Tour
1:00 PM - PM briefing
2:00 PM - Media availbilty at airport.
3:00PM - PM Wheels up.

We would then want to head to Prince George as soon as we can. Spend a couple hours up there meeting wildfire officials and evacuee centree workers/volunteers. Then we would fly back to Victoria.

Sincerely,

Jarrett Hagglund
