We did pull together some messages generically on protests a few months ago. We can take a look and see if they will work for this or need to be tweaked.

PROTESTS

Province Response to Demonstrations:

- My job as Minister of Public Safety and Solicitor General is to ensure that an adequate and effective level of policing and law enforcement is maintained throughout BC to ensure the safety of the public.
- Please note that enforcement decisions, and individual investigations, occur at arm's length from government and we cannot interfere with, or direct police on such matters.
- However, we believe in a tolerant, welcoming and inclusive society.
- Our role in government is to create an environment in British Columbia where an inclusive and diverse population supports our communities.
- We recognize the public's right to engage in peaceful protests and lawful assembly.
- While the police will respect lawful protest they will also act pursuant to the Criminal Code of Canada and direction of the courts if necessary to address unlawful conduct.
- Again, police exercise their discretion independently of governments.
- Police are well trained and prepared to manage situations involving lawful protests, civil disobedience, and to protect life and property.
