Hi Nikki,

Just an FYI - this the first I'm hearing of this so I will need to speak to Liam and then the Minister when he is back in the country and that won't be until January 19th so I'm pretty confident in saying the first option is a no!

I'll probably cc you on my emails to Parveen if that's ok.

Good morning Michelle,

Please see the below chain regarding Minister Farnworth going to Saskatchewan to tour the RCMP Depot Division. It sounds like the expectation is that Mark attend as well, but I haven't had a chance to speak with him about it yet. Once you confirm that Minister Farnworth does want to travel to Sask, please work with Parveen and keep me in the loop.

Thank you!

Hi Nicole,

D/Commr. Butterworth-Carr and Minister Farnworth had a discussion at Police Honours Night in November 2017 regarding a possible tour of Depot Division.

The tour requires an overnight stay (2 nights). We have the following three possible dates:

January 28 - 30, 2018
February 25 - 27, 2018
March 18 - 20, 2018

Please could you advise as to which date works best for both Minister Farnworth and Deputy Minister Sieben's schedules/calendars.

Once a date has been finalized a formal invitation along with a detailed itinerary will be provided.

Thanks in advance.

Hi Michelle,

Thanks for setting up this meeting with Minister Farnworth and Chastity Davis. I really appreciate your help setting this up so quickly.

Regarding: British Columbia Commission of Inquiry into Missing and Murdered Indigenous Women and Girls Order

Purpose: Chastity has requested the meeting to give Minister Farnworth a “heads-up” and to **provide context** of a letter he will be receiving from a committee comprised of number of Indigenous organizations including the Coalition on MMIWG in BC and United British Columbia Indian Chiefs (UBCIC).

Content: There is a provision in the BC OIC Terms of Reference, s. 4(2)a, **“the BC Commission may not make a finding of misconduct against a person nor make a report that alleges misconduct by a person.”** According to this committee, the BC OIC is the only one, out of all the OICs created for this National Inquiry, that contains this section. The letter will recommend removing this section from the OIC.

Attending:

Chastity Davis (Chair of Minister’s Advisory Council on Indigenous Women - MACIW)
Dawne Mowbray (Secretariat to MACIW)

Greetings,

Constituent is looking for answers to three questions regarding cannabis regulations:

After much consideration of these facts, we (the other water users) need some clarification on the following questions:

1. Will the province be prepared to state regulations for legal grow operations by July 1 of this year?
2. Will a practical plan for enforcement by the RCMP — to curtail black-market grow ops — be in place and mandated by the BC government at that point? (if not by then, by *when* ?)
3. Is it certain that, when regulations are enforced (through searches, seizures, and arrests) the penalties imposed by the courts will be stiffer than the slight tap on the wrist that has been the practice in recent years? (if not certain, then is it highly likely?)

Bullets to me for following up with CO would be most appreciated unless you recommend something different.

Dear Ms. Conroy:

I live in s.22, north of s.22. As you'd probably know, my neighbourhood is an unincorporated area. My fellow licenced s.22 water users are dealing with one domestic water licensee who actually draws more water than his licence provides for — he has customarily used the water to supply his extensive greenhouse “grow op”. The RCMP have busted this individual several times, but he just goes back into business on his property (apparently, sometimes leaving the tending of the greenhouses to surrogates).

After much consideration of these facts, we (the other water users) need some clarification on the following questions:

Dear Honourable Adrian Dix,

I am writing in support of the many frustrated and outraged senior drivers in B.C. who, upon reaching the age of 80, are mandated by the B.C. provincial government to pay the yearly, unreasonable fees to doctors for an examination to determine if the senior patients are fit to continue driving. I am a 70 year old B.C. driver, and it makes me feel angry when I hear from my 80+ year old friends and acquaintances that they have to pay upwards of \$120.00, or more depending on the doctor involved, to get this examination. I know that there are many wealthy seniors residing in B.C. that can well afford these yearly fees, but there are many, many more seniors that are living on modest incomes who find this yearly fee a great financial burden. In addition to the costs involved, many seniors believe this is **blatant age discrimination**. I personally believe that the provincial government would be better served by retesting those convicted of impaired driving, excessive speed and distracted driving causing injury and death, or even road-rage incidents, and charging those people the fees for retesting. I am calling on you, as the Minister of Health, to bring about fairness and respect for our B.C. seniors. Thank you.

Minister,

I appreciate these are early days and lots remains to be worked out.

Please expand the zone of public spaces where marijuana smoke is not allowed. I do not want to be standing at a bus stop with smoke nearby. With edibles on the horizon, I would expect that this would be a substitute in public areas.

Perhaps the whole area of second hand smoke needs to be opened to consider the impacts on people nearby.

🙏 Thanks, s.22

To the Rt. Honourable Prime Minister Justin Trudeau, et al.

I voted for you Sir however, I now have two areas of considerable concern.

I am a retired ^{s.22} , and I am concerns over your decision on the legalize use of Marijuana. **Your plan must not go ahead until such time as a device to detect THC on drivers, can be made, tested, and proven effective.** Then it will need to be distributed to all Police. Forces right across the country, in particular their Traffic Units.

Then, and only then, can you and I feel that our law enforcement officers can be effective in policing the use of Marijuana.

^{s.22} was killed, ^{s.22} suffered many serious injuries. The accident was as a result of a young driver losing control of his car, he crossed four (4) lanes of traffic, before running it to ^{s.22} vehicle head on. Both drivers died instantly. I have no idea whether that young man was high on drugs or not.

I am also very concerned about your decision to Expand the Tinder Morgan Pipeline I think you were ill advised.

As I am sure you know Vancouver is located on the '**Ring of Fire**' and is therefore subject to **Earthquakes**, some have predicted that '**The Big One**' is inevitable. I'm also sure you know that our BC mountains were formed as a result of Plate Tectonics. **Therefore, does it not seem likely to be an 'Extremely Poor Place to build a Pipeline' that will terminate at storage tanks, located right on the Burrard Inlet?**

Please see the following web page re: - **Canada standing as one of the World's Worst Polluting countries.** The cranking up Ft.

MacMurray's oil production can only destroy your desire for **Canada** to be recognized as an environmentally friendly country.

https://en.m.wikipedia.org/wiki/List_of_countries_by_carbon_dioxide_emissions

Please note that **Canada** is ninth on the list of polluting countries...(That puts **Canada** in the **TOP TEN WORST POLLUTING COUNTRIES - RIGHT?**). We can do much better.

On the far right, you can see that we are even higher, **5th WORST on the PER CAPITA LIST** behind United-Arab-Emirates, Australia, Saudi-Arabia, USA then **Canada**.

(You can confirmed my results by slowly moving the scrubber at the bottom of your page, to the right.)

We can do much better Sir,

Scrap the Tinder Morgan Pipeline expansion.

Beautiful BC does not want it. We are making every effort for a cleaner B.C. Enviornment. Helping the Canadian Government achieve their Paris Accord.

Premier Rachel Notley says that the Tinder Morgan project is in the Best Interests of Canada. I believe that what she really means is that it is in the best interests of ALBERTA. In an effort to keep a few huge polluting trucks hauling bitumen.

Please see a 2017 study: **Alberta's oil sands crude: the science behind the debate. At -**

<https://www.theglobeandmail.com/report-on-business/industry-news/energy-and-resources/albertas-oil-sands-crude-the-science-behind-the-debate/article11837683/>

I am not sure why your **Minister of Natural Resources, James Gordon Carr** was so defensive, so rude to **Chris Hall on Power and Politics** on Thursday Feb. 1st 2018.

Will the federal government step in on the B.C. - Alberta pipeline feud?

Good morning,

After following up with the CO on this inquiry, I received the attached response.

Summing up, the CO and the constituent are looking for the additional information relating to s.22

In the information that MLA Sturdy has received from s.22 she claims that there are no charges attached to the four offences listed on her case file.

It would be very helpful for MLA Sturdy if we could understand the chronology of events with s.22 complex case and also receive rulings related to her case so that we can assist her in understanding those ruling more clearly.

If you require any further information from me, please let me know.

Hello Talea

Thank you for your response to my enquiry.

s.22 provided our office with a letter she received from the Ministry dated January 5, 2018 which outlines the steps – as below in your email for her to complete the Remedial Program.

I understand from s.22 that she is now registered in the 16 hour program – no confirmed start date yet.

In the information that MLA Sturdy has received from s.22 she claims that there are no charges attached to the four offences listed on her case file. I believe these rulings were determined after a seven month review period following s.22

It would be very helpful for MLA Sturdy if we could understand the chronology of events with s.22 complex case and also receive rulings related to her case so that we can assist her in understanding those ruling more clearly.

I was under the impression that a chronology of her case would be provided from staff for MLA Sturdy's reference so that the steps and interactions s.22 has had with the Ministry would be more clear. Our aim is to assist her to take the correct steps to complete the program and she may have misunderstood what was required in the past.

Can you provide an update on the timing for this summarized information?

Many thanks for your assistance with this enquiry,
Nicola

Hi Nicola,

Your request regarding s.22 was forwarded to me. I received the following as next steps for s.22 to follow.

As s.22 driver's licence was cancelled for not complying with the terms of her referral letter, her driver's licence will remain cancelled until the Responsible Driver Program has been completed. Upon completion of the RDP, RoadSafetyBC will notify s.22 in writing if she has completed the RDP to the satisfaction of the Superintendent and advise her of her licensing status, and provide next steps including s.22 required participation in the IIP.

We understand s.22 currently has an Ignition Interlock device installed in her vehicle. s.22 is currently not eligible to participate in the IIP as she has not yet completed the RDP. s.22 can contact Smart Start to arrange to have the ignition interlock device removed from her vehicle. She may do this by contacting Smart Start at 1-844-432-4776.

If you have any questions on any of the above information, please contact me.

Hello Erin

Thank you for your time on the phone.

I am enquiring for s.22
License s.22

The original documentation sent to s.22 is attached as is the Consent Form.

s.22 would like to have an approval for a restricted license so that she can drive while taking the RDP course which she is registered for. She is waiting for Stroh Health Care to advise her as to which course she has to take.

s.22 also already had an interlock device installed in her vehicle and is paying for this device without being able to accumulate months towards the 18 she is required to have it in her vehicle.

The length of time that has transpired since she first received a letter from Road Safety BC was extended due to a nine month response time for an appeal despite the Ministry aiming to respond to people within 21 days.

If you would be able to review s.22 file and please let me know whether it would be possible for her to obtain a restricted license while she completes the course – if there's anything she could do to facilitate this request.

Thank you
Nicola

Hi Leah,

Thanks for double checking the contact info in CLIFF for us. As we don't have individual contact info, here's our reasoning to info file these batches:

The attached emails were all sent from 'info@camcd.ca' (Canadian Association of Medical Cannabis Dispensaries), which means people were likely directed to the CAMCD website by their local dispensary to show support for no-colocation and for private retail – both decisions the Province has supported and publicly announced since the emails were sent.

Additionally, the Secretariat is in close contact with the CAMCD. We've coordinated a meeting with them and the LCLB this Friday to tour Vancouver dispensaries.

All that said, it seems redundant to spam them with template responses to the form letters.

Please let me know if you need any more info.

Thanks!

Hi Leah,

Thanks for double checking the contact info in CLIFF for us. As we don't have individual contact info, here's our reasoning to info file these batches:

The attached emails were all sent from 'info@camcd.ca' (Canadian Association of Medical Cannabis Dispensaries), which means people were likely directed to the CAMCD website by their local dispensary to show support for no-colocation and for private retail – both decisions the Province has supported and publicly announced since the emails were sent.

Additionally, the Secretariat is in close contact with the CAMCD. We've coordinated a meeting with them and the LCLB this Friday to tour Vancouver dispensaries.

All that said, it seems redundant to spam them with template responses to the form letters.

Please let me know if you need any more info.

Thanks!

I think the writers concern was that Crown "will not be pursuing criminal charges against the driver". The AG has addressed the writer's concerns and has advised he has shared his ideas with the SG for consideration. I don't think the writer would be expecting a further response. From reading the articles online the family is disappointed that criminal charges are not being pursued.

Dear s.22

I am responding to your email of November 14, 2017, regarding the charges approved against Mr. Michael Wing Sing Fan.

I appreciate the concerns you have outlined in your email. However, as Attorney General, it is generally not my role to become directly involved in individual cases, and as the matter is before the court, I cannot provide any comment at this time.

The BC Prosecution Service (BCPS) is responsible for the conduct and supervision of criminal prosecutions in British Columbia. It may assist you to know that, as part of the BCPS, Crown Counsel act as agents for the Attorney General when approving charges and conducting prosecutions. In completing a charge assessment, Crown Counsel are guided by [policy CHA 1](#) and impartially assess the investigative file that is brought to them, carefully balancing all relevant factors in light of the available evidence, the governing *Criminal Code* and *Motor Vehicle Act* provisions (as informed by the relevant case law), and their assessment of the public interest as agents for the Attorney General of British Columbia.

The charge assessment process can be complex and must be conducted carefully. In completing it, Crown Counsel are obliged to fairly, independently, and objectively examine all the available evidence to determine whether there is a substantial likelihood of conviction and, if so, whether the public interest requires a prosecution. Crown Counsel have considerable discretion in carrying out their duties. Their independence ensures that decisions are made without external influence.

In your letter, you also outline your concerns and suggestions regarding penalties for driving offences which fall under the *Motor Vehicle Act*. It is RoadSafetyBC, within the Ministry of Public Safety and Solicitor General, that is responsible for road safety in British Columbia. This agency works with a network of partners and stakeholders to consider and develop road safety best practices, and to identify, develop, and share knowledge resources. I have shared your correspondence with the Honourable Mike Farnworth, Minister of Public Safety and Solicitor General, for his consideration.

One of the provincial government's primary objectives is to promote a high level of safety for all road users on British Columbia's roads and highways. This is especially important for vulnerable road users, such as cyclists.

I appreciate the time you have taken to communicate your thoughts on these matters. Thank you for writing.

Yours truly,

David Eby, QC

Subject: Brad Dean

Dear Minister Eby,

I am writing to you in your capacity as the Attorney General of British Columbia regarding the case of Brad Dean. Brad was killed on the morning of November 6, 2016 while bicycling in Richmond when a car crashed into him. Two others he was riding with were also seriously injured in the incident. News reports in the last week have stated that Crown Counsel will not be pursuing criminal charges against the alleged car driver, Michael Wing Sing Fan. I am very disappointed to hear this, and I ask that you review this case and take action to reduce dangerous and negligent driving in the province.

Based on news reports and retellings by multiple eyewitnesses, Brad was riding safely and legally with a group of five other cyclists along River Road when a car crossed the double yellow centre line of the road and crashed into them head on. The collision killed Brad and seriously injured two others in the group. Further reports have suggested that the alleged driver, Mr. Fan, had been up all night at one of this province's casinos prior to the incident, and that criminal charges were recommended by Richmond RCMP.

Brad is survived by his wife, his parents, and a daughter who was born after his death. s.22

s.22

His loss was felt very deeply by the Lower

Mainland cycling community. As a consequence for causing such an enormous amount of suffering and pain, Mr. Fan only faces a non-criminal charge of driving without due care and attention under the BC Motor Vehicle Act. From what I understand, this carries a penalty of at most \$2000 or six months in jail, with the latter possibility extremely unlikely given legal precedent. Even with the maximum possible penalty, these non-criminal charges do not come anywhere close to addressing the severity of what happened that day.

When an incident as clear-cut as this one - in which a person was killed and two more were seriously injured and multiple eyewitnesses saw what happened - fails to reach the level of a criminal charge, something is very wrong. Dangerous, aggressive, and negligent driving is accepted as commonplace, and the levels of enforcement and punishment (typically a fine and a few demerit points) do not reflect the potential consequences of this behaviour. Brad's was only one of many of unnecessary and preventable deaths that occur every year in the province as a result of this acceptance.

As Attorney General, I ask that you review the case of Brad Dean. I also ask that you use your power to reduce dangerous and negligent driving in this province. The recent increase in penalties for distracted driving is a good start, but much more needs to be done in the form of enforcement, legal consequences, and infrastructure to protect all road users. Please do not hesitate to contact me if there is anything I can help with.

Sincerely,

s.22

Dear Minister,

I am writing to request a meeting with yourself or your staff regarding the issue of cross-gender monitoring in BC police/city cells.

Over the years I have become more and more concerned about the issue of guarding in city and police cells. When there was the incident in Kamloops in 2010, I was living in s.22 where we had been able to maintain same gender monitoring; now with Nanaimo being the final municipality to do away with same gender monitoring of folks in cells I am becoming determined that this needs to change BC wide.

While we were able for a time to maintain ethical practices in Nanaimo, we were remiss in not raising this further provincially. I am now living in s.22 and have time and energy to dedicate to this issue and am wanting to correct my earlier oversight.

In these early stages I am searching out allies, as well as determining where the more powerful stakeholders stand on this issue.

I realize that this is a municipal issue; and yet, there is lots of overlap. This is after all a human rights issue and a policy that is somewhat in contravention of a UN declaration. Again, I realize this is complicated in many ways, and yet, given the #metoo campaign and the liability that cities are leaving themselves open too, one I would think could rebound to both provincial and federal governments – the time feels right to bring attention to this issue. (Not even mentioning that indigenous women are proportionally over-represented here, and how that factors into our willingness to address issues of harm there – disregard of human rights is surely one of the stepping stones that leads to women being murdered and going missing).

Presently I am addressing this issue as a private citizen and not in any other capacity.

I look forward to hearing from you.

Sincerely

Minister Farnworth,

I appreciate your reply. My associate and I are both concerned about the impact of illegal dispensaries and street sales that Victoria has allowed to flourish. We are involved in legal applications for legitimate production and sale of legal cannabis products. Illegal activities obviously adversely affect legitimate and costly production facilities. As we are both very involved in these processes and have been since the inception of the original MMPR program we would be more than happy to offer our expertise at no charge to your government. Dear s.22

Thank you for your email of December 6, 2017, expressing your views about the existing illegal dispensaries. As the Minister responsible for leading the Province of British Columbia's planning for the safe implementation of legalized cannabis, I appreciate you taking the time to bring your concerns to my attention.

As you mention in your email, the Province has announced that the wholesale distribution model will be government-run by the Liquor Distribution Branch. While the Province anticipates establishing a retail model that includes both public and private retail opportunities, the full framework has yet to be determined. The provincial government will continue to conduct policy work regarding the retail framework, including considerations for how to address existing cannabis dispensaries, and will announce further details in late January or early February.

To ensure you have the latest information regarding the Province's approach to non-medical cannabis regulation, please visit: <https://news.gov.bc.ca/subscribe>. Here you can subscribe to receive news from the Ministry of Public Safety and Solicitor General, which is responsible for the Cannabis Legalization and Regulation Secretariat within the Policing and Security Branch. Information updates are also being posted at: <https://www2.gov.bc.ca/gov/content/safety/public-safety/cannabis>.

You may also be interested to know that Health Canada has launched a public consultation on the proposed federal regulatory approach for Bill C-45 (the *Cannabis Act*). The public consultation seeks input on a range of topics, including licensing, security requirements for producers and their facilities, product standards, labelling and packaging, access to cannabis for medical purposes, and health products containing cannabis. More information on how to participate can be found at: <https://www.canada.ca/en/health-canada/programs/consultation-proposed-approach-regulation-cannabis.html>.

Understanding the views of citizens across British Columbia is of significant importance as the policy work for the development of a provincial regulatory framework moves forward.

Thank you again for writing.

Mike Farnworth

Hello,

I'm writing to you in regards to the above issue which I had previously brought to your attention. I have not heard from any of your offices and now this has resulted in a privacy breach as noted in the attached letter.

I had requested a criminal record check for vulnerable sectors for s.22 and I received the following letter in the mail. This letter indicates that I have a criminal conviction for a relevant and/or specified offence as specified in the Act. However, I want to point out that I do not have a criminal record and this letter indicates otherwise which has caused me personal and professional issues given the nature of what it implies. s.22

s.22

Legislation notes that "If the registrar determines that the individual who is the subject of the criminal record check has an outstanding charge relating to a relevant offence or specified offence or has been convicted of a relevant offence or specified offence" then a determination is made. However, as noted I do not have a criminal record or conviction for a relevant or specified offence. In addition, the B.C Guideline for Police Information Checks notes – Record suspension (Pardoned) records and certain youth records will not be noted on this record check except for record suspension (pardoned) sexual offences relating to a vulnerable sector inquiry.

I want a new letter issued noting that I do not have a criminal record emailed to me by the end of the business day otherwise I will contact the Privacy Commissioner, the Canadian Human Rights Commission, and consult with a lawyer as planned. I have cc'd the Parole Board of Canada as they can confirm I do not have a criminal record as noted and I have previously communicated with Ms. Lavigne regarding this issue.

If you would like to discuss this issues please call me ASAP at s.22

I look forward to your response.

Good Morning

This message was sent to the In Box of the Deputy Minister for Emergency Management in error.
I am assuming the Criminal Records Act falls under JAG so you may have already received this from the other offices emailed.
I just wanted to be sure that someone was responding.

Thank you.

Importance: High

Hello,

I'm writing to you in regards to the above issue which I had previously brought to your attention. I have not heard from any of your offices and now this has resulted in a privacy breach as noted in the attached letter.

I had requested a criminal record check for vulnerable sectors for s.22 and I received the following letter in the mail. This letter indicates that I have a criminal conviction for a relevant and/or specified offence as specified in the Act. However, I want to point out that I do not have a criminal record and this letter indicates otherwise which has caused me personal and professional issues given the nature of what it implies.s.22
s.22

Legislation notes that "If the registrar determines that the individual who is the subject of the criminal record check has an outstanding charge relating to a relevant offence or specified offence or has been convicted of a relevant offence or specified offence" then a determination is

made. However, as noted I do not have a criminal record or conviction for a relevant or specified offence. In addition, the B.C Guideline for Police Information Checks notes – Record suspension (Pardoned) records and certain youth records will not be noted on this record check except for record suspension (pardoned) sexual offences relating to a vulnerable sector inquiry.

I want a new letter issued noting that I do not have a criminal record emailed to me by the end of the business day otherwise I will contact the Privacy Commissioner, the Canadian Human Rights Commission, and consult with a lawyer as planned. I have cc'd the Parole Board of Canada as they can confirm I do not have a criminal record as noted and I have previously communicated with Ms. Lavigne regarding this issue.

If you would like to discuss this issues please call me ASAP at s.22

I look forward to your response.

Your logistics of the meeting are correct. Please check in with security at the front entrance of the legislature and they will provide you with visitor passes and point in the direction of the Hemlock room which is #116.

Hi Michelle,

Thank you again for helping arrange a meeting with Minister Farnworth. Our group is really looking forward to meeting with him and raising these important issues.

To recap - we are meeting with Minister Farnworth on Monday, March 5 from 10:15am to 10:45am in the Hemlock Room.

The focus of the meeting is the health and safety of women in our communities and in workplaces, with a particular focus on sexual assault services for women, domestic violence in the workplace language, and sexual assault and harassment at work. We will be preparing background documents for the Minister on these topics.

I have attached the list of women participating in the meeting.

Please feel free to contact me if you need anything else in advance of March 5.

Thanks again.

Would that work for MP Donnelly?

Leah, on Friday my Unit received a request for rush draft for SG signature on an incoming piece of correspondence from s.22. My Unit spoke with s.22 in September 2017. Her concerns at the time were the same as those concerns raised in her recent letter. s.22 advised that she had contacted the Maple Ridge RCMP and the Public Complaints Commission which is exactly what we normally advise. My staff provided further advise on possible avenues to address her concerns.

We are drafting an SG response however given that s.22 has taken all the steps we will be advising the urgency in this response has diminished. I am requesting that the return date for this response be extended.

Leah, on Friday my Unit received a request for rush draft for SG signature on an incoming piece of correspondence from s.22. My Unit spoke with s.22 in September 2017. Her concerns at the time were the same as those concerns raised in her recent letter. s.22 advised that she had contacted the Maple Ridge RCMP and the Public Complaints Commission which is exactly what we normally advise. My staff provided further advise on possible avenues to address her concerns.

We are drafting an SG response however given that s.22 has taken all the steps we will be advising the urgency in this response has diminished. I am requesting that the return date for this response be extended.

Tom

Dear Minister Farnworth,

RE: BC CONSTRUCTION ASSOCIATION (BCCA)

Welcome, and congratulations on your appointment as Minister of Public Safety and Solicitor General and Emergency BC.

BCCA is a non-partisan organization representing both open-shop and union employers across BC's industrial, commercial, and institutional construction sector: we represent the contractors responsible for creating and maintaining the large infrastructure projects across the province. Collectively we serve more than 12,000 employers in some capacity through our network of programs, services, and regional members.

Our strategic plan places an emphasis on the health and safety of the construction workforce, which numbers 225,000 at its core.

Given the size and skillset of the construction workforce, it could be a powerful ally in the event of a catastrophic event. A formalized preparedness and response connection to the province's carpenters, electricians, and other skilled tradespeople could prove an invaluable resource.

BCCA is here to work with you to achieve your goals in partnership with industry. I believe there is a significant opportunity for our construction professionals to contribute to emergency planning, preparedness, response and recovery.

I hope we have the chance to meet soon and I will follow up with your team accordingly.

Sincerely,

Chris Atchison

Good morning,

Thank you for your email of January 17, 2018.

The Minister would be happy to meet with you and your Associations President, Tom Stamatakis.

Due to the House sitting, the Minister is not able to leave the Legislature throughout the week, so I would have to arrange for a meeting at our office.

Would you have time on April 9th at 3:00pm?

Please advise if this time and location is possible. If so, I would ask that you send a brief summary of the topics you would be discussing at this meeting.

Thank you!

Hey Sara,

Sorry to send this back.

All invoices have to be paid separate. This is to ensure there aren't any double payments (our system flags duplicate invoice numbers)

The STOB for this expense is 6502. 6531 is for Business Expenses such as meeting refreshments.

Can you please fill out two invoice coding sheets (one per invoice) and send back. Also, BEAs are not for this type of expense so that will need to be cancelled in the system. When a BEA is needed, we use the paper form that can be found on the MOSS website not the e-form.

Let me know if you have any other questions.

Hey Glen – Hope you're doing well. I'm just following up on my request for a meeting with Mike at our annual FF's Legislative conference in Victoria in March.

The meeting request date is for the morning of **Tuesday, March 13**

Also a reminder for Mike is the reception the previous evening on Monday, March 12 at the convention hotel located right next to the Legislature. It would be great if you could make it over to Victoria to hang out & have a couple of beers with us as well.

If you could please confirm my appointment time with Mike we can make our travel arrangements for getting home that day.

Thanks Glen

Good Morning,

I've uploaded this file to PLOS in the "**March 7 – Cabinet**" folder, under "**SG_AG OIC – s.12**"

Unfortunately we're under some pretty tight timelines here – it has to go back to the Deputy AG and the AG for approval to make the Feb 20 deadline to Cab Ops.

Please have Minister Farnworth sign the 2 Regulatory forms, and the cover sheet.

The AG signs the actual OIC, but Minister Farnworth is to speak to this at Cabinet.

Hi Sara,

I have another response to draft on behalf of the Minister and I was wondering again if there are any meetings planned between himself and Dean Purdy on this topic? I read a news article this morning about a recent staff assault at the Okanagan Correctional Centre and the article stated:

Farnworth will be meeting soon with Purdy to discuss issues including violence and staff-to-inmate ratios at correctional facilities in the province.

I was wondering if this meeting might be including wages and, if so, if you know when it might be happening?

Dear Honourable Mr. Farnworth;

Thank you for your reply regarding wage and retention issues concerning Component 1 Corrections & Sheriffs members.

This letter is in response to your video address to the Component 1 conference, November 23, 2017, where you indicated you were going to be consulting with the Minister of Finance as to the feasibility or possibility of receiving a Temporary Market Adjustment (TMA) for Component 1 members.

Myself and many Correctional Officers are wondering if you have an update on where we are at since our BCGEU Component 1 Chair Dean Purdy submitted a detailed proposal outlining the reasons why wages must be addressed in Corrections?

Hi Sara,

Thanks for your patience while I waited to hear back from our policy analysts.

In addition to discussing the key priorities of the organization as mentioned earlier, our UBCM Executive members will be looking to discuss priorities of our Community Safety committee with Minister Farnworth. These include:

- **Legalization of Cannabis:** Would like to discuss how well the Province has worked with local governments thus far. Recent announcement was consistent with nearly all of UBCM's recent recommendations. There are not many provinces with a similar working group/feedback structure.
- **RCMP Labour Relations:** How does the Province plan to adapt to unionization, and ensure policing is affordable for communities. Is there a way for local governments and local interests to be represented at the table?

If there is any additional time, we may wish to receive an update on the 911 Call Answer Levy, and discuss how the Province and UBCM can partner to improve communication around policing, given its complexity (initiatives we have discussed in the past include webinars, province-wide teleconferences, presentations at upcoming UBCM conventions).

I hope this information helps, but please do not hesitate to contact me should you have any

further questions or concerns.

Best,

Sasha

That's great, Sara, thanks. I have booked the 45 minute meeting from 3:30pm-4:15pm on Wednesday, February 21.

As part of their meeting, the Executive will raise awareness of, and start some dialogue on, current key priorities of the organization. These priorities are related to housing, infrastructure and mental health. We would also like to discuss priorities of UBCM's Community Safety committee - these discussion points are being finalised and I will send them to you as soon as I hear back from our policy analysts.

I'll be in touch when I have the details for you.

We would be happy to meet with Minister Farnworth in your office at 3:30pm on Wednesday, February 21st. Does the Minister have time for a 45 minute meeting, or only 30 minutes? Can you confirm that the office number is room 128 in the Legislature?

Good morning Jared,

Thank you for your email of January 21, 2018. I am writing to arrange a meeting with Minister Farnworth and your Executives.

The Minister has some availability in the afternoon of February 21, could we arrange a meeting at 3:30pm? Due to the House sitting, the Minister is not able to leave the Legislative building. Could we hold this meeting here at our office?

Please let me know if this time and location work.

Dear Mr. Lawson:

I am writing to you with the hope that you may be of some assistance in scheduling a meeting between Minister Farnworth and members of the Union of British Columbia Municipalities Executive.

The Union of British Columbia Municipalities will be holding its February 2018 Executive meeting in Victoria from February 21st to the 23rd. As part of their meeting, the Executive will be meeting with Members of the Legislative Assembly to raise awareness of, and start some dialogue on, current key priorities of the organization. These priorities are related to housing, infrastructure and mental health.

We would be looking to arrange a thirty (30) to forty-five (45) minute meeting between Minister Farnworth and three to four members of our Executive to discuss these three priorities as well as the priorities of UBCM's Community Safety Committee.

I would be most appreciative if you could let me know if Minister Farnworth is available to meet on the afternoon of February 21st or anytime on February 22nd.

If these dates do not work, please let me know, as we may be able to schedule a meeting outside of our regular Executive meeting.

I thank you in advance for your consideration of this request, and I look forward to hearing from you.

Kind regards,

Jared Wright

Good afternoon Geraldine,

I am receipt of your request for a meeting between Bill Miller, Gerry Thiessen, Dwayne Lindstrom and Minister Farnworth to discuss the Emergence Extrication Contribution Bylaws as raised in your email of February 5, 2018. My apologies for not responding sooner but there is a large backlog of requests.

Due to the House sitting, the Minister is not able to leave the Legislature from Monday thru Thursdays so I would have to schedule something in Victoria unless you would prefer to meet in Vancouver, which he is available to meet in Vancouver on Fridays.

Please advise your preference of locations, along with names and titles of all staff that will be participating in the meeting.

Good Morning Mr. Farnworth,

Greatful Med Cannabis Society would like to extend to you an invitation to visit our shop and to see it's value as a model for BC cannabis shops. Our shop is an expression of the community in Mt Pleasant and worth seeing, we resemble the comfort and ease and interactions similar to European pubs. Your visit would also help us to hope that politicians actually care about individual citizens who collectively have contributed greatly to the BC economy through the cannabis industry.

I personally was impressed to hear you state in recent interviews that British Colombians had spoken loudly, clearly and in great number that we do not want Cannabis sold from liquor stores. Thank you for acknowledging the voice of the people on this issue. Imagine my mistrust and disappointment at hearing the BCLDB advertising to control cannabis as it is rolled out in BC!

Who is paying for these ads?

I have attached our response to the Federal Governments proposals for you again.

I hope to hear from you in regards to the ad campaign leveled against the wishes of the people and I hope you choose to acquaint yourself with us here at 211 East 16th Ave. Let us show you what a star BC cannabis is and the long time value (not just monetary for the big\$\$\$ players!) but the value it brings to us as bigger players in this place we call Canada and home.

Sincerely,

Ellen Hendrix

Hello Nikki

The Minister was invited to speak and attend the BC Association of Police Boards Conference and Annual meeting. The Minister is not able to attend and Michelle asked me to give regrets. I heard back from the Administrative Assistant, Stacey Perri, who asks if we can recommend an alternate representative to provide welcoming remarks on April 5th at 7:00pm. Is this something Mark or Clayton would do? We weren't sure.

I have attached the original letter and the cliff number is **541242**.

Please advise if this time and location is possible. If so, I would ask that you send a brief summary of the topics you would be discussing at this meeting.

Hello Everyone,

The applicant has confirmed he would like to reduce the time frame of the request to November 1, 2017 through November 15, 2017, so the new description reads:

All records in the Minister's Office and the Deputy Minister's Office related to the decisions on cannabis regulation as announced

Tuesday, December 05, 2017. (Date Range for Record Search: From 11/01/2017 To 11/15/2017)

Please resume gathering of the records. The request is now off hold and the new legislated due date is March 20. **Please provide the records by February 21st**. I have attached a revised form for your reference.

If you have any questions, let me know.

Thank you,

Kelly Morita 250 356-2030

Subject: Call for Records PSS-2018-80457 Due February 8, 2018

Hello, I am not including the Cannabis Secretariat, as this request is only directed to DM and MO offices. Thanks.

Please find attached a Call for Records form that is electronic, fillable and saveable. The form has active links and pull-down menus. Please send your records **in one PDF document**, to the Justice/Social mailbox at justice.social.foi@gov.bc.ca. Thank-you.

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

All records in the Minister's Office and the Deputy Minister's Office related to the decisions on cannabis regulation as announced Tuesday, December 05, 2017. (Date Range for Record Search: From 11/01/2017 To 01/26/2018).

Please contact the analyst assigned to this request if you have any questions – **Kelly Morita (250) 356-2030**.

What Do You Need to Do?

Please complete the attached Call for Records form.

- ***If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages***, complete only Sections 1 & 2 of the Call for Records Form as we may be in a position to issue a fee estimate. Then, return the form to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by February 2, 2018. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, you will be contacted to continue the call for records process. You will also be advised you if the request is abandoned and/or closed.
- If no fees apply then proceed with the call for records process. Please complete the attached Call for Records Form and return it to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by February 8, 2018. Send records via email in PDF format. One PDF document is preferable. If email is not possible, please send the records in electronic format (CD, memory stick) via house mail with a copy of this note.

Reminder

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Questions and Concerns

Please do not hesitate to contact your analyst noted on the attached Call for Records form to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees;
- and/or any other questions or concerns relating to this request.

Yes we can arrange for staff. The calendar access is with Mark. For now you should be able to see "busy/free" though, right?

3pm on Monday, April 9th is not ideal for Mark or Clayton as we have PSSG Exec meetings from 2pm – 4:30pm. We could do 10:30am right before our scheduled weekly meeting time when Mark will already be down there? That would be a huge help.

Thanks Sara!

2018/02/23 SG-Solicitor General Hello Nikki

This meeting has been arranged for April 9th at 3pm.
Don Bland will be sending me a info package and I will
request BN at that time. Could I arrange for Staff for this
this meeting? I do not have access for the calendars as of
yet. Wondering if it is Clayton who would attend.
Thanks Nikki! - Sara

Hey Sara, can you please check with the meeting topic would be? Often for the Fire Fighter meetings they come with a lot of materials and they want to meet with the Ministers as MLAs so we wouldn't support with any materials or staff. If this is about medals, then EMBC would support, I believe, but Danielle can confirm.

Thanks for the clarification!

Good afternoon Kaari,

I am receipt of your request for Minister Farnworth to speak at this years Annual Spring Meeting and Legislative Conference on April 10, 2018.

Due to the House sitting, the Minister is not able to leave the Legislature from Monday thru Thursdays between 8:00am and 6:30pm, so he could only be scheduled to speak after House adjournment. He may also have a small window of time during the lunch hours, but it would be preferred to schedule around that.

If it is possible to arrange for him to speak around House hours, he would be delighted.

Hi Sara,

Thanks for your patience while I waited to hear back from our policy analysts.

In addition to discussing the key priorities of the organization as mentioned earlier, our UBCM Executive members will be looking to discuss priorities of our Community Safety committee with Minister Farnworth. These include:

- Legalization of Cannabis: Would like to discuss how well the Province has worked with local governments thus far. Recent announcement was consistent with nearly all of UBCM's recent recommendations. There are not many provinces with a similar working group/feedback structure.
- RCMP Labour Relations: How does the Province plan to adapt to unionization, and ensure policing is affordable for communities. Is there a way for local governments and local interests to be represented at the table?

If there is any additional time, we may wish to receive an update on the 911 Call Answer Levy, and discuss how the Province and UBCM can partner to improve communication around policing, given its complexity (initiatives we have discussed in the past include webinars, province-wide teleconferences, presentations at upcoming UBCM conventions).

I hope this information helps, but please do not hesitate to contact me should you have any further questions or concerns.

Best,

Sasha

Would it be possible to move the UBCM meeting back to start at 4:00 pm and the John Leech meeting to start at 5:00 pm.

Please let me know I think that Minister Farnworth would want PS Rice and Becky both to attend the UBCM meeting.

Also in order for staff to provide a Briefing Note they would need to have more information than just UBCM's Community Safety committee.

Ok, thanks Nikki. I don't have access to Marks calendar so I wasn't aware he was in a meeting just wanted to see if anyone would be around for that time. I usually would wait until I had more information about the meeting but oddly enough the UMBC doesn't have that organized yet. Good afternoon Tanera,

I am writing regarding your meeting with Don Bland and Tom Stamatakis of the BC Police Association on April 9th, 2017. We had originally arranged a meeting for Minister Farnworth with them on April 9th at 3:00pm but are unable to make this time work. The only time that the Minister is available to meet with them is between 10:00am - 11:00am. I believe this is when Minister Eby will be meeting with them? I was wondering if we could do a joint meeting? I have asked Don Bland and he is fine if we join meetings. Would this be something we could do?

Thanks Tanera

Hi Sara,

The meeting for Nimmi to meet with Wayne Rideout and Jenni Bard (Director, Standards and Evaluation) is still on for **Friday, March 2nd at 10am** at our **Vancouver Office (#405 - 815 Hornby St.)**. However, Tonia Enger is not able to attend that meeting so we need to find a time for her and Nimmi to meet separately.

Tonia is in Victoria on February 26th and 27th and 28th, and is available to meet Nimmi down at the leg during the following times:

- FEB 26: anytime between 11:00 am – 2:30 pm.
- FEB 27: anytime between 9:00 am and 1:00 pm, or between 3:00 pm and 5:00 pm.
- FEB 28: available until 2pm.

Please let me know as soon as possible if any of these windows works for Nimmi. I have copied Sabrina Sandbeck, Tonia's EA, so she is looped in.

Thanks Sara.

The meeting can take place at our PSB Vancouver Office (located at 405-815 Hornby St.). If you need directions, please advise and I can forward those to you.

Thanks,

Hope your weekend was nice.

Thanks for letting me know that Nimmi won't be able to meet with Wayne tomorrow. I have copied Brynna Cawley, Wayne's EA, so she can keep Wayne apprised. I understand from Brynna that Wayne could be available to meet Nimmi in Victoria during the day (after 10 am) on February 19th, but that is his only trip here planned to Victoria this month. Otherwise, Wayne could meet with Nimmi in Vancouver. If you can let us know Feb 19 works in Victoria, or provide some dates/times when Nimmi could meet in downtown Vancouver we can go from there. Please copy Brynna on your response.

Thanks again for your help yesterday lining-up those meetings for Nimmi.

So we have three staff left (Wayne Rideout, Tonia Enger, Jenni Bard) for Nimmi to meet with. They are all based in the Policing and Security Branch's downtown Vancouver office (**#405 – 850 Hornby Street**). I am thinking we can perhaps arrange these remaining meetings to occur in a single visit (90 minutes) for Nimmi to this location. Please provide me a few time options she is available to attend this location? I will then determine which one aligns to all three of their schedules accordingly.

Thanks again for your help with this Sara.

Nimmi Takkar has now assumed her position at the MO replacing Veronica. Nimmi and I had a chance to meet yesterday and she would like to know more about the Branch areas of business to support the Minister. I have asked Rob Ferrier to coordinate with the MO meetings with each ED as well as Jenni Bard (Standards, MWI etc) to brief up on the various issues and lines of business. Nimmi divides her time between Victoria and Vancouver so I expect in person meetings will be possible over the coming few weeks.

Please have your EA's support Rob in scheduling with the MO.

Donna, you or Michele may wish to sit in on a few so we integrate the comms approaches with the policy discussions.

My thanks.

Hi Sara,

I have been talking with Rob and Wayne and can advise that Wayne can meet with Nimmi on Friday, March 2nd at 10am in Vancouver. I have also reached out to Tonia's EA, Sabrina Sandbeck, and she has advised that 10am on March 2nd should also work for Tonia as well.

The meeting can take place at our PSB Vancouver Office (located at 405-815 Hornby St.). If you need directions, please advise and I can forward those to you.

Thanks,

Brynna

Hi Sara.

Hope your weekend was nice.

Thanks for letting me know that Nimmi won't be able to meet with Wayne tomorrow. I have copied Brynna Cawley, Wayne's EA, so she can keep Wayne apprised. I understand from Brynna that Wayne could be available to meet Nimmi in Victoria during the day (after 10 am) on February 19th, but that is his only trip here planned to Victoria this month. Otherwise, Wayne could meet with Nimmi in Vancouver. If you can let us know Feb 19 works in Victoria, or provide some

dates/times when Nimmi could meet in downtown Vancouver we can go from there. Please copy Brynna on your response.

Thanks Sara.

Morning Sara.

Thanks again for your help yesterday lining-up those meetings for Nimmi.

So we have three staff left (Wayne Rideout, Tonia Enger, Jenni Bard) for Nimmi to meet with. They are all based in the Policing and Security Branch's downtown Vancouver office (**#405 – 850 Hornby Street**). I am thinking we can perhaps arrange these remaining meetings to occur in a single visit (90 minutes) for Nimmi to this location. Please provide me a few time options she is available to attend this location? I will then determine which one aligns to all three of their schedules accordingly.

Thanks again for your help with this Sara.

Good morning!

Was just looking in Nimmi's calendar for some available times to meet with Ian.

The House is sitting now so her schedule gets pretty full quickly and it is best if she stays in the legislative building. Does Ian have any time on February 20th at 11:00am in our office?

If this time does not work we can find another time 😊

Thank you!

As this morning's meeting with Ian was cancelled due to ministerial obligations for Nimmi, I was asked that I put the two of you in touch to reschedule.

Nimmi, please note that Chelsea is out of the office, returning Monday and will make arrangements with you then.

Good Morning,

I’ve uploaded this file to PLOS in the “**March 7 – Cabinet**” folder, under “**SG_AG OIC – s.12**”

Unfortunately we’re under some pretty tight timelines here – it has to go back to the Deputy AG and the AG for approval to make the Feb 20 deadline to Cab Ops.

Please have Minister Farnworth sign the 2 Regulatory forms, and the cover sheet.

The AG signs the actual OIC, but Minister Farnworth is to speak to this at Cabinet.

Meeting with Mr. Farnworth

Dear Michelle,

Katrina Pacey gave me your email address and suggested that I contact you in order to arrange a meeting with Mr. Farnworth. I am the executive director of Prisoners' Legal

Services, a legal aid clinic for prisoners in British Columbia. Our office has been working for the human rights of BC prisoners for 37 years. As the independent agency with the most daily contact with BC prisoners, we have a good sense of the issues facing prisons and how to best address them.

I wrote to Mr. Farnworth on August 30, 2017, outlining some of the ways the new NDP government could take action to improve the human rights of BC prisoners, with the ultimate goal of improving public safety (attached). We would be most grateful for an opportunity to meet with Mr. Farnworth to discuss some of our recommendations.

Thanks very much for your help. All the best, Jen

I could schedule a meeting for March 20th however due to the tight schedule with the House sitting, meetings are often bummed. The Minister has Caucus at 1:00pm on the 20th so Nimmi will be available at that time and won't be scheduled in to attend any meetings with the Minister. Could we try for 1:00pm on March 20th.

Hello, I am sending this Call for Records to the DSG's office, the Minister's office, and the Office to Combat Trafficking. Please let me know if you're aware of any other areas that should be included. Thank you.

Please find attached a Call for Records form that is electronic, fillable and saveable. The form has active links and pull-down menus. Please send your records **in one PDF document**, to the Justice/Social mailbox at justice.social.foi@gov.bc.ca. Thank-you.

Your Ministry has received a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). The request is for:

Any briefing notes, memoranda, executive summaries, background papers or reports or ministerial transition briefing notes to, from, about or involving the Minister with respect to human trafficking in BC. (Date Range for Record Search: From 07/18/2017 To 02/01/2018).

Please contact the analyst assigned to this request if you have any questions – **Samara Fisher 250-953-3622 Kelly Morita (250) 356-2030**.

What Do You Need to Do?

Please complete the attached Call for Records form.

- If search and retrieval time is anticipated to exceed 3 hours and/or the total volume of records exceeds 200 pages, complete only Sections 1 & 2 of the Call for Records Form as we may be in a position to issue a fee estimate. Then, return the form to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by February 16, 2018. Please await further instruction from IAO as the records will not be required until the fee estimate process has been completed. Once fees have been paid or waived, you will be contacted to continue the call for records process. You will also be advised you if the request is abandoned and/or closed.
- If no fees apply then proceed with the call for records process. Please complete the attached Call for Records Form and return it to the Justice/Social FOI Mailbox at justice.social.foi@gov.bc.ca by February 22, 2018. Send records via email in PDF format. One PDF document is preferable. If email is not possible, please send the records in electronic format (CD, memory stick) via house mail with a copy of this note.

Reminder

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits confirming they have conducted an adequate search for relevant records.

Questions and Concerns

Please do not hesitate to contact your analyst noted on the attached Call for Records form to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees;
- and/or any other questions or concerns relating to this request.

Subject: UBCM MEETINGS: KMs for Ministers

Hello,

Attached you will find **key messages** on the topics of housing, infrastructure funding, and mental health for your ministers' upcoming **meeting with members of the UBCM Executive** (should they need them). They were prepared by MAH staff in collaboration with MHA staff.

These three topics are UBCM's priorities for their Executive Outreach Days. However, we understand they will also be meeting with ministers whose portfolio lies outside of these three areas, in which case your staff is best positioned to provide support materials.

Reminder: **a senior staff member from MAH will be in attendance at your minister's meeting with UBCM** to take notes and facilitate follow-up if required. It will either be Tara Faganello, ADM, Local Government or Gary Paget, Senior Advisor, Local Government Division.

Let me know if you have any questions.

Daniela

Good morning Cindy,

Hope this email find you well. I am writing to inform you that Minister Farnworth is scheduled to tour the site of Urban Native Youth Association on March 16, 2017.

It is my understanding that Minister Mark is the communications lead in relation to the NYC project. Would you have any briefing materials or further information on this group and centre so we can prepare Minister Farnworth prior to his tour?

Thank you!

Kind regards,

Hello

I have arranged for the Minister and MA, Nimmi, to tour the Urban Native Youth Association on March 16, 2018 @ 1:00pm.

Could I get a BN, I believe the attached email should have enough info and as well some on Cliff (the Cliff file was too large to send). Let me know though if you do require more.
