Subject: Cannabis LRC BN for signing

Michelle/Sara,

The new Cannabis Control and Licensing Act is scheduled for LRC on April 10. I've uploaded the LRC Briefing Note and supporting materials on the PLOS SharePoint (key points, section notes). The materials have been approved by the DSG.

The LRC Briefing Note (also attached) is for the Minister's signature. The Minister is familiar with the legislation and was updated at last Thursday's briefing.

We are seeking the Minister's sign-off at the earliest opportunity today. The final materials are now due to Cabinet Operations.

Thank you,

Meagan

Liberals response to the cannabis legislation:

BC Liberal critic for Public Safety and Solicitor General Mike Morris said Thursday that the BC Liberal focus has always been public safety and they want to ensure children aren't exposed to cannabis or have packaging specifically designed to market to them, and that criminals aren't able to benefit from selling it. He said the Liberals are going to carefully examine the bills through several lenses including public safety, land use, taxation, and distribution.
