Hi Nimmi - I have received a clarification - the Minister received the inmate on staff and inmate on inmate violence statistics in preparation for his meeting with the BCGEU (Dean Purdy) last week. The BCGEU is requesting those statistics, which we normally provide to the union twice per year. Prior to releasing them to the union, our communications team wanted to be sure that the Minister was comfortable with a release or we can alternately brief him prior to doing so. Please call me if you have any questions. thank you, Kimberley
