Minister –

Presentation is attached. I will virtually share it with caucus via the MS TEAMS link while you are speaking. Just use the document to guide your presentation and I will click through the slides for everyone watching.

Kate Ryan-Lloyd will also be on the call and is prepared to present after you're done. She is going to focus on the health and safety protocols and answer anything else needed on the technical side. You'll see I added her section and some key points to the final slide.

Also, remind the members to participate in one of the upcoming Wednesday tests – June 10th or June 17th.

Call me in the morning if there's any issues.
