Part A	Did an officer from your agency discharge firearms - YES/NO (Exclude incidents solely involving animals and accidents outside of an operational setting.) If 'Yes', complete Part A below.	NO		2018 - FIREARM DISCHARGES
		Total Incidents	Total Rounds Fired	
Part B	Record the number of firearm incidents involving animals for humanitarian reasons:	1	1	
	Record the number of firearm incidents involving animals for self-defense:	0	0	
Part C	Record the number of accidental firearm discharge incidents occurring outside of an operational setting (e.g. accidental discharge in locker room):	0	0	

Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey; however, please use "UK" if the requested information is unknown or unavailable at this time.

Part A - Information About Each Firearm Discharge

Exclude incidents solely involving animals and unintentional discharges outside of an operational setting.

INFORMATION ABOUT THE INCIDENT (complete one column per incident)		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident	
PART A	1 How many officers from your agency discharged a firearm in this incident?						
	(a) Did officers from another agency discharge a firearm? YES/NO						
	2 Approximately what was the distance between subject and officer when the rounds were discharged?						
	3 What was the total number of rounds fired by your agency's officers in this incident?						
	(a) How many rounds were fired intentionally?						
	(b) How many rounds were fired unintentionally?						
	4 Was the officer who discharged the firearm acting as a member of an emergency response team?						
	5 Did officers from ANY agency apply intermediate weapons - not just display - in this incident? YES/NO						
	(a) If yes, specify the type of intermediate weapon, or force option (list all, e.g., ERIW, CEW, OC spray, baton, K9):						
	INFORMATION ABOUT THE SUBJECTS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
6	How many subjects were involved?						
7	What was the age and gender of each subject, if known? (Acceptable age ranges: Under 18, 18-29, 30-39, 40-49, 50-59, 60-69, and 70+.)						
8	Were any subjects believed to be intoxicated (drugs and/or alcohol)? YES/NO						
9	Were any subjects reported to be suicidal? YES/NO						
10	Were any subjects perceived to be an emotionally disturbed person? YES/NO						
11	Did any subjects have a history of mental health issues? YES/NO						
PART A	12	Were any subjects apprehended under the <i>Mental Health Act</i> ? YES/NO					
	13	Did the officer believe that the subjects were armed with a weapon? YES/NO					
	(a)	If yes, specify the type of weapon believed to be in the possession of the subject (list all, e.g., firearm, knife):					
	INFORMATION ABOUT DEATHS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	14	Did any officers die during this incident? YES/NO					
	15	How many officers died from a firearm in each incident?					
	16	How many officers died by other means in each incident?					
		(a) Briefly describe cause of death:					
	17	Did any subjects die during this incident? YES/NO					
	18	How many subjects died from a police firearm discharge for each incident?					
How many subjects died by other means for each incident?							

19	(a)	Briefly describe cause of death:					
	20 Did any third parties die during this incident? YES/NO						
	How many third parties died?						
21	(a)	Briefly describe their cause of death:					
INFORMATION ABOUT NON-TRIVIAL INJURIES							
For the purposes of this survey, a <u>non-trivial injury</u> is one which necessitates medical attention for a condition likely to interfere with the health or comfort of the person and is more than merely transient or trifling in nature . Examples of non-trivial injuries include: lacerations, fractures/broken bones, concussions, etc.			1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
PART A	22	Did any officers suffer a non-trivial injury during this incident? YES/NO					
	23	How many officers were injured by a firearm for each incident?					
	How many officers were injured by means other than a firearm for each incident?						
	24	(a)	Briefly describe cause of injuries for each incident:				
	25	Excluding any deceased subjects, did any subjects suffer a non-trivial injury during this incident? YES/NO					
	26	How many subjects were injured by a police firearm discharge for each incident?					
	How many subjects were injured by other means for each incident?						
	27	(a)	Briefly describe cause of injuries for each incident:				
28	Did any third parties suffer a non-trivial injury during this incident? YES/NO						
	(a)	Briefly describe any injuries and their cause for each incident:					
DETAILS ON EACH INCIDENT			1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
PART A	29	Briefly describe the circumstance of each incident.					
		Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey.

	20	Did any third parties die during this incident? YES/NO					
		How many third parties died?					
21	(a) Briefly describe their cause of death:						

INFORMATION ABOUT NON-TRIVIAL INJURIES		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
For the purposes of this survey, a <u>non-trivial injury</u> is one which necessitates medical attention for a condition likely to interfere with the health or comfort of the person and is more than merely transient or trifling in nature . Examples of non-trivial injuries include: lacerations, fractures/broken bones, concussions, etc.						
PART A	22	Did any officers suffer a non-trivial injury during this incident? YES/NO				
	23	How many officers were injured by a firearm for each incident?				
		How many officers were injured by means other than a firearm for each incident?				
	24	(a) Briefly describe cause of injuries for each incident:				
	25	Excluding any deceased subjects, did any subjects suffer a non-trivial injury during this incident? YES/NO				
	26	How many subjects were injured by a police firearm discharge for each incident?				
		How many subjects were injured by other means for each incident?				
	27	(a) Briefly describe any injuries and their cause for each incident:				
		Did any third parties suffer a non-trivial injury during this incident? YES/NO				
	28	(a) Briefly describe any injuries and their cause for each incident:				

PART A	DETAILS ON EACH INCIDENT					1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	<p>Briefly describe the circumstance of each incident.</p> <p>Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey.</p>									

Agency and contact information:			
Part A	Did an officer from your agency discharge firearms - YES/NO (Exclude incidents solely involving animals and accidents outside of an operational setting.) If 'Yes', complete Part A below.	No	
		Total Incidents	Total Rounds Fired
Part B	Record the number of firearm incidents involving animals for humanitarian reasons:	2	2
	Record the number of firearm incidents involving animals for self-defense:	0	0
Part C	Record the number of accidental firearm discharge incidents occurring outside of an operational setting (e.g. accidental discharge in locker room):	0	0

2018 - FIREARM DISCHARGES

Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey; however, please use "UK" if the requested information is unknown or unavailable at this time.

Part A - Information About Each Firearm Discharge

Exclude incidents solely involving animals and unintentional discharges outside of an operational setting.

INFORMATION ABOUT THE INCIDENT (complete one column per incident)		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident	
PART A	1 How many officers from your agency discharged a firearm in this incident?						
	(a) Did officers from another agency discharge a firearm? YES/NO						
	2 Approximately what was the distance between subject and officer when the rounds were discharged?						
	What was the total number of rounds fired by your agency's officers in this incident?						
	3 (a) How many rounds were fired intentionally?						
	(b) How many rounds were fired unintentionally?						
	4 Was the officer who discharged the firearm acting as a member of an emergency response team?						
	5 Did officers from ANY agency apply intermediate weapons - not just display - in this incident? YES/NO						
	(a) If yes, specify the type of intermediate weapon, or force option (list all, e.g., ERIW, CEW, OC spray, baton, K9):						
	INFORMATION ABOUT THE SUBJECTS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	6 How many subjects were involved?						
7 What was the age and gender of each subject, if known? (Acceptable age ranges: Under 18, 18-29, 30-39, 40-49, 50-59, 60-69, and 70+.)							
8 Were any subjects believed to be intoxicated (drugs and/or alcohol)? YES/NO							
9 Were any subjects reported to be suicidal? YES/NO							
10 Were any subjects perceived to be an emotionally disturbed person? YES/NO							
11 Did any subjects have a history of mental health issues? YES/NO							

PART A	12	Were any subjects apprehended under the <i>Mental Health Act</i> ? YES/NO					
		Did the officer believe that the subjects were armed with a weapon? YES/NO					
	13	(a) If yes, specify the type of weapon believed to be in the possession of the subject (list all, e.g., firearm, knife):					
	INFORMATION ABOUT DEATHS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident

INFORMATION ABOUT THE INCIDENT (complete one column per incident)		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident	
PART A	1 How many officers from your agency discharged a firearm in this incident?						
	(a) Did officers from another agency discharge a firearm? YES/NO						
	2 Approximately what was the distance between subject and officer when the rounds were discharged?						
	3 What was the total number of rounds fired by your agency's officers in this incident?						
	(a) How many rounds were fired intentionally?						
	(b) How many rounds were fired unintentionally?						
	4 Was the officer who discharged the firearm acting as a member of an emergency response team?						
	5 Did officers from ANY agency <u>apply</u> intermediate weapons - not just display - in this incident? YES/NO						
	(a) If yes, specify the type of intermediate weapon, or force option (list all, e.g., ERIW, CEW, OC spray, baton, K9):						
	INFORMATION ABOUT THE SUBJECTS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	6 How many subjects were involved?	N/A					
7 What was the age and gender of each subject, if known? (Acceptable age ranges: Under 18, 18-29, 30-39, 40-49, 50-59, 60-69, and 70+.)							
8 Were any subjects believed to be intoxicated (drugs and/or alcohol)? YES/NO							
9 Were any subjects reported to be suicidal? YES/NO							
10 Were any subjects perceived to be an emotionally disturbed person? YES/NO							
11 Did any subjects have a history of mental health issues? YES/NO							

PART A	12	Were any subjects apprehended under the <i>Mental Health Act</i> ? YES/NO					
		Did the officer believe that the subjects were armed with a weapon? YES/NO					
	13	(a) If yes, specify the type of weapon believed to be in the possession of the subject (list all, e.g., firearm, knife):					
	INFORMATION ABOUT DEATHS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	14	Did any officers die during this incident? YES/NO					
	15	How many officers died from a firearm in each incident?					
		How many officers died by other means in each incident?					
	16	(a) Briefly describe cause of death:					
	17	Did any subjects die during this incident? YES/NO					
	18	How many subjects died from a police firearm discharge for each incident?					
		How many subjects died by other means for each incident?					
	19	(a) Briefly describe cause of death:					
	20	Did any third parties die during this incident? YES/NO					
		How many third parties died?					
	21	(a) Briefly describe their cause of death:					

INFORMATION ABOUT NON-TRIVIAL INJURIES		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
For the purposes of this survey, a <u>non-trivial injury</u> is one which necessitates medical attention for a condition likely to interfere with the health or comfort of the person and is more than merely transient or trifling in nature . Examples of non-trivial injuries include: lacerations, fractures/broken bones, concussions, etc.						
PART A	22	Did any officers suffer a non-trivial injury during this incident? YES/NO				
	23	How many officers were injured by a firearm for each incident?				
	24	How many officers were injured by means other than a firearm for each incident?				
		(a) Briefly describe cause of injuries for each incident:				
	25	Excluding any deceased subjects, did any subjects suffer a non-trivial injury during this incident? YES/NO				
	26	How many subjects were injured by a police firearm discharge for each incident?				
	27	How many subjects were injured by other means for each incident?				
		(a) Briefly describe cause of injuries for each incident:				
	28	Did any third parties suffer a non-trivial injury during this incident? YES/NO				
		(a) Briefly describe any injuries and their cause for each incident:				

PART A	DETAILS ON EACH INCIDENT		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	29	<p>Briefly describe the circumstance of each incident.</p> <p>Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey.</p>					

Agency and contact information:			
Part A	Did an officer from your agency discharge firearms - YES/NO (Exclude incidents solely involving animals and accidents outside of an operational setting.) If 'Yes', complete Part A below.	No	
		Total Incidents	Total Rounds Fired
Part B	Record the number of firearm incidents involving <u>ONLY</u> animals for humanitarian <u>OR</u> self-defense reasons:	0	0
Part C	Record the number of accidental firearm discharge incidents occurring <u>outside of an operational setting</u> (e.g. accidental discharge in locker room):	0	0
Part D	Record the number of times an officer either drew their firearm and displayed it to, or pointed it at, a subject <u>listed as being perceived to be an emotionally disturbed person</u> , when that officer did <u>NOT</u> discharge their firearm (if firearm was displayed before pointing, please only count that display=>point once, and please do not include ERIWs in your count):	0	[N/A]
	Record the number of times an officer either drew their firearm and displayed it to, or pointed it at, a subject <u>NOT listed as being perceived to be an emotionally disturbed person</u> , when that officer did <u>NOT</u> discharge their firearm (if firearm was displayed before pointing, please only count that display=>point once, and please do not include ERIWs in your count):	2	0

2019 - FIREARM USES

Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey; however, please use "UK" if the requested information is unknown or unavailable at this time.

	16	(a)	Briefly describe cause of death:			
	17	Did any subjects die during this incident? YES/NO				
	18	How many subjects died from a police firearm discharge for each incident?				
		How many subjects died by other means for each incident?				
	19	(a)	Briefly describe cause of death:			
	20	Did any third parties die during this incident? YES/NO				
		How many third parties died?				
	21	(a)	Briefly describe their cause of death:			

INFORMATION ABOUT NON-TRIVIAL INJURIES		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
For the purposes of this survey, a <u>non-trivial injury</u> is one which necessitates medical attention for a condition likely to interfere with the health or comfort of the person and is more than merely transient or trifling in nature . Examples of non-trivial injuries include: lacerations, fractures/broken bones, concussions, etc.						
PART A	22	Did any officers suffer a non-trivial injury during this incident? YES/NO				
	23	How many officers were injured by a firearm for each incident?				
		How many officers were injured by means other than a firearm for each incident?				
	24	(a) Briefly describe cause of injuries for each incident:				
	25	Excluding any deceased subjects, did any subjects suffer a non-trivial injury during this incident? YES/NO				
	26	How many subjects were injured by a police firearm discharge for each incident?				
		How many subjects were injured by other means for each incident?				
	27	(a) Briefly describe any injuries and their cause for each incident:				
		Did any third parties suffer a non-trivial injury during this incident? YES/NO				
	28	(a) Briefly describe any injuries and their cause for each incident:				

PART A		DETAILS ON EACH INCIDENT	1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	29	<p>Briefly describe the circumstance of each incident.</p> <p>Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey.</p>					

Agency and contact information:		Vancouver Police Department	
Part A	Did an officer from your agency discharge firearms - YES/NO (Exclude incidents solely involving animals and accidents outside of an operational setting.) If 'Yes', complete Part A below.	2018 - FIREARM DISCHARGES	
		Total Incidents	Total Rounds Fired
Part B	Record the number of firearm incidents involving animals for humanitarian reasons:	0	0
	Record the number of firearm incidents involving animals for self-defense:	0	0
Part C	Record the number of accidental firearm discharge incidents occurring outside of an operational setting (e.g. accidental discharge in locker room):	1	1

Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey; however, please use "UK" if the requested information is unknown or unavailable at this time.

Part A - Information About Each Firearm Discharge

Exclude incidents solely involving animals and unintentional discharges outside of an operational setting.

INFORMATION ABOUT THE INCIDENT (complete one column per incident)			1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident	
PART A	1	How many officers from your agency discharged a firearm in this incident?						
		(a) Did officers from another agency discharge a firearm? YES/NO						
	2	Approximately what was the distance between subject and officer when the rounds were discharged?						
	3	What was the total number of rounds fired by your agency's officers in this incident?						
		(a)	How many rounds were fired intentionally?					
		(b)	How many rounds were fired unintentionally?					
	4	Was the officer who discharged the firearm acting as a member of an emergency response team?						
	5	Did officers from ANY agency <u>apply</u> intermediate weapons - not just display - in this incident? YES/NO						
		(a)	If yes, specify the type of intermediate weapon, or force option (list all, e.g., ERIW, CEW, OC spray, baton, K9):					
	INFORMATION ABOUT THE SUBJECTS			1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	6	How many subjects were involved?						
7	What was the age and gender of each subject, if known? (Acceptable age ranges: Under 18, 18-29, 30-39, 40-49, 50-59, 60-69, and 70+.)							
8	Were any subjects believed to be intoxicated (drugs and/or alcohol)? YES/NO							
9	Were any subjects reported to be suicidal? YES/NO							
10	Were any subjects perceived to be an emotionally disturbed person? YES/NO							
11	Did any subjects have a history of mental health issues? YES/NO							

PART A	12	Were any subjects apprehended under the <i>Mental Health Act</i> ? YES/NO					
		Did the officer believe that the subjects were armed with a weapon? YES/NO					
	13	(a) If yes, specify the type of weapon believed to be in the possession of the subject (list all, e.g., firearm, knife):					
	INFORMATION ABOUT DEATHS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	14	Did any officers die during this incident? YES/NO					
	15	How many officers died from a firearm in each incident?					
		How many officers died by other means in each incident?					
	16	(a) Briefly describe cause of death:					
	17	Did any subjects die during this incident? YES/NO					
	18	How many subjects died from a police firearm discharge for each incident?					
		How many subjects died by other means for each incident?					
	19	(a) Briefly describe cause of death:					
	20	Did any third parties die during this incident? YES/NO					
		How many third parties died?					
21	(a) Briefly describe their cause of death:

	28	(a) Briefly describe any injuries and their cause for each incident:					

DETAILS ON EACH INCIDENT		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
PART A	29	s.15; s.16				
	<p>Briefly describe the circumstance of each incident.</p> <p>Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey.</p>					

Agency and contact information:		"E" Division RCMP trish.robinson@rcmp-grc.gc.ca	
Part A	Did an officer from your agency discharge firearms - YES/NO (Exclude incidents solely involving animals and accidents outside of an operational setting.) If 'Yes', complete Part A below.	YES	
		Total Incidents	Total Rounds Fired
Part B	Record the number of firearm incidents involving ONLY animals for humanitarian OR self-defense reasons: Note: incidents for humanitarian reasons are not tracked. Numbers indicated are for self-defense reasons only.	4	8
Part C	Record the number of accidental firearm discharge incidents occurring outside of an operational setting (e.g. accidental discharge in locker room):	5	5
Part D	Record the number of times an officer either drew their firearm and displayed it to, or pointed it at, a subject <u>listed as being perceived to be an emotionally disturbed person</u> , when that officer did NOT discharge their firearm (if firearm was displayed before pointing, please only count that display=>point once, and please do not include ERIWs in your count):	141	[N/A]
	Record the number of times an officer either drew their firearm and displayed it to, or pointed it at, a subject NOT <u>listed as being perceived to be an emotionally disturbed person</u> , when that officer did NOT discharge their firearm (if firearm was displayed before pointing, please only count that display=>point once, and please do not include ERIWs in your count):	759	[N/A]

2019 - FIREARM USES

Please note that in any incidents where the IIO has asserted jurisdiction, agencies are still required to provide the basic information requested in the survey; however, please use "UK" if the requested information is unknown or unavailable at this time.

Part A - Information About Each Firearm Discharge

Exclude incidents solely involving animals and unintentional discharges outside of an operational setting.

INFORMATION ABOUT THE INCIDENT (complete one column per incident)		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
1	How many officers from your agency discharged a firearm in this incident?	1	2	1	1	1
	(a) Did officers from another agency discharge a firearm? YES/NO	No	No	No	No	No
2	Approximately what was the distance between subject and officer when the rounds were discharged?	3-5m	U/k	3-5m	3-5m	0-2m
3	What was the total number of rounds fired by your agency's officers in this incident?	6	7	1	2	1
	(a) How many rounds were fired intentionally?	6	7	1	2	0
	(b) How many rounds were fired unintentionally?	0	0	0	0	1
4	Was the officer who discharged the firearm acting as a member of an emergency response team?	Yes	No	No	No	No

PART A	Did officers from ANY agency <u>apply</u> intermediate weapons - not just display - in this incident? YES/NO		Yes	No	No	No	No
	5	(a) If yes, specify the type of intermediate weapon, or force option (list all, e.g., ERIW, CEW, OC spray, baton, K9):	40mm blast dispersion CS, PDS	N/A	N/A	N/A	N/A
	INFORMATION ABOUT THE SUBJECTS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	6	How many subjects were involved?	1	1	1	1	0
	7	What was the age and gender of each subject, if known? (Acceptable age ranges: Under 18; 18-29; 30-39; 40-49; 50-59; 60-69; and 70+. Acceptable genders: male; female; and non-binary.)	30-39 MALE	18-29 MALE	40-49 MALE	30-39 MALE	N/A
	8	Were any subjects believed to be intoxicated (drugs and/or alcohol)? YES/NO	Yes	Yes	Yes	Yes	N/A
	9	Were any subjects reported to be suicidal? YES/NO	No	No	No	No	N/A
	10	Were any subjects perceived to be an emotionally disturbed person? YES/NO	No	U/k	No	No	N/A
	11	Did any subjects have a history of mental health issues? YES/NO	U/k	U/k	U/k	U/k	N/A
	PART A	12	Were any subjects apprehended under the <i>Mental Health Act</i> ? YES/NO	No	No	No	No
Did the officer believe that the subjects were armed with a weapon? YES/NO		Yes	Yes	Yes	Yes	N/A	
13		(a) If yes, specify the type of weapon believed to be in the possession of the subject (list all, e.g., firearm, knife):	Handgun, vehicle	Machete	garden shears, metal industrial floor scraper	Vehicle	N/A
INFORMATION ABOUT DEATHS		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident	
14		Did any officers die during this incident? YES/NO	No	No	No	No	No
15		How many officers died from a firearm in each incident?	N/A	N/A	N/A	N/A	N/A
How many officers died by other means in each incident?		N/A	N/A	N/A	N/A	N/A	
16		(a) Briefly describe cause of death:	N/A	N/A	N/A	N/A	N/A
17		Did any subjects die during this incident? YES/NO	No	No	No	No	No
18		How many subjects died from a police firearm discharge for each incident?	N/A	N/A	N/A	N/A	N/A
How many subjects died by other means for each incident?		N/A	N/A	N/A	N/A	N/A	
19	(a) Briefly describe cause of death:	N/A	N/A	N/A	N/A	N/A	

PART A	20	Did any third parties die during this incident? YES/NO		No	No	No	No	No
	21	How many third parties died?		N/A	N/A	N/A	N/A	N/A
		(a)	Briefly describe their cause of death:	N/A	N/A	N/A	N/A	N/A
	INFORMATION ABOUT NON-TRIVIAL INJURIES			1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
	For the purposes of this survey, a <u>non-trivial injury</u> is one which necessitates medical attention for a condition likely to interfere with the health or comfort of the person and is more than merely transient or trifling in nature . Examples of non-trivial injuries include: lacerations, fractures/broken bones, concussions, etc.							
	22	Did any officers suffer a non-trivial injury during this incident? YES/NO		No	No	No	No	No
	23	How many officers were injured by a firearm for each incident?		N/A	N/A	N/A	N/A	N/A
	24	How many officers were injured by means other than a firearm for each incident?		N/A	N/A	N/A	N/A	N/A
		(a)	Briefly describe cause of injuries for each incident:	N/A	N/A	N/A	N/A	N/A
	25	Excluding any deceased subjects, did any subjects suffer a non-trivial injury during this incident? YES/NO		Yes	Yes	Yes	Yes	No
	26	How many subjects were injured by a police firearm discharge for each incident?		1	1	1	1	N/A
	27	How many subjects were injured by other means for each incident?		0	0	0	0	N/A
		(a)	Briefly describe any injuries and their cause for each incident:	gunshot wounds to thigh and arm, lacerations from dog bite	gunshot wounds to buttocks and leg	gunshot wound to the hip	gunshot wound to arm	N/A
	28	Did any third parties suffer a non-trivial injury during this incident? YES/NO		No	No	No	No	No
		(a)	Briefly describe any injuries and their cause for each incident:	N/A	N/A	N/A	N/A	N/A

DETAILS ON EACH INCIDENT		1st Incident	2nd Incident	3rd Incident	4th Incident	5th Incident
