

BC Corrections Data/stats as it relates to actual escapes:

Year	Work Crew	Prison Breach	Grounds Walkaway	Temporary Absence	Escort
2022	0	1	0	0	0
2021	0	0	0	0	0
2020	0	0	0	2*	0
2019	0	0	0	0	0
2018	2	0	0	0	1**
2017	2	1	0	0	1

* Two revocations of temporary absences that were granted due to the COVID-19 pandemic. Both revocations returned to correctional centre without incident.

** Individual apprehended within minutes of their escape.

Background:

- BC Corrections defines escapes in the following categories:
 - Escort: individual was outside of the correctional centre but under correctional officer supervision.
 - Grounds Walkaway: individual walked away from an open custody setting. Not on work crew and no prison breach involved.
 - Prison Breach: individual escaped from inside the secure perimeter of a correctional centre.
 - Temporary Absence: individual was outside of the correctional centre on an approved temporary absence (not escorted).
 - Work Crew: individual walked away while working outside of the secure perimeter as part of a work crew and under the supervision of correctional staff.
