Glen,

Please see attached email which has Allison Dunnet's email requesting "planning table partners" to provide feedback. Of note, it appears that the planning table partners who were consulted did NOT include VPD, VFRS or even CoV engineering and is primarily lead by BC Housing and City of Vancouver – Arts, Culture and Community Services. It is quite concerning that the three groups that have a significant role to play in the encampment and eventual decampment were not consulted for this plan.

Good morning,

I've attached the draft and Allison's email for context – it is most definitely a draft with many sections pulled from previous plans. Looking forward to your comments.

Thanks,  
Celine

Hi Tanya,

I believe that Allison used the Strathcona plan as the template for this draft. Yes, it does appear that some sections are incomplete at the moment.

I'm pretty confident no one from the City spoke on behalf of VPD - we would not do that but by way if cc: am asking Celine to confirm.

Allison from BC Housing, who has held the pen on this, seems to have drafted a lot of the info herself based on her understanding - there's a lot in here that speaks to the City's actions that is either not accurate or is not how we would explain it (and we will be correcting it) - and from what I assume have been discussions at various People and Moves meetings.

Celine - if you still have the unrevised draft Allison sent in her email, can you pls send to Tanya. Tanya, if Celine already deleted the email we can reach out to Allison for a copy or the easiest thing is you can just save the word version I sent you and reject all the changes in your copy and you will have the original version.

Tanya - one thing to note is that we did not see anything in writing until this draft as well. Quite a bit of it is surprising to me as well and I think there is a lot to talk about.

Sandra

Hi Sandra,

Thank you for forwarding a copy of this report.

It appears that this is a working draft with other individuals' comments and edits, as well as it does not appear complete with several areas left blank with comments that Allison will fill in later.

Can you please forward a complete unedited draft, if you have one.

In addition, as this is the first time I'm seeing this, can you please advise who spoke on behalf of VPD on page 48 about our response.

I've taken a quick glance at the draft and will review in more detail tomorrow with an updated draft, once provided. I already noted on page 29 it appears to be a cut and paste from a previous encampment plan as it refers to decamping the park and refers to Inspector Nofle who has been retired for sometime.

Thanks  
Tanya

Hi all,

This is the draft plan BC Housing sent out Friday evening for partner review.

I started reviewing this yesterday aft and just now realised that not all of you are on the recipient list – my apologies, I assumed the list would have been folks who attend the morning meetings so didn't look at the recipient list. I should have checked.

The deadline BC Housing requested is EOD Oct 14, but clearly that is too tight and we need a bit more time given we just had the long weekend and I missed sharing it with you all until just now.

I'll let Allison know we will need until mid next week. You'll see it is a lot of background commentary that we in ACCS can take care of in terms of framing. I'd suggest you focus your review on the approach and logistics ideas.

Celine, we should schedule time for the Directors to review and discuss it to ensure all Ops teams feedback is incorporated – can you arrange that to happen before Friday aft. And then we can make this the main topic of our Friday Policy Ops GM meeting and then finalize feedback early next week.

Folks, if you can, pls log your comments and feedback in VanDocs so we don't have a ton of version control issues that would be great. If VanDocs access doesn't work for you, pls email Esfer who set this into VanDocs today.

Thanks,  
Sandra

Dear Planning Table Partners,

Please find attached the DRAFT and CONFIDENTIAL *E Hastings Encampment Response Plan* document for your information and review. I have also attached a PDF of the City of Vancouver's most current DRAFT *Hastings Street Encampment – Critical Incident Support Coordination Plan*.

Please note that both documents are for internal purposes only, and not for public distribution.

### Reviewing:

1. At this stage, please focus your review on the overall approach, vision and principles and the first 2 phases of response planning. I have noted and called in ALL PARTNERS in the comments for key sections where your review and input is most urgent. The document is draft and later sections and many appendices require updating.
2. Ministry Partners: I have included the *Provincial Inventory of Services* in Appendix 4. Please review and update any changes in approach or service mobilization in this table.
3. Collation of Feedback/Edits:
  - a. For the East Hastings Response Plan please send any tracked changes/edits/comments to Maggie Murray [mmurray@bchousing.org](mailto:mmurray@bchousing.org). Immediate questions or clarifications can be sent to me directly. BC Housing requests feedback in tracked changes and/or comments by Friday, October 14<sup>th</sup> in order to update a V2 of this document. If partner organizations can compile one set of feedback that would be appreciated.
  - b. For the *Hastings St Encampment – Critical Incident Support Coordination Plan* please send any questions or feedback to Daniel Stevens [Daniel.stevens@vancouver.ca](mailto:Daniel.stevens@vancouver.ca).
4. Forwarding: Please only share these DRAFT documents with your organization's delegates to the Provincial Executive Steering Committee.

### Next Steps:

1. The proposed approach and high-level components of the Plan will be the focus of next weeks Provincial Executive Bi-weekly Steering Committee meeting on October 12<sup>th</sup>. MAG and BCH will pull key components from this document to facilitate partner discussions at that meeting.

Thank you to everyone who helped get this rough draft together, and thank you to all the past encampment response partners whose work informs and guides this early draft.

Cheers,  
Allison
