Honorable Minister Mr. Harry Bains,

I hope this email finds you well. It was pleasure to meet you and present you our plan and proposal this past October. We had a wonderful conversation about our cultural initiative, Hindu Buddhist Foundation of Canada (HBFC), a charity registered with CRA Canada and initiated by the Nepali Community of BC in Lower Mainland.

We as an organization and cultural community are touched by the fact that you are Minister who are more familiar with Nepali community for so many years and we would like to invite you to our fund raising initiative, "Heart to Heart - Fundraising Gala 2018," a multicultural program on Saturday February 3rd, 2018 at Surrey Art Gallery, Bear Creek Park (Main Theatre), Surrey from 3:00pm to 5:30pm. Our community has spent a great amount of time organizing this initiative for our purposes of building a community center, where Nepalese-Canadian minorities can socially connect in the City of Surrey. As of today, we already raised one hundred thousand Canadian dollars within community and continuing the fund raising drive.

We acknowledge your time is precious and any time given to us with your attendance, as Minister would be greatly appreciated by the Nepalese community - whom primarily reside in Surrey.

If you are able to attend, even just for a quick visit, we would be humbled to have you there. We would really appreciate if you could reply, at your convenience.

Thank you kindly for your time in reading this email.

Hi Spencer. I hope you're doing well!

I know you're not the MLA for my riding, and you're not the minister for culture, but I know you'll be well versed on this topic. I have a few questions about how the federal/provincial infrastructure program might work (culture and recreation stream). I understand a bi-lateral agreement is in the works between the two levels of government. The main questions are:

- which provincial ministry will be overseeing applications for cultural infrastructure funds?
- is it likely to be a relatively fast turnaround (shovel-ready projects only)?
- who do you recommend we talk to about our particular organization's eligibility?

If you can't answer any of this, could you guide me in the right direction?

Thanks!  
Rob

Can you send the below to Rob, and then send his inquiry to Minister Lisa Beare's EA for an answer for me?

Dear Rob,

Thanks for the inquiry. It's a good one, and unfortunately I don't have a ready answer. I'll follow up with the Minister of Tourism and Arts to learn about this myself, but would suggest you also get in touch with Minister Lisa Beare's office directly. I assume it'll be through her office, but it could be through the Minister of Finance, or Minister of Transportation and Infrastructure as that has been the practice in other jurisdictions. If you don't hear anything back, please let me know and I can follow up, or possibly even have an answer myself in a few weeks.

The group has been notified as of last week, and we encourage MLAs to call and congratulate them on receiving funding. Please feel free to be in touch with any further questions.
