Hello Marnia,

I'm just reaching out on behalf of MLA Adam Olsen to request a meeting with the Minister and the Film Commissioner for our area, Kathleen Gilbert (cc'd). There is a film studio project on Vancouver Island that we'd like to bring to the Minister's attention.

We were hoping the Minister would be able to meet sometime during the week of Oct 2 at the Legislature. Please advise if this is possible.

Sincerely,

Aldous Sperl

Hello Hon. Beare

Congratulations on your posting! I wanted to introduce you to our not-for-profit aquarium and learning centre based in Sidney, Shaw Centre for the Salish Sea - technically the second largest aquarium in BC. We are not large like the Vancouver Aquarium, but we are impactful with our only focus being on the Salish Sea.

Tourism and culture are big parts of our organization as the only aquarium on Southern Vancouver Island combined with a unique collection of Coast Salish Indigenous art. We are about to add to this collection through a BC 150 grant two WSANEC public art sculptures on our back lawn right on the Salish Sea.

As we welcome 75,000 people in 2017, I would encourage you to find out more about us on our new website and accept this email as a standing invitation to visit our Centre. Regards.
