This email is in regards to a request by our Ministry to the federal government to increase the federal funding portion of the BC Sport Participation Indigenous bilateral agreement.

Please review the following attachments. If you are in agreement to request an increase in funding, than you would need to sign the Attachment 1. (although I am sure an e-sig will work.) This seems pretty straightforward, but I wanted to run it by you either way.

s.22 – Marina and I were just wondering if you needed any assistance with this....i.e. finding a different person for back-up for those first few days. I can't imagine you would get called on much anyways – but just in case – let us know.

Good day,  
A friendly reminder that Minister Mungall is scheduled as Primary Minister on Duty for e-OIC signing next week, Apr 2 to 8 , and Minister Beare as back-up. I anticipate there will be some orders early in the week. Thanks in advance for your assistance.

As always, PREM Tech is on standby to assist with iPad signing, and can be reached at 250-953-5151 or by email:s.17
