Thanks David so much for your reply. Great to hear that. Yes! I did get in touch with Sasha and will have a call with her to discuss further around end of the month. Very glad to hear about the commitment and potential initiatives. Best wishes, Madhavee

Hi Sasha! Sorry for not contacting you earlier in October end as I had mentioned.

I read with lot of interest the action plan with 15 commitments on Diversity and Inclusion. What a great initiative! Will you please advise as to what I need to do if I would like to be on the Task Force which is one of the Commitments? I have expressed my interest to be on the Task Force to our DM as well. (Ministry of TAC).

Would appreciate your guidance on that. Please let me know if you would be able to spare time next week anytime to chat.

Best wishes, many thanks and have a great weekend ahead. Madhavee

Good morning Madhavee, so nice to hear from you.

I will connect you with our new Diversity and Inclusion Lead working in my branch, Jamieson Dunlop. Jamieson is currently putting together our work plans and noting names of interested individuals as well. The task force may have limited membership to representatives from agency/bcgeu/pea as currently envisioned, but there will no doubt be working groups, focus groups, and subcommittees rising up ☺

Your interest is much appreciated!

Best,
Sasha

That's Great Scott. Thank you so much. I really enjoyed doing the course. I also want to say that the materials provided for us (as part of the pre-work as well as during the course) have been one of the best so far as I have been doing a number of courses for the past three years or so. I will always keep it with me as I find it really inspiring. Cheers and many thanks, Madhavee
