Hi Korleen

The organization was not approved for funding this year. Below is information on historical grant funding. If the organization has any questions they can contact Baljinder Jacques at 778 698-8776 or [Baljinder.Jacques@gov.bc.ca](mailto:Baljinder.Jacques@gov.bc.ca)

### Multiculturalism Grants

2015/16 they applied for \$5,000 and were approved for \$2,480.

2016/17 they applied for \$5,000 and were not approved. It looks like their application was incorrect/incomplete.

### Community Gaming Grants

2016/17 they applied for \$5,000 but were not approved, as their application was incomplete and the community benefit was not demonstrated in their application per the CGG guidelines. (we can see this information in the Gaming Online System)

Jennifer,

Can you let me know if the Vancouver Chinese Film Festival received any funding from TAC – specifically multiculturalism grants? And if so, what is the wording that they use to identify the funding on any of their promotional materials like posters? In the past it looks like they have used the Ministry name. (poster from last year attached)

Is there someone in the Ministry that I could direct this organization to if they have any further questions?

Thank you.

k.

**Subject:** RE: Horse Industry Grants

Hi Korleen,

Staff have canvassed a number of partner Ministries regarding the Horse Industry Grant Budget referenced and there doesn't appear to be a program that fits the description from the constituent. The closest fit is funding that is directed by the B.C. Horse Racing Industry Management Committee to the horse racing industry. It's a BC Lottery Corporation program.

FYI, general information about the Horse Racing program is below.

### Revenue to Support Horse Racing

Supporting the revitalization of B.C.'s horse racing industry is important to government. In response to declining revenues within the horse racing industry over the past decade, industry organizations requested the intervention of the provincial government in 2009 to stabilize and revitalize racing in B.C. The B.C. Horse Racing Industry Management Committee (HRIMC) was formed with the full authority to provide strategic direction, decision-making, and business leadership to the horse racing industry with the aim of revitalizing the industry.

As part of its commitment to the horse racing industry in B.C., the Province has allocated 25 per cent of net revenues from slot machine profits at casinos that are located at Hastings and Fraser Downs race tracks to support industry. In 2014/15, these revenues totaled \$9.6 million.

The Horse Council of BC does not receive funding directly from TAC. They receive funding from ViaSport and have received grant funding in previous years from the Community Gaming Grants from MAH.

I could have staff follow-up directly with the individual to get some additional information to ensure we're pointing them to the right spot.

Thanks  
Jennifer

Jennifer,

Does the below request from a constituent fall under TAC? It has been through both Agriculture and FLNRD and they have passed it on to us. They think it might fall under the Horse Council of BC funding which is TAC.

*We had a constituent come into our office today who is applying for the Rural Dividend Fund to put toward his equine college and he was curious what the Horse Industry Grant Budget will be for this year. He mentioned that last year it was around \$10.8 million.*

*Let me know if you know what that amount might be or where I could find the answer.*

Thanks.

Hi Salima,

Sorry that it has taken me sometime to respond, to this email. The Minister would be happy to meet with Lara and Branislav. We are looking to schedule a meeting with the Vancouver Economic Commission this December at the Minister's constituency office, perhaps Lara and Branislav could meet with the Minister shortly after, or just before this meeting.

I have CCed Marina, our Administrative Coordinator and Korleen, the Minister Beare's Executive Assistant to schedule a suitable time with the Minister.

Warm Regards,

Hello James,

I am writing on behalf of Branislav Henselmann and Lara Honrado who would like to request a meeting with Minister Lisa Beare to brief her on the Creative City Strategy put forward by the City of Vancouver and also hear more about her portfolio priorities.

Can you please let me know if and when that would be possible? Branislav and Lara are based in downtown Vancouver but can travel to Victoria as well.

Thanks in advance and enjoy the rest of your day!

BCAC

Current Chair and Vice-Chair have been contacted. The two that are not being reappointed – one has been contacted and a message left for the other. All new appointees have been contacted but will follow up tomorrow again to let them know that their OIC has been approved.

DBC

I have not contacted anyone on the DBC board. I can reach out tomorrow if that is appropriate.

CABRO is inquiring if for the BCAC and DBC board appointments that went to Cabinet today, if your office or Minister will be contacting

- a) The persons whose appointments are lapsing;
- b) The new appointees

If the OIC were approved, we anticipate the OIC will be deposited and become public Friday mid-morning.
