Hi Trish:

Can you possibly find out if PSK will be attending the We for She Forum on November 16 at the Vancouver Convention Centre as viaSport's guest? The invitation (attached below) is to attend lunch, listen to the keynote address and attend other events/ activities at the conference as a participant. There is no speaking opportunity for PSK.

viaSport is eager to hear back from PSK because if he is unable to attend, viaSport would like to offer the luncheon tickets to someone else. viaSport can wait for PK's response until November 9. Thanks very much for any help you can provide.

Cathy

Dear Ravi,

The 2018 WE FOR SHE Forum is one of North America's largest events tackling gender equity in leadership. You are invited to join the viaSport table for lunch, and the following keynote address. In addition, you are invited to attend any or all of that day's sessions.

Jennifer Heil, our VP of Sport Development, will join us after co-presenting a NextGen Leaders Session with BC Women's Hospital Foundation President & CEO, Genessa Greening. The session aims to help girls gain the skills and confidence to reach their full potential by understanding how to balance stress and performance.

Physical activity and sport are globally recognized as powerful catalysts in achieving gender equality. When more girls play sports there is greater female participation in society, including in previously male-dominated occupations. To close the gender gap in sport, viaSport works with sport, recreation, and physical activity leaders to build awareness, provide education and develop capacity so that sport is more representative and inclusive for women and girls.

WE FOR SHE Forum - Lunch and Keynote

Date: November 16, 2018

Time: 12:00 pm – 1:15 pm

Location: Vancouver Convention Centre – West (1055 Canada Place)

Keynote: Helena Gottschling, Chief Human Resources Officer, RBC

We hope you will join us in our conversation on how we can work together to contribute to the creation of an equal future.

Please confirm your attendance by replying to this invitation.

Yours viaSport,

Sheila Bouman

Hello Honourable Minister Lisa Beare and Deputy Minister Sandra Carroll,
I'm hoping to meet with your office to discuss an ongoing issue in Youth Soccer in the Lower Island District that I feel requires your attention. It is an issue that has resulted in a continuing decline in enrollment annually, and an issue that has been properly addressed everywhere else in the Province except here in Victoria. I'm available throughout the month to meet at your earliest convenience.
Thank you for your time,

Hello Ravi

Preet and I spoke to you at the Divali celebration yesterday, it was our pleasure and honour to discuss the issues of minority women in our community that they face on ongoing basis. We just touched a base and would like to elaborate in the next meeting with you or Rachna or both of you.

Thank you for introducing to Rachana and please send her contact to us or forward this email to her. As we mentioned that both of us have worked at the Intercultural Association as settlement workers and facilitators for long time and have keen interest to pursue this profession. We need your guidance and support.

From next week Nov. 15 we are starting a women group session at the Vancity bank's community boardroom on Douglas and Finalayson st. branch. Hoping to hear from you soon and will discuss further, thanks again for listening and giving us time from your busy schedule. We really enjoyed the celebration and thank you for the opportunity.

Best regard

Hi Ramesh – As you know, we were not able to cover off s.13,s.17 in our briefing with PSK today. Are you able to review the attached with him and advise if this is in scope for his vision s.13,s.17 If so, we'll follow up as promised in the MLB briefing to vet this past the MAC and then craft a DN for sign-off.
Happy to make any changes PSK would like. Alison and I are also happy to call in again this week to walk him through the materials if helpful.
cheers,
Asha
