summer youth camps in North America to clients in China. The
camps should:

1. Provide programs for youth ages 10 to 18.
2. Provide programs for a period of one month to six weeks during July and August.
3. They may be for profit or non-profit.
4. They may be weekly camps as we would simply enroll our clients for a four week period.

I am requesting from your office a list of licensed camps in your province or a contact source where I may get said information.

Thanks for your assistance.

Subject: 34299 Incoming BC's 150th will be awesome!

Hi Lisa,

I'm wondering if we might be able to meet to discuss the plans for British Columbia's 150th celebrations coming up in 2021.

My understanding is that if there's anything happening it will be included in the upcoming February budget, and I'm looking to see if there's any room for my expertise on the planning committee. Or anywhere, really. I am VERY excited about it and am looking to get involved to help make it a success.

A bit about me:

I co-produce and host the [BC Was Awesome](#) history TV show. We've completed 27 episodes over the last 3 years, telling offbeat stories from BC's past. Dubbed as "**a history show for people who don't like history**" it's presented as fun and interesting stories (sometimes serious ones), geared towards everyone. We're going into our third season and the show airs on TELUS Optik, is being shown on Air Canada flights, and has had **over two million views** through our popular Facebook Page. It's been nominated for 3 Leo Awards. People can watch all of the episodes for free [HERE](#).

In a few of our episodes we've managed to form true partnerships with local First Nations (Sts'ailes, Ktunaxa and West Kelowna bands) to tell their *real* stories. We also make sure to pursue stories with strong female protagonists and bring in female experts wherever we can, to have a range of perspectives and representation. There are a LOT of white stories in the history books, and we tell some of them, but we are very intentional in keeping a balance.

I also founded the lifestyle and news publication [Vancouver Is Awesome](#) in 2008, which was acquired by Glacier Media last year (Glacier has 100+ community newspapers and digital publications throughout the province, and we are now one of them). After the sale I stayed on as the Editor-in-Chief/Publisher, heading it up with a growing team thanks to the resources

we've been afforded being part of a larger media company. Our office is in Mt Pleasant in Vancouver.

I work as an associate producer on various **Canadian history film projects**, the most notable recent one being the documentary [Design Canada](#), about how graphic design shaped our country.

I travel around British Columbia for our TV show and for my personal pleasure with my family, and do travel writing for our outlet. I share all of my stories on [my personal Instagram](#) which has a modest following of about 10,000 people. You can learn more about me there, and more about my professional experience on my [Linkedin profile](#). :)

Let me know if you're available in the next few weeks to meet up and discuss BC 150 and how I might be able to help. :)

Subject: Rohingya Genocide Remembrance Vigil, Vancouver Public Library, Saturday, August 25, 1:00 - 4:00 pm

- o all MPs in the Lower Mainland of British Columbia:
-
- I am sending an invitation to you on behalf of Yasmin Ullah, a Rohingya from Myramaar, who has organized this event. She is a remarkable person, with personal knowledge of the past and present Myramaar governments, who have terrorized their indigenous peoples.
-
- In organizing this event, she has attempted to contact media and political parties. To date she has had negligible interest.
-
- The focus of the event is threefold:
- - Stand in vigil for the Rohingya refugees, who are living in desperation in the piece of land, the size of the New York International Airport tarmac.
- - Stand in solidarity for woman and girls, who were raped and now are pregnant at an estimation of 80,000 rape births.
- - Stand in courage to speak to the UN to declare the Myramaar actions, as the genocide happening in the world's eyes, with no repercussions.
- - I encourage you to be part of this event on Saturday, August 25 between 1 - 4:30 pm, at the Vancouver Public Library.
-
- I have enclosed the invitation and would appreciate if the poster could be pasted to your offices. In the following correspondence is a note Yasmin has written about the present events that have driven the Rohingya from their land.
-
- Yasmin's phone number is also enclosed. If you wish ti speak with me, my phone number is s.22 s.22
-
- Please attend or send a representative if at all possible!.

- Since August 25, 2017...
 - Over 700,000 Rohingya has been driven out of homes and tens of thousands killed.

- Over 360 Rohingya villages burned to the ground.
- Over 60% of those who fled violence into Bangladesh are women and children.
- Most children in the refugee camps are under age of 5.
- 80,000 women are now estimated to deliver their babies as a result of gang rapes by Burmese soldiers.
- Families are separated. Over 70,000 children have been orphaned

"Never again" was a promise against genocide after humanity had failed to protect Jewish people from Nazis in Germany during WWII.

Half a century later, humanity still fail to prevent more genocides from happening. We are reminded of the Rwandan genocide, Bosnian genocide, Cambodian genocide; many genocide are well known, but many more remains unheard of.

Genocide never happens overnight. It's a process in which the victims slowly become dehumanized, delegitimized, segregated, and eventually annihilated. In the case of Rohingya, and many minorities in Myanmar, their rights were slowly taken, strategically removed from any position of power to make any change, and by the time we realize how badly Rohingya have been oppressed, they have lost their entire ancestral land. They have bore the effect and the fallout of genocide all on their own for the last 50 years. Now, it's time, the international community take a stand against the dictatorial regime, Myanmar is.

We cannot idly standby while another genocide carries on in full fledge right before our eyes and pretend that things will get better on its own. Remember, these are human lives. These are people who struggle to survive just like us. It is time for us to give them the voice, and let them know that WE CARE. Not just in words, but in actions.

Let's make the world aware of how urgent the Rohingya genocide is. Let's march, and let's protest against injustice being done to all. Let's stand in solidarity with every oppressed community. Let's make "never again" mean more than just a passing word used only when convenience.

Vancouver will stand with Rohingya people this August 25, 2018.

This is an event to commemorate genocide of Rohingya people. It is also held across Canada, and internationally.

- o all MPs in the Lower Mainland of British Columbia:

- I am sending an invitation to you on behalf of Yasmin Ullah, a Rohingya from Myramaar, who has organized this event. She is a remarkable person, with personal knowledge of the past and present Myramaar governments, who have terrorized their indigenous peoples.
-
- In organizing this event, she has attempted to contact media and political parties. To date she has had negligible interest.
-
- The focus of the event is threefold:
- - Stand in vigil for the Rohingya refugees, who are living in desperation in the piece of land, the size of the New York International Airport tarmac.
- - Stand in solidarity for woman and girls, who were raped and now are pregnant at an estimation of 80,000 rape births.
- - Stand in courage to speak to the UN to declare the Myramaar actions, as the genocide happening in the world's eyes, with no repercussions.
- - I encourage you to be part of this event on Saturday, August 25 between 1 - 4:30 pm, at the Vancouver Public Library.
-
- I have enclosed the invitation and would appreciate if the poster could be pasted to your offices. In the following correspondence is a note Yasmin has written about the present events that have driven the Rohingya from their land.

Hi Bruce

Thanks so much for spending some time with me this morning. It was great to get an opportunity to touch base about some of the initiatives we are trying to get going in Surrey. As requested, I am summarizing informally some of the activities that could potentially provide an opportunity for Provincial involvement.

As you know it has been almost 20 years since the Provincial government committed to a major investment in Surrey City Centre through the Central City project. Since then virtually all the public investment in the city centre has been undertaken by the City. While this has been very positive, to reach the critical mass necessary for the city centre to really take off I believe that it will be important for the senior governments to get much more involved and to provide further investment. Some of the initiatives we are undertaking and exploring in the city centre include:

1. In conjunction with CoS and SFU, we are undertaking a master planning effort for the 6.5 acre "centre block". This includes the lands currently being used for the North Surrey Recreation Centre (scheduled to be replaced and demolished by the end of next year) and the neighbouring bus loop and parking area to the south. This plan will provide a much-needed vision for the city centre and will help to chart some of the next critically important city centre development opportunities (both commercial and academic). It is anticipated that these lands will accommodate in excess of 2 million sf and will provide an opportunity to significantly build up the office space inventory in this part of the region. We anticipate this work being completed by the end of the year or early next year.
2. Discussions are underway with the Federal Government through the Ministry of Public Services and Procurement Canada (PSPC). The Mayor has had fruitful discussions with the Minister (Carla Qualtrough) last spring which were followed up by meetings with senior Surrey and PSPC staff both in Ottawa and Vancouver **s.13,s.16,s.17**

Mr. Ravi Kahlon

Dear Ravi:

Thank you for agreeing to meet with **Craig Hodge (Councillor, City of Coquitlam)**, **Earlene Graham (President, Coquitlam Curling Association)** and me again at 11:00 am, Friday, August 31st regarding the proposed Curl BC Tri-Cities Regional Curling Hub. Your interest in this project is greatly appreciated.

Since we last met, the following has been accomplished:

- A detailed business plan for the project has been developed by RC Strategies (attached). The author, **Brian Johnston**, is a renowned, independent expert in the field.
- This plan outlines how a new 8-sheet regional curling centre would not only serve the needs of the Tri-Cities curling community, but also act as a regional hub for the sport in the Lower Mainland.
- The funding of the project is based on matching contributions from the municipal, provincial and federal levels of government.
- Presentations have been done to the three largest municipalities in the Tri-Cities area and the business plan has been unanimously supported by all three of their Councils. Please find letters of support from Coquitlam, Port Moody and Port Coquitlam attached.

I hope this provides you with a good overview of the progress made to date on this project. On Friday, we look forward to discussing the project with you further to ensure we take the best approach to secure the Provincial and Federal Governments' support of this initiative as well.

I hope you and your family are having a great summer and we look forward to seeing you again on Friday morning.

Hi everyone,

PSK is good to go for this trip. Raj is booking flights and hotel as we speak. The organizer's contact information – I suppose that would be the person alluded to below, Valerie Linton. Would love her contact info so I can reach out.

Thanks,
Ramesh

Hi Cathy,

I have confirmation now of leave for PSK. However, we're just waiting to hear back on Finance on a couple finance details clashing with UBCM that could make or break the trip, depending on the response. We're holding off on booking flights until then. Noted on the hotel room crunch!

If all goes well, PSK would stay the night of the 12th and go to the session on the AM of the 13th before flying out.

Will let you know when we hear back from Finance.

Hi Ramesh;

Thanks for your note. So glad to hear PS Kahlon is open to the suggested agenda. Do you know when you'll have confirmation as to whether or not he can get leave?

I had an email today from Kyle Todoruk (Director, Sports Branch), indicating they are planning a sports strategy round table meeting in Cranbrook on the 13th at PS Kahlon's request. Looks like it is tentatively planned for 8:30 to 10 a.m. (location TBD). BCSGS zone directors from around the province, BCSGS executive, ISPARC representatives would also be in attendance. Apparently Dean Sekyer (Executive Lead) has been in regular contact with PS Kahlon, but I don't know how recently they discussed this issue.

With respect to the Games, Valerie Linton advises she is unable to hold a room for PS Kahlon in the Games Hotel without booking at this point as the hotel has released the block of rooms. If PS Kahlon doesn't already have a room reservation, options may soon be getting tight.

Valerie advises that the Host Hotel is **s.15**. If you are having difficulty getting rooms, she said the organizers may be able to move some people around to other hotels.

Hi Cathy,

I talked to PS Kahlon today and he is open to all of the rough agenda. However, it all depends on his ability to get leave, with UBCM happening that week. I expect we'll get it though.

He did mention that there would be a sport roundtable of sorts while over there. Is that something that was discussed?

Hi Ramesh;

It was nice chatting with you regarding PS Kahlon's participation at the 55+ Games earlier this afternoon.

Here is what I learned from my 55+ Games contact, Valerie Linton, this morning:

The BC 55+ Games team are very excited that PS Kahlon is planning to attend the opening ceremony. They hope he may also be willing to attend a reception for business leaders etc. after the opening ceremony concludes.

The 55+ Games starts on September 11 with the registration/accreditation of the athletes, coaches

and officials. The Opening Ceremony is being held on the evening of **Wednesday, September 12** in Cranbrook at Western Financial Place. Here is the rough agenda:

Opening Ceremony

6:00 p.m. – Pre event briefing and possibly a meal (Valerie is checking).

7:00 pm. – Parade of athletes. This may last up to 45 minutes

7:45 – 8:30 ish - Speeches and Entertainment

Torch Lighting (PS Kahlon may be invited to do this. Valerie is checking).

Event Concludes

Post-event Reception (different location)

9:00 to 10:30 p.m. (approximately). (The 55+ Games Society plans to provide PS Kahlon with transportation to the reception location).

Organizers hope PSK can attend to provide informal remarks/ thanks/ appreciation for the Board members, sponsors and local business leaders etc.

The organizers would like to know PSK's itinerary (eg: flight he is coming in on etc.) as soon as possible so they can arrange transportation for him etc. when he arrives.

Subject: CALL FOR RECORDS - New FOI Request: TAC-2018-86155 (2026 FIFA Bid) - please respond by September 10

The Ministry of Tourism, Arts and Culture has received the following new request from a Media applicant:

Any and all records, including emails, written correspondence, memos, reports and contract negotiations related to the government of BC's involvement in Canada's bid to host the 2026 FIFA World Cup of soccer. Specifically, I'm seeking information on the use of BC Place in Vancouver as a potential host city, and ultimately, the decision by the government to drop out of the bid. (Date Range for Record Search: From 03/13/2017 To 07/13/2018)

Follow-up from the applicant: "I'd like to capture any correspondence with FIFA and other officials outside of government so I guess we should do both public and internal governmental correspondence."

-
-

Please note:

- If you have responsive records, please combine them into one clean PDF, and provide a second PDF version with harms highlighted and rationale.
- If this request should also be directed to another office, please advise.
- If you expect this search for records to take more than 3 hours, please do not proceed. Contact our office immediately.

Please forward the responsive records to our team FOI inbox at FOI.Inbox@gov.bc.ca

Your response is requested by **Monday, September 10, 2018** if possible.

Mr. Ravi Kahlon
Parliamentary Secretary for Sport and Multiculturalism

Dear Ravi:

Thank you for agreeing to meet with **Craig Hodge (Councillor, City of Coquitlam), Earlene Graham (President, Coquitlam Curling Association)** and me again at 11:00 am, Friday, August 31st regarding the proposed Curl BC Tri-Cities Regional Curling Hub. Your interest in this project is greatly appreciated.

Since we last met, the following has been accomplished:

- A detailed business plan for the project has been developed by RC Strategies (attached). The author, **Brian Johnston**, is a renowned, independent expert in the field.
- This plan outlines how a new 8-sheet regional curling centre would not only serve the needs of the Tri-Cities curling community, but also act as a regional hub for the sport in the Lower Mainland.
- The funding of the project is based on matching contributions from the municipal, provincial and federal levels of government.
- Presentations have been done to the three largest municipalities in the Tri-Cities area and the business plan has been unanimously supported by all three of their Councils. Please find letters of support from Coquitlam, Port Moody and Port Coquitlam attached.

I hope this provides you with a good overview of the progress made to date on this project. On Friday, we look forward to discussing the project with you further to ensure we take the best approach to secure the Provincial and Federal Governments' support of this initiative as well.

I hope you and your family are having a great summer and we look forward to seeing you again on Friday morning.

Hi There – We don't have a draft of the invitation but will share in the coming days. In the meantime, we have a draft of the Guest List for your review. Craig worked to pull much of this together based on input from our contractor.

As we have budgeted for approx. 150 people for the salmon bbq, suggest we keep the list to no more than 130 to accommodate any extras.

Can you review and let us know if you want to include any others and, aside from the PO, who else should be consulted?

Hi Carolyn,

Tuesday Sept 11th after 11 AM is pretty wide open – that could be a media tour involving the RMI-funded projects.

The 1.5 hour window for the Museum could take place on Wednesday Sept 12th morning from 10-11:30 AM.

CCing Marina to schedule this into the Minister's calendar, if it works?

Thanks for this note.

So the ADM and I were discussing the desirability of having the Minister do something – a short site visit and/or photo op – at one of the RMI-funded projects.
(see highlight below)

Would we be able to program that in?
And... what is the desirable day/time for that?

We can also program in a visit to Audain Art Museum, if you identify a 1.5 hour window for that.

Thanks!

Thanks for the call, Ramesh.

Just to quickly folo up...

I ran into the ADM a couple of minutes ago, and she liked the idea of seeing if there was time for a quick visit/photo op re: an RMI funded project.

She also suggested – if we were looking for anything additional – that Minister might visit the Audain Art Gallery. This would likely be quite easy to set up.

Hey Ramesh.

Going to give you a jingle...

Our tourism branch folk are wondering if MLB is interested in any of the below.

I know Minister's schedule is very full.

Want to touch base to see if there is anything of interest, or if I should decline.

Nothing is "must do" from our viewpoint.

The timing of UBCM is close to two events in which we have invested RMI funds, and this would also be a great time to showcase other key projects with RMI investments.

1. Whistler GranFondo road cycling event – September 8 – If the Minister was interested and available to come to Whistler early, this is a fantastic opportunity to see this event and have a presence. It would require the Minister to be in Whistler by mid to late morning that day.
2. Whistler Beer Festival – September 11-16 – This takes place during UBCM and we would choose one of their sub events to find a potential appearance/ speaking opportunity such as the Craft Cultures: Sea, Land, Sky – Signature event that takes place Wednesday evening listed on [this page](#).
3. Wayfinding project and Cultural Connector projects – We could organize a tour and / or media event at any point during the week to showcase these amazing RMI funded projects which are substantially complete.

Hi Cathy,

I have confirmation now of leave for PSK. However, we're just waiting to hear back on Finance on a couple finance details clashing with UBCM that could make or break the trip, depending on the response. We're holding off on booking flights until then. Noted on the hotel room crunch!

If all goes well, PSK would stay the night of the 12th and go to the session on the AM of the 13th before flying out.

Will let you know when we hear back from Finance.

Hi Ramesh;

Thanks for your note. So glad to hear PS Kahlon is open to the suggested agenda. Do you know when you'll have confirmation as to whether or not he can get leave?

I had an email today from Kyle Todoruk (Director, Sports Branch), indicating they are planning a sports strategy round table meeting in Cranbrook on the 13th at PS Kahlon's request. Looks like it is tentatively planned for 8:30 to 10 a.m. (location TBD). BCSGS zone directors from around the province, BCSGS executive, ISPARC representatives would also be in attendance. Apparently Dean Sekyer (Executive Lead) has been in regular contact with PS Kahlon, but I don't know how recently they discussed this issue.

With respect to the Games, Valerie Linton advises she is unable to hold a room for PS Kahlon in the Games Hotel without booking at this point as the hotel has released the block of rooms. If PS Kahlon doesn't already have a room reservation, options may soon be getting tight.

Valerie advises that the Host Hotel is **s.15**. If you are having difficulty getting rooms, she said the organizers may be able to move some people around to other hotels.

Hi Cathy,

I talked to PS Kahlon today and he is open to all of the rough agenda. However, it all depends on his ability to get leave, with UBCM happening that week. I expect we'll get it though.

He did mention that there would be a sport roundtable of sorts while over there. Is that something that was discussed?

Hi Ramesh;

It was nice chatting with you regarding PS Kahlon's participation at the 55+ Games earlier this afternoon.

Here is what I learned from my 55+ Games contact, Valerie Linton, this morning:

The BC 55+ Games team are very excited that PS Kahlon is planning to attend the opening ceremony. They hope he may also be willing to attend a reception for business leaders etc. after the opening ceremony concludes.

The 55+ Games starts on September 11 with the registration/accreditation of the athletes, coaches and officials. The Opening Ceremony is being held on the evening of **Wednesday, September 12** in Cranbrook at Western Financial Place. Here is the rough agenda:

Opening Ceremony

6:00 p.m. – Pre event briefing and possibly a meal (Valerie is checking).

7:00 pm. – Parade of athletes. This may last up to 45 minutes

7:45 – 8:30 ish - Speeches and Entertainment

Torch Lighting (PS Kahlon may be invited to do this. Valerie is checking).

Event Concludes

Post-event Reception (different location)

9:00 to 10:30 p.m. (approximately). (The 55+ Games Society plans to provide PS Kahlon with transportation to the reception location).

Organizers hope PSK can attend to provide informal remarks/ thanks/ appreciation for the Board members, sponsors and local business leaders etc.

The organizers would like to know PSK's itinerary (eg: flight he is coming in on etc.) as soon as possible so they can arrange transportation for him etc. when he arrives.

Hi Scott,

Thanks for this. I believe I have an iPhone 7. It's Telus.

I will get you the terms of use agreement signed this morning. I got a slew of emails this morning – they are media interview transcripts that seem related to TAC. These are individual emails and become a lot. I'm wondering if I can receive those in a single email? At JTT, I'd get the normal TNO emails and then a couple of summaries of JTT specific TNOs.

Hi Andrea,

I heard back from FLNRO with regards to meeting #169- Port Edwards. They are unable to take the meeting, but will provide notes if your Minister is going ahead and accepting the meeting.

Please let me know what you'd prefer.

Hi Andrea,

As per our phone chat, I just wanted to confirm that I will be redirecting this topic to FLNRO. However, I do want to flag that the confirmation for this has already gone out to the community, and it is possible that FLNRO is simply unable to fit them in to their schedule (their Ministry is usually booked solid at UBCM). If FLNRO declines the meeting, I will likely bounce it back to you before cancelling outright, which I would rather avoid.

I also want to confirm that 336- Prince George was cancelled by the community.

Thanks,

Hi Marlene – please see the information below that has been provided to me by TAC staff related to a meeting with the District of Port Edwards.

Based on the info below, I'm suggesting that the meeting with Port Edwards be redirected to FLNRO. Please confirm that FLNRO can / will take this meeting? Meeting is currently scheduled with TAC for Thurs Sept 13 @ 9:20am in Glacier Room A.

Hi Andrea,

Just wanted to give you a heads up that Golden has cancelled their meeting with the TAC Minister.

Also, the Tourism Policy Branch is responsible for drafting the District of Port Edwards meeting note. They have just contacted me to advise that this meeting should probably be with the FLNRO Minister. Port Edwards wants to discuss:

1. Funding for North Pacific Cannery (Heritage & Cultural Site).
2. Funding for trails in the region.

The Heritage branch may be more suitable for #1 above and Rec Sites and Trails Branch may be better suited to provide content on #2 above. Both of these are in FLNRO.
