RECITALS

WHEREAS the Province and the Contractor acknowledge that the Museum of Vancouver and the Contractor jointly submitted a proposal as principal proponents to the Province entitled “Chinese Canadian Museum Implementation Plan”;

WHEREAS the Province and the Contractor recognize that the Museum of Vancouver is a partner working alongside the Contractor in guiding the direction, content and feasibility of the “Chinese Canadian Museum Implementation Plan” as described in Schedule A;

WHEREAS the Museum of Vancouver is listed as an Approved Subcontractor in Schedule C; and

NOW, THEREFORE, the Province wishes to retain the Contractor to provide the services specified in Schedule A and, in consideration for the remuneration set out in Schedule B, the Contractor has agreed to provide those services, on the terms and conditions set out in this Agreement.

As a result, the Province and the Contractor agree as follows:

1 DEFINITIONS

General

1.1 In this Agreement, unless the context otherwise requires:

- (a) “Business Day” means a day, other than a Saturday or Sunday, on which Provincial government offices are open for normal business in British Columbia;
- (b) “Incorporated Material” means any material in existence prior to the start of the Term or developed independently of this Agreement, and that is incorporated or embedded in the Produced Material by the Contractor or a Subcontractor;
- (c) “Material” means the Produced Material and the Received Material;
- (d) “Produced Material” means records, software and other material, whether complete or not, that, as a result of this Agreement, are produced or provided by the Contractor or a Subcontractor and includes the Incorporated Material;
- (e) “Received Material” means records, software and other material, whether complete or not, that, as a result of this Agreement, are received by the Contractor or a Subcontractor from the Province or any other person;

- (f) “Services” means the services described in Part 2 of Schedule A;
- (g) “Subcontractor” means a person described in paragraph (a) or (b) of section 13.4; and
- (h) “Term” means the term of the Agreement described in Part 1 of Schedule A subject to that term ending earlier in accordance with this Agreement.

Meaning of “record”

- 1.2 The definition of “record” in the Interpretation Act is incorporated into this Agreement and “records” will bear a corresponding meaning.

2 SERVICES

Provision of services

- 2.1 The Contractor must provide the Services in accordance with this Agreement.

Term

- 2.2 Regardless of the date of execution or delivery of this Agreement, the Contractor must provide the Services during the Term.

Supply of various items

- 2.3 Unless the parties otherwise agree in writing, the Contractor must supply and pay for all labour, materials, equipment, tools, facilities, approvals and licenses necessary or advisable to perform the Contractor’s obligations under this Agreement, including the license under section 6.4.

Standard of care

- 2.4 Unless otherwise specified in this Agreement, the Contractor must perform the Services to a standard of care, skill and diligence maintained by persons providing, on a commercial basis, services similar to the Services.

Standards in relation to persons performing Services

- 2.5 The Contractor must ensure that all persons employed or retained to perform the Services are qualified and competent to perform them and are properly trained, instructed and supervised.

Instructions by Province

- 2.6 The Province may from time to time give the Contractor reasonable instructions (in writing or otherwise) as to the performance of the Services. The Contractor must comply with those instructions but, unless otherwise specified in this Agreement, the Contractor may determine the manner in which the instructions are carried out.

Confirmation of non-written instructions

- 2.7 If the Province provides an instruction under section 2.6 other than in writing, the Contractor may request that the instruction be confirmed by the Province in writing, which request the Province must comply with as soon as it is reasonably practicable to do so.

Effectiveness of non-written instructions

- 2.8 Requesting written confirmation of an instruction under section 2.7 does not relieve the Contractor from complying with the instruction at the time the instruction was given.

Applicable laws

- 2.9 In the performance of the Contractor's obligations under this Agreement, the Contractor must comply with all applicable laws.

3 PAYMENT

Fees and expenses

- 3.1 If the Contractor complies with this Agreement, then the Province must pay to the Contractor at the times and on the conditions set out in Schedule B:
- (a) the fees described in that Schedule;
 - (b) the expenses, if any, described in that Schedule if they are supported, where applicable, by proper receipts and, in the Province's opinion, are necessarily incurred by the Contractor in providing the Services; and
 - (c) any applicable taxes payable by the Province under law or agreement with the relevant taxation authorities on the fees and expenses described in paragraphs (a) and (b).

The Province is not obliged to pay to the Contractor more than the "Maximum Amount" specified in Schedule B on account of fees and expenses.

Statements of accounts

- 3.2 In order to obtain payment of any fees and expenses under this Agreement, the Contractor must submit to the Province a written statement of account in a form satisfactory to the Province upon completion of the Services or at other times described in Schedule B.

Withholding of amounts

- 3.3 Without limiting section 9.1, the Province may withhold from any payment due to the Contractor an amount sufficient to indemnify, in whole or in part, the Province and its employees and agents against any liens or other third-party claims that have arisen or could arise in connection with the provision of the Services. An amount withheld under this section must be promptly paid by the Province to the Contractor upon the basis for withholding the amount having been fully resolved to the satisfaction of the Province.

Appropriation

- 3.4 The Province's obligation to pay money to the Contractor is subject to the Financial Administration Act, which makes that obligation subject to an appropriation being available in the fiscal year of the Province during which payment becomes due.

Currency

- 3.5 Unless otherwise specified in this Agreement, all references to money are to Canadian dollars.

Non-resident income tax

- 3.6 If the Contractor is not a resident in Canada, the Contractor acknowledges that the Province may be required by law to withhold income tax from the fees described in Schedule B and then to remit that tax to the Receiver General of Canada on the Contractor's behalf.

Prohibition against committing money

- 3.7 Without limiting section 13.10(a), the Contractor must not in relation to performing the Contractor's obligations under this Agreement commit or purport to commit the Province to pay any money except as may be expressly provided for in this Agreement.

Refunds of taxes

3.8 The Contractor must:

- (a) apply for, and use reasonable efforts to obtain, any available refund, credit, rebate or remission of federal, provincial or other tax or duty imposed on the Contractor as a result of this Agreement that the Province has paid or reimbursed to the Contractor or agreed to pay or reimburse to the Contractor under this Agreement; and
- (b) immediately on receiving, or being credited with, any amount applied for under paragraph (a), remit that amount to the Province.

4 REPRESENTATIONS AND WARRANTIES

4.1 As at the date this Agreement is executed and delivered by, or on behalf of, the parties, the Contractor represents and warrants to the Province as follows:

- (a) except to the extent the Contractor has previously disclosed otherwise in writing to the Province,
 - (i) all information, statements, documents and reports furnished or submitted by the Contractor to the Province in connection with this Agreement (including as part of any competitive process resulting in this Agreement being entered into) are in all material respects true and correct,
 - (ii) the Contractor has sufficient trained staff, facilities, materials, appropriate equipment and approved subcontractual or other agreements in place and available to enable the Contractor to fully perform the Services and to grant any licenses under this Agreement, and
 - (iii) the Contractor holds all permits, licenses, approvals and statutory authorities issued by any government or government agency that are necessary for the performance of the Contractor's obligations under this Agreement; and
- (b) if the Contractor is not an individual,
 - (i) the Contractor has the power and capacity to enter into this Agreement and to observe, perform and comply with the terms of this Agreement and all necessary corporate or other proceedings have been taken and done to authorize the execution and delivery of this Agreement by, or on behalf of, the Contractor, and
 - (ii) this Agreement has been legally and properly executed by, or on behalf of, the Contractor and is legally binding upon and enforceable against the Contractor in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.

5 PRIVACY, SECURITY AND CONFIDENTIALITY

Privacy

5.1 The Contractor must comply with the Privacy Protection Schedule attached as Schedule E.

Security

5.2 The Contractor must:

- (a) make reasonable security arrangements to protect the Material from unauthorized access, collection, use, disclosure, alteration or disposal; and
- (b) comply with the Security Schedule attached as Schedule G.

Confidentiality

- 5.3 The Contractor must treat as confidential all information in the Material and all other information accessed or obtained by the Contractor or a Subcontractor (whether verbally, electronically or otherwise) as a result of this Agreement, and not permit its disclosure or use without the Province's prior written consent except:
- (a) as required to perform the Contractor's obligations under this Agreement or to comply with applicable laws;
 - (b) if it is information that is generally known to the public other than as result of a breach of this Agreement; or
 - (c) if it is information in any Incorporated Material.

Public announcements

- 5.4 Any public announcement relating to this Agreement will be arranged by the Province and, if such consultation is reasonably practicable, after consultation with the Contractor.

Restrictions on promotion

- 5.5 The Contractor must not, without the prior written approval of the Province, refer for promotional purposes to the Province being a customer of the Contractor or the Province having entered into this Agreement.

6 MATERIAL AND INTELLECTUAL PROPERTY

Access to Material

- 6.1 If the Contractor receives a request for access to any of the Material from a person other than the Province, and this Agreement does not require or authorize the Contractor to provide that access, the Contractor must promptly advise the person to make the request to the Province.

Ownership and delivery of Material

- 6.2 The Province exclusively owns all property rights in the Material which are not intellectual property rights. The Contractor must deliver any Material to the Province immediately upon the Province's request.

Matters respecting intellectual property

- 6.3 The Province exclusively owns all intellectual property rights, including copyright, in:
- (a) Received Material that the Contractor receives from the Province; and
 - (b) Produced Material, other than any Incorporated Material.

Upon the Province's request, the Contractor must deliver to the Province documents satisfactory to the Province that irrevocably waive in the Province's favour any moral rights which the Contractor (or employees of the Contractor) or a Subcontractor (or employees of a Subcontractor) may have in the Produced Material and that confirm the vesting in the Province of the copyright in the Produced Material, other than any Incorporated Material.

Rights in relation to Incorporated Material

- 6.4 Upon any Incorporated Material being embedded or incorporated in the Produced Material and to the extent that it remains so embedded or incorporated, the Contractor grants to the Province:
- (a) a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to exercise, in respect of that Incorporated Material, the rights set out in the Copyright Act (Canada), including the right to use, reproduce, modify, publish and distribute that Incorporated Material; and
 - (b) the right to sublicense or assign to third-parties any or all of the rights granted to the Province under section 6.4(a).

7 RECORDS AND REPORTS

Work reporting

- 7.1 Upon the Province's request, the Contractor must fully inform the Province of all work done by the Contractor or a Subcontractor in connection with providing the Services.

Time and expense records

- 7.2 If Schedule B provides for the Contractor to be paid fees at a daily or hourly rate or for the Contractor to be paid or reimbursed for expenses, the Contractor must maintain time records and books of account, invoices, receipts and vouchers of expenses in support of those payments, in form and content satisfactory to the Province. Unless otherwise specified in this Agreement, the Contractor must retain such documents for a period of not less than seven years after this Agreement ends.

8 AUDIT

- 8.1 In addition to any other rights of inspection the Province may have under statute or otherwise, the Province may at any reasonable time and on reasonable notice to the Contractor, enter on the Contractor's premises to inspect and, at the Province's discretion, copy any of the Material and the Contractor must permit, and provide reasonable assistance to, the exercise by the Province of the Province's rights under this section.

9 INDEMNITY AND INSURANCE

Indemnity

- 9.1 The Contractor must indemnify and save harmless the Province and the Province's employees and agents from any loss, claim (including any claim of infringement of third-party intellectual property rights), damage award, action, cause of action, cost or expense that the Province or any of the Province's employees or agents may sustain, incur, suffer or be put to at any time, either before or after this Agreement ends, (each a "Loss") to the extent the Loss is directly or indirectly caused or contributed to by:
- (a) any act or omission by the Contractor or by any of the Contractor's agents, employees, officers, directors or Subcontractors in connection with this Agreement; or
 - (b) any representation or warranty of the Contractor being or becoming untrue or incorrect.

Insurance

- 9.2 The Contractor must comply with the Insurance Schedule attached as Schedule D.

Workers compensation

- 9.3 Without limiting the generality of section 2.9, the Contractor must comply with, and must ensure that any Subcontractors comply with, all applicable occupational health and safety laws in relation to the performance of the Contractor's obligations under this Agreement, including the Workers Compensation Act in British Columbia or similar laws in other jurisdictions.

Personal optional protection

- 9.4 The Contractor must apply for and maintain personal optional protection insurance (consisting of income replacement and medical care coverage) during the Term at the Contractor's expense if:
- (a) the Contractor is an individual or a partnership of individuals and does not have the benefit of mandatory workers compensation coverage under the Workers Compensation Act or similar laws in other jurisdictions; and
 - (b) such personal optional protection insurance is available for the Contractor from WorkSafeBC or other sources.

Evidence of coverage

- 9.5 Within 10 Business Days of being requested to do so by the Province, the Contractor must provide the Province with evidence of the Contractor's compliance with sections 9.3 and 9.4.

10 FORCE MAJEURE

Definitions relating to force majeure

- 10.1 In this section and sections 10.2 and 10.3:

Consequence of Event of Force Majeure

- 10.2 An Affected Party is not liable to the other party for any failure or delay in the performance of the Affected Party's obligations under this Agreement resulting from an Event of Force Majeure and any time periods for the performance of such obligations are automatically extended for the duration of the Event of Force Majeure provided that the Affected Party complies with the requirements of section 10.3.

Duties of Affected Party

- 10.3 An Affected Party must promptly notify the other party in writing upon the occurrence of the Event of Force Majeure and make all reasonable efforts to prevent, control or limit the effect of the Event of Force Majeure so as to resume compliance with the Affected Party's obligations under this Agreement as soon as possible.

11 DEFAULT AND TERMINATION

Delay not a waiver

- 11.3 No failure or delay on the part of the Province to exercise its rights in relation to an Event of Default will constitute a waiver by the Province of such rights.

Province's right to terminate other than for default

- 11.4 In addition to the Province's right to terminate this Agreement under section 11.2(c) on the happening of an Event of Default, the Province may terminate this Agreement for any reason by giving at least 10 days' written notice of termination to the Contractor.

Payment consequences of termination

- 11.5 Unless Schedule B otherwise provides, if the Province terminates this Agreement under section 11.4:

Assignment

- 13.3 The Contractor must not assign any of the Contractor's rights or obligations under this Agreement without the Province's prior written consent. Upon providing written notice to the Contractor, the Province may assign to any person any of the Province's rights under this Agreement and may assign to any "government corporation", as defined in the Financial Administration Act, any of the Province's obligations under this Agreement.

Subcontracting

- 13.4 The Contractor must not subcontract any of the Contractor's obligations under this Agreement to any person without the Province's prior written consent, excepting persons listed in the attached Schedule C. No subcontract, whether consented to or not, relieves the Contractor from any obligations under this Agreement. The Contractor must ensure that:
- (a) any person retained by the Contractor to perform obligations under this Agreement; and
 - (b) any person retained by a person described in paragraph (a) to perform those obligations fully complies with this Agreement in performing the subcontracted obligations.

Waiver

- 13.5 A waiver of any term or breach of this Agreement is effective only if it is in writing and signed by, or on behalf of, the waiving party and is not a waiver of any other term or breach.

Modifications

- 13.6 No modification of this Agreement is effective unless it is in writing and signed by, or on behalf of, the parties.

Entire agreement

- 13.7 This Agreement (including any modification of it) constitutes the entire agreement between the parties as to performance of the Services.

Survival of certain provisions

- 13.8 Sections 2.9, 3.1 to 3.4, 3.7, 3.8, 5.1 to 5.5, 6.1 to 6.4, 7.1, 7.2, 8.1, 9.1, 9.2, 9.5, 10.1 to 10.3, 11.2, 11.3, 11.5, 11.6, 12.1 to 12.3, 13.1, 13.2, 13.8, and 13.10, any accrued but unpaid payment obligations, and any other sections of this Agreement (including schedules) which, by their terms or nature, are intended to survive the completion of the Services or termination of this Agreement, will continue in force indefinitely subject to any applicable limitation period prescribed by law, even after this Agreement ends.

Schedules

- 13.9 The schedules to this Agreement (including any appendices or other documents attached to, or incorporated by reference into, those schedules) are part of this Agreement.

Independent contractor

- 13.10 In relation to the performance of the Contractor's obligations under this Agreement, the Contractor is an independent contractor and not:
- (a) an employee or partner of the Province; or
 - (b) an agent of the Province except as may be expressly provided for in this Agreement.

The Contractor must not act or purport to act contrary to this section.

Personnel not to be employees of Province

- 13.11 The Contractor must not do anything that would result in personnel hired or used by the Contractor or a Subcontractor in relation to providing the Services being considered employees of the Province.

Key Personnel

- 13.12 If one or more individuals are specified as “Key Personnel” of the Contractor in Part 4 of Schedule A, the Contractor must cause those individuals to perform the Services on the Contractor’s behalf, unless the Province otherwise approves in writing, which approval must not be unreasonably withheld.

Pertinent information

- 13.13 The Province must make available to the Contractor all information in the Province’s possession which the Province considers pertinent to the performance of the Services.

Conflict of interest

- 13.14 The Contractor must not provide any services to any person in circumstances which, in the Province’s reasonable opinion, could give rise to a conflict of interest between the Contractor’s duties to that person and the Contractor’s duties to the Province under this Agreement.

Time

- 13.15 Time is of the essence in this Agreement and, without limitation, will remain of the essence after any modification or extension of this Agreement, whether or not expressly restated in the document effecting the modification or extension.

Conflicts among provisions

- 13.16 Conflicts among provisions of this Agreement will be resolved as follows:
- (a) a provision in the body of this Agreement will prevail over any conflicting provision in, attached to or incorporated by reference into a schedule, unless that conflicting provision expressly states otherwise; and
 - (b) a provision in a schedule will prevail over any conflicting provision in a document attached to or incorporated by reference into a schedule, unless the schedule expressly states otherwise.

Agreement not permit nor fetter

- 13.17 This Agreement does not operate as a permit, license, approval or other statutory authority which the Contractor may be required to obtain from the Province or any of its agencies in order to provide the Services. Nothing in this Agreement is to be construed as interfering with, or fettering in any manner, the exercise by the Province or its agencies of any statutory, prerogative, executive or legislative power or duty.

Remainder not affected by invalidity

- 13.18 If any provision of this Agreement or the application of it to any person or circumstance is invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provision to any other person or circumstance will not be affected or impaired and will be valid and enforceable to the extent permitted by law.

Further assurances

Schedule A – Services

PART 1. TERM:

1. The term of this Agreement commences on February 27, 2019 and ends on March 31, 2019.

PART 2. SERVICES:

Outputs

The Contractor must produce an Implementation Plan (“the Plan”) to establish and support the future sustainability of a Chinese Canadian Museum (“Museum”) focused on Vancouver Chinatown. The Plan must outline the market, operational and economic feasibility of the Museum as well as develop specific options and recommendations for mandate, governance, funding, location(s) and programming. The analysis must incorporate the collective needs of the Chinese Canadian community across BC, and enable a successful launch of a Museum with ongoing community support.

The Contractor must:

1. Critically assess the economic and operational feasibility and viability of the overall initiative as well as possible museum locations, for example, consider options within Vancouver’s Chinatown, for a museum “hub”;
2. Utilize the expertise on the a) economic conditions of local museums in Vancouver (i.e. Museum of Anthropology, Museum of Vancouver [MOV], Burnaby Village Museum, etc.) provided by the Museum of Vancouver and b) on existing Chinatown museums in Seattle, New York, Singapore, and Penang provided by Contractor’s expertise to assess the economic and operational viability of an innovative “hub and spoke” museum structure that connects the proposed “hub” in Chinatown to spokes both in Vancouver’s Chinatown and across British Columbia;
3. Utilize existing expertise generated by the Approved Subcontractors – the Museum of Vancouver, the Chinese Canadian Historical Society of British Columbia (CCHSBC) and the Pacific Canada Heritage Centre - Museum of Migration Society (PCHC-MoM) – to begin several small pilot initiatives, the results of which will be included in the final report (see item 7 below) to assess the feasibility and cost structure of activating “spokes” in Chinatown within historical association buildings and around British Columbia in historical Chinese Canadian heritage sites already identified through a provincial recognition process in 2015;
4. Participate in Chinese Canadian Museum Working Group meetings and in Chinese Canadian Museum public consultation and community meetings as requested by the Province and integrate the results of these meetings into the final report (see item 7 below);
5. Deliver a high-level outline of items 1 – 4 above by March 1, 2019 as well as economic figures (i.e. costs) and written descriptions of a minimum of three options for establishing of a Chinese Canadian Museum, including the Contractor’s proposed criteria for evaluation of the included options;
6. Receive feedback from the Province on the proposed options from item 5 above and develop and provide a draft implementation report by March 22, 2019 that provides detailed analysis of the feasibility and recommended implementation process for each of the options outlined in item 5 above. The draft report will provide a detailed analysis of the feasibility and implementation path for each of the options described in item 5 above, including recommendations regarding governance structure, operating, business and funding models, location(s), size, programming, staffing, financial analysis with key assumptions, projected revenue and expenses in a pro-forma five year budget, significant risks and mitigation strategies and implementation schedule; and
7. Integrate the Province’s feedback on the draft report into a final report to be delivered to the Province by March 29, 2019.

Inputs

Preliminary work on this project has already taken place, and includes the completion of a Museum Advisory Report. The Report is an analysis of potential concept options (models) for a Chinese Canadian Museum. Preliminary assessments of the report findings as well as consideration of scope and limitations favour a 'Hub and Spoke' model (i.e. a bricks and mortar presence containing exhibits and information combined with bringing together the narratives, resources and experiences already available and a digital presence). The 'Hub and Spoke' model is the focus of the community consultations.

Using the Museum Advisory Report as a foundation, the Contractor must perform further analysis and research to establish feasibility including incorporating the results from the community consultation undertaken by Province.

The researchers at The University of British Columbia, and museum professionals at the Museum of Vancouver (MOV), have extensive relevant experience in the following fields required to fulfil the primary output required of a "Plan" for a Chinese Canadian Museum focused on Vancouver's Chinatown. This includes:

- 1) Primary research knowledge of Chinese Canadian history and extensive community networks in Vancouver's Chinatown community, as evidenced by Contractor's principal proponent Dr. Henry Yu and his team's work on Chinese Canadian history and heritage projects for the last 15 years and his leadership in community-based projects in Vancouver and in British Columbia;
- 2) Extensive expertise and local working experience on every aspect of museum exhibition, conservation of artifacts, and the financial costs of maintaining a local museum in Vancouver within the Museum of Vancouver team led by the Museum of Vancouver's principal proponent Dr. Viviane Gosselin, strengthened by her own relevant experience in community-based curation and exhibition interpretation, with the start-up and building of a local museum, and research expertise with multicultural and community-based museums in Canada;
- 3) The highest level of expertise in real estate economics in a team of researchers led by Contractor's Chair of Real Estate Economics, Dr. Tsur Somerville, able to produce real estate development pro forma, to produce analyses of financial feasibility, and to quickly and accurately access and analyze relevant local economic data at the level possible for a research university-based team;
- 4) Support from an experienced management and financial investment consultant with relevant experience to help create and assess viable financing and management options, based on comparisons to existing museum models but cognizant of the need to explore innovative models for the required "hub and spoke" requirement outlined in the Request for Proposals; and
- 5) Support from Contractor and Museum of Vancouver staff members with high-level Chinese language (Mandarin, Cantonese; Traditional and Simplified) interpretation, translation, and spoken abilities, to ensure that aspects of the plan are accessible to the diverse Chinese communities in Vancouver and British Columbia.

Outcomes

Through the delivery of the Services the Province wishes to realize the following outcomes and, without limiting the obligation of the Contractor to comply with other provisions of this Part, the Contractor must use commercially reasonable efforts to achieve them:

- 1) Enriched public discourse about inclusion and diversity:

The present-day and future of British Columbia will be better represented by more inclusive and

historically accurate representations of our shared past, developed collaboratively by researchers and historically marginalized communities. Such work, intensifying over the last three decades both in academia and in civic processes of reconciliation, acknowledge the dark legacies of the politics of racism and white supremacy and their devastating effects on Indigenous peoples and others considered non-white. At the same time, such re-interpretations of Canada's history recognize that the efforts of those who had been excluded by legalized racism were responsible for challenging discrimination and forcing the province of British Columbia and the nation of Canada (in a similar way to Australia, New Zealand, and other colonial settler nations around the Pacific) to be a more just and inclusive society.

2) Knowledge creation and mobilization of new digital technology in the service of heritage:

Our goal is to create a more inclusive cultural representation of Canada through the interpretation and managed conservation of British Columbia's Chinese Canadian historical heritage and Vancouver Chinatown's cultural heritage. Through the outcome of an implementation plan of a multi-sited museum and managed heritage ecosystem involving multiple partners, this project brings together research on the Chinese migration networks that have shaped British Columbia and the Pacific region over the last 200 years, community/industry/university generation of high tech tools for cultural heritage engagement, and innovative approaches to museology that value the role of intangible cultural heritage in promoting respect for cultural diversity and human creativity. Two original and substantive contributions will be a path for 1) the activation of dispersed spatial "heritage nodes" in Vancouver's Chinatown and around British Columbia, 2) the development of innovative digital technology "spokes" connected to a "hub" with a permanent location in Chinatown. The research and pilot use of new technologies (Virtual Reality and Augmented Reality) applied to heritage interpretation will contribute to increased capacity in the use of digital technology in historical learning and "digital education" with greater potential that these new technologies will allow new forms of immersive learning experiences, increase access to physically distant museum collections and intangible heritage, propose new representations of historical narratives and facilitate off-site learning.

3) Youth training/skill development and increased capacity for youth engagement and staffing of the eventual Chinatown museum:

Student researchers hired will have the opportunity to connect and apply their knowledge to issues and challenges within the community setting of the development of the Chinatown Museum. As the project involves working closely in support of research experts and city and museum staff, students will also receive mentorship from these partners to develop their professional skills beyond research expertise, in practical job skills that will be valuable to the proposed Chinatown Museum such as collaboration and cross-cultural communication with Chinese-speaking community members.

4) A foundation of new and enhanced partnerships for a "hub and spoke," multi-sited Chinatown Museum:

The implementation plan ultimately proposed by the proponents will develop a "hub and spoke," multi-sited, living community heritage museum and ultimately leave in place a managed heritage ecosystem that has the capacity to accomplish other goals. A multi-sited museum will inspire the development of more resilient heritage organizations built on models of collaboration, community participation, social inclusion and sustainable design policies. The sharing of resources (historiographic research, curatorial and conservation expertise, new technologies) between partnering organizations will build new and potent forms of cultural/ financial synergies and efficiencies and improve public access to cultural resources.

The parties acknowledge that the Contractor does not warrant that these outcomes will be achieved.

Reporting requirements

The Contractor will meet with ministry staff and other appropriate key personnel weekly to report on progress.
