Hello Ramesh and Korleen.

BC Games CEO Kelly Mann will be reading the Minister's Message at the forthcoming 40th Anniversary celebration in Trail.

This message has been reviewed by program and the Executive Director of Sport, and follows closely the messages provided for the other 40th Anniversary celebrations which have taken place in communities throughout the past year.

Pls let me know if this message is approved, and we will provide to Mr. Mann.

The event is next Thursday.

We are hoping to send this to BC Games on Friday afternoon.

Thank you

Hi There – apologies for this one being a bit of a rush before the long weekend but we are planning to get it out on Tuesday. Here is the News Release announcing the BCAC Grant recipients and quote from MLB for approval:

“B.C.’s arts community is part of a creative and sustainable economy that works for people. This funding means B.C.’s creators can help develop the arts in communities throughout the province,” said Lisa Beare, Minister of Tourism, Arts and Culture.
“Investing in creative thinking and skills development through the arts is incredibly important to our province’s future. Congratulations to all of the BC Arts Council grant recipients”

Hoping to get quote approval before the weekend.

Thanks,

Trish

Subject: request for MO Approval: 3rd party QUOTE Honda Celebration of Light

Hello!

Honda Celeb of Light is putting out a news release.
Apologies – my bad, this slipped between the cracks Monday.
Am hoping you can approve today.

“The Province of British Columbia is proud to support this signature summer event,” said Lisa Beare, Minister of Tourism, Arts and Culture. “Over a million people will watch the Celebration of Light, with the City of Vancouver as the backdrop for this internationally renowned music and light show. The three days of competition and related activities generate huge economic benefits and inspire people from around the world to visit our province.”
