d) Community Engagement	<ul style="list-style-type: none"> PavCo will provide a verbal update on plans for renewing and refreshing its current Engagement Plan. PavCo's previous and current mandate includes a commitment to continue to support and promote community events and business opportunities that attract and benefit British Columbians through execution of the <i>PavCo Engagement Strategy</i>. <i>The Engagement Strategy</i> commits PavCo to ensuring that its facilities continue to host community interest events (e.g. high school sports championships, regional tradeshow, charitable galas, community festivals) and high revenue events from private sector clients. The internal Client Engagement Team is continuing to work on plans to raise awareness within the community of all the community engagement work they are doing, as well as identify opportunities to enhance engagement.
