Hey Dave

My name is Jeff Hannah. I am Minister Lisa Beare's Executive Assistant. Thank you for speaking to me on the phone earlier today. You had mentioned that the Sports Network has General Meetings every 6 weeks or so. Minister Beare would be happy to attend one of these meetings (schedule permitting of course), please let me know there is a confirmed date for the next meeting. I am also excited by your suggestion of their being a presentation from the sports network to Minister Beare.

All the best,

Hi Jeff and Ramesh,

We've been hosting a series of regional media events on seniors funding in long-term care throughout December and January. The intention is to highlight the community impact of the Premier's province-wide announcement from September:
<https://news.gov.bc.ca/releases/2018PREM0072-001861>.

Let us know if MLB is interested!

We'll have the total dollar amount invested in the region, as well as the list of residential care homes in the community that have benefited from the new funding. Here's an example from Surrey, Delta, and Langley earlier this month: <https://news.gov.bc.ca/releases/2019HLTH0005-000013>

The guest list would be Steve Robinson, Sara Searle and maybe Matthew Robinson based on availability. As it's now March 9th, we understand if this doesn't work before March 19th, but please let us know if there are any available dates next week as we will make it work.

The agenda of items to bring to discuss with the Minister are items that are directly impacting our family in the following communities. Each community has different issues, but they all directly impact the local BC farmer.

Abbotsford - issues with neighbours and the ownership of the plant

Pitt Meadows - home plate and migrant worker housing , environmental and ditch management issues

Coquitlam - ditch maintenance , bear management , interfaces with public and the park issues

Pemberton - home plate and home size issues

We also have a proposal to start up farmer-led boards in each community that would be voted in by farmers to address specific issues in each community. We don't feel the Chamber of Commerce nor the local city staffed agricultural boards are aware of the actual issues.

Hello,

Lisa was able to secure a meeting with you and co and Minister Popham in Victoria. When you get a chance can you please send me a guest list and agenda that we can send to the ministry and they will get back to us with some possibilities for dates? According to the parliamentary calendar the legislature breaks from March 19 - April 6th so it wouldn't be between those dates. If there are any dates that absolutely don't work for you guys let me know and I will pass that information on to the ministry as well.

Re: BC Ukrainian Cultural Festival 2019 - ad

I am writing, as I did last year, to inquire as to whether you - as MLA for Maple Ridge ... just up the highway from the Heritage Park Educational and Cultural Complex in Mission, venue for our Festival - might be interested in running an ad in our Program for the 2019 Festival.

This is the most important cultural gathering for BC's Ukrainian community ... which numbers approx 200,000 in BC (and 1.35 million in Canada).

[We were quite disappointed that you did not respond to our request last year.]

As BC's Minister for Arts & Culture (responsible for multiculturalism), we would hope that you will consider doing so this year.

Attached you will find:

- ad application form (with guidelines, prices, and deadline);
- copy of our poster for Festival 2019;
- copy of media coverage from Festival 2018;

-copy of an ad from a fellow elected BC politician, along with another ad from a corporate sponsor;
-copy of an ad from members of the Cdn Federal Liberal Party. [The ad was run in the Ukrainian News / New Pathway newspaper ... in connection with the Toronto Ukrainian Festival; fyi - Chrystia Freeland is of Ukrainian heritage.] [An ad with you as Minister of Arts & Culture along with a few other members of your caucus garbed in vyshyvanka (embroidered shirt/blouse) would be impressive.]
-link with a brief video of Festival 2018.

Happy New Year. Have you heard back from MLA Kahlon's ministry staff on the BC Government's interest to join us as a Silk Road Festival partner?

I am happy to chat on the phone with the ministry staff to answer any questions if you provide me their contact.

The Silk Road Festival will be held at **ᓃᓂᓐᓴᓂᓐᓴ Xwtl'e7énk Square** (formerly known as Vancouver Art Gallery, North Plaza) on **July 6 & 7, 2019**. The square's name has great significance as it refers to a place where a cultural gathering takes place.

We look forward to MLA Kahlon and the BC Government partnering with our festival to promote "interculturalism" and build bridges among communities at ᓃᓂᓐᓴᓂᓐᓴ Xwtl'e7énk Square.

Awaiting your favourable reply.

Dear Ministers:

On behalf of the Prince George Native Friendship Centre,
s.13; s.17

An acclaimed opera on the subject of Canada's missing and murdered Indigenous women, *Missing*, which is sung in both English and Gitksan, is a work of immense cultural significance, especially for the people in the Prince George region. It is also a work that speaks eloquently of reconciliation.

Please see the attached proposal, along with letters of support, an overview of the opera, examples of media coverage, and a project budget. I would appreciate the opportunity to discuss this project with you and invite you to participate in a conference call with me, along with Ian Rye and Carey Newman of Pacific Opera.

I look forward to hearing from you.

Reply direct. I accidentally clicked info file and then immediately changed it to reply direct but I forgot to take off info file tag.

Hi Claire,

There was a report done last year by COV. I don't believe this includes the potential loss of the Four Seasons (373 rms), or the potential conversion to residential of the Century Plaza (240 rooms).

Pleased to discuss anytime.

Hi All,

I am writing to let you know that, effective today, there will be a number of executive changes in the Public Service.

Lori Halls will become the Deputy Minister of Emergency Management BC filling the vacancy created with ^{s.22}

^{s.22} As the last two years have demonstrated, we need to build out our capacity to deal with substantial major emergencies as almost the regular course of business. Lori's previous operational experience and her tenure as Deputy Minister of the Public Service Agency have provided her with the right experience for this task.

Okenge Yuma Morisho will become the Deputy Minister of the Public Service Agency, where I expect his strong personal commitment to growing employees' capabilities and careers will become an asset for the entire Public Service.

Bobbi Plecas will become the Deputy Minister of Intergovernmental Relations. Bobbi and her team did a stellar job working with Dave,

Fazil and others in pulling together the Clean BC Plan. As that Plan moves into the implementation phase, I want to use Bobbi's talents on other important files. Climate change initiatives will require significant support from the federal government, so Bobbi will remain connected to Clean BC implementation. She will also continue to lead the province's strategic discussions with BCBC in relation to the Low-Carbon Economy MOU that we signed with them in November.

Mark Zacharias will assume Deputy Minister responsibility for the climate change portfolio going forward, with Jeremy Hewitt appointed as Assistant Deputy Minister to lead our implementation efforts.

As part of our ongoing succession efforts, I am pleased to announce that Shauna Brouwer will become Deputy Minister of Tourism, Arts and Culture. Shauna led our recent engagement with the film sector and brings a finance background that will be important to projects like the Royal BC Museum and other key TAC priorities.

Joining the BC Public Service on March 4, 2019 as Deputy Minister of Municipal Affairs and Housing will be Kaye Krishna. Kaye comes to us most recently from her role as General Manager, City of Vancouver, Development, Buildings and Licensing where she has played a key role in Vancouver's housing strategy, and has had regulatory oversight for development, short term rentals, ride-share and legalization of cannabis.

Tara Faganello will be acting Deputy Minister of Municipal Affairs and Housing until Kaye joins us.

Changes at the Deputy Minister level are never made lightly, and I recognize the impact these decisions can have on an organization. These decisions weigh even heavier when they result in executives leaving the organization. With that in mind, ^{s.22}

^{s.22}

s.22

s.22

Please also
join me in congratulating Lori, Okenge, Bobbi, Shauna and Jeremy on
their new assignments and in welcoming Kaye to the BC Public
Service.

Dear Sir/Madam,

My name is Javid Jabiyev. I am one of the professionals in Tourism and Hospitality Management from Azerbaijan. If necessary, you can get my reference letter by the head of the Azerbaijan Tourism Association and a member of the World Tourism Organization.

We know Nowadays, Canada is of the fast-developed countries throughout the world. Strides and efforts carried out so as to develop the tourism pave the way for positive predictions over Tourism and Hospitality Management in Canada.

The importance of tourism in Canada's economy keeps growing day by day. Today, one needs to stand out with something in the tourism kingdom. These things could be put to work by various means. One of them is to found conceptual hotels. I and our team have some projects regarding conceptual hotels. The execution of these projects can definitely cause an increase both in the number of tourists and tourism income. On that issue, we are kindly asking the Canada Government and the Ministry of Tourism, Arts & Culture to support us to the maximum extent and help us implement our plans allowing Canada's Tourism to develop much more.

We need to choose countries as developed as Canada in order to put these enormous projects to work in. It is not possible to carry out those plans in the developing countries.

We wish the Ministry of Tourism of Canada will contact us closely and gain positive results for Canada.

We thank you beforehand looking forward to your positive response in a short space.

Sincerely,

Javid Jabiyev

Here is the response from program:

TAC has not provided funding for this event directly.

That said, some sport organizations still invite the Minister/local MLA to attend events/provide letters for programs on the basis that the Province of BC provides funding to:

- Provincial Sport Organizations – like BC Hockey – who then sanction and support events such as this one
- Local sport organizations who apply for community gaming grants through the Ministry of Municipal Affairs.

It's possible that the Squamish Minor Hockey Association received some kind of indirect financial assistance for hosting the tournament – but no direct funding according to our records.

Hello Lisa,

I am organizing the Squamish Minor Hockey Association Atom Rep Tournament and Jordan, our local MLA, was able to help me out with a letter and prize pins and stickers for that tournament and some pins (48) for the next one which will host 300 players. I am hoping that you might also be able to help me out with the s.13

s.13 and being that you are the minister office responsible for sports and I felt you would be a great advocate for youth sports.

It was so great all the players put them on their team jackets and were so proud and I would love to make that happen for the 16 REP teams from all over the province and one from the States.

Thanks so much for your consideration. I can also arrange to pick up, and again I am on a tight deadline as the tournament is Family Day Weekend February 15-18 and the program is being sent to the printers at the end of the week next week Jan 18th.

I have included the correspondence with Jordan and his office and hope that helps you with any potential letter you may wish to supply for our program as well.

Thanks again for your consideration

Sorry we've missed your Monday deadline but I can certainly get you a letter for the Feb tournament. When would you need it provided? Are the other teams all coming from across BC?

I can also give you some BC flag pins. We typically distribute pins in batches of about 25. How many are you in need of?

I also have flag stickers and can give you as many of those as you like.

I will be working on our Squamish office on Friday so can meet you at the Adventure Centre in order to hand off some pins.

Let me know if that works for you.

Dear Honorable Lisa Beare, Minister of Culture, British Columbia, Canada

Allow me to introduce myself.

My name is Stacy James Fry. I am the Director and CEO of Maya Media Inc.

Maya Media is now the lead developer on a project to bring three technology-leading purpose-built and multi-media Film/TV/Music/Agricultural Studio campuses and events infrastructures into Nelson BC, the Creston Valley and Columbia Valley, a proposed total of 450k sq. feet of sound stage and 600k sq. feet of support infrastructure spread across three key locations in the Kootenay region, over top up-to 3000 acres of land.

I've attached a brief to highlight what each facility will be like.

I just read the new Creative BC Impact Report and felt it was time to reach out to you directly.

Perhaps now is a good time to speak with you and your Ministry about our initiative. We hope to ^{s.17}as we move forward with seed capital and planning negotiations with stakeholders in Nelson, Creston Valley and the Columbia Valley.

I should say that these negotiations are well underway and we're not at the stage where terms are being negotiated on up-to ^{s.21} in seed capital to trigger ^{s.21} in financing for this project.

We want to bring this industry to the Kootenay's in a big way.

Please review the attached Brief at your earliest convenience, so that we may begin working directly with you and your Office to bring our collective vision for BC Studio's into the Kootenay's at three spectacular locations this year.

My team and all the stakeholders involved look forward to hearing from you.

Dear Minister,

On behalf of the Host Organizing Committee for the 2019 WBSC Americas Olympic Qualifier for Women's Softball, **s.13; s.17** to host an incredibly exciting event – the Olympic Qualifying tournament late this summer, in advance of the 2020 Tokyo Olympic Games.

By way of background, Surrey, BC, was selected in the summer of 2018 – amongst all contenders from Canada - by Softball Canada as the Host Organizing Committee if Canada proved successful in winning the bid. Today, the Surrey Bid Committee is very pleased to let you know that at an announcement is being scheduled for January 20th, 2019 at which time Canada and the Surrey, BC bid will be announced in Lausanne, Switzerland, as the successful Host Nation (confidential until released).

Our volunteer Bid Committee proceeded through the international process with strong support from all three orders of government, and for that we are very thankful. Now, we begin the work of putting the planning and financial details in place – including the **s.21**. To that end, as a non-profit organization **s.13; s.17**

s.13; s.17, to ensure we stage the best event possible, within a carefully managed budget.

We will be fulfilling our revenue requirement through ticket sales, vendor partnerships, and possible corporate and community support to offset the total amount of the event budget.

Our Committee is extremely honoured to have won the bid, as this event presents a unique opportunity to showcase Surrey, our province and our country. It is important from a tourism, cultural and sporting perspective – and will serve to inspire young female athletes in this country. It also presents a once-in-a-lifetime chance for the BC members of our national team to pursue a berth in the Olympic Games on home soil.

It should be noted that Team Canada is currently ranked 3rd in the WBSC world rankings and would enter the 2019 WBS Americas Olympic Qualifier ranked number-one (amongst attending teams), with a strong potential to qualify for the 2020 Tokyo Games. We have strong support from both our National Association, Softball Canada as well as the Canadian Olympic Committee, who see this team as one of our nations' strongest medal contenders.

Ultimately, we were successful in holding off strong competing bids from Colombia, the Dominican Republic, Mexico, Puerto Rico because of the internationally recognized spirit of Canadians along with the Organizing Committee's hosting experience. The Committee has 25-years of staging one of the world's most successful softball tournaments, Canada Cup, and hosted the SURREY 2016 XV Women's World Softball Championship, regarded as the best run tournament outside of the Olympics both on and off the field, in the history of the sport.

Based on our experience in hosting these major events, the WBSC America Olympic Qualifier Bid Committee established a **s.21** operating budget for the Olympic Qualifier, as a result of anticipated requirements with respect to capital, marketing and hosting responsibilities associated with an event of this magnitude.

s.13; s.17

This event is one that provides partners with an opportunity to be part of something that is uniquely special while also being recognized as a key contributor. Should you have any questions or require additional information, please don't hesitate to contact our Bid Committee at your earliest convenience.

Respectfully,

Greg Timm, President

The following developments have occurred in the interim:

a) Fraser Valley Regional Library has conducted a pilot programme investigating the title with the Virtual Reality experience the highlight. Initial success will lead to further developments this year.

b) Expansion of use of the series at Navigate, the blended learning school at SD71. We heard that last year "students loved it and wanted to do more episodes, however, they had to move on due to time/curriculum restrictions."

c) A successful launch at Nisaika Kumtucks, the single-classroom school in Nanaimo.

Further development of this title can have a profound effect on education. Our focus is the future, we are not fixing the present. An Inanimate Alice Research Group has been established at Lesley University, Cambridge, MA, with [Valerie Shinas](#), chair of language and literacy in the role of principal investigator. Thank you for your March 19, 2018 email regarding a proposed digital media project in British Columbia (BC) to support Indigenous language learning.

Your collaboration on *Inanimate Alice* is inspiring. I appreciate your interest in exploring where these creative technologies can be applied to Indigenous language learning in BC.

I would recommend that you speak with the chief executive officer of the First Peoples' Cultural Council (FPCC), Tracey Herbert. Subject: 44287 - Indigenous Languages in modern digital settings

Dear Minister,

I read with much interest the details of the \$50 million funding for Indigenous Language Acquisition. I would like to propose that a digital media production, developed here in BC, could become an ideal vehicle for the learning proposed, providing settings that young people will find leading-edge and exciting.

The *Inanimate Alice* series is a work of "born-digital" literacy. Written by Governor General's

Award-winning novelist Kate Pullinger, the series is embedded in the curriculum in Australia. It is the first digital text to be selected for Portugal's National Reading Plan. In 2012, it was recognized as a Best Website for Teaching & Learning by the American Association of School Librarians. Of *Inanimate Alice*, BC-ERAC stated "The interactive nature of this engaging story is instantly accessible to all levels of readers and allows them to develop their media literacy skills while exploring a new novel format."

"Welcome to the future of reading," said Maclean's magazine in its 3-page feature [article](#) that profiles the groundbreaking transmedia narrative Inanimate Alice. "Reluctant readers are discovering a passion for literature and those who were already reading are writing their own stories."

Recently, we have completed the development of *Perpetual Nomads*, a spinoff from the series that has been produced with investment from Canada Media Fund and Screen Australia. At the base level, we have created a beautiful environment that can be explored in Virtual Reality. (see attached) This can be readily extended and manipulated to include more scenes that will provide "natural" settings in which language can be acquired and absorbed, all the while students thinking they're just having fun.

With partners, we are developing a library model that will employ the early episodes of the series to reach homes and schools, that act as a magnet to attract customers to the library to experience the latest adventure in VR.

It would be wonderful to see this further developed in BC.

I shall be glad of your thoughts on this proposition and welcome your guidance on how such a prospect may be progressed.

Kind regards,

Ian

My name is Stacy James Fry. I am the Director and CEO of Maya Media Inc.

Maya Media is now the lead developer on a project to bring 450k sq. feet of technology-leading purpose-built and multi-media Film/TV/Music/Agricultural Studio campuses and events infrastructures to three locations; Nelson BC, the Creston Valley and Columbia Valley.

I've attached a quick Brief on the project to highlight what each facility will be like, and who is involved.

I just read the new Creative BC Impact Report and felt it was now time to reach out to you directly.

Perhaps now is a good time to speak with you and your Ministry about our initiative. We hope to ^{s.17} as we move forward with seed capital and planning negotiations with stakeholders in Nelson, Creston Valley and the Columbia Valley.

I should say that these negotiations are well underway involving the local MLA's, Regional Economic Directors, the Columbia Basin Trust, Manulife, Nelson City Council, the Ktunaxa and Akisqnuq Nations, and others. We are approaching Terms with stakeholders on up-to ^{s.21} in seed capital to trigger ^{s.21} in financing for three facility locations.

We would also like to work with your Office in Communicating with potential investors through the International Trade Portfolio.

We want to bring this industry to the Kootenays in a big way.

My team and all the stakeholders involved look forward to hearing from you.

Respectfully yours,

Stacy James Fry

Hello Lisa,

I am organizing the Squamish Minor Hockey Association Atom Rep Tournament and Jordan, our local MLA, was able to help me out with a letter and prize pins and stickers for that tournament and some pins (48) for the next one which will host 300 players. I am hoping that you might also be able to help me out with the ^{s.13} and being that you are the minister office responsible for sports and I felt you would be a great advocate for youth sports.

It was so great all the players put them on their team jackets and were so proud and I would love to make that happen for the 16 REP teams from all over the province and one from the States.

Thanks so much for your consideration. I can also arrange to pick up, and again I am on a tight deadline as the tournament is Family Day Weekend February 15-18 and the program is being sent to the printers at the end of the week next week Jan 18th.

I have included the correspondence with Jordan and his office and hope that helps you with any potential letter you may wish to supply for our program as well.

Thanks again for your consideration

Sorry we've missed your Monday deadline but I can certainly

I can also give you some BC flag pins. We typically distribute pins in batches of about 25. How many are you in need of?

I also have flag stickers and can give you as many of those as you like.

I will be working on our Squamish office on Friday so can meet you at the Adventure Centre in order to hand off some pins.

We felt it would be nice to have a letter from you welcoming families to our great community and corridor.

Hello, Everyone!

Due to the limited availability of those who responded to the last Doodle poll sent out in December, we have decided to reschedule the BCAF Board's Strategic Planning meeting for the month of March.

Please find attached below a link to the 'new' Doodle poll for possible dates and times for the **Strategic Planning meeting**:

<https://doodle.com/poll/5rahr4axme8wsruk>

Again due to the nature of the meeting, we anticipate approximately a five hour time commitment. The meeting session will include either dinner or lunch depending on the preferred time and date. The meeting will be held in Vancouver with the location TBC.

Please fill out this Doodle poll to indicate your availability by **Monday, January 21st**. We will follow up with the confirmed date and time shortly thereafter.

Thank you, again, for your help.

Warm regards,

Kristin

Hey Kelly,

Letter from the Chief of the Penticton Indian Band.

In the letter they ask for responses on two issues.

I would like to mark for minister reply.

There is also a meeting request in there as well so I've copied Marina as well.

As an FYI they have sent very similar letters to Ministers Simpson and Robinson.
