Jen,

Please find attached an event pitch for an announcement about Amplify BC's Live Music Fund. This is a funding stream within Amplify BC, which supports BC musicians and BC's music industry.

TAC announced Amplify BC last year..... so this will be an opportunity for an echo that highlights some of the recipients of the fund and the important work the fund supports. While we anticipate pitching to all media, it is highly likely only arts and culture media will pick it up.

Please don't hesitate to contact me if you have any questions.

Kelly

Hi Gang,

Attached is an event pitch and proposed tour for MLB for the Jan 25 afternoon Music Tour and Announcement.

We have placed in the corp cal, but I am not sure that this has been approved at the Sr. MA meeting as of yet?

Please let me know if you need any further details and once you have a chance to review the tour proposal if you are ok with the tour stops proposed.

Thanks kindly,  
Carla

As per MLB's instruction with regards to the FNLG follow-up letters, can you figure out which groups she may have met with previously and ensure that is reflected in the letters? I want to approve in eapps, but with that caveat.....

Hello Kelly

For Minister Beare;

I had thought after our meeting that I should have shared the attached documents.

They show a clear impact that the Port Theatre has had , not only with the Regional district, but also throughout BC .

.....an clear impact on tourism . These results have been accomplished without any specific Marketing outside our region except a few ads in the Times Colonist over the 20 yrs.  
Our expansion project will increase this impact substantially.

Have a very best day

Again, there are three types of events: speaking to a chamber/board of trade, one speech/meeting to an unusual group of stakeholders and one echo announcement. We will also be building into these days a comms plan to get you member out in the media. For now you will see a rough outline of when and where people are going. Please let me know if you have any questions.

**Subject:** Cabinet And MLA's Post Budget

Hi All,

We are beginning to put together a post budget tour that will help us amplify and echo the budget throughout BC. As part of this planning process we would like you to block **three days** for each of your cabinet members and for Ravi, Mitzi and Bowinn. We need you to block either March 1 or March 8th. And then we need you to choose two days over the March break (March 11-22<sup>nd</sup>). Please be prepared for travel outside of the Lower Island and Lower Mainland.

These days will be used for secondary Budget tour. We will be putting together an exciting package of activities which will include a visit to a board of trade or chamber of commerce, a opportunity to meet with unique stakeholders and or an announcement. Full details of these activities will come to you in early February.

Please send me the dates you have chosen by January 16<sup>th</sup>. Give me a call if you have any questions.

Hi Kelly;

I should have let you know. Will go over all our upcoming grants to see what is relevant to you :  
Our press rel:

Rural Dividend grants support Cariboo communities

The Sugar Cane Development Corporation and the Cariboo Chilcotin Coast Tourism Association will receive \$100,000 each under the special circumstances provision of the BC Rural Dividend.

“We’re aware that some rural communities are facing difficulties in the aftermath of wildfire season and other challenges in the forest industry,” said Doug Donaldson, Minister of Forests, Lands, Natural Resource Operations and Rural Development. “We’ve prioritized certain project applications to help First Nations and rural communities ensure they remain healthy and economically viable places to live and raise families.”

The Sugar Cane Development Corporation in 150 Mile House is getting \$100,000 to implement a wildfire recovery plan for the Williams Lake Indian Band. This includes hiring a local business development manager, developing a post-wildfire community investment and attraction marketing plan, as well as purchasing equipment for the emergency operations centre.

“Sugar Cane Development Corporation is grateful for the support provided by the special circumstance grant through the BC Rural Dividend Program,” said Kirk Dressler, CEO, Sugar Cane Development Corporation. “Williams Lake Indian Band was profoundly affected by the 2017 wildfires, and like many communities and businesses, is struggling to recover. This grant will afford Williams Lake Indian Band’s primary economic development entity with the means to implement key elements of our wildfire recovery plan and to facilitate business growth, economic development and diversification.”

The Cariboo Chilcotin Coast Tourism Association in Williams Lake will receive \$100,000 to implement tourism strategies identified in the destination development plans for the region. The project includes a collaborative tourism/resource road inventory and plan, skills training and a strategy to improve the accuracy of Cariboo Chilcotin Coast region business information, mapping and visuals on Google.

“On behalf of the Cariboo Chilcotin Coast Tourism Association, I am delighted to thank the Ministry of Forests, Lands, Natural Resource Operations and Rural Development for its financial support of our regional destination development project,” said Amy Thacker, CEO, Cariboo Chilcotin Coast Tourism Association. “This investment will help kick off implementation of key priorities identified in the 10-year destination development strategies and, in turn, support local recovery from the last wildfire seasons.”

In Budget 2018, the Government of British Columbia committed to extending the \$25-million per year Rural Dividend to 2020-21.

So far in 2018-19, including this funding, \$3,801,294 have been awarded under special circumstances throughout the province. Final decisions on project applications from the fifth intake for single applicants (up to \$100,000) and partnerships (up to \$500,000) will be announced next month.

This month, the Province also provided \$673,124 in project development grants to 68 local governments, First Nations and not-for-profit organizations around B.C.

The Rural Dividend is one aspect of government’s rural development mandate, which is committed to supporting rural communities to reinvigorate and diversify their local economies.

Hey Steve,

Thanks! It's definitely interesting and such a change for me, but I am enjoying it.

I confirmed with Parliamentary Secretary Ravi Kahlon (who spoke with Min. James) that this is the same group she was referring to – it's the Multicultural Advisory Council (MAC).

The following link will provide you with some high-level information on the board, current composition, mandate etc...

<http://www.fin.gov.bc.ca/apps/appointments/boardView.asp?boardNum=5284>

If order to join MAC, you will be required to complete the CPD form attached to this email. Please let me know when it has been completed so I can follow up with CABRO and ensure they have received it.

If you have any further questions, please do not hesitate to get in touch.

Wishing you all the best,

Hello Amy & Pat,

I have talked to BC Ferries reservations, related to my original email below, and have some very, very disturbing news. According to the reservations agent, the Northern SeaWolf is still in refit and they will not know until the end of March whether or not it will even be in the water this summer!!!

Currently they are booking up to the capacity of the Nimpkish (16 vehicles) and everybody else is going on a waitlist. They will not be able to confirm people from the waitlist until the vessel is confirmed at the end of March at the earliest. Every single sailing in July is waitlisted - I don't know about other months.

I do not need to tell you what a nightmare scenario this is. People from Europe are making their vacation plans NOW! If they cannot be sure of getting on the ferry they will go somewhere else. If BC Ferries screws up this route again we will start losing European travel agents and wholesalers PERMANENTLY.

Enough is enough. We need BC Ferries to be booking the assumed capacity of the Northern SeaWolf IMMEDIATELY, under the reasonable assumption that it will be ready for the June opening of the season. We cannot let this go on any longer.

Can anyone get up the BC Ferries hierarchy high enough to make this happen?? Desperate times call for desperate measures.

Sincerely,

s.22

Hello Pat & Amy,

I am sorry to have to contact you about this, but we really need to get to the bottom of it.

We have just heard from a European guest who has been unsuccessful trying to get a booking on the Northern Seawolf for July 23rd. Now his whole family vacation hangs in the balance. This is the second email I have had recently. On top of everything else, they won't tell him where he sits on the waitlist - is he #1 or #50? - which would go a long way to telling him what his chances are of getting on.

According to him, BC Ferries told him that every sailing in July had a waitlist, and they weren't even taking bookings yet for August (which seems very strange). Here is an excerpt from the email he received from BC Ferries:

"We have set the vehicle capacity of the Northern Sea Wolf at a conservative level. Once dock fits occur and test loads take place we will determine if it's possible to open up additional space – potentially in March or April."

This is really inexcusable. They have had that boat operational since October, and they haven't got around to determining its capacity? We really cannot afford yet another snafu by BC Ferries or people are going to start giving up on this route. Heck, I'm on the verge of giving up!

Can either or both of you look into this situation and see what if anything can be done to alleviate it? We're going to start losing people if this can't be solved pronto.

Thanks,

Good Morning and Happy New Year:

Our Ministry has again been asked to coordinate a schedule of potential international travel across government. As such, we would request that Ministries submit any anticipated plans for Minister and Deputy Minister international travel for the 2019-20 fiscal year.

We would appreciate if you would identify a contact that will lead coordination of your ministry's response by January 18. As well, that you ensure that your ministry's submission includes all potential overseas and USA travel, and outlines how the travel will advance your Ministry's mandate letter directives and strategic program priorities. Please include Crown Agencies under your purview in your submission.

Grateful if your team could submit your Ministry's travel plans using the attached template and provide this information to Maureen Yelovatz, Director, Missions and Events at [Maureen.Yelovatz@gov.bc.ca](mailto:Maureen.Yelovatz@gov.bc.ca) by Friday, January 18, 2019. If you do not anticipate any international travel during the 2019-20 fiscal year, please respond by indicating "No International Travel Planned".

Information will be treated as confidential and will be included in the government-wide annual mission plan that will be submitted to Minister Bruce Ralston.

If you have any questions, please don't hesitate to contact me or Maureen Yelovatz. Thank you for your support of this initiative.

Best,

Fazil Mihlar

Hello Everyone!

As most of you know by now, I'll be your contact for the TNG meeting on January 28<sup>th</sup>. I know that a lot of you have place holds in your Minister's calendars for them to attend. I do know that right now this meeting is confirmed with PJH/MSF/MDD/MDE/MGH and I am just waiting on clarification on the remaining Ministers. A couple of you have let me know that your Minister's have expressed their interest to attend and I have relayed that to staff. MIRR staff just had briefings on this meeting yesterday and I hope to have an answer for you by end of day tomorrow. I'm really sorry for the delay, so thanks for your patience and stay tuned!!

Hi Claire,

There was a report done last year by COV. I don't believe this includes the potential loss of the Four Seasons (373 rms), or the potential conversion to residential of the Century Plaza (240 rooms).

Pleased to discuss anytime.

**Subject:** RE: PNWER Summit in Saskatoon, July 21-25

**Importance:** High

Happy New Year Jim (and copying some of my PNWER colleagues to get us all thinking about what we can do for regional tourism in 2019), and yes, I plan to attend the July PNWER meeting in Saskatoon.

Cc: Bruce Agnew and Laurie Trautman so Tourism has an early link to Borders and Transportation as their PNWER agendas develop

Jim, the PNWER Tourism Working Group will start planning their agenda in the coming weeks and I'll keep you in the loop. If you or anybody from 'host city Saskatoon' wants to help frame up the Tourism discussion, we're all ears and would welcome the help.

Check out the PNWER website at <http://www.pnwer.org/tourism.html> and you'll get a sense of the regional discussions we've been having. Attached is last year's agenda.

In terms of 2019 agenda design, pending discussion with my co-chair Rep. Gael Tarleton, I'd like to frame our 2019 'look forward discussion' under the 'standing key headings' that we established last year, and following are my primordial planning thoughts:

- Presentation of Regional Dashboard – hoping the usual partners are able to continue this fundamental work and I think we're open to other academic or tourism institutions getting involved to help make our data consistent and robust. This is a great opportunity for regional collaboration...eventually the dashboard could open up to having specific sector input...air, etc.
- Marketing Discussion...perhaps a state of the union on what provinces and states are investing or ??
- 2019 Industry Listening Session – this could be a specific Saskatchewan related topic, or a topic that has regional importance. Your First Nations tourism work could be a good topic.
- Access & Dispersion
  - We should probably touch on border and check in on visas or any other regulatory barriers
  - Ferries?
- Tourism Sustainability and Resilience
  - Development of Regional Tourism Risk Register?
  - IMPACT sustainability report?

Under each heading there is opportunity to frame specific discussion points, and its important to remember that our goal is to develop recommendations and resolutions for follow up. As an idea for this year, once the meeting concludes perhaps we could do a media release about our findings/discussion summary/reccos. Would be great to do some Saskatchewan and national media, plus some work in our respective home provinces. The other benefit of having this annual meeting is that influential government and industry folks attend our session and we are generally successful in sending them away better informed about Tourism and about what types of policies would enable sustainable tourism growth/diversification/dispersion and how to protect what we have.

So, regarding agenda, as a primer for when Gael and I connect, I'm open to feedback from all copied. I think we should keep meeting to discuss at the high level how to protect what we have, mitigate risk and grow our ecosystem sustainably. With current risk in China our regional business will be important in 2019 and we are all each other's best tourism customer!

Would be good to get the topics set early so we can seek speakers and panelists and frame a great discussion. I note that as we head into 2019 there are risks for Tourism that we may wish to explore. Maybe part of the dashboard going forward is a 3<sup>rd</sup> page that is a Regional Tourism Risk Register...we could annually develop and review the Register as a bullet under the heading Tourism Sustainability & Resilience, and we could start this work in Saskatoon. That might help governments remember where Tourism is vulnerable. For sure on the coast forest fires would be one item on the list.

Best to all and please consider joining our planning group. If you are interested, please email me.

Hope to see y'all in Saskatoon in July!

Hi everyone,

Thank you for your time today. As discussed, we've been compiling opportunities that the federal government could consider over the next few months for funding infrastructure in BC.

I've updated Renee's list with a focus on funding opportunities that support spending decisions that BC has already made, or that could be made without provincial contributions.

Please feel free to add, delete, edit etc. The purpose of this document is to allow us to report back to our MO on Monday on potential projects that they could bring up with their federal colleagues.

Hi Minister Beare,

I just wanted to share with you that about 1 hour ago in a repeat of last year's win, the Thompson Okanagan Tourism Association (TOTA) was recognized by the World Travel Awards (WTA) as the 2019 North America's Responsible Tourism Leader Award for a Second time.

To get this award in successive years is truly special and a testament to our collective commitment to sustainability. The Award was announced at the 2019 Caribbean & North America Gala Ceremony held in Jamaica. World Travel Awards™ was established in 1993 to acknowledge, reward and celebrate excellence across all key sectors of the travel, tourism and hospitality industries.

Thank you again for your leadership and support. As I said before - this could not be possible without you.

Subject: Update from Thompson Okanagan Tourism

Hi Minister Beare,

I hope you are doing well.

I just wanted to share with you some news from the Thompson Okanagan on our drive to sustainability initiatives to keep you in the loop and informed. After having the great opportunity to speak at the Impact Conference in Victoria on Monday (I'm very sorry I was not there for your presentation) I joined our Board Chair Frank Antoine and TOTA VP Ellen Walker-Matthews at FITUR in Madrid, Spain.

The event brought together all the Biosphere Certified Destination Community partners from around the Globe where we hosted a booth focused on the promotion of Sustainable Destinations to over 200,000 attendees and had a number of excellent meetings with the UNWTO and WTTC.

During our time there I'm very pleased share the following news:

1. Visit Barcelona and TOTA have agreed to establish a formal long-term agreement to share insights on utilizing the latest in technology in Destination Management and Visitor Dispersion Methods.
2. Aldeias Históricas de Portugal and TOTA signed a formal MOU to share learnings, best practices, resources, expertise, and research on our pursuit of advancing sustainable efforts and community to community tourism trail promotion and Management.
3. I was extremely honoured to be appointed the next President of the Global Biosphere Destination Community which I believe is tremendous recognition for the work being done under your leadership in BC and our region.
4. TOTA was awarded Biosphere Certified Destination GOLD status by the Responsible Tourism Institute. This distinction recognizes not only tourism sustainability developed from the Biosphere certification but the work made to extend this commitment to the tourism companies and services of the destination. The Thompson Okanagan becomes the third destination in the world to receive this recognition.
5. This Monday night, January 28 TOTA has the opportunity to REPEAT as North America's Responsible Tourism Leader Award at the World Travel Awards being held in Jamaica. We have our fingers and toes crossed. I will certainly let you know if we can keep B.C. on a roll on sustainability front under your leadership!

Thank you for this opportunity to share these highlights and have a great weekend.

1. **Version 1 (*Tourism-BC-V13.9-LOW-PDF*)** is the copy that was sent to the Premiers Office for review on December 27, 2018. This version was updated to reflect the most recent changes requested by the Minister. Changes made to the document include:  
s.13

2. **Version 2 (*Tourism Framework – DBC input*)** above, includes the proposed changes recommended by DBC on Jan 4<sup>th</sup> using track changes for easy reference. The majority of the DBC comments have been incorporated and are shown in track changes with the exception of 3 comments where we instead flagged the change as a comment for consideration. Also note that in order to show the track changes we had to transfer the content of the PDF document into a word document which effects the formatting slightly. The three changes noted in comments are:

s.13

In terms of next steps, we are now updating the implementation approach summary document which will be ready tomorrow. This document will provide a summary of the proposed implementation approach for each action within the document as requested by the Minister.

We are now scheduled for CCSSP on February 27<sup>th</sup>. Key dates are as follows:

- February 6 – first draft - DM approved to be loaded to sharepoint
- February 20 - Minister approved final uploaded to CCSSP sharepoint
- February 27 – CCSSP

Mira,

Please find attached and below information about the Women Deliver Culture Night which was approved for \$50,000 in funding from TAC's Tourism Events Program (TEP) funding stream.

**Women Deliver 2019 Culture Night**

- The Women Deliver Culture Night taking place June 5, 2019, in Vancouver, has been awarded \$50,000 in Tourism Events Program funding.
- This is the full amount the applicant requested, and the funds will be used to broaden the reach and impact of the event through marketing and communications.
- Culture Night is an ancillary event to the Women Deliver Conference (June 3-6, 2019), a high profile conference on gender equality and the health, rights, and well-being of women and girls.
- Culture Night is a free outdoor celebration where the conference will meet the Province of British Columbia.
- Delegates will engage with locals for an evening of music, food, art, and Indigenous culture that amplifies and celebrates the power of women and girls while showcasing our Province's vibrancy, multiculturalism, and creative energy.
- Organizers expect over 27,000 spectators will attend Culture Night, only 7,000 of which will be delegates from the conference.
- See the attached Culture Night Overview provided by the applicant for more info.

As I mentioned during our conversation yesterday, BC Pavilion Corporation is hosting a reception on Tuesday, January 15<sup>th</sup> @ 5pm. The reception will include members of the Women Deliver executive, the PavCo board members (it is happening at the conclusion of Pavco's regular board meeting) and other key community leaders. The purpose of the reception is to both represent the community to the Executive of Women Deliver, and to help spread the word in the community about the Women Deliver Conference. The total number of attendees expected at the reception is between 30-40 people.

If there are any people in particular you think should be invited to this reception, please let me know ASAP and we can make sure they are invited. I will ensure PS Dean is invited. If you have any other questions about either of these pieces, don't hesitate to get in touch.

Best,  
Kelly

Hi Team,

Attached are the materials for Friday's Amplify BC studio tour.

We are hoping to send the MA tomorrow so if I could kindly get your ok on that and the quote on the NR.

MLB Quote for approval:

"A wealth of musical talent and diversity thrives in our province, and the Amplify BC Live Music Fund is an excellent way for us to nurture the next generation of musicians," said Lisa Beare, Minister of Tourism Arts and Culture. "These events will promote B.C. as a music destination while providing more opportunities for British Columbians to enjoy the live music scene."

\*Note there are questions in the SN's that it would be good to run through with MLB before the day's activities.

Thanks kindly,  
Carla

Hi Kelly

Sorry for the late Friday email. I'm following up directly on the emails that Kate has sent over the past 10 days or so first asking for and then confirming dates in Minister Beare's calendar in the weeks following the budget.

I wanted to let you know that we are going to start confirming details, so let me know if we should be in touch with you directly or someone else in the MO or your comms shop.

As you'll recall the dates for your Minister are March 8, 12<sup>th</sup> and 13<sup>th</sup>. We are planning a few big panel discussions with several Ministers to mark International Womens Day on March 8<sup>th</sup>, and we want her to participate in one of those. We'll have news shortly as to whether it will be Victoria or Vancouver for her. **s.13**  
**s.13**

will be in touch shortly with more details as we start to confirm things, and let me know if you have any questions.

**Request**

The reporter would like to schedule an interview with a LCRB representative to discuss its "learning management system" RFP. The reporter would like to know:

- 1) What is the LRCB looking for from this system?
- 2) Why is it needed?
- 3) Are there any other details about the system the LCRB wants to share?

**Recommendation – Provide background**

**1) What is the LRCB looking for from this system?**

The Liquor and Cannabis Regulation Branch requires training programs to educate liquor licensees/permittees, their managers and servers; and cannabis licensees and their sales

staff. The development of this system will provide:

- A learning system that is easily accessed
- Engaging learning materials
- A system for accepting payments for online exams
- An exam bank with testing that has a minimum score rating
- A database that will allow users to prove their certification and for the LCRB to confirm it.

## **2) Why is it needed?**

- Training is required by the *Liquor Control and Licensing Act* [[LCA Link](#)] and will also be required by the *Cannabis Control and Licensing Act* [[CCLA Link](#)].
- The cannabis training program will be developed as part of the Province's regulatory goal to promote safe establishments and safe communities.
- Licensees may be subject to significant fines for non-compliance if any of their staff are unable to demonstrate that they possess required certifications.
- Currently, "Serving it Right" (SIR) and "Special Event Server" (SES) courses are provided online by go2 Tourism HR Society (go2HR).
- SIR and SES provide information on responsible alcohol beverage service to reduce the health and safety harms related to liquor service.
- The LCRB directs go2HR to make changes required to SIR and SES which may result from changes to policy or law.
- The Province will soon be introducing a training program for non-medical cannabis retail workers and it will also require an online system.
- The request for proposals for the Learning Management System is an opportunity for a vendor to provide a learning management system that

administers the training and certification for both the non-medical cannabis and liquor sectors.

- 4) Why has it taken so long for Victoria to get a cannabis store?

**Recommendation – provide background****1)Where are the four stores going to be located?**

- The Liquor Distribution Branch (LDB) has submitted applications to a number of municipalities across the province in an effort to effectively roll out its network of BC Cannabis Stores.

Please see below a breakdown of the applications submitted by the LDB on Vancouver Island:

**Nanaimo:**

- The LDB has submitted two applications for BC Cannabis Stores in Nanaimo. Due to ongoing lease

negotiations, we are unable to disclose the addresses of these applications at this time.

**Courtenay:**

- The LDB has submitted an application to the City of Courtenay for a BC Cannabis Store at the Washington Park Shopping Centre at 789 Ryan Road.
- Public consultation is currently underway for this application, and a public information meeting was held in Courtenay on January 9.
- Once the public consultation process has concluded, council staff will prepare a report and the application will be presented to the council for consideration.

**Campbell River:**

- LDB has received approval from the City of Campbell River to open a BC Cannabis Store at 1432 Island Highway.
- Once the LDB has taken possession of the site, it will begin construction to appropriately develop the space.

**Powell River:**

- An application has also been submitted to the City of Powell River for a BC Cannabis Store at #115 – 7035 Barnet Street, a public consultation is currently underway for this application.

**2) Will these stores be accompanied with agricultural/growing facilities?**

- No. The LDB, as the sole wholesale distributor, procures cannabis product from federally licensed producers only, and does not operate agricultural/growing facilities.

**3) How long does it take to establish a store?**

Once a lease has been signed, it can take between six to seven months to develop the site as a BC Cannabis store.

- It's important to note that BC Cannabis Stores' online sales platform, which launched on Oct.17, ensures all British Columbians have access to a regulated, safe product regardless of where they live in B.C.

#### **4) Why has it taken so long for Victoria to get a cannabis store?**

- There are many factors that are considered when applying for a private non-medical cannabis retail licence. They include: applicants submitting a completed application, paying fees, and consenting to security checks. All applications are referred to a local government or Indigenous nation and must receive a positive recommendation before the Province issues a licence.
- Weekly statistics on cannabis retail store licence applications in B.C. and an explanation of how cannabis retail store licence applications move through the licensing process can be found here:

Good Morning Kelly,

Happy New Year - I hope you had a great holiday break and that the start of 2019 bodes well.

As you may know, the Chair of the BC Achievement Foundation is now, Anne Giardini, who assumed the position at the December AGM and Board Meeting. Past-chair, Scott McIntyre, has stayed on the board in an emeritus role. In her new role, Anne would very much like to meet with Minister Beare at the earliest opportunity. Anne is <sup>s.22</sup> and, although I am aware of the many demands on the Minister's schedule, it would be excellent timing to get the two of them together. The foundation is now located one floor below the Vancouver Cabinet offices in the World Trade Centre (Suite 602) and Anne would be pleased to host the Minister or meet her where most convenient.

Thanks for considering this request and please let me know if you have questions. I will follow up with a phone call early next week.

All the best and have a great weekend.

Hello, Everyone!

Due to the limited availability of those who responded to the last Doodle poll sent out in December, we have decided to reschedule the BCAF Board's Strategic Planning meeting for the month of March.

Please find attached below a link to the 'new' Doodle poll for possible dates and times for the **Strategic Planning meeting**:

<https://doodle.com/poll/5rahr4axme8wsruk>

Again due to the nature of the meeting, we anticipate approximately a five hour time commitment. The meeting session will include either dinner or lunch depending on the preferred time and date. The meeting will be held in Vancouver with the location TBC.

Please fill out this Doodle poll to indicate your availability by **Monday, January 21st**. We will follow up with the confirmed date and time shortly thereafter.

Thank you, again, for your help.

Warm regards,

Kristin

JJ. Happy 2019.

Quick share below to get your thoughts on whether this may be a good follow up story to the ones you've created or we need to take an alternate path.

While proofing **s.22** applications I noted this response to a question that didn't sit well with me. **s.22** .

**Tell us about an activity above that are most important to you. Please explain the role you played and what you learned in the process. You will be asked for a reference who can speak to your response.**

**s.22**

Reasons this didn't sit well with me.

1. as a result of this experience, a child almost lost his life. \*shouldn't need to continue but..
2. this type of bullshit happens every year across multiple sports, yet nobody addresses it.
3. in this instance 34 adults & 17 kids witnessed it happen over the course of 6.5 months. \*many who would be willing to comment.
4. 25% of this team (comprised of 14 & 15yr old kids) quit the sport of all together (S.22  
S.22
5. in this instance, S.22  
S.22
6. *this is what i do for a living*. consult sport organizations on 'how to' attract, retain & grow their membership through 'as many as possible, as long as possible, in the best environment possible' engagement strategies
7. \*1 of the 34 adults; myself, *who's kid was not directly targeted* - followed all of the reporting procedures recommended by the association (+ beyond) and people STILL. DID.NOTHING.
  - o S.22

\*To be specific, these are the steps taken in attempts to rectify the poor quality coaching situation at this association.

1. speaking to the coaches.
  - o twice face to face, multiple emails and texts to the effect of 'listen, do you understand

the impact you are having on these kids?' 'how can i help?'

2. informing / engaging the Vice President and President of hockey operations.

- are you aware of what is happening? this is a specific incident - now that you are aware, should something happen you could be liable. are you doing anything to support quality coach education. I can help you or have someone else help you.

3. attending Annual General Meetings

- standing up and asking what was in place for quality coach education. suggested perhaps there are better ways & processes

4. joining the board of directors

- volunteering time to join the **s.22** . made suggestions and recommendations. left when a board member stated 'All **s.22** parents are a bunch of fucking assholes'

5. investing in tools and resources

- zero cost to the association, to help enhance the prospect of quality sport delivery

6. engaging our provincial sport governing body - Viasport. Multiple times.

- asking for advice on where to go / what to do next. NOTHING.

7. engaging our local media

- encouraging them to write a story on the value of quality coaching / what kids sporting experiences should entail etc.

All tolled, over ONE HUNDRED documented points of contact over the past seven years. And NOTHING has changed.

1. This coach is still **s.22** of the organization. The president is still the president.

Dear Sir/Madam,

My name is Javid Jabiyevev. I am one of the professionals in Tourism and Hospitality Management from Azerbaijan. If necessary, you can get my reference letter by the head of the Azerbaijan Tourism Association and a member of the World Tourism Organization.

We know Nowadays, Canada is of the fast-developed countries throughout the world. Strides and efforts carried out so as to develop the tourism pave the way for positive predictions over Tourism and Hospitality Management in Canada.

The importance of tourism in Canada's economy keeps growing day by day. Today, one needs to stand out with something in the tourism kingdom. These things could be put to work by various means. One of them is to found conceptual hotels. I and our team have some projects regarding conceptual hotels. The execution of these projects can definitely cause an increase both in the number of tourists and tourism income. s.13,s.16

We wish the Ministry of Tourism of Canada will contact us closely and gain positive results for Canada.

We thank you beforehand looking forward to your positive response in a short space.

Hi Gang,

Attached is an event pitch and proposed tour for MLB for the Jan 25 afternoon Music Tour and Announcement.

We have placed in the corp cal, but I am not sure that this has been approved at the Sr. MA meeting as of yet?

Please let me know if you need any further details and once you have a chance to review the tour proposal if you are ok with the tour stops proposed.

Thanks kindly,

Hello Kelly

For Minister Beare;

I had thought after our meeting that I should have shared the attached documents.

They show a clear impact that the Port Theatre has had , not only with the Regional district, but also throughout BC .

.....an clear impact on tourism . These results have been accomplished without any specific Marketing outside our region except a few ads in the Times Colonist over the 20 yrs.  
Our expansion project will increase this impact substantially.

**Subject:** FW: Day of Disabilities and IMPACT CONFERENCE

Hey Kelly,

Just got this from Brenda in SDPR, requesting MLB give greetings on behalf of MSS during her speaking opportunity at the IMPACT conference.

If you're alright with this I'll forward over to Carla to have greetings on behalf of Minister Simpson included in the speaking notes.

Jeff

Hi Jeff,

I understand Minister Beare will be speaking at this event below. Could you find out if it's possible for her to bring greetings on behalf of Minister Simpson please? We thought he might also be attending but it's looking like he won't be able to now. Please let me know. Thanks.

Hi Danielle,

It was great to meet with you on Monday as well. The minister and I enjoyed the Project Everybody event very much. It was wonderful to see such a good turn-out.

Can you tell me who is organizing the IMPACT conference? Is there someone you can connect me with so that I can get more information?

Thanks.

Hi Brenda:

Wonderful to talk to you and the Minister at the Day of Disabilities this past Monday. The minister wanted to know more about the IMPACT Conference coming up January 20-23 at the Conference Centre in Victoria. I am one of the invited speakers and will be talking about Accessible Travel and Tourism. I was recommended by Tourism Vancouver and will be representing the Disability Foundation started by our former mayor Sam Sullivan. For more than 40 years I traveled the globe as a photographer and writer for the United Nations, World Bank, Helen Keller International, etc. Here I shot photos for Tourism Vancouver, Tourism BC and Aboriginal Tourism BC(now called Indigenous Tourism of BC. I also shot the 2010 Winter Paralympics here in Vancouver and Whistler Little knowing that a stroke in October 2010 would put me in a wheelchair too.

Since then I have become a very active advocate for all persons with disabilities with emphasis on accessibility, empowerment and inclusivity. I have attached a link to more information about the IMPACT CONFERENCE.

Also a link to a movie I helped put together for the AMI channel.

Hello Amy & Pat,

I have talked to BC Ferries reservations, related to my original email below, and have some very, very disturbing news. According to the reservations agent, the Northern SeaWolf is still in refit and they will not know until the end of March whether or not it will even be in the water this summer!!!

Currently they are booking up to the capacity of the Nimpkish (16 vehicles) and everybody else is going on a waitlist. They will not be able to confirm people from the waitlist until the vessel is confirmed at the end of March at the earliest. Every single sailing in July is waitlisted - I don't know about other months.

I do not need to tell you what a nightmare scenario this is. People from Europe are making their vacation plans NOW! If they cannot be sure of getting on the ferry they will go somewhere else. If BC Ferries screws up this route again we will start losing European travel agents and wholesalers PERMANENTLY.

Enough is enough. We need BC Ferries to be booking the assumed capacity of the Northern SeaWolf IMMEDIATELY, under the reasonable assumption that it will be ready for the June opening of the season. We cannot let this go on any longer.

Can anyone get up the BC Ferries hierarchy high enough to make this happen?? Desperate times call for desperate measures.

Sincerely,

s.22

Hello Pat & Amy,

I am sorry to have to contact you about this, but we really need to get to the bottom of it.

We have just heard from a European guest who has been unsuccessful trying to get a booking on the Northern Seawolf for July 23rd. Now his whole family vacation hangs in the balance. This is the second email I have had recently. On top of everything else, they won't tell him where he sits on the waitlist - is he #1 or #50? - which would go a long way to telling him what his chances are of getting on.

According to him, BC Ferries told him that every sailing in July had a waitlist, and they weren't even taking bookings yet for August (which seems very strange). Here is an excerpt from the email he received from BC Ferries:

"We have set the vehicle capacity of the Northern Sea Wolf at a conservative level. Once dock fits occur and test loads take place we will determine if it's possible to open up additional space – potentially in March or April."

This is really inexcusable. They have had that boat operational since October, and they haven't got around to determining its capacity? We really cannot afford yet another snafu by BC Ferries or people are going to start giving up on this route. Heck, I'm on the verge of giving up!

Can either or both of you look into this situation and see what if anything can be done to alleviate it? We're going to start losing people if this can't be solved pronto.

Thanks,

Hi Kelly,

You mentioned last Friday that you might have PS Kahlon do the Minister's planned Creative BC Digital funding grants announcement so she could be with Bob D'Eith as he makes a housing announcement in Mission on behalf of Minister Robinson. Bob's announcement will be at 10am. Do you still want Minister Beare to attend?

Hey Deanna,

As a follow-up to our conversation, I am sending along the information we spoke about. See below:

- In August 2018 a letter of support was sent to event organizers from Minister Beare. In the letter, organizers were informed that they would be eligible for funding from the Major Events Program conditional on receipt of a business plan and the bid committee successfully securing the right to host the event.
- The letter of support also stated that the event may be eligible for Tourism Events Program (TEP) funding, pending the event being secured. Organizers were informed that the appropriate application window to apply was between Sept 1, 2018-October 31,2018.
- Event organizers in Surrey had originally anticipated a mid-September 2018 announcement of the successful proponent. Unfortunately the international body was very delayed in publicly announcing the winner and Surrey wasn't announced as the successful host of the tournament until January 20, 2019.
- A letter was sent to Minister Beare (in confidence) on January 17, 2019 informing that Surrey was successful in the bid process. s.13,s.17

Apologies in the delay.

Just heard back from program. Here is the response:

TAC and FLNR are working in partnership to establish Fossil Repository Standards.

These standards would support the maintenance and care required of these provincial assets in the community.

Once the standards are in place, designation of fossil repositories in the Province may be considered.

This could create an opportunity for Tumbler Ridge to become a Fossil Repository.

Please let me know if you need anything further. I will update the IN with these details.

Mark can meet you at the legislature if that is most convenient.

Hi Kelly

I hope this note finds you well.

I am writing to request an introductory meeting between yourself and Mark Rubin – the founder and CEO of Portable Electric during the week of February 11<sup>th</sup> in Victoria.

Portable Electric is a BC based company – created and nurtured in the province and continues to expand internationally in the arts and culture community as they provide reliable, instant power for the arts and movie industry. The VOLTstack uses clean, renewable power – no fumes, no noise and no excessive costs. Simply flip a switch for silent, emissions-free portable power. No matter the need, the VOLTstack by Portable Electric is revolutionizing the movie industry with its services.

Mark would like the opportunity to introduce the BC based company, discuss its connections and supports for arts and culture industry and specifically the movie industry in BC.

I have been asked to help coordinate this meeting. I would greatly appreciate an opportunity to connect you and Mark the week of February 11<sup>th</sup> at your convenience in Victoria.

I look forward to hearing from you.

All the best

Katie

Dear Teresa,

I am writing to inquire about the possibility of hosting this year's annual Music Monday celebration outside the Legislature. The Coalition for Music Education in Canada presents an annual nationwide celebration of music education on the first Monday in May. Locally, the Coalition for Music Education in BC hosts a showcase concert. The concept is that young people across Canada join together in song and celebration on the same day, supporting the same important cause.

On May 6, we'd like to explore the possibility of holding this event outside the Legislature sometime around the lunch hour. It would be a 60-90 minute presentation involving speakers, local school music student performers, and many opportunities for government officials to get involved.

I am copying two colleagues- Eduardo Ottoni who works on community engagement for the CMEBC and Katie Shaw, who works with us from Global Public Affairs.

Please let us know your thoughts and what our next steps might be to bring this amazing event to Victoria.

Thanks,  
Christin  
President, CMEBC

Hi Tim,

Thanks so much for sharing the information with us, we enjoyed learning of your plans for the Nanaimo Ocean Discovery Centre. Unfortunately, Min. Beare will not be able to join the meeting with Minister Ralston, but she has asked that either myself or Ramesh attend the meeting on her behalf.

Enjoy your weekend and I look forward to seeing you again when you are in Victoria in February!

Hi Kelly,

Thanks for taking the time to visit Nanaimo and allow our facilities committee to present the Ocean Discovery Centre.

I encourage any direction Minister Beare and your ministry can provide. The NDDA is a strong community network but it is essential we find support in Victoria. If appropriate is a letter of recognition and support such as the draft attached available? Further we have presentation meeting scheduled on February 6, 2019 with Minister Bruce Ralston, would Minister Beare be interested in attending? The details are below.

Hi Krystal,

I am emailing in regards to our conversation this morning and our request to have PS Rice attend a meeting with BC's RDMO's on March 07<sup>th</sup>, 2019 between 2 and 4pm. The focus of the conversation would be about Emergency Management as it relates to both Tourism Operators and those that help coordinate them, i.e. the RDMO's. Once we have confirmed PS Rice's attendance, TAC staff will develop an agenda for the meeting.

During the fall we had a staff person from EMBC attend the Minister's Tourism Engagement Council

(MTEC) which was great. This is a different group and would be more of an opportunity for these organizations, who work directly with tourism operators on the ground, to speak directly with Parliamentary Secretary Rice.

Please see below for some background information in regards to the meeting request with the RDMO's.

RDMO – Regional Destination Marketing Organization.

There are five in British Columbia.

Tourism Vancouver Island
Thompson Okanagan Tourism Association
Kootenay Rockies Tourism Association
Cariboo Chilcotin Coast Tourism Association
Northern B.C. Tourism Association

These organizations are responsible for

- Destination Management and Leadership
  - › Central point of contact for industry, provincial and local government, CDMOs, DBC
  - › Business advisory services
  - › Regionally specific initiatives. Eg. sustainability, power of tourism communications, sector development
  - › Emergency management
    - Regional Marketing
  - › National and domestic markets
  - › Regional touring routes
  - › Content Development
  - › Support DBC with travel trade/media
    - Support DBC in program delivery, i.e. Co-op Marketing, Remarkable Experiences
    - Destination Development, including Regional Destination Development Plans
  - Industry Training

Thanks for your help with this!

Best,  
Kelly

## Art gallery will paint portrait of new home

Vancouver Sun

Wednesday, January 23, 2019

Page A07

By Kevin Griffin

The **Vancouver Art Gallery** will make a major announcement this morning about its new \$350-million building.

For more than a year, the gallery has been working on raising \$100 million from private sources for its new home across from the Queen Elizabeth Theatre at West Georgia and Cambie streets.

The **VAG** already has a design for the building by the Swiss architectural firm Herzog & de Meuron.

The event at the Rosewood Hotel Georgia will include gallery director Kathleen Bartels, Vancouver Mayor Kennedy Stewart, and Christine Binswanger, the architect in charge of the project for Herzog & de Meuron.

As of last July, the **VAG** said it had commitments of \$43 million from private sources.

Lisa Beale, the minister of tourism, arts and culture, has said the province would commit another \$50 million to the project once progress had been made on "raising private funds in support of the project."

In 2008, the provincial government contributed \$50 million to the **VAG** for the new building.

In 2017, the **VAG** submitted a pre-budget document to the federal government asking for \$100 million from Ottawa to build the new gallery, which would double the exhibition space of the current gallery at 750 Hornby St. The federal government said it was waiting for a project proposal from **Victoria** before committing any money. kevingriffin@postmedia.com !@COPYRIGHT= 2019 Postmedia Network Inc.
