This looks like an interesting proposal. I notice Creative BC just came on as a supporter. Can we find out if the Province ever provided support in the past? It doesn't look like it, but it would be interesting to know if they had been approached....

Can we put this on a list to discuss at a MIN/DM meeting early in the New Year?

THANKS!

Subject: World's best art exhibit to connect BC wild salmon and a city bridge in 2019

Dear Ms. Newhook,

I'm writing as one of the producers of a massive public art experience that highlights the Pacific salmon migration to local and international audiences.

UNINTERRUPTED was selected as one of the best outdoor art exhibits in the world by Wallpaper* magazine when it premiered in 2017. I'm getting in touch today at the recommendation of Mira Oreck to let you know that a return is planned for 2019 during the International Year of the Salmon (IYS).

If you didn't catch it in 2017 - let me provide a bit of background first. UNINTERRUPTED transforms the entire undercarriage of Vancouver's Cambie Bridge into a wild salmon-bearing river using underwater cinematography, high-powered projectors and digital mapping. In breathtaking style, it conveys the beauty and majesty of BC's natural world.

Audiences of more than 30,000 enjoyed the 25-minute, 3D spectacle through the summer evenings of 2017, and it received outstanding reviews from the media and public alike.

A call to action at the end of the experience points toward uninterrupted.ca where visitors can take an interactive journey to "swim" with the salmon, and appreciate the hazards they face. The web portal also features stories about the many ways that salmon are embedded in BC culture, and also of the work being done in salmon restoration and conservation by community organizations, First Nations, researchers and organizations.

Given the very enthusiastic response to this artwork, the City of Vancouver has now invited UNINTERRUPTED back for a special one-month run in August 2019 to help highlight the International Year of the Salmon. The importance of salmon to BC was recently articulated by Premier Horgan, during his speech at the launch of the IYS, and at this month's announcement of CleanBC.

A public experience that is extraordinary - which draws citizens and visitors in - makes a connection that moves people to care. Given your professional background, I'm sure you're familiar with that connection. UNINTERRUPTED effectively shines a spotlight on this province's super, natural attributes - and the reason why caring about them is so important. With upcoming IYS activities across the Northern Hemisphere, 2019 is the ideal moment for UNINTERRUPTED to return.

Canada Wild, the non-profit arts society that created UNINTERRUPTED, is currently organizing partnerships and funding to see if the salmon will swim once more across the bridge. As with 2017, it's important to us that this work of art remain free to the public. We're also working with the secretariat of the IYS, based in Vancouver.

Right now, I really just wanted to take the opportunity to introduce myself and the project to you, and to pass along a little more information. The attached brochure provides an overview of UNINTERRUPTED, both past and future - along with some great pics. I've also attached an outline specific to the Vancouver presentation in 2019.

I hope the project is one that Minister Beare and you find intriguing. We would welcome an opportunity to discuss the possibilities of UNINTERRUPTED 2019 further with you.

It's a busy time with the holidays approaching so I'd be pleased to follow up in the new year.

Until then, all the best of the season to you - and if you have any immediate questions, please just let me know.

Sincerely,

Rae Hull

Hi Kelly,

I trust this note finds you well.

I wanted to pass along to you news that CLIA NW and Canada (Cruise Line Industry Association Northwest and Canada) is being discontinued as of December 31, 2018. While CLIA NW and Canada is a part of CLIA Global, it is unclear as to how and when cruise advocacy in this region will be covered. I will be watching this closely.

I thought Minister Beare may want to know this – happy to elaborate with you over a coffee or by phone.

All the best to you over the holiday season.

Subject: Request for Minister as keynote speaker at BCAMA event

Hello Sandy, Claire and Suzanne,

A new date for the BCAMA Marketer of the Year event has been set by the BCAMA – the confirmed date is February 8, 2019. We would like to invite the Minister to be the keynote speaker in our presentation and award acceptance portion. I have attached a briefing note with an overview of the event and attendees.

Please let me know if there are any questions or any concerns I can address.

Thanks,

Maya

Aside from Go Canada Go!??

Haha! Just kidding.....they don't get a chance to speak. The announcer will introduce him, he will present the award and leave the ice.

Here are a few bullets of related background though, if anyone approaches him at the game:

Background / Facts:
s.13; s.17

s.13

- The tournament will be hosted in Victoria and Vancouver December 26-January 5. Teams from ten different countries will compete.
- Both preliminary rounds and quarter final games will be based in Vancouver (Rogers Arena – Group A) and Victoria (Save-on-Foods Memorial Centre – Group B).
- Following the quarter finals, the playoff round and the relegation series will be played at Rogers Arena.
- Hockey Canada is the rights holder for the event and has a strong history of successfully staging major events in British Columbia including the 2016 Women's World Championship (Kamloops) and 2017 U17 World Hockey Challenge (Dawson Creek/Fort. St. John).

Hi Kelly

Following the Ministers meeting with the five Regional Destination Marketing Organizations (RDMOs) on October 25th, 2018, a key action item coming out of the meeting was to set up two follow-up meetings between the Minister and the RDMO's over the next few months. One of the key agenda items flagged for discussion was Emergency Management Planning. After canvassing the RDMO's, the following dates have been identified:

- **January 29-31**
- **February 4, 8 or 26**
- **March 6-7**
- **March 12-15**

We are recommending that we identify/hold three dates between January 2019 and March 2019 to ensure sufficient time is allotted to complete the discussions needed for emergency management planning and to support the ongoing discussion with the RDMO's regarding regional delivery priorities.

To support the discussion on Emergency Mgmt planning we are proposing the following approach:

Hi Dean,

A few things:

#1. s.13 . It is in regards to the game that Min. Popham is attending (and doing Player of the Game) on December 29 @3:30, Slovakia vs. Finland. She is actually donating four tickets to a low-income family in her constituency. s.13

s.13

#2. There are no tickets that I know of that need to be accessible – thus far. I have just reached out to the Liberal caucus to see if they need accessible seating and will let you know.

2. Premier attendance at Vancouver games (we know he is confirmed for Gold Medal game and the Victoria games) so that TSN can be notified (deadline – as soon as possible).

Subject: Invitation: 2019 Visitor Services Conference

Good afternoon Minister Beare,

Destination BC would like to invite Minister Beare to speak at our annual Visitor Services Conference the morning of Monday, February 25, 2019. This two day conference is a meeting for Visitor Centre managers and their respective Sponsor Organizations (DMOs, Municipalities, Chambers) from around the province.

The conference takes place at North Vancouver's Pinnacle at the Pier Hotel in the Pinnacle Ballroom. On average there are 120-150 delegates representing 80-90 communities from across the Province. This is an opportunity for the Minister to speak to a large number of communities in one location. Suggested topics could be welcoming the delegation to North Vancouver, the importance of providing exceptional visitor service to travellers and the value of tourism to the Province.

We would be honoured to have the Minister at our annual conference.

Subject: 35058 Incoming First-of-its-kind partnership between Airbnb and Tourism Vancouver

Dear Minister Beare,

I am excited to share that Airbnb and Tourism Vancouver have signed a first-of-its-kind in Canada partnership agreement.

Through this agreement, Airbnb will leverage its global reach through digital channels such as Instagram, Facebook and Twitter as well as its magazine [Airbnbmag](#), to boost Vancouver's reputation as a premier destination. Additionally, Airbnb will work with Tourism Vancouver to expand the variety and quality of licensed accommodation offerings in the city, providing visitors with diverse options to suit every budget and style.

The agreement also includes a data-sharing component which will allow Airbnb to share intelligence on visitor trends (such as age of travellers and length of stay), as well as relationship-building between the two organizations in order to enhance marketing and industry growth opportunities.

In 2017 alone more than 400,000 guests travelled to Vancouver on the Airbnb platform, resulting in \$425 million of local economic activity. We are thrilled to be working with Tourism Vancouver to further build Vancouver's profile as a global destination and support local tourism while benefiting local communities. You can read more about the partnership [here](#).

Please feel free to reach out should you have any questions.

All the best,

Alex

(La version française suit.)

The Honourable Lisa Beare, M.L.A.
Minister of Tourism, Arts and Culture
Government of British Columbia

Dear Minister Beare:

I am writing to inform you that the Government of Canada has launched a selection process to recruit new members for the Business Development Bank of Canada (BDC) Board of Directors.

Given that you are an active leader of a community with members possessing the skills and experience to make a valuable contribution to the BDC, I am reaching out to encourage you to

share this posting with strong candidates within your community and network.

Headquartered in Montréal, the BDC is a Crown corporation with a \$31-billion portfolio and is wholly owned by the Government of Canada. As Canada's only bank dedicated exclusively to entrepreneurs, the BDC is mandated with supporting Canadian entrepreneurship, with a particular focus on small and medium-sized enterprises. Through its loans, investments, and advisory services, the BDC supports over 56,000 entrepreneurs in all parts of Canada and in every sector of the economy.

The BDC plays an essential role in Canada's Innovation and Skills Plan to help entrepreneurs grow and be more productive and innovative. It strives to support underserved groups, including women, youth, immigrants, and Indigenous entrepreneurs. Serving a large and diverse client base, the BDC requires a sophisticated, informed, and capable Board to carry out its mandate.

The government is applying a rigorous approach to Governor in Council (GIC) appointments built on an open, transparent, and merit-based selection process. This approach reflects the fundamental role that Canadians play in our democracy as they serve on commissions, boards, Crown corporations, agencies, and tribunals across the country. It will result in the recommendation of high-quality candidates who truly reflect Canada's diversity and will bolster Canadians' confidence in these important organizations.

More information on the GIC appointment policy and the BDC Board of Directors selection process can be found on the government's [GIC appointments webpage](#). Interested candidates must apply online by **January 7, 2019**.

Thank you for your assistance in this important matter.

Madame la Ministre,

Je vous écris pour vous informer que le gouvernement du Canada a lancé un processus de sélection pour recruter de nouveaux membres au sein du conseil d'administration de la Banque de développement du Canada (BDC).

Compte tenu de votre rôle actif de chef de file d'une organisation dont les membres possèdent les compétences et l'expérience nécessaires pour faire une contribution précieuse à la BDC, je fais appel à vous pour vous encourager à faire part de cette possibilité d'emploi à de solides candidats au sein de votre communauté et de votre réseau.

La BDC, dont le siège social est à Montréal, est une société d'État de services financiers avec un portefeuille de 31 milliards de dollars et est entièrement détenue par le gouvernement du Canada. En tant qu'unique banque canadienne vouée exclusivement aux entrepreneurs, la BDC a le mandat d'appuyer l'entrepreneuriat canadien, avec un accent particulier sur les petites et moyennes entreprises. La BDC appuie plus de 56 000 entrepreneurs dans toutes les parties du Canada et dans tous les secteurs de l'économie, au moyen de prêts, d'investissements et de services consultatifs.

La BDC joue un rôle essentiel dans le Plan pour l'innovation et les compétences du Canada,

afin d'aider les entrepreneurs à croître, à augmenter leur productivité et à innover. La BDC s'efforce de soutenir des groupes sous-représentés, comme les femmes, les jeunes, les immigrants et les entrepreneurs Autochtones. Il est important pour une banque avec une clientèle étendue et diversifiée d'avoir un conseil expérimenté, bien informé et compétent, afin de permettre à la BDC de mener à bien son mandat.

Le gouvernement met en œuvre une approche rigoureuse à l'égard des nominations par le gouverneur en conseil (GC) qui est fondée sur un processus de sélection ouvert, transparent et axé sur le mérite. Cette approche reflète le rôle fondamental que les Canadiens jouent dans notre démocratie en siégeant à des commissions, des conseils, des sociétés d'État, des organismes et des tribunaux dans l'ensemble du pays. Elle mènera à la recommandation de candidats hautement qualifiés qui reflètent réellement la diversité canadienne et renforcera la confiance des Canadiens envers ces importantes organisations.

D'autres renseignements sur la politique de nomination du GC et sur le processus de sélection des membres du conseil d'administration de la BDC se trouvent sur la [page Web des Nominations par le GC](#). Les personnes intéressées doivent soumettre leur candidature en ligne d'ici le **7 janvier 2019**.

Vous remerciant de votre aide dans ce dossier important, je vous prie d'agréer l'expression de mes sentiments les meilleurs.

Hi Scott,

I hope that you are well! We met at a function in Parksville organized by Regan and Accessible Parksville group some time ago. I was a speaker on how BC was 'missing the boat' by not creating an accessible tourism program.

A refresher about myself and my company: I am the CEO of <https://travel-for-all.com/> which is a full-service travel agency that customizes vacations for travelers with 'special requirements'. I am actively involved in promoting an Accessible Canada For All, and we have customized 5000+ vacations for travelers with specific requirements i.e. cane users, slow walkers, Senior Tourism, hearing/sight impaired, Developmental Disabilities (Autism), complex health issues (Dialysis), and wheelchair users. We are members of The TIAC https://tiac-aitc.ca/cgi/page.cgi/_membership.html/5204-Travel-For-All

I am Vice-Chair of the Accessible Tourism Committee with the Standards Council of Canada <https://www.iso.org/members.html> and also a Board Member for The Social Planning and Research Council of B.C. (SPARC BC) <http://www.sparc.bc.ca/board-of-directors/> I was involved in the planning of a Vancouver Island Tourism strategy group.

I firmly believe that creating an effective presence for BC and Canada in the space of Inclusive Tourism, will elevate inbound visitors; which is parallel for the Canadians with Disabilities Act (CDA). I am attaching some details of our request for co-op marketing etc. Are you available for a discussion in the coming weeks?

The Creative BC Executive Committee met earlier this morning and discussed the Board membership generally and the position you and I discussed in particular. Prem is following up on a couple of thoughts and we should be back with some suggestions shortly.

Thanks for your call on Oct. 17. I have contacted the other members of our Executive Committee and we will get back with a recommendation for an additional Director who comes from outside the lower mainland, and would otherwise add to the Board.

Hi Folks – very last minute here but have a draft quote to include with a NR that DBC wants to send out to highlight the continuation of their funding for ITBC. This was part of MLB's speech a couple of weeks ago so a little late but, it's DBC's NR.

They are hoping to get this out ASAP:

Lisa Beare, Minister for Tourism, Arts and Culture NOT APPROVED

“British Columbia can proudly say we are leaders in Indigenous Tourism in Canada and I want to thank Indigenous Tourism BC for much of the great work to help put us there. We are so proud to continue to support this organization through Destination BC, and we look forward to watching this industry continue to grow and support our economy.”

Hi Marina,

See below for information from Mr. Newman's email and I have attached 2 documents he has provided for the meeting.

Thank you for letting us know as soon as you are able if MLB will be joining us.

Cheers,

Chris

Info from Newman email:

Briefly, I would like to establish a strong Indigenous program within the Fine Arts Department at Uvic. The program would be built around the intersection of Indigenous Perspective, Contemporary Arts and Social Purpose. To break that down a little further, it means that rather than teaching students how to make Indigenous iconography, we would examine Indigenous ways of being.

Students would also be required to take classes outside of fine arts, in another area like humanities, social sciences, law, etc... to inform and inspire their art. By making art meant to confront injustice or seek positive change, this would be, in many respects, the arts of reconciliation. This approach is not currently part of any other Canadian Institution and will attract students of all back grounds, and potentially many of them would be international.

Subject: McKinsey Tourism Report

Fyi - the McKinsey [Unlocking the Potential of Canada's Visitor Economy](#) report commissioned by the federal government was made public yesterday. Staff are meeting with federal counterparts later this week.

Key Points:

- Report is the result of the federal Minister of Finance's Advisory Council on Economic Growth recommendation that government and businesses take a targeted, collaborative approach to building tourism. s.13
- Report recommends government and business commit to doubling the value of international tourism in Canada by 2030, with substantial new investments in attractions and accommodations. MMJ committed to increased Destination Canada funding when she was out here last month.
- Much of the report is focused on attracting more people and the need for investments in hotel / resorts to accommodate them.
- Five key challenges identified:
 - **Demand is concentrated** in Ontario, Quebec and B.C. with the majority of international tourists from the U.S. in the summer season, potentially causing loss of social license for tourism activities.
 - **Access/transportation** – flights and distances
 - **Labour** in short supply and there is low regard for it as a career choice.
 - **Investment Needed** - infrastructure, and marketing.
 - **Lack of coordination/integration** - tourism policies and programs are diffused across numerous departments in every level of government.
- Three opportunities identified:
 - Expand capacity in existing major urban centres that are popular with tourists with more hotel rooms, better air access and transportation, and convenient, natural attractions.
 - Building new developments near major cities, leveraging nature and embracing winter.
 - Showcase Canada's unique cultural experiences in smaller urban centres with additional hotel rooms, international air routes, tourism offerings, and DMO alignment.

Hi all,

Can you please provide some dates/times ***in late January (after Jan. 23) or early February*** that are convenient for the Minister to do the next regional presentation ceremony for the Medal of Good Citizenship. This one would be held in the Parliament Buildings, Hall of Honour and we expect 5-6 recipients to attend to get their medals (very similar to the one just held in Vancouver).

The sooner we can get a date, the more time we can provide to recipients who may need to arrange for family members living out of Province to attend.

Thanks,
-K.

Morning Kelly. Thanks for this. Yes could we please get the below original email cliffed and a response prepared from Minister on behalf of MLA Horgan?

It seems to be a general email that covers a bunch of his concerns so would be good general response for him to get.

And then, Lee spoke to PJH last night at an event and subsequently sent him/me another email last night, which I will forward to you momentarily. If possible can you have one response prepared that will answer both the one below and the one I'm about to forward?

Can talk anytime to discuss if necessary.

In any event...THANK YOU... and best o season

However the one below was only addressed to me and the MLA inbox. So I need to figure out if it's been cliffed or if not can it be and a response prepared by Minister on behalf of MLA?

I've just discovered that the below email (and several others over the last year) from Lee Boyko never got to me ...they got hung up in my Junkmail/spam catcher.

I'm attempting now to correct that problem with spam

But in the meantime can you check please to see if the below email letter was ever cliffed and reply prepared? If so can you let me know when draft will be ready and if not can you please now log and start response.

I'll call Lee to apologize.

Subject: Museum Advocacy

Hi John,

On Monday October 22nd, I am presenting a workshop to the BC Museums Association on advocacy. At this point, I am feeling a bit of a fraud as it seems like all of my efforts in this area are falling on deaf ears. While from time to time, I see the odd government message about museums, like the new Chinese History museum, I am getting no sense about and concerted effort or coordination in this area by the government.

While I have received responses on my concerns about the BC Arts Council, the message I received was that everything is just fine. There is a serious lack of willingness to recognize that there is problems with the system. The reality is that most of my colleagues are likely not a fool hardy as to criticized the hands that feed them, yet I know that there is strong feelings about a number of aspects of the system.

I have had no response on changing how the lottery system operates. I cannot over-emphasis how much better the system is in Saskatchewan. Frankly, changing this system would be transformative and be a long term legacy of your government akin to the ALR, provincial ambulance service, etc. At least take the time to explore how this alternative might work in BC!

I have heard nothing from any provincial funder about additional resources to help offset increased cost imposed by the provincial government. Funding from Destination BC and the BCAC is stagnant! I still remember our conversation a few years ago, when I expressed concerns about the impact of the minimum wage increase, your assurance that funding for organizations like ours would be put in place gave me comfort. Now I am having to look at cutbacks in services. Local government has stepped up, where is the province?

Still nothing on doing a review of how the province deals with its various museum and heritage resources. Heritage is scattered throughout a few different ministries, but I see no effort so far from this government to recognize this and make an effort to coordinate across departments.

I was relieved to hear from you directly that the promise to double the BCAC funding will be carried out, so I look forward to seeing that announcement, which I assume will be part of the budget process.

I get it, in the scheme of things, a few community museum do not seem to hold a candle to issues such as the fentanyl crisis. Yet, with a bit of tweaking and a small amount of dollars, you can make a tangible difference in this area and improve the experience of people in communities around the province! And I can tell the people at the workshop, that it is possible to make a reasoned argument to politicians and get a reasonable response.

Cheers

Greetings,

I am writing to follow-up on our meeting this past June13, 2018, with yourself and Minister Beare in regard to potential funding support for accessibility upgrades to the Victoria Event Centre, an art and performance space managed by the Victoria Multicultural Society.

Since our last meeting the staff and volunteers of the VEC have been working hard to secure other funding streams to support this much needed upgrade to improves access for guests, performers and staff who are living with disabilities. I have attached an updated project summary including newly obtained quotes and an updated budget to reflect where we are at in completing our fundraising work.

As you will see in the attached, while progress has been made, we are still in need of additional funding in order to realize are goal of full accessibility. Please do keep our request in mind as your ministry looks to funding priorities in the new year. At your convenience, the members of the VMS would be happy to meet with you again to discuss any questions that you may have with regard to the VEC Accessibility Upgrade Project.

Sincerely,

Stephen Portman

Hi Minister Beare,

I'm very proud to share with you that last night TOTA WON the the World Travel Award for Responsible Tourism at the grand final gala in Lisbon after competing against 9 destinations and products from around the world. It is a huge honour and I wanted to say to you that this is something that could not be achieved without your leadership, inspiration, and support. This marks our fourth major international award on sustainability and responsible tourism this year and we couldn't be more proud.

We were the only product or destination in Canada to receive an award at the event and it was very surreal to be in such distinguished company from around the globe.

Again, Thank you so much to you and your entire amazing team in the Ministry!

Hi Andrea:

The Multiculturalism Grants program will be launched on Monday morning (Dec 10th) following a GCPE press release which I understand has been scheduled for 8:15am.

The proposal in the BN that is still with the Minister in e-apps is for the MO to send out a letter to MLAs on Monday to alert them to the grants availability. The e-apps version of the letter included a link to a test page on the internet. Can you please provide the

MO with this letter on Monday with the real link.

Hi Andrea,

We would like to send out the email from MLB letting MLA's know about the intake for the multi-grants and the new criteria.

As you know the letter has been drafted – however within the letter – there is a comment about needing to ensure we have the correct 'live' link. Can you contact Alison and make that happen?

Also – I've included Arthi on this email as I would really like it if this email attachment opens up on letterhead. Is that possible?

THANKS!

Andrea,

I just wanted to double-confirm that yes, we are going to go ahead with re-appointing Mark Werner on MTEC. Do you have his contact information on file anywhere so I can give him a call and ensure he wants to stay? If not, I will get it through CABRO.

Thanks!

Subject: 2018 Employee Attendance Reports

Hello,

Please find attached the 2018 Employee Attendance Report (EAR) for the payroll/department under your responsibility.

The report shows all leave details and balances for each employee on the payroll for 2018 (as at Dec 8/18). This includes Bill 66, OSS, CTO, ETO, Vacation, STIIP-sick leave and special leave.

The EAR report also helps identify any leave not taken that should be scheduled before the end of the calendar year, in order to align with carry over rules.

This year all 2018 leave submitted through TLAM must be approved by 5pm on January 7, 2019.

If not, it will remain as an unapproved record in Time and Leave.

Once leave rollover is processed at end of day on the 7th, any historical edits for 2018 will then need to be submitted via a LMT or a MyHR ticket.

Please take time to review each EAR report with your staff to ensure all leaves are recorded correctly in the system and have been taken from the correct bank.

Inaccuracies in leave reporting can cause increased leave liability costs and result in overpayments to employees.

- Please print and distribute these reports to staff for their review and approval.
- It's recommended that each employee sign and date the report and return it to you for secure retention once they agree with the balances.
- You should retain the approved forms on file and keep active until such time that they are no longer needed and you can then destroy them securely.

Leave Corrections

- The corrections can be entered into the Time and Leave system by an employee for up to two pay periods after the leave period has ended.
- A Leave Approver can enter missed leave on behalf of an employee in Time and Leave up to four pay periods after the leave period has ended.
- If you need to go back further than four pay periods, you need to submit the electronic leave form or a manual leave form.

Any portion of current year leave that is not used by December 31 causes a charge to your budget (it becomes a leave liability which results in a charge to the ministry).

- **Please discuss with staff who have significant unused vacation to ensure they have plans to use this time before the calendar year end.**

If you have any questions or concerns, please feel free to contact me or MyHR. If required, you can request another EAR report at any time to confirm your discrepancies have been resolved.

Thank you in advance to ensure the accuracy of leave transactions which in turn helps to reduce the leave liability costs to our ministry for the Fiscal 2018/2019 year.

Arthi looping back with Jeff as this incoming was marked as "info/file" in the MO's generic inbox.

As Sandy also received a hard copy letter in the mail with the same request we want to coordinate only one response going out.

Hi Scott,

I hope that you are well! We met at a function in Parksville organized by Regan and Accessible Parksville group some time ago. I was a speaker on how BC was 'missing the boat' by not creating an accessible tourism program.

A refresher about myself and my company: I am the CEO of <https://travel-for-all.com/> which is a full-service travel agency that customizes vacations for travelers with 'special requirements'. I am actively involved in promoting an Accessible Canada For All, and we have customized 5000+ vacations for travelers with specific requirements i.e. cane users, slow walkers, Senior Tourism, hearing/sight impaired, Developmental Disabilities (Autism), complex health issues (Dialysis), and wheelchair users. We are members of The TIAC

https://tiac-aitc.ca/cgi/page.cgi/_membership.html/5204-Travel-For-All

I am Vice-Chair of the Accessible Tourism Committee with the Standards Council of Canada <https://www.iso.org/members.html> and also a Board Member for The Social Planning and Research Council of B.C. (SPARC BC) <http://www.sparc.bc.ca/board-of-directors/> I was involved in the planning of a Vancouver Island Tourism strategy group.

I firmly believe that creating an effective presence for BC and Canada in the space of Inclusive Tourism, will elevate inbound visitors; which is parallel for the Canadians with Disabilities Act (CDA). I am attaching some details of our request for co-op marketing etc. Are you available for a discussion in the coming weeks?

Subject: An Inclusive and Accessible BC

Hi Scott,

I hope that you are well! We met at a function in Parksville organized by Regan and Accessible Parksville group some time ago. I was a speaker on how BC was 'missing the boat' by not creating an accessible tourism program.

A refresher about myself and my company: I am the CEO of <https://travel-for-all.com/> which is a full-service travel agency that customizes vacations for travelers with 'special requirements'. I am actively involved in promoting an Accessible Canada For All, and we have customized 5000+ vacations for travelers with specific requirements i.e. cane users, slow walkers, Senior Tourism, hearing/sight impaired, Developmental Disabilities (Autism), complex health issues (Dialysis), and wheelchair users. We are members of The TIAC https://tiac-aitc.ca/cgi/page.cgi/_membership.html/5204-Travel-For-All

I am Vice-Chair of the Accessible Tourism Committee with the Standards Council of Canada <https://www.iso.org/members.html> and also a Board Member for The Social Planning and Research Council of B.C. (SPARC BC) <http://www.sparc.bc.ca/board-of-directors/> I was involved in the planning of a Vancouver Island Tourism strategy group.

I firmly believe that creating an effective presence for BC and Canada in the space of Inclusive Tourism, will elevate inbound visitors; which is parallel for the Canadians with Disabilities Act (CDA). I am attaching some details of our request for co-op marketing etc. Are you available for a discussion in the coming weeks?

Yours in Travel for All,

Tarita Davenock

Dear s.22,

Thank you for the October 19, 2018 letter addressed to Premier John Horgan. I am pleased to respond on his behalf. I also like to thank the Chinese Cultural Centre of Greater Vancouver (CCC) once again, for its hospitality when the Premier, along with Minister Beare, Minister Ralston and I, visited your Centre in Vancouver Chinatown this summer.

I appreciate s.13

s.13 and for your dedication to the UNESCO nomination process. As you know, the Province will be undertaking consultations in the next few months to learn more about the community's vision for the museum. As we move through and conclude that process, options will be

presented to Government for consideration. I anticipate that your organization will be involved in the consultation process, and I thank you, in advance, for your assistance.

Mr. Brian Jonker, Executive Director of Corporate Initiatives and Strategic Priorities, Ministry of Tourism, Arts and Culture, is available if you have any further questions. He can be reached by email or phone at: brian.jonker@gov.bc.ca or [250-217-3991](tel:250-217-3991).

I look forward to working with your organization as the Province and City of Vancouver celebrate and showcase the significant contributions of the Chinese Canadian community to our province and country.

Also FYI I have received 2 calls: 1 from the PG Citizen and 1 from a local Williams Lake radio station that wanted background on award recipients.

Hi, Kelly —

Hope you're getting a breather now that the session's over!

If you haven't heard already, I'm now approved for contracting through the GCPE standing offer for writing and communications services, and I'd love to talk with you about how I can help support Minister Beare's team.

Since the new government took office, I've been working with a range of cabinet ministers and MLAs around speechwriting, presentation coaching and communications strategy, and I'm now scheduling engagements for the new year.

Let me know if you'd like more information about the kind of work I do. And if you have time before the holiday break or early in the new year to talk, I'll be delighted to schedule a call or meeting.

In the meantime, all the best on the home stretch toward the holidays!

Cheers,
—rob

- Draft permit was sent to permittee for review on October 1, 2018
- A conference call discussion was held with permittee on October 5, 2018 to review the draft permit
 - Major discussions included the archaeological assessment and staging area
- Consensus on next steps were achieved
- The Statutory Decision maker has now made his decision to approve this permit and the Whiskey Jack Nordic Ski Club Society is satisfied.

Thanks.

Yes – and it is soooo unbelievably common for people to start a new health regimen in the New Year.....we could /should tie it to that.

Hi Ramesh – we can draft an op-ed for early Jan. Is there any date or milestone that can have as a ‘hook’? We can connect with the folks in sports to see if there is anything....

Back to school for the New Year comes to mind.

Subject: Physical Literacy Op-Ed

Hi Trish,

PSK would like to do a physical literacy op-ed for the Vancouver Sun. Ideally, we’d like to have it go out the first week of January.

Key ideas/themes he wants to hit on:

- Increasing participation of women and girls in sport
- Giving kids the fundamentals and confidence to continue with sport
- Mental health impacts
- Educational outcomes associated with sport
- Keeping kids safe with sport

He mentioned he personally knows the editor of the Van Sun and that Val Casselton is the one that goes through op-eds – something you probably already know!

Anyways, let me know if this is doable.

Hi Kelly and team. One of TAC's staff members, Bruce Whyte, teaches tourism policy and planning at Royal Roads University.

One of the "tours" Bruce takes the his students on is at the legislature where he can introduce ideas about governance, legislation, regulation and the process of policy development.

Bruce currently has his class scheduled for a Tour of the Leg on Friday Jan 18th. Bruce is hoping to get an OK from the MO to show the students the "minister's office" and perhaps have Minister or MA greet / say hello to the students. They would only be in the MO for 5-10 mins at around 11:00am.

I have discussed this request with the DM and she is fully supportive. Please confirm if your office / MLB is also supportive.

Thanks.

Subject: Rossland's Winter Carnival

Hello ladies,
As promised, here is your official invitation to come visit Rossland for our amazing Winter Carnival. Its been going on since 1898 so it has a storied history and it's just plain lots of fun. It's a huge tourist event so right in your Ministry's wheel house. 😊

Lisa, I would be delighted to be your guide, and perhaps, if you wish, get you a spot in a bobsled for the crazy event. I can't promise, because my new council isn't sure they want to enter the competition this year, but I am working on them.

Plus, our brand new, four-star hotel has opened and is just about to celebrate several grand opening events to much fanfare this week. I believe it's the first new, big hotel opened in a BC ski resort in over 10 years. It is absolutely gorgeous and right the base of the ski hill (which is only a few minutes from downtown). The Josie is delighted to offer you and your staff complimentary accommodations.

Follow these links to get an idea of the fun we will have.

<http://rosslandwintercarnival.com>

<https://www.thejosie.com>

The event runs from Jan 23-27th. I suggest you arrive on Friday the 24th and leave on the 27th. You can fly into either Castlegar or Trail. I will happily pick you up and you won't need a car while you are here.

I really hope you can fit it into your schedule. It just might be one of the more entertaining business trips of the year!

Regards,
km

Agreed....that was a really nice party. Thanks for having us.

I was thinking that if you had mostly women's stuff, you could drop it at Sandy Merriman House - 809 Burdett Ave.

The other options Andrea mentioned would also work well – I just noticed you have a lot women's stuff there, so I thought of the women's shelter.

Hi Folks – s.13

~ 12 ~ if any of these dates work for MLB. As mentioned, provincial rep can only do either Gold or Bronze. As PJH is doing Gold, they must (according to international rules) give the Bronze game options to one of the other country reps. That said, there are other options below.

- Team Canada will be releasing players tonight and tomorrow. They should have the final roster this weekend.
- It has not been determined what the Premier will hand out during the gold medal game – but it will probably be the Player of the Game Award.
- **Riley needs to know which government reps will hand out the Player of the Game awards by Saturday.** s.13

TSN will “find” the Premier in the crowd during their broadcasts, and highlight provincial support for the Championship.

Hi Minister Beare,

I'm very proud to share with you that last night TOTA WON the the World Travel Award for Responsible Tourism at the grand final gala in Lisbon after competing against 9 destinations and products from around the world. It is a huge honour and I wanted to say to you that this is something that could not be achieved without your leadership, inspiration, and support. This marks our fourth major international award on sustainability and responsible tourism this year and we couldn't be more proud.

We were the only product or destination in Canada to receive an award at the event and it was very surreal to be in such distinguished company from around the globe.

Again, Thank you so much to you and your entire amazing team in the Ministry!
