As part of my role in government I am also the minister responsible for sport. That's why I am always so happy when I get a chance to celebrate when a member of our community achieves such great success.

I was honoured to speak at the 100th Anniversary of the @vancouver symphony orchestra tonight. It was privilege to attend the closing performance of today's 12 hour Day of Music event which celebrates a century of excellence in music in British Columbia.

Tonight's event, led by maestro @Otto Tausk, showcased the incredible talents of our provinces youth though a joint performance with the Vancouver Symphony Youth Orchestra.

Congratulations to VSO on this impressive accomplishment!

Hello I'm Lisa Beare, MLA for Maple Ridge - Pitt Meadows and the Minister of Tourism Arts and Culture.

As part of my role as minister I am also responsible for multiculturalism. I have the privilege of attending multicultural events across the province.

It's always such an honour every time I have the opportunity to celebrate the diversity of our province, and I'm glad to see that diversity reflected here in maple ridge tonight.

Part of what is being recognized is black history month. During Black History Month, we honour people of African descent who have shaped British Columbia's past and present.

British Columbia's history is Black history. When we gain greater knowledge of and respect for the stories of our past, we strengthen ourselves, our communities and our shared future.

Thank you to the organizers for hosting such an amazing event and thank you to all the volunteers that make events like this possible.
