Good afternoon,

This is a friendly reminder that Minister Beare is scheduled as Primary Minister on Duty for e-OIC signing next week, Dec 16 to 22, and Minister Mungall as back-up. In addition to myself, you may also receive requests for signing from Lianna Olson for CABRO orders.

There will be at least one order coming for signature on Monday. There will likely be a few other orders over the course of the week. Please let me know if there are any days or times your Minister won't be available for signing.

As always, PREM Tech is on standby to assist with iPad signing, and can be reached at 250-953-5151 or by email: [Prem.tech@gov.bc.ca](mailto:Prem.tech@gov.bc.ca).

Many thanks in advance for your assistance.

*The creative industry in BC is strong and competitive thanks to a diverse and talented workforce and unrivaled natural beauty of our province. The interactive and digital media industry generates approximately \$2.3 billion in annual revenues and employs roughly 16,500 people.*

*While we are disappointed to learn of this decision and the impact on the company's employees, we remain confident in the thriving creative sector we have in BC.*

*Our government is investing a record amount in tax credits towards the film, T.V. and digital media industry, ensuring our province remains a global destination for this sector.*

Hola Daniela,

As I am sure you well remember, the Community Gaming Grants at MAH  
are being announced this week and next.

MAH comm's shop reached out and asked us for a quote from MLB. We  
have confirmed with Sport branch that we have no athletes or PSO's using  
this facility so we have focused her quote on the general overarching

benefits of sport and physical activity.

Quote:

“Sport can play a powerful role in helping people lead healthy, productive lives,” said Lisa Beare, Minister of Tourism, Arts and Culture. “We want people of all ages, backgrounds and levels of ability to choose active living. That starts with having access to facilities and developing physical literacy. By investing in the Tong Louie Family YMCA, we are helping families in Surrey learn how to swim, which is the first step towards both recreational and competitive aquatic sport.”

Can we please get **your/MLB's approval by EOD** wherever possible as this NR is going out on Thursday.

Many thanks  
Carla

Hi Ramesh,

Air Canada will be operating its first direct flight from Vancouver to Auckland, New Zealand on Thursday, December 12<sup>th</sup>. We are excited about it as we know it will be a great contributor to the number of tourists coming to BC. I wanted to see if you would like to add a quote from Minister Beare in the news release we will be issuing on this occasion. Attached is a draft.

Let me know if you want to provide one. We will need to translate the release, so having one by end of day Monday would be great.

Don't hesitate to call me if you have any questions.
