Hello,

On behalf of Mayor Stewart, we want to send our sincere apologies for the last minute schedule change. Unfortunately, due to unforeseen circumstances, the Mayor will not be able to meet at 3:00pm today. Please let me know if Minister Beare has any availability on June 16th @ 11:00am. Again, we are very sorry for all the changes that we are encountering due to the COVID-19 commitments. Thanks again,

Subject: Air Canada Meeting request with Premier Horgan

Good afternoon Geoff and Naveen,
Our President and CEO, Calin Rovinescu, would like to have a call with Premier Horgan to discuss the current situation that has had a devastating impact on our industry. It has forced Air Canada to reduce capacity by more than 90% and workforce by more than 50% including many here in BC where we employed more than 7,000 employees before the travel restrictions were put in place.

Needless to say we are at a critical time for the industry. More than ever, the re-opening of the economy and the re-start of the visitor economy requires that we all work together, industry stakeholders and governments, to re-establish services in a safe and thoughtful manner. We are proud of the significant growth from our hub at YVR over the last few years which generated an array of benefits to the provincial economy.

Tourism industry leaders have come together and their call to the federal government will form part of what Calin would like to discuss. You will find below a press release issued last week by leaders of the industry.

<https://www.newswire.ca/news-releases/industry-leaders-call-on-federal-government-to-streamline-rules-and-encourage-canadian-travel-launch-canadian-tourism-roundtable-869322959.html>

We look forward to a call at your earliest convenience.

I thank you in advance for your assistance and please feel free to call if you want to discuss further.

Kindest regards,

Serge

Hi all! Just chiming in to flag that the only break week once session starts is the Canada Day week. While busy, it may be easier to book politicians this week.

Minister Chow prefers the idea of coordinating the Hong Hsing opening & CCM announcement with the Victoria Chinatown pop-up since the Premier will be participating in the announcement from Victoria via satellite. Do you think the pop-up would be ready for media by the week of July 1st even if it is not ready to officially open?

Hi Stephanie – the Victoria Chinatown pop up exhibit opening planned for a soft launch on July 20th.

They are also working on their website. Ideally we would be able to coordinate the with opening of the CCM temp exhibit at the Hon Hsing building with the opening of the Victoria pop up. Victoria has received support for the pop up from the following organizations so far:

Chinese Consolidated Benevolent Association
Chinese Freemasons
Dart Coon Club
Hook Sin Tong Charity Association
Hoy Sun Ning Yung Association
Jade Phoenix Club
Joe Wo Joint Spousal Trust
Shon Yee Benevolent Association
Victoria Chinatown Lioness Club

As expected they are off to a very strong start.

We are also wondering if Minister Beare would like to share a special welcome video message with the Gallery's 37,000 members and our 322,000+ social media followers. If she is able to provide a message of between 30 – 60 seconds via MP4 format by Friday, we will be delighted to share it across our social media channels all next week.

We are very excited to be able to re-open and have worked hard to ensure that all Gallery visitors will be welcomed back in a safe and comfortable environment where they can enjoy the art they love with ease.

YVR Launches Industry-Leading Health and Safety Campaign with YVR TAKEcare

Program introduced to ensure travellers move through the airport with confidence

Richmond, B.C. (June 18, 2020): Today, Vancouver International Airport (YVR) announced the launch of YVR TAKEcare, an operational program and health and safety campaign designed to help people move through the airport safely and with confidence. To help combat COVID-19, YVR TAKEcare places industry-leading health, safety and cleaning practices and protocols at the forefront of airport processes and includes collaboration with the airport's many partners.

"We are pleased to announce the launch of YVR TAKEcare," said Robyn McVicker, Vice President, Operations & Maintenance, Vancouver Airport Authority. "The safety and security of our passengers, employees and all airport visitors is our top priority. Through this multi-layered program, our goal is to create a safe and frictionless airport experience— from the curb to the cloud— so that passengers and employees feel confident while at the airport."

As part of the program, YVR is streamlining airport processes to ensure a seamless, touchless and physically distanced travel experience by investing in new technologies and reconfiguring airport

infrastructure. YVR is expanding on existing measures as well as implementing new ones. Current TAKEcare measures include:

- Asking that face coverings be worn at all times while in the public areas of the terminal.
- Requesting that only travellers with a valid ticket and employees who work at YVR enter the terminal building, with exceptions made for those requiring extra assistance.
- Increasing cleaning across all high-touch areas.
- Providing additional hand sanitizer throughout the airport
- Installing plexiglass at counters to provide guests and employees with an additional layer of prevention.
- Placing TAKEcare team members at key locations throughout the terminal to provide assistance and answer any questions.
- Displaying clear in-terminal signage throughout the passenger journey that encourages physical distancing whenever possible.
- Facilitating temperature screening at the entrance of security screening for some travellers. This process will become standardized in the coming days for all passengers, as announced recently by Transport Canada.

YVR TAKEcare will be an essential component of the airport's recovery from COVID-19. The program will continue to evolve in the weeks ahead following any additional guidance and directives from government, health authorities and industry experts. YVR continues to work closely with its partners to inform a national and global standard, further instilling confidence among the public.

For more information, visit yvr.ca/TAKEcare.
